Chapter 1

Introduction

"Wisdom has built her house and she calls to all, 'Come, eat my food and drink my wine and you will walk in the ways of understanding."

Proverbs 9:1-6

You may be asking, why another book on the end of the world (also referred to as the Day of our Lord)? The answer is that other books on the end of the world bible prophecy have been bastardized because they have been pinning the premise of Israel and today's Jews to be the same people as the Hebrew children who came out of bondage from Egypt. On this premise they are calling today's Israel the "holy land" and the Jews of today God's chosen people. Yes, God prophesied this nation would come into existence and that it is a sign of the end times but this does not mean that God has blessed this nation, which in reality is a satanic counterfeit. The Jews today have no connections to the Hebrew children of the past but are Asiatic, a Mongolian people, Huns who converted to Talmudic Pharisaism. The name "Jew" is actually short for Judean or those from Judea in which those calling themselves "Jews" today are not. They have no lineage to

Moses, Abraham or Jacob of the real Israelites. As a result our Evangelical ministers (Judeo-Christians) have been building the end of the world biblical prophecy around a false premise and counterfeit and attributing to it the blessing of God. You must understand that Judaism is not a race, it is a culture. Unfortunately, Judaism is a culture of death and immorality by their system of beliefs, for our Jews of today and the whole nation of Israel is a Pharisaic nation. As you go into the chapters of this book this will be explained to you with the evidence that will back up these claims.

Here is the history and deception in a nut shell. The Hebrew tribes that made up Israel were dispersed throughout the Western nations of the world by God, in which they were to meld into the societies and become good citizens of the society that provided them with a living, food and shelter until the day of our Lords return (many became Christians). The only ones left behind were the ones that came out of the occult society of Babylon, they were the Edomites who took the Babylonian pagan cult/occult beliefs and melded them into their manmade beliefs which today is called Judaism. Judaism is actually the belief system of the Pharisees. These are the ones who refused to disperse into the nations and instead held together in their cult/occult culture in whom we call Jews today, in other words they have become a nation within a nation and they refuse to assimilate

into the local society. They are the ones who presided over the people in Jerusalem, who murdered Jesus Christ and persecuted and undermined Christianity throughout history up to today. God has declared that he hated the Edomites. Jesus called them vipers (snakes) and children of the devil. The bible calls them the bad figs. Prophecy tells you that they will deceive people into believing that they are Judeans, God's people, but God's word says that they are of the synagogue of Satan. Here is the real bad part, our Christian ministers/priest are supporting this evil cabal even to the point of adulation (worship) and leading their flocks to do the same (e.g. Pastor John Hagee). In this they are committing high treason against the very God they claim to serve. They are committing blasphemy against the Holy Spirit. God has declared that you cannot eat at His table and the devils table, this cannot hold well with them when they face God in the Great Judgment. For God says we are not to serve or help evil or we will be looked upon as partakers of their evil. Also God's Word declares judgments and curses and evil against those who support God's enemies. Maybe that is why we in America are having all this destructive weather, floods, droughts, fires, diseases and our economy being decimated whereas we weren't plagued with just a few decades ago (back when we had prayers in our schools and God was acknowledged in society and morality was honored). Think about it!

Now just who are these people who call themselves Jews and claim their heritage to Moses (a lie)? You would have to go back in history to around 740 A.D... Back around this time these Pharisees were very small in number and if left as it was, we today would be hard press to even find a Jew in our society. But the devil had different plans, he was going to circumvent God's plans and steal the history of the Hebrew children and deceptively apply their history to a pagan tribe that lived between Turkey and the Caucasus Mountains of what will be known as the southern border of "Russia." This Mongolian race controlled up to 800,000 square miles and they were real ruthless bastards. In short this Khazar nation (also is known as Magog of the land of Gog) accepted Judaism of the Pharisees as their national religion. They became the "Khazar Jews" or the Ashkenazi Jews. Now presto we have millions of instant Jews. They became defeated by the Christian nations of what then became Russia and Western Europe. This is the tribe that migrated into Eastern Europe and then from there to the rest of the world. These became our Talmudic Pharisees of today, the new Edomites, the ones who declare that they are Jews but are not Jews (Judeans) but are of the Synagogue of Satan because of their cult/occult beliefs that violate everything that God had forbidden and what God has declared as an abomination is promoted and practiced by these Pharisees. They will deny this and hide this information from you. But in their writings and beliefs, they

believe that Lucifer (Satan) is the “good god” and is their god also referred by them as the “holy serpent” (they believe that Lucifer and Satan are two different persons, but it was God who renamed Lucifer – Satan, which means adversary). They believe that the Christian God is really the “evil God”, how twisted they are. They believe that their god, Lucifer is trapped in a “bottomless pit” (or prison), in order to free their god from this “bottomless pit” they must get everyone to sin and commit abomination against the Christian God. Well, they got that one right! The devil will possess a Judaic Pharisee (who will be the Antichrist, as revealed by Daniel and Jesus) and God will remove his protective hand and allow the massive destruction caused by the sins and depravity of mankind. Corrupted mankind will suffer from a worldwide nuclear fire as God in prophesy for-warned will happen because of the evil of the world society, just like it was back before the Great Flood of Noah’s time. This is just the short version to help you to get a quick understanding on what is happening here in history in relationship on what will be biblical prophecy. Israel today is a heathen nation just like the nations of Islam. When was the last time you even heard of a Christian crusade in Israel? If you go to Israel today and try to pass out bibles or testify of your faith, you will find yourself in prison real fast. Bottom line, they are Pharisees, they hate our guts, their Talmudic beliefs leads them into the goal of the utter destruction of Christianity as a holy cause. Their

supreme holy goal is to wipe out Christianity from the face of the earth and all Christians. Now you tell me who they really serve (God or the devil)? So Christian, the question is - why are you helping them? They are making merchandise out of you, and then they will destroy you and your family when they have their New World Government (which will be Luciferian, Satanic) in place. They today believe it is already too late for you to do anything about it and that you are now toast. That is why they have been coming "out of the closet" and exposing themselves. Unlike other books on biblical prophecy, I will give you the - who, what, where and why as well as how they are bringing in the end of the age.

Galatians 4:16 Am I therefore become your enemy, because I tell you the truth?

Scripture warning of 2 Chronicles 19:2 - "*...Shouldest thou help the ungodly, and love them that hate the LORD? therefore is wrath upon thee from before the LORD.*"

"Truth needs no laws to support it. Throughout history, from Giordano Bruno and Galileo, to [Ernst Zundel](#) and [David Irving](#), only lies and liars have resorted to the courts to enforce adherence to dogma." Michael Rivero

You must understand, the real reason behind the making of "hate laws" is to protect the "Forces of Evil's" own agendas from coming under attack. Criticize Israel of its evils, that's a

hate crime. Point out that homosexuality is immoral, that's a hate crime. Expose Freemasonry as anti-American and corrupt and evil, that's a hate crime. Show that the Talmud is hateful and bigoted, that's a hate crime. Expose that the holocaust is based on deception and lies, that's a hate crime. I can go on and on but you get the idea on how twisted "hate crime" laws are used to protect evil, lies, deceptions, immorality and the cult and occult forces from exposure and ridicule. To victimize and penalize those who would expose the truth or want open discussions and public debates that the Forces of Evil want to avoid is in itself evil and immoral. Truth never needs a law to protect it, only lies and deceptions need laws for protection. The corruption of these types of laws has been proven over and over in history as those who would dare to say that the world was round while everyone else believed it to be flat, or the world was not the center of the universe or that the world evolved around the sun and not the sun around the world. People have been put in prison and even murdered by governments who dictate what we must think or believe.

This is wrong, it is evil, and now, again, we must struggle

against this very same evil put into our own government's legal system by men with an immoral and corrupt agenda.

In writing this book I will attach articles from many different sources, written by many different people, some of these articles will be from "Pharisees" and from concerned Jews and former Masons. One thing that you must keep in mind, most of our Jews today in which we interact with are just as much of a victim of this evil as are the Christians that support them. The major problem is that our Jews in our society will support the goals of this international Luciferian, Pharisaic and Masonic evil without question because their Rabbi's demand it (they refer to this as their egregore, which means they act as one identity, worldwide, to the dictates of their Luciferian leadership). As a result they are complicit in this evil. Christians who support them are actually committing treason against God (Jesus Christ) in whom they proclaim they are serving, but are really serving the "synagogue of the devil". God is removing this darkness that has bewitched the minds of Christians. He is raising up an army in these end times, those Christians who repent of their evil and who can think for themselves and make righteous judgments are the ones who will smash through this dark evil that has our Church and society in chains.

Chapter 3

What Do They Believe?

In chapter two, "Who Are They," I have exposed the primary force of evil that is corrupting the world today. You must also understand that they also control the world's credit through their worldwide debt money system. They have also caused the destruction of individuals, businesses and even whole countries through their usury (usury has been condemned by God) while using this corruption of theirs to steal the wealth of the world. They in turn will use this wealth to build their world empire. In this frame work the beast (international socialism or communism, the red beast) will be in control worldwide and they will be identified by the symbol or image of those who represent this beast (the bible refers to as the Harlot). In this chapter I will expose their cult belief which has gotten them thrown out of every country in Europe (47 times over the last thousand years). Because of this they have spewed forth death threats for anyone exposing their cult beliefs, Jew or Gentile, which of course is understandable and criminally illegal, after all they are a cult and this is what cults do (Just like Islam). In this chapter we will zero in on the woman who rides and controls the beast in the end time (the Harlot). But before we do that we must know what makes them function, why are they referred to by God to be the Synagogue of Satan?

What is the Talmud?

The Talmud is a series of many books (approx. 63 books with hundreds of corresponding references) that are the “holiest” books in Judaism. They are separated into two main categories: the Mishnah and the Gemara.

The Mishnah identifies itself within its text as “extra-biblical” law. If it is “extra-biblical,” then it is clearly NON-biblical. The Gemara is a commentary on the Mishnah. Another prominent series of books in Judaism is the Cabala (also spelled Kabala, Kabbalah or Kaballah etc.). It is the original source of all sorceries, Hermetic magic, the Zohar and witchcraft. It is a deeply occultic series of books, demonic through and through, bottom line it is Satanism. It is the Satanism of Masonry and the New Age movement that the whole world is being propagandized into. Ever notice that every movie and T.V. program spews out – sex, violence and the occult, even children programs? It is the Forces of Evil that are promoting all of this and immorality, like Sodomy (in all its variants).

A vast collection of thousands of Jewish laws and traditions that dictate the behavior – down to the most trivial detail of an orthodox Jew’s life, the Talmud and Cabala are Judaism’s holiest books. They comprise the very antithesis of the Holy Bible, God’s Word. They promote every sin God condemns, they are blasphemous, hateful, bigoted, vile and promotes

the murder of those outside of their cult. This is the cult that will trap the whole world. It is a cult of death!

The Talmud – NOT the Old Testament is the governing religious book of Judaism. Evidence of this is found in the Talmud itself. Erubin 21b (Soncino edition): “My son, be more careful in the observance of the words of the Scribes (the Talmud) than in the words of the Torah (Old Testament).”

The Talmud nullifies the Bible by permitting and encouraging virtually everything the Bible defines as sin and an abomination to God. While on earth, Jesus made a direct reference to the Talmud when he denounced the Pharisees, the leaders of the synagogue, for voiding the Scripture by teaching the traditions of men (Mark 7:1-13). Non-Jews - derogatorily referred to as goyim, minim, heathen, or gentiles, by the Jews - are considered to be no better than soulless cattle, according to the Talmud, so their possessions, their land, and even their lives can be taken at will, by the Jews. So says the teachings of the Talmud of Judaism.

The teachings of the Jewish Babylonian Talmud are arguably the most bigoted, despicable, and hate-filled teachings known to man. Keep in mind that they have a “sanitized” version of the Talmud available to deceive non-Jews. [Article 16](#) The deceit then becomes layered – deceit on top of

deceit! Understand Jewishness is a Culture and/or a religion – NOT an ethnicity.

The Jewish culture is the culture of the Talmud. The Jewish religion is the religion of the Talmud.

It is unfortunate that the Christian churches and their members are so woefully ignorant of 1) the teachings of Judaism, and 2) the culture of the Jews.

To learn about the present-day Jewish culture and present-day Judaism and its “holiest” book the Talmud (NOT the Old Testament), let’s look at quotations from the Talmud.

In Judaism, Jewish Rabbis are “God”

Hagigah 27a Declares that no rabbi can ever go to hell.

Erubin 21b Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell. (This is a common cult tactic to keep their followers in bondage).

Baba Mezia 59b. A sly rabbi debates God and through trickery defeats Him. God admits the rabbi won the debate. (Come on, give us a break. M.B.)

Bava Metzia 86a. Rabbi Nahmani is called to heaven to settle a debate between God, and ‘the rest of the fellowship’ and to

teach God who is clean and who is not, since the rabbi is the foremost expert (greater than God) on plagues and contamination: “For said Rabbah b. Nahmani, ‘I am absolutely unique in my knowledge of the marks of skin disease that is unclean and in the rules of uncleanness . . .” (In other words these Jews proclaim that they are greater and wiser than God, what a bunch of sick bastards).

Berakhot 6a-b. God wears phylacteries on which are inscribed praise for the Jewish people.

Berakhot 7A God asks a rabbi for the rabbi’s blessing.

The Talmud is God

“. . . The Babylonian Talmud represents God in the flesh. . .”
Jacob Neusner, *Rabbinic Judaism: Structure and System*
(Minneapolis, Minnesota: Augsburg Fortress, 1995, p 62.)

Rabbi Jacob Neusner states: “On the surface, Scripture plays little role in the Mishnaic system. The Mishnah (part of the Talmud) rarely cites a verse of Scripture, refers to Scripture as an entity, links its own ideas to those of Scripture, or lays claim to originate in what Scripture has said, even by indirect or remote allusion to a Scriptural verse of teaching . . . Formally, redactionally, and linguistically the Mishnah stands in splendid isolation from Scripture . . . the Mishnah

constitutes torah.” *The Mishnah: A New Translation* (New Haven, CT: Yale University Press, 1988) pp. xxxv and xxxvi

Rabbi Neusner is stating that the Mishnah (a part of the Talmud) constitutes (their) “Torah” – their “holiest book.” (In other words another bible, a satanic counterfeit).

“Since some of the named authorities in the chain of tradition appear throughout the materials of the Mishnah, the claim is that what these people say comes to them from Sinai through the process of Cabala and Massoret – handed down through ‘tradition.’ So the reason . . . that the Mishnah does not cite Scripture is that it does not have to.”

The authority of the Mishnah is derived from the authority of the rabbi, because whatever the rabbi declares to be from Sinai is from Sinai, because the rabbi is Sinai incarnate.”

Hoffman, Michael A. II, *Judaism’s Strange Gods*, pp 37, 38.

References to the Torah in Judaism are invariably misleading. By dictionary definition, Torah denotes the books of the Old Testament (Tanakh). But in Judaism, the word Torah can signify the Talmud alone or both the Talmud and the Tanakh. (Isn’t the devil really clever, they can say they believe in the Torah and you will interpret it that they are saying that they believe in the Old Testament, a very clever deception).

The Talmud is the holiest book of Judaism

“In all decisions of law that express theology in everyday action, the Talmud forms the final statement of the Torah, mediating Scripture’s rules. Innovation of every kind, whether in the character of the spiritual life or in the practice of the faith in accord with its norms, must find justification in the Talmud.” Neusner, *Rabbinic Judaism*, op. cit. P 205

By the Jewish Talmudic beliefs given above and more given below you should start to understand why Jewish Israel is so hostile and have been committing "crimes against humanity" when it comes to the Palestinians and driving them out of their rightful homeland. Today they are harassing Christians. Defacing Christian places of worship and it is reported that they are actually spitting on Christians, in which the Christian would respond by just saying “thank you” and goes on his way, so as not to start a physical confrontation. See [Article 17](#)

Talmud Attacks Christians and Christian Books

Shabbat 116a. Jews must destroy the books of the Christians, i.e. the New Testament, although they also hate the Old Testament.

Professor Israel Shahak reports that the Israelis burned hundreds of New Testament Bibles in occupied Palestine on

March 23, 1980. Shahak, Israel, *Jewish History, Jewish Religion*, (London, Plato Press, 1994) p 21

Many Jews believe that the Jewish people collectively are the Messiah. THEY will bring “peace” to the world. (This is the ultimate blasphemy and denial of Christ.)

This is a quote from a sermon preached at a Unitarian Universalist Church (a cult):

“Some Jews today hold that the Messiah is not a person but the Jewish people themselves. These ideas give me strength and inspiration. In the face of knowing what has happened to both Jesus and to the Jews, it hardly seems necessary to me, to choose which is more messianic! I am not shocked by the claims. Both of these, Jesus and the Jews, have, it seems to me, paid the ultimate price. They can weather the comparison to this holiest of concepts, the idea of a messiah.” *An Advent Message. What Are We Waiting For? A Sermon preached at Columbine Unitarian Universalist Church on December 10, 2000 by Rev. Nadine Swahnberg.*

Joseph Stalin (A Jew) stated that after Communism (a Satanic system originating from the Jewish Talmud) succeeds, “. . . then, there will come a peace across the earth.”

Karl Marx (A Jew) said, “. . . the meaning of peace is the absence of opposition to Communism” (i.e. Pharisaic Judaism).

The Apostle Paul said, “For when they shall say, ‘PEACE AND SAFETY’. Then sudden destruction comes upon them, as travail upon a woman with child; and they shall not escape.”
1 Thess. 5:3

God said, “. . . they have seduced my people (true followers of the Lord), saying PEACE: and there was NO PEACE.” Ezekiel 13:10

Goals of the enemies of Christ and Christians

Karl Marx (a Jew): “My object in life is to dethrone God and destroy Capitalism.”

Leon Trotsky (Jew – real name Lev Davidovich) “Religions are illogical primitive ignorance. There is nothing as ridiculous and tragic as a religious government.”

The Cabala teaches that the presence of the divine (Shekkinah) in the world is exclusively due to the existence of the Jewish people.

The oral traditions of the elders decree that the lifelong study of rabbinic tradition (the Talmud) is not only a way to get closer to God, it is a way to become God (same Eden

temptation to eat of the apple and you shall become gods). According to the Talmud, God himself is a student of the rabbi's tradition -- "he studies the Talmud three times a day." Avodah Zarah, 3b (It's interesting that they would view God as a person when it is convenient, especially when they believe him to be a pantheistic "en sof" an energy or force that has no attributes. M. Birkedahl).

The traditions of Judaism were acquired from Babylon, but their original transmission point was Egypt according to Hans Jonas, in *The Gnostic Religion* (Boston: Beacon Press 1963), pp 147-155. (The Babylonian occult mysteries originated in Egypt, then came to Babylon. Remember the conflict between Moses and the Egyptian magicians who were able to copy some of the miracles of God by using the occult which is based in Satanism? M. Birkedahl)

THE TALMUD

More than the *Protocols of Zion*, the Talmud is proof that the Pharisees have a secret agenda. No one can claim this is a forgery. Elizabeth Dilling, (1894-1966) is a courageous Christian whose visit to Soviet Russia in 1931 prompted a 20-year study of Judaism.

In her book *The Jewish Religion: Its Influence Today* (1964) she reproduces 300 pages from the Talmud and Jewish

Encyclopedias. You can [examine it on line](#) and form your own opinion.

What follows is very distasteful and shocking. I take no pleasure in presenting Dilling's conclusions. However, if they are true, they are too important to ignore. The devil operates by deceiving and corrupting good people.

According to Dilling, the Talmud is founded on the assumption of Jewish superiority.

"The non-Jew ranks as an animal, has no property rights and no legal rights under any code whatever... "Milk the Gentile" is the Talmudic rule but don't get caught in such a way as to jeopardize Jewish interests. Summarized, Talmudism is the quintessence of distilled hatred and discrimination, without cause, against non-Jews" (In the spiritual realm of their morality, hatred is their power. They will use this type of power to subjugate the world as was demonstrated in their communist dictatorships which is their Luciferian baby born right from their pharisaic Talmudic beliefs. M. Birkedahl)

The Talmud is characterized by "obscenity and more obscenity, a setting up of laws seemingly for the purpose of inventing circumventions, and evasions; delight in sadistic cruelty; reversal of all Biblical moral teachings on theft, murder, sodomy, perjury, treatment of children and parents;

insane hatred of Christ, Christians and every phase of Christianity."

It characterizes the Virgin Mary as a "harlot" and adulteress and Jesus as a "bastard" and sexual pervert who was crucified as a "blasphemer of Pharisaic Judaism." Jesus' punishment was to be "lowered into dung up to his armpits" and then strangled. Christians are to be in hell and are punished by "hot boiling excrement."

The Talmud rejects Moses' vision of God as a moral force. Its basic doctrine is that "God is the "En Sof" a nature essence which has no attributes and can neither know nor be known. That is atheistic pantheism..."

Dilling quotes the Jewish Encyclopedia 1905: "God is the infinite, unlimited being *to whom one neither can nor may attribute any attributes whatever.*" ("Cabala", p.472.)

"So called Judaism is nothing but Babylonian Talmudic Pharisaism, which at its base is crass paganism, pantheistic atheism, demonism and a conglomeration of all the forms of paganism concocted through the centuries. New descriptions concocted for this very old Satanism, such as... [Marx's] dialectical materialism merely [dresses] up old pagan concepts."

"The Jewish Cabala with its non-existence of evil, its deification of man, is a source book of modern "isms."

I doubt if 10 per cent of Jews today are aware of this aspect of the Talmud. Most Jews are not observant. A 1970's survey found that less than 50% felt it was necessary to believe in God to be a "good Jew." Most see themselves as "secular humanists." It's about time we all realized that this nebulous ideology is Luciferian in nature.

The Talmud is undoubtedly the answer to the riddle of anti-Semitism. Dilling writes:

"The attitude resulting from such teachings has been resented by non-Jews in all countries and centuries. Such resentment, however, is always portrayed by Jews as "persecution of the Jews." Our "Christian ministers" also have been deceived into proclaiming this "persecution of the Jews" as they are either too lazy to do their own investigation or are in bed with the forces of evil, to deceive. God has warned that in the end times, if possible, even the very elect will be deceived (Matt. 24:24) News Flash - we are in the end times.

I am going to be called an anti-Semite or self-hater. I think it's obvious that I subscribe to the authentic Jewish tradition, that of Moses, Isaiah and Jesus. It's obvious that "anti-Semitism" is used to disarm and stigmatize the opponents of the Pharisees' evil hegemony.

"Hate the evil and love the good, and establish judgment in the gate," said the prophet Amos (5:15)

The Pharisees and their allies have deliberately distorted and mystified God to make Him seem unknowable.

You must also understand that it was Jesus who took the Kingdom of God away from the Jews because of their evil. For you must understand that the Old Testament is all about Jesus Christ and it was based on the Old Covenant of God whereas the New Testament is really a continuation of the Old Testament which was all wrapped up in Christ accept it became the New Covenant of God based on Grace and not the Covenant of the Law of the Old Testament. The Jews had formed their covenant with Satan by accepting and promoting the Talmud. It is a covenant of death! This is why the Zionist Pharisees have a hostility towards Christians and humanity in general. This is also the reason why Jesus declared that they will produce no fruit, forever. This is why they are corrupt, immoral, having no conscience and practice and promote everything that is the opposite of God's teachings in the Bible in relationship to his holiness and righteousness and they keep committing abominations against the Creator of all things. They are indeed the children of the devil, the Luciferians (Satanist), the Illuminati, a reference to the devil as the torch bearer.

You may be wondering why the Jews (i.e. Pharisees) promote sin and abominations, just everything opposite of Christian morality and righteousness. It is because they believe that Lucifer is the good guy and their God who is confined to the “pit”. In order to get Lucifer freed from this prison cell they either had to make everyone righteous in the world or all sinners in the world. They chose to make everyone sinners as the easiest way to free Lucifer from the pit and into this world where he is to rule and be openly worshiped by all. It is a part of their bastardized twisted Talmudic beliefs. Well, they got that one right! Corrupt all the world and God will remove his hand of protection and allow Satan and his demonic hordes free reign in this world, then they will see and feel the destruction of sin, just like God brought judgment on the whole world by a great flood but this time it will be by nuclear fire. God does put an end to this great destruction before mankind destroys all life on this planet by finally sending Jesus our Christ back to put a stop to it and to remove ALL sinners from this world (the real rapture) and binds their souls and has the “forces of evil” thrown into the Lake of Fire with their demon god for all eternity in whom they have served so well since Adam and Eve. Now, are you starting to understand the evil?

The Jews during the time of Christ

“The Pharisees wielded a satanic influence over their nation. They represented a system of occultism mingled with Jewish doctrines and beliefs. They poured a constant stream of poison into the thinking of Jewry that twisted and perverted the minds of the rank and file of the people.

“As a Jew avoided as far as possible all contact with a Gentile, lest he should thereby be defiled, so did the Pharisee avoid, as far as possible, contact with the non-Pharisee, because the latter was to him unclean even though a Jew. The egotism of the sect is at once evident.”

Nothing is different today. Virtually all Jews disdain “Gentiles” as unclean. But the elitist Jews also consider the rank and file Jews as unclean - - - and expendable!

The Cabala and the Talmud

The Cabala governs the spiritual life of the Jews, while the Talmud regulates things material. It is the Talmud and other writings of the Jewish leaders that were directly responsible for the rejection of Christ.

A few quotations from the Talmud will give an insight into the mental processes of the rabbis of all ages, and will show that these inhuman writings were objectionable to Jesus.

The Jewish conception of God was that of a tyrant whose wrath had to be constantly appeased by the most rigid

observances. He was confined, they believed, to the four walls of their own bigoted nationalism. Their contempt for other peoples is shown by quotations from the Talmud:

‘You (the Jews) are human beings, but the nations (Gentiles) of the world are not human beings, but beasts.’

‘On the house of the Goy (non-Jew) one looks as on the fold of cattle.’

‘It is more wicked to protest the words of the rabbis than of Torah (law of Moses).’

“The decisions of the Talmud are words of the living God. (This means that the Jews believe that the rabbis are actually “god.”) Jehovah Himself asks the opinion of earthly rabbis when there are difficult affairs in heaven.” (The Jews believe that the rabbis are SMARTER than God!)

“Jehovah Himself in heaven studies the Talmud, standing; He has such respect for that book.” (They are very contradictory, for they in their same “holy” books say that God is just a nature essence, the en sof with no attributes, yet they apply attributes when it seems convenient).

The Talmud teaches that the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful (their bigotry is showing). That all property of other nations belongs to the Jewish nation, which

consequently is entitled to seize upon it without scruples. Than an orthodox Jew is not bound to observe principles of morality towards people of other nations, and on the contrary, he even ought to act against morality, if it is profitable for himself or for the interest of the Jews in general.

Continuing quotations from the Talmud:

“A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonored.”

“It is permitted to kill a denunciator of Jews everywhere....it is permitted to kill him before he has denounced ...though it is necessary to warn him and say, “Do not denounce.” But should he say, “I will denounce’ he must be killed, and he who accomplishes it first will have the greater merit.” (In other words it is OK to murder those who criticize them. They are the children of the devil who was a murderer from the beginning. They are like the cult of Islam, if they perceive you to insult Islam, death is your reward.)

“How to interpret the word ‘robbery’. A Goy is forbidden to steal, rob, or take women slaves, etc., from a Goy or from a Jew, but the Jew is not forbidden to do all this to a Goy" (they are defiantly hypocrites).

The association of Jews with pagan magicians in Babylon perverted the teaching of the Old Testament into a murky materialism and brought the people under a despotism of demonism.

Is it reasonable to suppose that this poison that was handed down in the life-stream of Jewry, from the time of the Old Testament prophets, has ceased to exist? The common-sense answer is No. We have with us today the same kind of human “vipers” that Christ had to contend with two thousand years ago. They constituted the scheming, tricky group that stirred up the mobs that screeched for the destruction of the Son of God. They uttered the most vicious cry that ever fell from human lips:

“Crucify Him! Crucify Him!” Then Pilate said unto them, Why, what evil has He done? And they cried out the more exceedingly, Crucify Him.” Matthew 15:13, 14

Please note that THEN, as NOW, the Jews did NOT answer the question “What evil has He done? They would not debate the issues, they would not give documentation for their views. They only want to KILL the messenger!

Had Christ shown hatred toward the non-Jews, started a revolution, organized an army, marched on Rome and promised to give the Jews earthly power, they would have

accepted Him as their Messiah and King. But they rejected Him because He said:

“My kingdom is not of this world; if my kingdom were of this world, then my servants would fight, that I should not be delivered to the Jews.” John 18:36

The Jews and Christianity

In the parlance of the street, the Jew is a “Christ hater.” The spirit of Judaism is one of direct antagonism to the principles of Christianity. The Jew is the Mongolian Hun pretending to be Judeans who are the mortal enemies of Christianity. Their holiest Talmudic goal is the total annihilation of Christianity and Christians. Their Talmud is so vile and promotes and encourages murder of those outside of their cult that it cannot even legally be mailed through the postal system. In this they are openly committing a felony to murder others as a religious precept. They are definitely not benign! (Also it is well documented that they have committed [human sacrifices as a Talmudic sacrament](#) and they preferred Christians, mostly Christian children as human sacrifices. Their belief is that they take on the power and good essence of their sacrifice. They still have this sacrament in their Talmud and Cabala today. They are indeed a backward people also referred to as the fossil people. This does not make them superior, but sub-human. M. Birkedahl)

It is not difficult to understand why an apostate people, who have rejected their Messiah, should continue in spiritual darkness and despise everything that bears His name. No sooner had the tomb of Christ been sealed than the tormenters set out to destroy His followers. This assault has continued straight through the centuries, until now it has come into fruition in the form of international Jewish Communism (i.e. The Red Beast that God warned us about).

In the first twelve chapters of the book of Acts, five specific persecutions, sponsored by Jews against the group of new Christian believers, are recorded. Failing to blot the new religious concept from the face of the earth by putting its leaders to death, they invented every conceivable scheme for torturing and murdering those who pledged allegiance to His plan for redeeming the world from the curse of sin.

(Remember, in their twisted and immoral beliefs Lucifer is the good guy and their god who is trapped in the pit. They need the world to be sinful in order to free him. Christianity is in the way, therefore it needs to be destroyed. M. Birkedahl)

What the Cause of Christ has endured at the hands of Jews, through the centuries, far surpasses ANYTHING the Jewish people have suffered from “Christians”. (They have been persecuted by those who were not real Christians, but were Christian in name only).

Attacks Against Christianity

The one book that the Forces of Evil hate in the whole world is the New Testament of the Bible. It exposes who they are, their immorality and the god of this world in whom they worship. They want to destroy the New Testament book (although they also hate the Old Testament). They have tried to destroy the Bible and all the Christian places of worship when they took over Russia during their Bolshevik communist state (all other communist states did the same, it just shows you how diabolically evil they are as their Talmudic political system enslaved one third of the world). The bible became illegal, having the bible would get you thrown into one of their gulag death camps or immediately executed for they were applying their Noahide Law that declares that the worship of Jesus Christ is blasphemy and death is the punishment (we have this law as part of the American legal system waiting to be implemented. Put there by Pres. Bush Sr. in 1991. He and his sons are crypto -Jews and Masons). These same demonic people today are working to do the same in America and other countries around the world.

Atheism, Communism, Judaism, Freemasonry, Illuminism is all connected to Judaism's cult/occult beliefs of their Talmud and Cabala. It is a “religion” that denies and despises Christ, whether they admit it or not (but is declared in their Talmud). By denying the existence of Jesus Christ, by wanting

to stamp out Christ, Christianity and eventually all Christians, they become the tools and worshipers of the Adversary of Christ. Who is Satan!

This occult religion comprises 16% of the world's population, approximately 1 billion people, or 1/6th of the world's population (Cabala-ism, the New Age Isms). This “religion” is larger than either Buddhism or Hinduism, and is only exceeded in size by Christianity and Islam. So, this “religion” must definitely be considered a major “player.”

The First Beast in Revelation is the One World atheistic pantheism of their god the "en sof" controlled by Jewish Zionism. So the Fourth Beast of Daniel 7, having the same characteristics, must also be Secular Humanism (a religion that worships man and hates Jesus Christ) that is controlled and promoted by Jewish Zionism (atheistic pantheism) with its roots deeply into the Cabala and agnosticism.

Vs. 8 - I considered the horns, and, behold, there came up among them a bit of a horn, and three of the horns are felled to stumps before it. And lo, eyes as the eyes of a mortal are in this horn, and a mouth declaring monstrous things, and it is making war with the saints.

A “bit of a horn” emerges. The Jews are one of the smallest sects on earth, 18 million world-wide, but the horn grows in strength until it becomes stronger than all the others (verse

20). It destroys three of the other horns, it declares monstrous things against Jesus Christ, and makes war against the true followers of Christ (attempts to destroy Christianity and all Christians).

The small horn subdues three of the other horns. The small horn is "Judaism" a small religious cult which grows and subdues three elements that were in the way of Jewish supremacy which is a little hard to pin down as of this writing. But I can give some possibilities:

1. "The collapse of these three Posers (Germany, Austria-Hungary and Russia) in their old form represents a considerable gain for the carrying on of a Jewish national policy, and the fact that the same war, which brought about the world-wide recognition of Zionism, also brought about the fall of three anti-Jewish powers, is a unique coincidence which may well give cause for thought."
2. Subdues 3 of the world's major religions. Christianity has already been undermined by this force of evil as most Christians are now referring to themselves as "Judeo-Christians" (that's like calling yourself a satanic-Christian).
3. Jewish Zionism undermining and taking over the three existing world powers in which they basically have a strong influence of today. (One third of the world's population are already trapped into their scarlet beast communist dictatorship.)

Now you understand why the God of all creation has condemned this world gnostic religion and all who give allegiance to it. All other religions are "New Age" religions that basically have their roots going into the Cabala of the Pharisees and are acceptable to them.

As noted from the "whited sepulchers" which constitutes the showmanship and trimmings of so-called "Judaism," its basic doctrine is that God is the "En Sof," a nature essence which has no attributes and can neither know nor be known. That is atheism and the basis of all pagan pantheism. Communism merely calls the same concept "dialectical materialism." This "atheism" is the pantheistic religion of man who collectively is god (that is, the Zionist Pharisees are God, all others are insects to them, to be used as they please according to their cult beliefs).

The Jews, in fact, uses the serpent as the symbol of their tribe and have stated that when the serpent entwines the globe they will rule the world.

The oroboros, or serpent biting its own tail, the Illuminati worship of this detestable creature, a worship of which virtually every person on earth is dangerously and hopelessly unaware. Since the Illuminati, Masons, and fellow cabalists have amassed such tremendous political, financial, social, and technological powers, is it not a frightening thing to realize

that these men are not only religious, their religion is Satanism, and their god is the Devil?

The destructive path, therefore, is the way of the Illuminati. These wicked agents of the Serpent are [psychopaths](#) and a clear and present threat and danger to our lives. But the gravest danger is that which confronts the souls of billions of unsaved, ignorant human beings. If they fall for the Lie of the Serpent, they will suffer total destruction and suffer loss for all eternity.

The demonic deception of how Judaic Pharisaism has convinced the Christian world that its adherents stem from a pure Judah-Israel racial stock cannot be fathomed, since Christians have access to the Biblical record itself. The minds of our "Judeo-Christians" have been bewitched by the forces of evil in our churches. Matt. 24:24 As a result the forces of evil has successfully castrated the Church of her power and authority.

Jewish Response to Criticism of the Talmud and Cabala

How do Jewish authorities today respond to accusations of racism within Judaism's most sacred literature? Deceptively. Yet they do so with a clear conscience because the Talmud teaches, "it is permitted to deceive a goy [Gentile]." Every year, on the eve of Yom Kippur, religious Jews recite the Kol Nidre prayer, which absolves them of any

obligation to tell the truth to Gentiles in the following year, including any oaths of office or contract they make with those outside of their cult. You really think that God, the Creator of the universe is going to honor those who lie and deceive?

In response to criticism, rabbis usually inform Gentiles that the Talmud is divided into two categories: the Haggada, anecdotal teachings that are non-binding on Jews; and the Halakah, Talmudic law. They claim that those passages “anti-Semites” hold against them are actually Haggada, aberrations which are untypical of the Talmud's true love and generosity toward all races and religions.

Nothing could be further from the truth. You must understand, you are dealing with a cult. They are professional deceivers (by their very beliefs), they are masters of the lie.

Gullible Christians

Christians and conservatives are eager to believe that Judaism is as benign in its intentions as many other religions, and that the assurances of its apologists may be taken at face value. The truth is that there are very good reasons why Jewish leadership and even much of Jewish laity are conspicuously engaged in anti-Christian activism, litigation, and legislation. Take notice next time you hear or read of the latest lawsuit against Christmas symbols, prayer in schools, Biblical creationism, etc... Almost invariably, you will find the

names of Jewish lawyers, organizations, or even Jewish parents or students as initiators of such litigation. Jewish anti-Christian activism exists today because, thousands of years ago, the Pharisees violently opposed Christ and persuaded most Jews to follow them. Such antagonism to the gospel is only increasing. Note on how these very forces of evil are promoting sodomy as they bring it out of the closet and is being promoted as a good and a wholesome lifestyle, even as it is corrupt, perverse and is against God and nature.

The Jews in our country and others have been getting governments to institute "hate laws" against those who will expose their evil, but it is they who are really the haters in our society. Getting gentile governments to persecute Christians has been a major tactic since the days of the old Roman Empire. They convince others to do their dirty work for them and of course they have their supporters of other cults who have their roots going deeply into the occultic Cabala. Like Freemasonry, the New Age religions, their stealth political organizations and even those we call [Christian Zionist](#), work to undermine the gospel and work against God and to help capture the world for them and for their god (Satan).

1. THE TALMUD HATES SCIENCE:

§ Hyenas turn into bats after seven years, and later on turn into thorns and demons (Baba Kamma, 16a).

§ Being naked in front of a lamp causes epilepsy (Pesahim, 112b).

§ There's medicinal value in dirt found in an outhouse's shadow, also in a white dog's excrement (Gittin, 69a, b).

2. THE TALMUD HATES FEMALES:

§ The birth of a girl is an unhappy event (Baba Bathra, 16b).

§ It is never good to talk too much to women including one's own wife (Aboth, 1.5).

§ All women are "temperamentally light-headed" (Kiddushin, 80b).

§ It is okay to divorce your wife if she spoils your food, or if you find a more beautiful woman (Gittin, 91a).

3. THE TALMUD HATES CHILDREN:

§ It is lawful for a girl three years old to have sexual intercourse (Abodah Zarah, 37a; Kethuboth, 11b, 39a; Sanhedrin, 55b, 69a, b; Yebamoth, 12a, 57b, 58a, 60b).

§ When a man commits sodomy with a boy under nine years of age, it "is not deemed as pederasty" (Sanhedrin, 54b, 55a).

§ Sexual intercourse with a boy under the age of eight is lawful since it isn't fornication (Sanhedrin, 69b). (In other words, Judaism is X-rated! Is it any wonder that many Jewish persons today are liberally involved with the current sexual revolution and are even favorable towards legalization of adult-child sex and the promotion of homosexuality and undermining the sanctity of marriage? Pharisaic Judaism is indeed an immoral, twisted and perverted cult.

Unfortunately, this Luciferian cult in our government as demonstrated by President Obama as he promotes immorality, sodomy in its various forms into our society along with other immoral, corrupt twisted perverts like the mayor of New York City who will now criminalize you if you do not uphold the culture of sodomy, even so your culture of morality is totally against it (a \$250,000 fine on a business for just using the wrong pronoun of a declared sodomite. I know, absolutely nuts, totally insane. But they prefer to destroy a business and the lives of people who oppose their corrupt culture.) The governor of New York City is Jewish. Obama is in bed with them. His white mother is Jewish. His fruits prove that he is not a Christian.

4. THE TALMUD HATES ALL NON-JEWS:

§ Since all Gentiles are only animals, all Gentile children are bastards (Yebamoth, 98a).

§ When a non-Jew robs a Jew, he has to pay him back, but if a Jew robs a non-Jew, he doesn't have to pay him back. Moreover, when a Gentile kills a Jew, the Gentile must be killed, but when a Jew kills a Gentile, "there is no death penalty" (Sanhedrin, 57a). These people in Judaism are hypocrites and they believe they are above the law.

§ It is okay to "use subterfuges" in a court of law in order to cheat a non-Jew (Baba Kamma, 113a). They believe it is OK to lie, as a holy cause. That they do not have to uphold any oath or contract with those outside of their cult.

5. THE TALMUD HATES CHRIST AND CHRISTIANS:

§ Jesus was born a bastard (Jewish Encyclopedia, "Jesus"; Yebamoth, 49b).

§ Mary, the mother of Jesus, was a whore and "played the harlot with carpenters" (Sanhedrin, 106a, b).

§ Jesus "practiced sorcery and enticed Israel to apostasy" (Sanhedrin, 43a).

§ Jesus was punished and sent to Hell where he ended up in "boiling hot excrement" (Gittin, 56b, 57a).

§ Christians will go to Hell "and be punished there for all generations" (Rosh Hashanah, 17a).

§ Those who read "the works of the Christians, i.e., the New Testament" will end up in Hell (Sanhedrin, 90a). (They do not want their cult adherents to think for themselves, a common trait in cults.)

§ The books of the Christians "may not be saved from a fire, but they must be burnt in their place, they and the Divine Names occurring in them" (Shabbath, 116a). (Now you know what's been inspiring many of the anti-Christian attitudes and actions these days.)

The Cabala

We have been exposing the satanic teachings of the Talmud of our Jewish Pharisees of today. They also have another 60 plus books called the Cabala which is basically their mystical teachings. You must become familiar with these beliefs because the satanic cults like Freemasonry of the gentiles and our New Age religions are anchored into the Cabala, which includes all witchcraft to Satanism.

See [Article 18](#)

"As in the Eastern religions, the Cabala teaches reincarnation, the belief that we die and are reborn, living many lives, ever seeking to advance spiritually. We are in a process of repairing our broken vessels, which may take many lifetimes. ..." Whereas God has declared that when we die we

go into judgment”. There is no coming back, no going back. After death we will go either into Heaven or into Hell.

"Cabala teaches that the Torah is encoded with hidden meanings." In contrast, historic Christian interpretation assumes that God communicated the Torah to Moses in a normal fashion, and that the text says what it appears to say; there is no concealed meaning. ... Seeking hidden meanings is a hallmark of agnosticism and occultism. Such a method can lead to imposing any foreign meaning on a text that one wishes....

"The Cabala is essentially Gnostic; that is, one must learn the spiritual secrets of the Torah through the cryptic and intricate Zohar, and then advance through knowledge and actions." This is in strong contrast to Biblical, orthodox Christianity, which is essentially relational and is based on a clear, direct revelation from a personal God and on the historical death and resurrection of God's Son, Jesus Christ. We do not need to delve into esoteric realms to find the truth; truth is readily found in God's word, and was declared by the Messiah, Jesus Christ (John 14.6).

"Nor do we earn redemption by works, but rather redemption is offered through the atonement of Christ." The foundation of Freemasonry is the Cabala, the occult religion of our Pharisees and their salvation is by WORKS (or self-

righteousness) in which God has condemned. They are making the same mistake as Cain as revealed in the book of Genesis as God rejected Cain's self-works to obtain salvation. While Abel obeyed God and was justified by faith.

The great heresy of Gnosticism, which nearly swept Christianity from the earth in the early centuries, is admittedly Cabalistic. And the Gnostic and Cabalistic idea that evil is non-existent is currently revived in "Christian Science," which is neither Christian nor scientific, and is a magnet for hundreds of thousands of Jews who claim, as the Universal Jewish Encyclopedia states, that they can be Christian Scientists without deserting their Talmudism ("Christian Science" is another cult). The Jewish Encyclopedia quoted above states: "As the divine has true being, evil is that which has no being, the unreal or seeming thing as it appears." (Jewish Encyclopedia, p. 477) The Universal Jewish Encyclopedia says: "Evil, according to the Cabalistic philosophy, is nonexistent, anticipating Christian Science..." (Universal Jewish Encyclopedia, p. 620) See [Article 19](#)

MOSES WHOM THE JEWS boast as being their hero pronounced a blessing and a curse on the Hebrews (i.e. no Jews during Moses' time). God, said Moses, would bless the Hebrews if they showed their love for Him by accepting the "Prophet" Whose teachings would be required of the Hebrews and future Israelites. (Deuteronomy 13).

But the Jews crucified the “Prophet” rather than receiving His teachings on repentance and confession of his Divine right to demand obedience. Thus the curses that Moses pronounced came upon the Jews and has been the Jews’ experience over the last 2000 years. (Deuteronomy 28).

Hated, persecuted, censured, (rightly so), wandering from nation to nation when expelled from their host nations, and wreaking havoc wherever they go in their hatred of Christianity, the Jews have indeed experienced the curses predicted of them by Moses and the *desolation* that Jesus Christ predicted of the Jews for rejecting Him (and the Word of God).

Br Nathanael Kapner (a "Jew" who is a Christian)

That the question of *Jewish Unbelief* goes beyond the Jews’ refusal to believe - to something much deeper, something actually quite sinister.

It’s almost as if their unbelief is not really that, (for it makes them the guilty ones does it not?), - where they are forced to respond, “This belief of yours in Jesus Christ is not something that we subscribe to.” In other words, it is a *defensive* position, a position the Jews don’t like to be in. Why? The Jews have an obsession for control - they love, nay, they *must*, be in charge.

And so we see the Jews moving their *negation* of Jesus Christ into an outright warfare against Him. Now they are in control and no longer guilty of unbelief but on a campaign of imposing their will on everyone around them. And this is confirmed by St Paul when he says, “They are the enemies of the Cross.” (Philippians 3).

Do we not see this enmity, that is, their outright warfare against Jesus Christ all around us? From the time the Jews got off the boat on Ellis Island they began their [warfare](#) against Jesus Christ by litigating against prayer and Bible reading in America’s Public Schools.

Why do the Jews hate Jesus Christ so much? He who performed so many miracles for them, healing their sick, their blind, their paralyzed, and then, even raising their dead? Why do the Jews hate Jesus Christ so much that they stop their ears from hearing about Him, and now stopping everyone else’s ears as well? I will tell you.

The Jews hate Jesus Christ because they do not like being in a position of “weakness.” For one to come to Jesus Christ he has to admit that he has sinned and in need of a Savior and therefore must repent and correct his conduct. The Jews find this absolutely abhorrent. The Jews do not want a Savior. They do not believe they have ever sinned. They do not see

any need to repent of anything. The Jews simply abhor the idea of getting down on their knees.

Those amongst them, that is, the rabbis & their admirers, who are looking for a “messiah,” want him to be the conqueror of the nations and put them in charge of the world. There is no such thing as repentance in this their “messianic hope.” And this rabbinic “messianic hope” of conquering the Goyim, funnels down to the secular Jews who give tacit submission to the rabbis.

Henry Ford writes:

— “The Jews’ interference with the religion of others, and the Jews’ determination to wipe out of public life every sign of the predominant Christian character of the United States, is the only active form of religious intolerance in the country today”

See [Article 20](#) and [Article 21](#)

The cry of “persecution,” has always been used to cover the crimes of the only people on earth whose very religion teaches them that murder and enslavement and cheating of all other peoples is their sacred right.

The Soviets didn’t raze synagogues because Communism was an expression of the Jewish “egregore” meaning they act as one identity, worldwide, to the dictates of their Luciferian

leadership. Christians and Jews apparently do not worship the same God. The Christian God represented by Jesus is universal love and brotherhood. The Jewish God has been supplanted by a Cabalistic egregore that “serves” elite Jews. It represents their ruthless sociopathic urge for world dominion. The same egregore—the desire to supplant God—animates the New World Order. Their power is – Hate!

The average Communist Jew or non-Jew is an idealistic dupe. Marxism, equality etc. were just window dressing to hide the real agenda: the destruction of race, religion, family and nation; the accumulation of all wealth and the enslavement of mankind. The methods have changed but the agenda has not. This is the true meaning of their socialist communistic dictatorship. The “red beast” God has warned us about.

The average Zionist is also an idealistic dupe. As many now realize, “the Jewish Homeland” was merely a step toward world government, “an incident in a far reaching plan” to use banker Louis Marshall’s words. Christian Zionists are the biggest dupes of all.

The same ersatz idealism infuses the world government movement, which is full of pious opportunists who have sold their heritage for a seat at the globalist banquet.

In many cases, the charge of “anti-Semitism” and “hate” are devious attempts to outlaw opposition to Tyranny. Let’s not kid ourselves. We are facing a diabolical Evil, ruthless, vicious and cunning as well. Jews and non-Jews must join hands to banish Lucifer and declare that only God is God, He is Moral and we are to serve Him. See [Article 22](#)

Henry Makow Ph.D. (a Christian "Jew")

Babylon

What the Cross means to Christianity, “Babylon the Great” means to the cult of Judaic Pharisaism. Babylon was the “Vatican,” center, and spiritual homeland of Pharisaic Babylonian Talmudism, as Chief Rabbi Hertz has put it, from 586 B.C. to 1040 A.D., when the last of the Talmud “academies” moved out into Europe, Asia and Africa from Babylonia. The “glory” of Babylon is referred to in the Talmud. (Rodkinson introduction, Exhibit 18). And from Babylon, to Africa, Europe and all over the world, Pharisaism and its Traditions (Talmud) went, so that the Jew today repeats Pharisaic arguments when he studies the Talmud, says Rabbi Louis Finkelstein, of the Jewish Theological Seminary, one of Jewry’s world top Jews.

Babylon the Symbol

Babylon is the very symbol of moral filth in the whole Old Testament. But those who call themselves “People of the

Book” exalt it in every way. Pharisaism today lives by the Babylonian calendar, keeps the Babylonian festivals and Fast of Tammuz, and enshrines its anti-Biblical immorality, including sodomy and burning children to Molech, necromancy, and other execrable practices. E. DILLING

DEMONOLOGY OF THE PHARISEES

So-called “Judaism” is nothing but Babylonian Talmudic Pharisaism, which at base is crass paganism concocted through the centuries. Descriptions concocted for this very old Satanism, such as “immanence” (Spinoza) “emanation” (Talmudic Cabala), “dialectical materialism” (Marx) merely dress up old pagan concepts.

All forms of demonology were adopted by the Pharisees and incorporated into so-called Judaism of today. Demons of the privy, of the night, of every phase of nature, were and are catered to by the tenets and customs of this sect. The Talmud book of Yadayim (hands) is, for example, on ritual hand-washing in connection with Pharisee demonology. The Talmud is larded with occult works and practices. E. DILLING

Influence of Zionist Occultism

Since our leaders in America and most of all Western countries now have their roots in the occult, their belief system is firmly founded upon the Kabbala (also spelled

Cabala) and upon the Talmud. These mystic systems of thought stream through Judaism go all the way back to the Babylonian Mystery Religion of nearly 4,000 years ago. In fact, during the 70 years of exile in Babylon, apostate Jewish priests studied the Babylonian satanic mysteries, and gave them a unique "Mystic Jewish" twist. These twisted, perverted beliefs eventually came back into Israel as a secret society. By the time Jesus began his ministry, this pre-Cabala Oral Tradition had fully captured the Jewish priesthood. Its leaders were the Pharisees! While the people believed these leaders to be most holy, Jesus knew their hearts and their secret worship of Lucifer through the Oral Traditions, later codified and called the Talmud with the Cabala as their mystical teachings.

It is a fact of history that the Pharisees hated Jesus so much that they hounded Him throughout His ministry and ultimately connived to have the Romans execute him on the cross, simply because they were filled with the hatred and rage of Satanism. You will never read the Gospels the same way again once you understand this historic truth!

The Harlot

Rev. 17:3 - And I saw a woman sitting on the scarlet (red) beast...

As we have pointed out, the "beast" is the worldwide political, economic system which will be a hardcore socialist identity. The woman that is sitting on top of this beast, controls this beast. With this control, she will cause this beast to force worship of the "state" and of her. Those who do not give worship of the state and to her will be in deep trouble. The woman is Israel (command center) or more pointedly Pharisaic Talmudic Judaism. As pointed out before, communist societies are right out of their Talmud (their satanic "red" baby), these societies always demanded that you put the state first, obey the state and if you did not have the "right mind" or "worship" of the state you could end up being murdered or incarcerated in one of their prison slave camps in which case you ended up dead anyways. Now imagine this dictatorship on the whole world. This should not surprise you today as you look at the nations of the world, socialism is the primary goal of the governments, even the government of the United States is promoting socialism throughout all its policies as those in our Federal government are working to create the Federal government as a central command and control over the whole nation (communism). Because our government and legal system is riddled with Jewish Pharisees and Masons whose goal is to socialize this country and the world into their Luciferian dictatorship. Why? Because this evil system is not the "spreading the wealth" as they promote in their propaganda which is proven by our

communist societies today, but it is really the transfer of all wealth and political power to a few who will rule all and have all. These people are a hardcore cult that will demand the worship of the people, as again can be proven by looking at the history of cults, especially those whose foundation is the occult in which most of them are. If you think you would love North Korea, you're really going to love this "woman" who controls the beast. Also a Democracy is being promoted by the forces of evil because a democracy always eventually morphs into a socialist state because the people in a democracy vote to override the rights of others. We are a Constitutional Republic which means when two wolves and a sheep vote on what to have for supper, the sheep has the right to not be eaten. Socialism and Democracy are the twin blades of a scissors to trap us into a world communist dictatorship (end time red beast). That is why a Democracy instead of a Constitutional Republic is being so forcefully promoted in countries who are not a hardcore socialist society. It is a trap!

The Scriptures reveals in the book of Revelation that the center for this world religion in the end time will be the revived "Mystical Babylon." It is important to know that God calls this revived Babylon a dwelling place of demons and a haunt of every unclean spirit, and a haunt of every unclean and hateful bird (Rev. 18). The Scriptures goes on and says in

vs. 23 that “All the nations were deceived by the sorceries of MYSTICAL Babylon.” we must take note that the revival of Babylon referred here is not the literal rebuilding of the old city of Babylon. It is referring to a society that has all the occult traits of old Babylon and this world society is referred to as “Mystical Babylon” because of its Cabalistic occultism. The word “sorceries” comes from the Greek word pharmakeia, which is the word from which we get our English word pharmacy. It means an occult worship or black magic, associated with the use of drugs. The word is mentioned several times in the book of Revelation.

This system and last beast will be in total control of the whole world and nobody will be untouched by the influence of this beast. The Scriptures also points out that this beast will be influenced and controlled by the harlot (the Pharisees whose religion is the occult that is based on the Cabala whereas witchcraft to Satanism has its roots. As well as their Talmud that promotes every vile sin and abomination that God condemns. They are at war against Christianity as their holiest goal is for its total destruction. They are truly Luciferians, i.e. Satanist in every way, children of the devil). For the harlot sat upon the beast, meaning the harlot had control over the economic, and political situation of the World; Rev. 17:3.

The Woman is Pharisaic, Zionist Israel

Now, Israel's rabbinical religion, Cabalistic Judaism, symbolically has a woman as its central character. She is a whore, and the Secret Doctrine says that she has relations with the serpent. Empowered through her seductive wiles, the Jews of Israel, triumph over their many enemies. Her power comes from the Great Red Dragon (Satan). She has a name written on her forehead: *"Mystery, Babylon the Great, Mother of Harlots and abominations of the earth"* (Revelation 17).

When I saw her, the Apostle John writes in Revelation 17:6, *"I wondered with great admiration."*

This Beast follows the instructions of the Woman whom it carries. The Scriptures cast the Woman as consummately evil. She is especially cruel and merciless to the saints of Jesus, whom she slays and whose blood she drinks. The Woman is fabulously wealthy. She is *"decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication"* (Revelation 17). The beliefs of Judaism given in this chapter shows you their abominations and the filthiness that they promote. It shows you their hatred of Christians and their holiest duty given in the Talmud is the total annihilation of Christianity worldwide. In the soviet Russia alone they have murdered

some 66 million, mostly Christians and over a hundred million throughout other communist societies in this past century alone. This evil woman is truly drunk today on the blood of the saints. Note; they actually [do commit human sacrifices](#), preferably Christians in which court records and history has proven, even up to today, they have not changed their beliefs. In this backward belief of theirs, they save the blood to be consumed and also dried to be sprinkled in wine or on food during certain ceremonies. They are indeed superstitious and backward and ghoulish. You can get more information on this in our book "[The Khazar Deception](#)".

Revelation, Chapter 17

4 And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

5 And upon her forehead was a name written, MYSTERY BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

6 And I saw the woman drunken with the blood of the saints and with the blood of the martyrs of Jesus: and when I saw her, I marveled in amazement.

Jerusalem, the Great City, known also as *Mystery Babylon the Great*, God has also declared it as "Sodom and Egypt," and prophetically also as the city that sits on seven hills. (Sodom and Egypt, meaning an immoral and occult society. Remember, the Babylonian occult mysteries originally came from Egypt.)

Jews Persecute Christians Everywhere

The New Testament and the annals of human history record that this Whore for many decades persecuted the apostles and the saints. Everywhere in the Roman Empire, the Jews conspired and sought the death and imprisonment of Christians. Little has changed over the centuries. Whenever and wherever the Jews are in power, Christians have been persecuted and killed by Jewish tormentors i.e. communist countries. The propaganda our "Judeo-Christian" leadership has been spewing that the Jews are the persecuted ones (because they are chosen by God) is a lie from the depths of Hell. It is they who are the persecutors of Christians and have murdered millions of Christians over the centuries. They have been trying to rewrite history in order to show themselves in a much better but deceptive light as they pretend to be the victims in order to cover-up their crimes. But they have always been the victimizers and is the reason why among others that they have been thrown out of countries over the last thousand years 47 times (130 time over the last two

thousand years). There has to be something very wrong with them to generate so much animosity against them from so many different societies and cultures? But I have given you the answer to this.

The heinously cruel and violent nature of Illuminist Jews once they are able to seize control of a Gentile nation. Consider, if you will, the Jewish Communists who captured and ruled Russia since 1917 (85% where Zionist Jews, all where Masons) who turned Christian churches into whorehouses and sent Christian believers to Siberian salt mines and other gulag camps to be mercilessly tortured and die an agonizing death (66 million in Russia alone. Compare this with their dubious Jewish holocaust). We can clearly see that the Jewish global empire is, in fact, the Woman "*drunken with the blood of the saints, and with the blood of the martyrs of Jesus*" (Revelation 17).

The False Prophet

There is another character in Revelation 13 and 19. This character is referred to as the "false prophet." He is connected to the 2nd beast which is revealed to be an evil perverse Christianity, Judaeo-Christians, also referred to as Zionist Christians. This 2nd beast is given authority from the 1st beast (world political system) who serves the Harlot (Israel and its Pharisees). This second beast seems to be the

former Christian nations like America and Canada who also serves the Pharisaic Harlot who will use in the future its nuclear technology to cause EMF (Electric Magnetic Force, "fire from heaven") against countries that resist the New Word Government. It's interesting that America today is serving the Israeli, that Pharisaic nation to its own detriment. We give Trillions of dollars and support even to the detriment of our own nation and people, which is not expected to be paid back, including the life and blood of our youth in their wars. Our Zionist Christians excel Israel and the Jews to the point of worship as they give homage to the image of the beast on the flag of that corrupt state calling itself Israeli. But this is where the False Prophet makes itself known; our Zionist Christians have been using the false state of Israel as a center piece of biblical prophecy which does not belong to this state or its people. So collectively our Zionist Judeo-Christian leaders have become the "False Prophet" that God has condemned. Let me give you a few samples here as there is much that can be written on this, but I must keep the information short for now, as I will touch on this in other chapters.

*The Jews are God's chosen people - FALSE

They are a Mongolian race overall and they have no lineage to Moses, Isaac or Jacob. They are the Edomites in whom God has condemned, the bad figs. Read chapter one.

*Israel was blessed into existence in 1948 - FALSE

Palestine is a stolen land based on false pretenses and lies. They had no God given right to this land because they have no lineage to the Hebrews. The application of the name "Israel" is a stolen name in which they had no right to. They are a cult/occult pagan society. The Palestinians lived in this land for two thousand years. These people have now been displaced and murdered by the millions which is a crime against humanity by barbarians who hold to a religion that says that they are gods and all others are insects so they have a right to kill and murder those who stand in their way.

*God prophesied that the temple is to be built in Jerusalem today - FALSE

Prophecy said the temple was to be built only two times in history which has already been done. This temple is a third temple that God does not endorse. I will speak about this in a later chapter.

*The 144,000 will come from Israel to evangelize the world - FALSE

These people in Israel are pagans, Antichrists. They are the Edomites the Pharisees that God hates. They are the bad figs the enemies of Christ. They are originally Magog of the land of Gog. God has proclaimed that no fruit will grow from their

tree. This evil family has chosen death instead of life and have made a covenant with death, so says the Word of God, see Jeremiah 8:3.

*Those who bless the Jew, God will bless, those who curse the Jew, God will curse - FALSE

In Genesis 3 God was telling Abraham that those who blessed HIM would be blessed but those who would harm HIM God would curse. This is only to Abraham. It was not meant to be carried over to the future "Jews" (who never existed back then). It is stated that ALL nations will come from Abraham and be blessed through him, **not just Israel**. Remember, Abraham was a Chaldean, he was never a Jew. The "Jew" didn't show up on the scene until hundreds of years later.

*The Jew is a superior person – FALSE

Reading through their beliefs we can only come to the conclusion that they are backward and sub-human because of their Talmudic Judaic religion. Read chapter Two.

*They were persecuted through history because they are God's children - FALSE

They were never persecuted on the bases that they are the children of God. They became persecuted and rightly so because of their ungodly and immoral beliefs when their beliefs were discovered. Their victimizing populations by their

Usury, deceptions, ritual murders of Christians, their persecution of Christians and their attempts to take over the government (local and national). It is they who are the persecutors, the ones who have manipulated revolutions and wars among the gentile nations for gain and power. It is God who has declared them to be the "Synagogue of Satan" because of their occultic religion and interactions with demons and the worship of Satan (they prefer to call him Lucifer and declare that Satan and Lucifer are two different persons. The Word of God says otherwise).

*They are the same people of the Old Testament Hebrews the ones in whom God named Israel – FALSE

They are from many races although most of them are Khazar Jews (Ashkenazi), they are the counterfeit Judeans (Jew is short for Judean in which they are not). They are not the real Israelites for they have no connections to the Hebrew children of the Old Testament. They are not even a race but are a culture of Judaism, a Luciferian culture of the Pharisees.

*They are the children of Abraham -FALSE. See [Racial Hoax](#)

As it was pointed out before, they have no lineage to Abraham or any of the Hebrews of the Old Testament. Like their father, the devil, they are usurpers. The real children of Abraham are Christians through the seed of Jesus Christ our savior. It is Christians that God named as his new nation as

Israel. Just like the Old Testament Hebrews were "Christian" (although they did not know that name) because they looked forward to the salvation provided by Christ. When Jesus went to the Cross the sins of all those from the very foundation of the world to today were forgiven by faith in the "Lamb of God" Jesus Christ when we asked for his forgiveness of our sins against God. Our spirit has gone from being dead (because of sin) to God to now being alive to God (born of the spirit).

*Judaism is a very old religion going back thousands of years - FALSE

Judaism did not even exist before Christ. Over two hundred years AFTER Christ was crucified, resurrected and taken to heaven, Judaism become a new (and occult) religion. And it is diabolically opposed to Christianity and wants its destruction (this is their "holy" and primary goal. All evidence shows them to be the children of the devil). The bible warns us that in the last days there will be those who will kill Christians thinking that they are doing the work of God (how perverse and evil that they are). This is why they have all those attacks that are written against Jesus, Christians and our God in their Talmud, as their Talmud was written AFTER the life and death and resurrection of Christ, our Lord.

Our Christian leaders today have been teaching false prophecies to their flock. Applying prophecy to Israel (because they think Israel has God's blessings and are the children of God) which has been bastardized and leading people to the worship of these sons of the devil. They are supporting evil, the Synagogue of Satan. They are committing high treason against God in whom they say they are serving, yet they are dupes and fools for being the greatest servants and supporters of the devil and his plans for the destruction of mankind. They proclaim that they are eating at the table of Christ but they are eating at the table of the devil. They are committing blasphemy against the Holy Spirit, this cannot bode well with them when they step into eternity and face a very angry Person who is the Creator of heaven and earth. If by the grace of God they retain their salvation and are to enter heaven, they will lose the "wealth" they thought they have stored up because of their supporting the enemy of God and Christians. They will be shamed for all eternity when they realize that they have been supporting the enemy of God and Man. Their minds have been bewitched by the sorceries of these elite Pharisees (and Masons), the rich men of the "Illuminati". Who are making merchandise out of them in this life through their propaganda inside and outside of the Church as they use their great wealth and agents to undermine the work of God. These Christians are the supporters and fools of the devil and probably most of these

people who call themselves “Christian” are not even “born again” in their spirit, but are still spiritually dead. They are only having a religious experience, but have not the life of God.

In Revelation 19:20 God takes this beast (that is the representation of the anti-God and occultic society) and the false prophet (that is the representation of those who are deceiving mankind into supporting the devil through false prophecy) and throws them both into the Lake of Fire where they will remain - forever. The smoke of the torment of the people who made up the support and structure of the beast(s) and the false prophet will ascend up forever.

Article 16

THE TALMUD – WHAT A LOVELY BOOK!

Before reading this article I want to point out very clearly that it is not my intention to go against a race or a people or to push the guilt to a certain group of people. I'm interested in uncovering their belief system, that's what I'm putting my finger on. This article is going to upset you, as it did upset me. I did not like to write this article and I don't like this theme at all, but it is of tremendous importance in order to understand what is happening on our planet and the spiritual warfare that this world and you are a part of. If you want to understand why Hitler, Benjamin Franklin, George Washington, Martin Luther and many, many others wanted to hunt down the Jews, you have to know what follows here, because it was the cause of their actions. So please don't get angry with me for presenting this stuff. What you do with this information is between you and God, not me and you. Understand, God will hold you to a higher standard for the knowledge you have gained from this book than from someone who was totally ignorant.

ALL THE SOURCES FOR THIS CHAPTER ARE OF JEWISH ORIGIN.

Coming back to the Protocols: I can still feel some readers doubt their origin. Let's have a look at a few phrases out of the Talmud (translated from a German version) to

understand why the barbarian Khazars were interested in suddenly becoming “Talmudic believers”, and maybe to understand why the Jews always have been looked upon as villains, untrusted and even thrown out of nations wherever they’ve been. Is there may be some reason behind it?

[H: Please, an interruption here. These “Jews” in point are also generally called Talmudists or Talmudians. You who witnessed the O.J. Simpson trial regarding the murder of his wife will perhaps recall that Marsha Clarke, a prosecution lawyer, stated to the Judge that they certainly all wished for a “Talmudic-type court which would bypass the trial itself as being presented.” The prosecution in other words could simply hang the man without trial at all and further the cause of the Talmudic law without consideration of justice – only to be reversed in a “civil” uncivilized rerun over MONEY. Be very careful about to whom you listen and form your opinions, for mostly you will be given the “party line” – not the truth. These Khazarian Talmudists are making a major thrust to topple the world into their control, readers. They give you the information, themselves!

Directly from the Talmud:

1. “Just the Jews are humans, the Non-Jews are not humans, but cattle.” (goyim = human cattle) (Kerithuth 6b page 78, Jebammoth 61^a)

2. "The Non-Jews have been created to serve the Jews as slaves." (Midrasch Talpioth 225)
3. "The Non-Jews have to be avoided, even more than sick pigs." (Orach Chaiim 57, 6^a)
4. "Sexual intercourse with Non-Jews is like sexual intercourse with animals." (Kethuboth 3b)
5. "The birth-rate of the Non-Jews has to be suppressed massively." (Zohar II, 4b)
6. "As you replace lost cows and donkeys, so you shall replace dead Non-Jews." (Iore Dea 337, 1)
7. "To box an Israeli on the ear, is like to box on the ear of *God*." (Sanhedrin 58b)
8. "*God* (Jahveh) is never angry about the Jews, just about the Non-Jews." (Talmud V/ 2 / 43b - 44^a)
9. "Everywhere they (the Jews) come, they will be the princes and the lords." (Sanhedrin 104^a)
10. "I (Jahveh) make you (the Jewry) the ancestor of the peoples, I make you the selected one amongst the peoples, I make you the king over the peoples. I make you the loved one amongst the peoples, I make you the best one amongst

the peoples, I make you the trusted one amongst the peoples.” (Schabbat 105^a)

11. “Towards a Non-Jew the Jew doesn’t cause an adultery... Punishable for the Jew is just the adultery towards his wife who is a Jew. The (committing adultery with) a wife of the Non-Jew is excluded.” (Talmud IV / 4 / 52ab)

12. “There is no wife for the goyim, they really aren’t their wives.” (Talmud IV / 4 / 81 + 82ab)

13. “You (the Jews) have made me, Jahveh, the only true lord in the world. I will make you the only ruler in the world. “Who wants to be smart shall occupy himself with money matters, because there are no corner pillars in the Thora that are more important, because they are like a sparkling fountain.” (Talmud IV / 3 / 173b)

14. “Jews always have to try to deceive Non-Jews.” (Zohar I, 168^a)

15. “Carry on trade with Non-Jews, if they have to pay money for it.” (Abhodah Zarah 2^a T)

16. “Non-Jewish property belongs to the Jew who uses it first.” (Babba Bathra 54b)

17. “If two Jews have deceived a Non-Jew, they have to split the profit.” (Choschen Ham 183, 7)

18. “Every Jew is allowed to use lies and perjury to bring a Non-Jew to ruin.” (Babha Kama 113^a).

19. “The possessions of the goyim are like an ownerless desert, and everybody (every Jew) who seizes it, has acquired it.” (Talmud IV / 3 / 54b).

20. “The Jew is allowed to exploit the mistake of a Non-Jew and to deceive him.” (Talmud IV / 2 / 2 / 70b).

21. “When the Messiah comes, all will be slaves of the Jews.” (Erubin 43b).

Lovely, isn't it? Do some of you still believe that the “Protocols of Zion” are not of “Jewish” origin? Can you understand the kings who kicked the Jews from their countries? I’m not talking about the ordinary Jew, like the ordinary *Christian* or Muslim, but the powerful ones. And they do believe in the nonsense you have just read.

If you want to understand why we have wars, planned wars for many hundreds of years on this planet, and why the Illuminati don’t care about millions of people of all races being killed in these wars, you have to understand that in the eyes of a Talmud-believing Khazar-Jewish banker NO HUMAN dies in a war between countries, but goyim. Just the Jews are human in the eyes of a Pharisee, who believes in the Talmudic Law (that you just read), and all the other ones are

cattle and have to be treated like cattle. They are not worthy to be treated any better than cattle. Cattle have no property, no right to own anything, cattle cannot be married, and so as a Jew you are allowed to deceive the cattle.

You don't believe this? Well, ask a rabbi. I did and got the answer: "Of course! We are the chosen people! You are the goy (singular of goyim)."

It doesn't mean that every Jew believes in the Talmud and the Cabala, the same as not every child of *Christian* parents believes in Christianity. In this book we are looking at the ones who believe in the lines you just read and we are interested in what these people are doing because of this belief.

Do you think that what I just wrote and showed you out of the Talmud just appears in some Nazi-German heads, the "bad guys" of this planet? Then you are far off! The Talmud, the ultimate authority in Orthodox Judaism, plumbs the depths of moral and spiritual depravity. Wherever they went the Talmudic Jews became legendary for their crookedness and their diabolical ingenuity in taking advantage of those with whom they come in contact. They were both feared and despised. As a direct result of their chicanery they were expelled from one nation after another.

Jews were evicted from England in 1290 AD, (returned 1655); France 1306 (returned 1682); Hungary 1360 – 1582; Belgium 1370 – 1700; Slovakia 1380 – 1744. They were also thrown out of the Netherlands, Austria, Spain, Portugal, Italy, Bavaria and other nations in Europe in the same time frame.

Jesus said about these particular Jews, that they “were of their father, the devil.” (John 8:44). That’s the reason, and really the only reason, why Jesus has been killed by those Jews, the Pharisees!

We present this documented information for your convenience and hope that you will stop calling the people who bring truth after the lies are instilled, revisionists. The REVISIONS came with the lie, not the truth, and became accepted “fact” from the miscreant fictionists. Is not truth somehow bad enough in its insanity that worse has to be fabricated and then repeated until the brain is dead and accepts the lie without question?

This book was brought to you specifically for use and comment. I suggest you just remain open and then reach your own conclusions, for I have no enemies and every event throughout experience is but a positive experience for possible growth into truth and honor. If you don’t understand my statement, then I really do suggest you stay tuned – for

the TRUTH is somewhat more strange and wondrous than the fiction of the kings.

Martin Luther, for example, had this to say:

“I had decided not to write any more neither of the Jews nor against the Jews. Because I learned, however, that those miserable, wicked people do not cease trying to win over to themselves us, that is the *Christians*, also I have permitted this booklet to go forth that I might be found among those who have resisted such poisonous undertaking of the Jews, and have found the Christians to be on their guard against them. I would not have thought that a Christian would permit himself to be fooled by the Jews to share their exile and misery. But the devil is the *god* of the world, and where God’s world is not, he has easy sailing, not only among the weak, but also among the strong. God help us. Amen “

And as a distinguished mark, they strengthen their faith and bitter hatred against us amongst themselves by saying:

“Keep on. See how *God* is amongst us and does not forsake his people in exile. We do not work, we enjoy good, lazy days, the cursed goyim (human cattle) must work for us, we get their money, thereby we are their masters, they, however, are our servants. Keep on, dear children of Israel. It will be better still! Our Messiah will come if we thus continue and appropriate to ourselves, usury, Hemdath (Hebrew: possessions, desire) of the heathen!

“Do not their TALMUD and their Rabbis write that it is no sin to kill if a Jew kills a heathen, but that it is a sin if he kills a brother in Israel! It is not a sin if he does not keep his oath to a heathen. Therefore, to steal and rob (as they do with their usury) from a heathen is divine service. For they hold that they cannot be too hard on us nor sin against us, because they are the noble blood and circumcised saints; we, however, are cursed goyim. And they are the masters of the world and we are their servants, yes, even their cattle!

“Should someone think I’m saying too much – I am not saying too much, but much too little. For I see in writing how they curse us goyim and wish us evil in their schools and prayers. They rob us of our money through usury and, wherever they are able, they play us all manner of mean tricks...”

Martin Luther’s last recorded utterance on the subject of the Jews was, “You should know that the Jews blaspheme and violate the name of Our Savior day by day. For that reason, you, Milords and ladies, should not tolerate but expel them. They are our public enemies and incessantly blaspheme our Lord *Jesus Christ*. They call... Mary a harlot and her Holy Son a bastard... If they could kill us all they would gladly do so; in fact, many of them murder Christians, especially those professing to be surgeons and doctors. They know how to deal with medicaments in the manner of Italians – the Borgias

and Medicis – who gave people poison which brought their death in one hour or in a month.”

Should Martin Luther be condemned as being a rabid hater of Jews? Not necessarily! It is abundantly clear from a careful reading of the above statement that Luther was attacking the basic Talmudic philosophy which motivates many Jews, like the Rothschilds for example. It will also come as a great surprise to many American readers to learn that a number of their “glorified” forefathers were much more outspoken on this issue than Adolf Hitler.

Benjamin Franklin (1790) for example:

“We must protect this young nation from any insidious influence... that menace, gentlemen, is the Jews. In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated. They have sneered at and have tried to undermine the *Christian* religion upon which that nation is founded by objecting to its restrictions; have built up a state within a state and have, when opposed, tried to strangle that country financially...

“They are vampires, and vampires do not live on vampires. They cannot live among themselves. They must subsist on *Christians* and on other people not of their race.

“If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in such numbers that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.”

He knew what he was talking about, because the American presidents, Franklin Delano Roosevelt, Harry Solomon Truman and James Earl Carter were hidden Jews (hidden Jews are Jews who take on a different name and sometimes another religion to cover up their Jewish origin). But they still follow their cult's goals, because if not, they will die a silent death through their rabbis! You don't believe this? Read: *Die Shlimmsten Feinde unserer Volker* (The Most Dangerous Enemies of our Peoples) by Jean Boyer, Edicion Actualizada, Bogota, Colombia, 1979. It will blow your mind!

And George Washington (1732 – 1799), the first U.S. president:

“The Jews work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each state long ago has not hunted them

down as pests to society and the greatest enemies we have to happiness in America.”

(Maxims of George Washington, by A.A. Appleton and Co. pp. 125,126)

Surprised?

Some readers may think that I'm one of these Nazi German fellows who lived back in WW II. That is simply not the case. These chapters do not specifically relate to the Jewish people as a whole (some of my closest friends are Jews). There is a great difference between a Khazar, Zionist, Talmudist, and the Hebrew Blood Alliance on the one side and an ordinary “Jewish” person in the street. I am concerned about what is written in the Talmud, and about the fact that the Talmud is applied today, with its Noahide Laws.

Every grouping of men will write their own history and then change it to suit themselves. This is no different from these so-called Jews, who aren't. These thieves deceive their own and as well destroy their own. Greater “writers” and historians through the eons of time have recorded these things and destroyed those things which are not acceptable to one group or another. The facts are that it is the time of evolvment to present that which was buried instead of hiding it from “thinking” mankind.

The Talmud: A vast collection of Jewish laws and traditions, the Talmud, is Judaism's holiest book(s). Evidence of this is found in the Talmud itself, Erubin 21b (Soncino edition): "My son, be more careful in the observance of the words of the Scribes than in the words of the Torah (Old Testament)."

The Talmud nullifies the Bible by permitting and encouraging virtually everything the Bible defines as Sin! While on earth, Jesus made a direct reference to the Talmud when he denounced the Pharisees, the leaders of the synagogue, for voiding the Scripture by teaching the traditions of men. (Mark 7:1-13)

Non-Jews (derogatorily referred to as goyim, minim, heathen, or gentiles, by the Jews) are considered to be no better than cattle, according to the Talmud, so their possessions, their land, and even their lives can be taken at will, by the Jews.

The teachings of the Jewish Babylonian Talmud are arguably the most bigoted, despicable, and hate-filled teachings known to man. Keep in mind that they have a "sanitized" version available for non-Jews.

And before I hear a lot of wailing of "Anti-Semite! Anti-Semite! From Jews, I suggest you investigate – thoroughly – for yourself, what the Talmud says. Jews have no right to point the finger at anyone else for bigotry while they

humiliate, mutilate and assassinate the Palestinians, and while the Jews hold as “holy” a book (the Talmud) that denigrates all non-Jews as beasts. That promotes murder and the annihilation of Christianity.

The belief system of the Zionist/K-Jews based on the Talmud (original writings) and the Cabala is the most racist, bigoted, dehumanizing, hate filled and death cult to ever exist on this planet.

Also note that it was the Zionist who promoted and founded the United Nations and its first act was to sanction a state of Israel in Palestine. In the U.N. today consists of people who are from cult/occult societies who are in line with the goals of the Talmud/Cabala cult system. This is why “Christian America” needs to get out of the U.N. before it enslaves us with laws and treaties that will be falsely promoted to have the right to override our Constitution, Bill of Rights and the American way of life substituting it with a European socialism and a police state.

Take note of these points of reference and belief from the Talmud and ask yourself, are these the people you want in your government, controlling your media and having full control over your nations money. Well in America today the Pharisaic Zionist do control all three of these areas in this nation as well as the other nations of Europe and around the

world. In fact they are called the “invisible government” behind the visible government. America has not had its own government for over 60 years now. So get really pissed off at our leaders in government for allowing this to happen and start doing something to change this, either do that or let your family and children go into their communistic, socialistic bondage which will end up having mortal consequences against us "goyim" (their reference to us as human cattle). They are a major security risk to every facet of the American way of life which is wrapped up into a Christian heritage. They are the Trojan horse in our nation, the enemy within, the Luciferian 5th column in our government and society. Our Constitution demands that we protect our nation from the enemies within her.

THE TALMUD: SCALPEL THAT BLEEDS THE MIDEAST

By Rev. Ted Pike

13 Jan 06

In the Old Testament, God required the Hebrews to drive the wicked Canaanites from His promised land. Canaanite culture was saturated with infant sacrifice, ritual murder, sexual perversion, idolatry and occultism. God knew that a policy of zero tolerance toward Canaanite evil was the only way Hebrew monotheism would survive. Only then could it prepare a place for Jesus Christ, Savior of all who would trust in Him.

But although God authorized harsh measures against pagan religions, the Old Testament is devoid of racism: the conviction that other peoples are inherently evil, degenerate, or subhuman. King David, notably, descended from an Israelite, Boaz, and Ruth, a godly Gentile. David included righteous Gentiles in his army, such as Uriah the Hittite. Also, David was close friends with the Sardinian king Hiram, who largely built Solomon's temple. Gentile converts like Rahab were welcomed into the Hebrew community.

Talmudic Pharisees Bring Racism to Israel

Racism did not enter Judaism until the generation of scribes and Pharisees who migrated from Babylon several centuries before Christ; they infused Jewish religion and culture with the idea that Gentiles are morally inferior and polluting on the basis of race. The Old Testament makes no such claim, warning only against the influence of Gentile idolatry on the Hebrews. The Pharisees introduced a racial superiority into Judaism unheard of in the Old Testament.

As a result, Jews in Christ's time were deeply racist, convinced of their intrinsic superiority to the Gentile "dogs."¹ The good Jew did not even talk to a Samaritan.² If a Gentile were beaten, robbed and thrown into a ditch, a godly Jew, fearful of becoming "unclean," passed by on the other side of the road.³

The Talmud Enshrines Racism

Unfortunately, the racist revolution of the Pharisees became embodied in the Babylonian Talmud, the vast, rambling compendium of Pharisaic law. Today the Talmud and its mystical companion, the Zohar or Cabala, are the greatest spiritual, ethical, and legal guides for observant Jews. They are of much greater authority to such Jews than the Old Testament. In fact the Old Testament doesn't even apply when it comes to Judaic Pharisaism. For they are a cult whose foundation is the occult.

Popular Jewish writer Herman Wouk comments on the Talmud's preeminence over all branches of Judaism: "The Talmud is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe -- whether we are orthodox or conservative or reform or merely spasmodic sentimentalists -- we follow the Talmud. It is our common law."⁴

Racism in Israel

The world is baffled why, in Israel today, the once persecuted Jews have become persecutors. Highly educated religious Jews, especially in the government and among the ultra-Orthodox West Bank settlers, now treat the Palestinians much worse than they would treat any animal.

In his film, *Gaza Strip*, veteran filmmaker James Longley graphically documents how the Israeli military shoots Arab children through the head for the crime of throwing stones. While his crew filmed, Israeli helicopters dropped canisters of debilitating nerve gas on the inhabitants of Gaza. Like the Soviets once did in Afghanistan, Israeli troops left booby-trapped toys on the ground in order to blow up curious children.

The explanation for such behavior is found in the Talmud. The Talmud teaches the superiority and divine right of Jews over Gentiles: the Jew is holy because of God's racial covenant

with Israel. According to the Talmud, Gentiles are unclean because, unlike Jews, they were not present at Mt. Sinai. By standing on the mount, the Jews were perpetually cleansed from lustful thoughts.⁵

In its article on “Gentile,” the authoritative Jewish Encyclopedia summarizes the Talmud’s view of Jewish moral superiority. “The Talmud comments on the untruthfulness of Gentiles ... and contrasts it with the reputation of a Jew: ‘The remnant of Israel shall not do iniquity nor speak lies; neither shall a deceitful tongue be found in their mouth.’”⁶ “The Talmudic writers,” this article continues, “say that ‘... only Israelites are men’ ... Gentiles they classed not as men but as barbarians.”⁷ Rabbi Johanan ben Zakki says that if anyone teaches the Talmud to a Gentile, “such a person deserves death.”⁸ Judah ben Illai recommends the daily recital of the benediction: “Blessed be thou ... who has not made me a goy [or Gentile].”⁹ Jews are so holy, the Talmud says, “He who smites an Israelite on the cheek is as though he has thus assaulted the divine presence.”¹⁰

Talmud Dehumanizes Arabs

Humanity is shocked by how the Israeli military criminalizes Arab youth, often shooting them down as if they were subhuman. Yet this is exactly how the Talmud teaches

Jews to regard Gentile children. “The Talmud promotes the issue [that children] of a Gentile is that of a beast.”¹¹

During the intifada uprising in Gaza in 1988, the world was horrified when Israeli soldiers buried alive four Palestinian youths. Yet the Talmud sanctions Jewish murder of Gentiles. The Talmud says “if a Jew throws his neighbor into a pit that contains a ladder, then hastens to remove the ladder, he is not liable for the death of his neighbor.”¹² The Jew is also permitted to roll a large stone over the pit opening, guaranteeing the victim will not survive. (This cult that sits on the foundation of the occult is twisted, immoral and corrupt beyond belief. M.B.)

According to the Talmud, “those who deny the Torah and the prophets of Israel, the law is that they should be killed and those who have the power of life and death should have them killed, and if this cannot be done, they should be led to their death by deceptive methods.”¹³

The Talmud’s homicidal hatred of Gentiles leaps from its pages. The Jewish Encyclopedia quotes one of the Talmud’s most respectable rabbis, Simeon ben-Yohai: “The best among the Gentiles deserves to be killed. The best of snakes ought to have its head crushed.”¹⁴

How Relevant is the Talmud to Jews Today?

How relevant to Jews today is such medieval bloodlust?

The majority of Jews in America have probably never read the Talmud or even heard of Rabbi Simeon ben Yohai. For most of assimilated American Jewry, Judaism involves support of Israel and left-wing causes, but possesses a largely social, not spiritual, obligation.¹⁵

But in New York and especially in Israel, it is very different. Today in Israel, during the annual festival of Lag Ba Omar, tens of thousands of orthodox Jews assemble in Meron, the traditional burial place of Simeon ben Yohai, where they honor his memory through song, dance, and exhortation. The prestigious Encyclopedia Judaica describes ben Yohai as one of the giants of Judaism for all time.¹⁶

Far from being outdated, ben Yohai's call to slaughter the "best of the Gentiles" is the Talmudic text that authorizes Israel's policy of killing innocent Arabs, including children. A government manual for modern Israeli soldiers includes a summary of Ben Yohai's teaching: "In war when our forces storm the enemy, they are allowed and even enjoined by the Halakah to kill even good civilians, that is civilians who are ostensibly good."¹⁷

The Talmud clearly does more than dehumanize Palestinians. It also dehumanizes the educated and religious Jews who are guided by its homicidal racism. The Talmud is the scalpel that makes the Mideast bleed.

Jewish Cabala Says Jews are Divine

The mystical Zohar, or Cabala, like the Talmud, is considered by orthodox Jews to be inspired by God and equal in authority to the Talmud. Many ultra-orthodox Jews, such as predominate in Israel today, consider it of even greater authority. In the Zohar, the idea is everywhere repeated that Jews are divine, holy beings, essential for the very existence of the world. Gentiles, however, are demonic and less than human. The Zohar says, “‘Living soul’ refers to Israel, who have living souls from above, and ‘cattle and creeping thing’ and ‘beast of the earth’ to the other peoples who are not ‘living souls.’”¹⁸ The Zohar continues: “The ‘ass’ means non-Jew, who is to be redeemed by the offering of the lamb, which is the dispersed house of Israel. But if he refuses to be redeemed, then break his skull ... they should be taken out of the book of the living.”¹⁹

According to the Zohar, God rewards Jews for slaughtering those whom Israel regards as idolaters. “In the palaces of the fourth heaven are those who lamented over Zion and Jerusalem, and all those who destroyed idolatrous nations and those who killed off people who worshipped idols are clothed in purple garments so they may be recognized and honored.”²⁰ Only by the overthrow of the Gentiles, the Zohar asserts, can Israel regain its predestined position as God’s shekinah glory on earth.²¹

The Zohar calls Gentiles “Amalekites.” In a passage typical of many, it says: “They caused the destruction of the temple ... so when God reveals Himself, they will be wiped off the earth ... Redemption will not be complete until Amalek will be exterminated.”²² Today the religious and military establishment of Israel commonly refers to Palestinians as Amalekites. Until final conquest of the Gentiles, the Zohar says Israel can use any means necessary to assure victory (the demonic, communistic doctrine – “The ends justifies the means.” Communism is Judaism, their satanic baby right out to their Talmud).²³

What is Binding on Jews Today?

The surest way to determine whether a Talmudic text is Halakah is to read the original Talmud²⁶ and find out if it is endorsed by the Mishnah, the definitive oral law of the Pharisees. Or one may consult the authoritative Jewish Encyclopedia, available as a reference in most metropolitan libraries. Published in 1905, before ecumenical “brotherhood” between Christians and Jews excluded truth about Judaism, the Jewish Encyclopedia frankly tells us what the Talmud has historically taught Jews to believe. In its articles on “Authority,” “Gentile,” “Jesus,” “Christianity,” “Talmud,” and “Cabala,” it confirms that every Talmudic assertion or passage that I have included in this article reflects Halakah, or Talmudic law.

Do all observant Jews adhere to objectionable Halakic teachings within the Talmud? Of course not! Yet rabbinic authorities, especially in Israel, say true Jews will honor every part of the holy, infallible Talmud.

Jewish Bigots want to End “Intolerance”

Considering the racist underpinnings of the Talmud and Zohar, it is astonishing that Jewish “civil liberties” organizations posture as attempting to end racism. ADL/B’nai B’rith, the Southern Poverty Law Center, People for the American Way, and the ACLU are organizations entirely or largely dominated by Jews.

These organizations never object to racism within Judaism. Instead, they vilify the “intolerance,” “homophobia,” or “anti-Semitism” of a largely Christian society. Such bigotry, they claim, is ample pretext to attempt to alter Christians’ behavior, stressing “respect for diversity” and even enactment of anti-hate laws worldwide. (The Jews have a vile hatred for truth, especially the Christian aspect of it and are twisting anti-hate laws which is really mind control to cover up their evil and to attack Christians. For example, open Sodomy today is now demonstrating outright attacks against Christians who refuse to serve them. Having them fined and putting Christians out of business and taking away their livelihood because they dare to uphold the Word of God that

condemns Sodomy. This will continue to get worse and worse as time goes on unless Christian America wakes up and puts the kibosh on this corruption and insanity. (M. Birkedahl)

What chutzpah -- that the original racists, the followers of the Pharisees, should set themselves up to cleanse the world of racism!

Such audacity and illusion should remind us of the continuing relevance of the words of Jesus, "Woe to you, scribes and Pharisees, hypocrites! For you are like white-washed tombs which on the outside appear beautiful, but inside they are full of dead men's bones and all uncleanness."²⁷

Today there exists a rift between Orthodox Judaism, the position of a small minority of world Jewry and the state of Israel, and Reform Judaism, a much larger segment presided over by ADL/ B'nai B'rith. Yet both venerate the Talmud and Cabala, and jealously guard their secrets from the prying eyes of Gentiles.

For this reason, lovers of religious freedom and Christian civilization should be suspicious of what the modern descendants of the Pharisees tell us about their hugely secretive religion. The warning of Jesus, echoing through the millennia, should ring in our ears: "Beware of the leaven [teachings] of the Pharisees."²⁸ (Unfortunately our ministers and their congregations are not listening to our Lord and have

been beguiled by the haters of Jesus the Christ. God has warned that in the end times, even the very elect will be deceived. News Flash, we are in the end times, based on the creation of Israel of today. Which has started the countdown of the emendate return of Jesus. As given in biblical prophesy M. B.)

The Cabala

Here is a very short synopsis of what the Cabala teaches. (Understand, the Cabala is our Judaic Pharisee's "holy" occultic books that is revered by Freemasons, New Age occultist, witches and Satanist.)

At the time of creation, the god of creation became confused and depressed, and withdrew himself into himself. The part of him that makes up the "messiah essence" fell from heaven into the bottomless pit, where it took the form of 'THE HOLY SERPENT.' Another part of him, which is the female part, called "Sophia," is in charge of wisdom.

When Moses went up on the mountain to meet God, the Cabala states that in reality Moses met "the evil part of God" while the 70 elders at the foot of the mountain met the "good part of God." This, they say, is how they received the beginning of the Cabala. They teach that the Holy Serpent is held captive in the bottomless abyss, and there are two ways to bring him out and up to the earth. (1) To make all people on the earth good. (2) To make all people on the earth totally evil.

The Cabalistic leadership under Solomon decided that it was easier to make people evil than good, so they chose what they call "the low road." If they can pervert all people on the earth and make them sin and break every commandment that is found in the five books of Moses, that will open the legal road for the Holy Serpent to escape out of the bottomless pit and arrive as the messiah on earth in the form of "THE HOLY SERPENT." (The demonic angel God has named – Satan. M. B.)

However, the only people this messiah is going to save will be Jewish, since all other people do not have a soul, but are animals. The more a Cabalistic Jew can sin and lead others into sin, the "GREATER HE IS SERVING GOD." (Now you know why and who is promoting Sodomy, sins against man and God, blasphemy and immorality that has been responsible for basically all the various crimes in our society. Shine a bright light on the roots and the weeds above ground will start to disappear. M. Birkedahl)

CAN MY STATEMENTS ON THE CABALA BE VERIFIED?

Absolutely! First of all, at the Hebrew University in Jerusalem there is a full department dedicated to the study of the Cabala. For many years it was chaired by Professor Gershom Scholem, who has written at least four textbooks on the Cabala, which have been translated into English and sold in Jewish outlets.

This Jewish scholar cannot be refuted in his work on the Cabala as he is looked upon by the Jewish people as the foremost expert of this subject.

Secondly, the Bible itself refutes the teachings of the Cabala. The prophet Isaiah (740-700 B.C.) is used by God to issue a strong rebuke to the teachers and followers of the Cabala, and you will find this in Isaiah, Chapter 4, verses 13-23. Here is another statement from God spoken by the prophet:

“Wherefore hear the word of the Lord, you scornful men that rule this people which is in Jerusalem. Because you have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves: Therefore thus says the Lord God, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation; he that believes shall not make haste.”

“Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then you shall be trodden down by it. Isaiah 28:14-18”

The occult magic of the Jewish Cabala

By Texe Marrs

He said furthermore unto me, Son of man, seest thou what they do? Even the great abominations that the house of Israel committeth here...? Ezekiel 8:6

Kabbalism (or Cabala-ism) is a system of Jewish mysticism and magic and is the foundational element in modern witchcraft. Virtually all of the great witches and sorcerers of this century were Kabbalists.

William J. Schnoebelen, *The Dark Side of Freemasonry*

In the decades of the 70s, 80s, and 90s, the hottest spiritual trend was the New Age movement. As we move forward through the first decade of the 21st century, the latest cure-all spiritual phenomenon bought by the gullible masses seems to be the Jewish Cabala (or *Kabbalah*). *The newfound popularity of this end-time sorcery is not by accident. Its emergence is a carefully planned Illuminati event.*

The Cabala is not new. It's been around for centuries. The Cabala is actually ancient magic. It is an exotic blend of devilish, sometimes fanciful, New Age mystical practices topped by a philosophical bent of Jewish supremacism. Orthodox Judaism, or Pharisaism, is rife with cabala-ism, and Jewish rabbis are the Cabala's greatest promoters.

Celebrities and Cabala

The explosion in mainstream interest in cabala-ism is boosted by many big-name celebrities who have recently been hawking cabala-ism as the miraculous answer to all of man's problems. An undercover BBC reporter who infiltrated a London Cabala group witnessed singer Madonna and Guy Ritchie chanting mystic spells in a vain attempt to "cleanse" Chernobyl, the site in Ukraine of a nuclear plant disaster in 1986. Other news accounts link entertainers Paris Hilton, Britney Spears, Roseanne Barr, Demi Moore, Shirley MacLaine, Ashton Kutcher, Sandra Bernhard, Barbra Streisand, Dianne Keaton, Gwyneth Paltrow, Goldie Hawn, Elizabeth Taylor, Michael Jackson, Mick Jagger, Diane Ladd, Laura Dern and a legion of other "stars" with the practice of the Cabala.

Look closely when you see any of these people on TV or pictured in magazines and you'll often see the characteristic red string wristband they wear. Lately, former President Bill Clinton's been spotted wearing it—he's a cabalist—and so has Florida politician Katherine Harris, who became a famous household icon as Florida's Republican Secretary of State during the bizarre 2000 election snafu. Republican big-wig and former House Speaker, Newt Gingrich, is reported to be a Cabala advocate, and some say conservative talk show host Rush Limbaugh and his rabbi are also into the Cabala.

Among the most notorious of cabalists are the TV comedy stars of the once #1-rated *"The Jerry Seinfeld Show."* *The producer of the Seinfeld show was Larry David, a Jew, all four of the cast were Jews, and cabalistic hand signs, occult language, and magic rituals were covertly planted in many episodes.*

Jason Alexander, who played the loveable loser "George Costanza" on the show, posed for *TV Guide* magazine in a blatantly cabalistic body pose. Plus, his left and right hands gave the "El Diablo" horned devil sign in an "As Above, So Below" gesture, signifying the occultic Secret Doctrine.

Michael Richards, who portrayed the klutzy "Kramer" in Seinfeld, also seems to relish giving cabalistic and Masonic hand signs and gestures. Richards was pictured on the front cover of the *Scottish Rite Journal*. Inside the publication, he told of how pleased he is to be a Freemason.

Sodom, Egypt, and 21st Century Judaism

In one of the most controversial of all the many video documentaries I have produced, *Cauldron of Abbadon*, I stated, "From Jerusalem and Israel flow a torrent of satanic evil and mischief, endangering the whole world." Zionist Jews and their cohorts in the Christian Zionist community were angered over what I said, but they had no response to the mountain of facts presented in the video proving my point.

It is undeniable that God Himself, in Revelation 11:8, declares that in the last days just prior to Christ's return, one of the most wicked places on earth will be Jerusalem and Israel. In the book of *Revelation* God calls Jerusalem "Sodom and Egypt." (A perverse and occultic society. M. Birkedahl)

The question is, why? Why is Jerusalem, the capital of the Jewish nation of Israel, spiritually "Sodom and Egypt?" I believe it is because of the apostate Jewish religion, a religion diametrically opposed to the Old Testament faith of Moses, Isaac, Jacob, and the prophets.

From the days of the Jews' captivity in Babylon to today, the religion of the Jews has increasingly grown darker and more wicked. Jesus openly castigated the Jewish religionists. He called them "blind guides," "fools, hypocrites." He said, "Ye devour widows' houses, and for a pretense make long prayer...Ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves." (*Matthew 23:14-15*)

Children of hell, that's what Jesus called the Jewish religious teachers. That was almost 2,000 years ago. Well, guess what? The Jewish religionists are even worse now, in the 21st century. They've had almost 2,000 years more to practice and perfect their evil religion. Today, those who practice satanic

cabala-ism and believe in the Talmud are the children of hell a hundred times over.

In my latest exposé book, [Codex Magica](#), I report on some of the almost unbelievably wicked Talmudic and Cabalistic practices of the Jews. It is important to understand that the horrific nature of the Jews' religion lie in its man-made traditions. In reality, these traditions are satanic in origin. I refer especially to the Jewish Talmud, the legalistic law traditions of the rabbis, and to the *Jewish Cabala* (also Kabbalah or Quaballah), which are the mystical teachings and traditions of the rabbis and sages.

The philosophy and doctrines of the Jewish Cabala are the wellspring of virtually every wicked, occult sect, satanic secret society, and witchcraft cult that has arisen in the past one thousand years! The Cabala brings together in one neat package the core of all the Mystery teachings of the ancients. Indeed, the Holy Bible gives evidence that the Jewish elders had brought the Mysteries into the Temple and had conducted secret ceremonies in hidden chambers as far back as the days of the prophet Ezekiel (see *Ezekiel 8*). God called these teachings and rituals "abominations."

The Masonic Lodge, The Illuminati and The Cabala

Freemasonry has long praised the Cabala, and its top officials have admitted that the Lodge's rituals and teachings

are but the offspring of the Jewish tradition. Albert Pike, former Sovereign Grand Commander of the Scottish Rite, wrote: "One is filled with admiration, on penetrating into the Sanctuary of the Cabala."

Albert Pike maintained that, "Every Masonic Lodge is a temple of religion; and its teachings are instruction in religion." Pike also asserted that the true meanings of the mysterious and arcane symbols of Freemasonry are found in the occult philosophy of the Jewish Cabala, that Freemasonry owes all its secrets to the Cabala, and that Freemasonry is a religion based on the Cabala.

Just how much Masonry owes to the Cabala is illustrated by study of the Knights of Kadosh degree (30°). Ed Decker, director of Free the Masons Ministries, reports that the trappings of this degree ritual are "overtly sinister" and incorporate a "High level of Kabbalistic symbolism."

When one is surrounded by black curtains, skulls, and a coffin with a shrouded knight speaking forth from within, it doesn't take a spiritual giant to discern that this is not a *Godly* organization.

Confirming Decker's findings, medical doctor James L. Holly, who has done great works in exposing Freemasonry, in his outstanding volume, *The Southern Baptist Convention and*

Freemasonry, shows how the 30° Masonic initiate is led unawares into a direct spiritual relationship with Satan. In the ritual, Satan is personified as a mysterious cabalistic mystic. Interestingly, *Richardson's Monitor of Freemasonry* says that, "the Knights of Kadosh Degree is intimately connected with the ancient Order of Knights Templar, as it commemorates their old ceremonies of initiation."

Allegedly, the members of the Order of Knights Templar worshiped Baphomet, the hideous male/female Luciferian goat *god* and conducted blasphemous ceremonies, which included urinating on a cross and homosexual sodomy.

Freemasonry is Jewish

In 1855, the renowned Rabbi Isaac Wise wrote:

"Freemasonry is a Jewish establishment, whose history, grades, official appointments, passwords, and explanations are Jewish from beginning to end."

The *Jewish Tribune* newspaper, in 1927, in an editorial, stated: "Freemasonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?"

Ray Novosel, writing from Australia in 2004, states: "Zionist world leaders, men in influential positions with the various Masonic organizations everywhere, have worked 'hand in

glove' for a universal world revolution, which will bring in the One World Church and a One World Government. Many Masonic Lodges are exclusively Jewish, as are the controlling B'nai B'rith Lodges —the mother of the infamous and very dangerous *Anti-Defamation League* (ADL).”

Masonry's Jewish Roots

A popular pro-Freemasonry web site, in an article entitled "*Judaism and Freemasonry*," comments: "Jews were actively involved in the beginnings of Freemasonry in America. There is evidence they were among those who established Masonry in seven of the original thirteen states...A Jewish Mason, Moses M. Hays, helped introduce the Scottish Rite in America...Jews, including Rabbis, continued to be involved in the Masonic movement in the United States throughout our history. There have been 51 Jewish American Grand Masters... “

There are many common themes and ideals in Masonic and Jewish rituals, symbols, and words.

The late Pope John Paul II was a believer in Jewish Cabala. On March 22, 1984, the Pope received members of the infamous B'nai B'rith Freemasonry Lodge of New York City, made up exclusively of influential Jews, at the Vatican.

"I am proud to be a Mason" writes Rabbi Seymour Adas, 32°, in this issue of *The New Age Magazine* (April 1987).

Note: The name of this magazine has since been changed to The Scottish Rite Journal, to hide the connection of Masons with the occultic New Age movement. In fact, the Masonic order is predominantly led by Jews. As its former Sovereign Grand Commander, Albert Pike (Jew), has revealed, the symbols and rituals of Freemasonry are all based on the Cabala of the Jews. Also the occultic “New Age Movement” has a strong connection to Freemasonry because it in itself is Cabalistic.

The most honored Masonic leader in the history of Freemasonry was Albert Pike. Pike maintained that, "every Masonic Lodge is a temple of religion; and its teachings are instruction in religion."¹⁴

Now, Pike also asserted that the true meanings of the symbols of Freemasonry are found in the occult philosophy of the Jewish Cabala, that Freemasonry owes all its secrets to the Cabala, and that Freemasonry is a religion based on the Cabala.¹⁵

Demons, Magic, and Mysticism in the Cabala

Here are the eye-opening comments of a number of knowledgeable authorities on the Jewish Cabala:

The Cabala contains such power and demonic teaching, it is more than enough to give the ideology and driving force needed to lead the world astray and to keep such an evil

conspiracy alive through the centuries...The Cabala is a teaching source of the Freemasons as well as for other groups. — John Torrell, publisher -The Dove

Kabbalah (Cabala): The sacred books of black magic of Orthodox Judaism which form a large part of the basis of the western secret societies, from Rosicrucianism to Freemasonry and the OTO. Kabbalism is itself derived from the sorcery of ancient Babylon and...Pharaohic Egypt. — Craig Heimbichner - Blood on the Altar

Kabbalism is a system of Jewish mysticism and magic and is the foundational element in modern witchcraft. Virtually all of the great witches and sorcerers of this century were Kabbalists. — William J. Schnoebelen, - The Dark Side of Freemasonry

The Hebrew Cabala is a series of occultic writings that are as demonic as any incantation ever uttered in witchcraft. Webster's Dictionary tells us the Cabala (sometimes spelled Kabbala) is "an occult religious philosophy developed by certain Jewish rabbis..."

— James Lloyd - The Apocalypse Chronicles (Vol. VII, No. 1, 2005)

Twisted Satanic Rituals and Lies

The rabbinical doctrines and teachings of Cabala-ism are based on a curious blending and mosaic of astrology, numerology, graphology, color magic, symbology, alchemy, pagan religion, and pure Luciferianism.

There are hand signs and body gestures, talismanic jewelry and clothing, hidden codes, and on and on. The end result is a confusing jumble of "man is *God*" theology (*but only Jewish men— Gentiles are inferior*) and magical formulae, words of power, incantations and spells. Heads of chickens are chopped off and blood sprinkled around; "magic cords" of specific color are worn on the wrist as miracle-working bracelets; magic water is used to heal; magic symbols are objects of trance-like mediation; and mantra like chants are repeated over and over.

The 22 letters of the Hebrew alphabet are touted as religious idols of great magical powers. Even their shapes are studied and accorded supernatural powers. Angels, Archangels, devas, and elementals are worshiped and feared. There are "Gods" and more "*Gods*" but only a mysterious, hazy supreme pantheistic deity behind everything. This supreme deity is a pantheistic God who fills up the whole universe. In fact, he is the macrocosm, the Universe (referred to by our Pharisees as the "en sof," a percolating mass of energy that has no attributes.)

Of course, as in all Illuminist magic, there's the double-minded theology of "As Above, So Below," the insidious lie that black is white and vice versa; that good and evil are one, that the shadow and the substance are unitary.

Sex magic holds an important place in Cabala-ism, and sex ritual is a popular vocation of students of Cabala.

Margie Martin, in her informed, unpublished manuscript for her upcoming book, *The Molten Image*, explains that the Tarot cards of witches and occultists are of Jewish origin and correspond with the 22 letters of the Hebrew alphabet. Finally, Cabala-ism is pure Illuminism because it teaches the secret doctrine that, ultimately, the higher level adept learns: That the Holy Serpent is the true *God*; that all the evil that a person does, through alchemy, is magically transformed into righteousness; and that, yes, Lucifer is Lord. Satan is the true and only God. That is the essential doctrine of Cabala-ism.

The Star of David and The Jewish Utopia

The symbol of the Jewish six-pointed star, known as the Seal of Solomon and as the Magen David, is the preeminent symbol of Cabala-ism, but other symbols, signs, and marks also hold the interest of cabalists, including the pentagram or pentacle, the triangle, the circle, the sun, the obelisk, the yoni, and the diamond. It is believed by cabalistic rabbis that there are hidden codes and messages in the numbering of scriptural letters. It is also believed that by working the Cabala, the earth may someday be renovated, rebuilt, perfected. This, say the rabbis, will result in a perfect Jewish Kingdom, or Utopia on earth, ruled by a Cabalist Master, a

Jewish leader, naturally. (This is the scarlet beast that will control the whole world. This is communism which is Judaism, who will control this worldwide “red” beast system. They have over the last century declared that this socialist dictatorship will become their Utopia, instead it has become a hell-hole for hundreds of millions of people and the death of millions. This is Judaism’s kosher beast system that is right out of their Talmud, it is their Luciferian baby. For they are the Harlot that rides on the back of this Beast. M. Birkedahl)

This belief system of the coming of a Jewish Utopia fits in well with the teachings of the Illuminati. Lady Queensborough, quoting the Jewish authority Bernard Lazare, in the classic *Occult Theocracy*, reported that,

"There were Jews behind Weishaupt (pronounced; Wisehoped), founder of the Order of the Illuminati... Jewish financiers such as Daniel Itzig, Friedlander, Ceerfbeer, Benjamin and Abraham Goldsmid, Moses Mocatta, Veitesl Heine Ephram... also Moses Mendelsohn, Naphtali Wessely, Moses Hersheim..."

Ben Gurion, a dedicated Marxist/Leninist, was quoted as saying, "I am in favor of Bolshevism" (American Spectator, January, 1998). (Photos: Richardson's Monitor of Freemasonry, p. 84; Israel, A Photobiography, by Micha Bar-Am, New York: Simon & Schuster, 1998)

For many years, in Europe and Russia, reports of cabalistic blood ritual sacrifices of young Gentile girls and boys were commonplace.

While many were hype and based on old wives' tales, apparently at least some accounts proved to be true, as documented in this revealing book by Philip D Vier.

U.S. Senator Charles Schumer, the guy who has been spearheading the anti-gun movement to disarm the law abiding Americans, using whatever lies and deception which is a part of his Talmud/Cabala religion (O.K. to lie & deceive & any oaths to the Constitution is meaningless). The New World Order Government must disarm the citizens before they enforce their communistic dictatorship. This is why we citizens who still have our rights to bare arms must be prepared to catch them away, so that the government cannot confiscate them. We will need them to protect ourselves. God in his prophesy pointed out that during the Great Tribulation that people will take what is yours. Apparently our Pharisees and liberals were able to disarm everyone, so now you cannot defend against those who would steal from you and who would do you great harm and even murder you.

In effect, Senator Charles Schumer (D-NY), ADL fanatic, avid Jewish Talmudist and Mason, greets "in-the-know" readers of Newsweek (December 28, 1998) with a cabalistic sign. Placing one

hand, resembling horns, in the other symbolizes the idea that the person is entrusting his soul in care to the superior deity (Satan). Thus, he is submissive, playing down his own power and acknowledging a superior power which controls him.

Mr. Spock, a Star Trek character played by actor Leonard Nimoy, became famous for giving the Vulcan greeting with his right hand. Nimoy, a Jew, says that the sign is the same gesture given in Jewish Synagogues when the Rabbi and Elders bring out the Holy of Holies.

It is based on the Hebrew letter "shin." In essence, on the popular TV show, every time Spock gave the "shin" Vulcan greeting hand sign, he was invoking cabalistic magic.

Regrettably, few Christian leaders have the courage to even mention the Jewish Cabala, let alone expose it. Timid, little cowards, they are too frightened, worried they will be reported to the Jewish ADL thought police and that they might (horrors!) be branded an "anti-Semite."

Truth is its own reward, and we know that, no matter what the evildoers try to do to us, God is our shield and our protector. The Cabala is a supreme work of darkness, and *Ephesians 5:11 commands we unmask darkness. That is enough for me.*

The Seventh Protocol --

"To each act of opposition we must be in a position to respond by bringing on war through the neighbors of any country that dares to oppose us, and if these neighbors should plan to stand collectively against us, we must let loose a world war."

HOW THE JEWS USE POWER

Two organizations, both of which are as notable for their concealment as for their power, are the New York Kehillah and the American Jewish Committee. The Kehillah is the most potent factor in the political life of New York; it is the organization which today wields so large an influence on the rest of the world, which consciously issues a program which on one side is pro-Jewish and on the other anti-Gentile. It is the central group, the inner government, whose ruling is law and whose act is the official expression of Jewish purpose. It offers a real and complete instance of a government within a government in the midst of America's largest and politically most powerful city, and it also constitutes the machine through which pro-Jewish and anti-Gentile propaganda is operated and Jewish pressure brought to bear against certain American ideas. That is to say, the Jewish government of New York constitutes the essential part of the Jewish Government

of the United States.

The word "Kehillah" has the same meaning as "Kahal," which signifies "community," "assembly" or government. It represents the Jewish form of Government in dispersion. In the Babylonian captivity, in Eastern Europe today, the Kahal is the power and protectorate to which the faithful Jew looks for government and justice. The New York Kehillah is the largest and most powerful union of Jews in the world, the center of Jewish world power has been transferred to that city. That is the meaning of the heavy migration of Jews all over the world toward New York in recent decades. It is to them what Rome is to the Catholic and what Mecca is to the Moslem.

The Kehillah is a perfect answer to the deceptive statement that the Jews are so divided among themselves as to render a concert of action impossible. That is one of the statements made for Gentile consumption. All experience shows, even to the most casual observer of Jewish activities, that the capitalist and the Bolshevik, the rabbi and the union leader are all united under the flag of Judah. Touch the conservative capitalist who is a Jew, and the red communist who is also a Jew will spring to his defense. It may be that sometimes they love each other less, but altogether they hate the non-Jew more, and that is their common bond. The Kehillah is an

alliance, more offensive than defensive, against the "Gentiles."

It is a strange and impressive spectacle which the Kehillah presents, of a people of one racial origin, with a vivid belief in itself and its future, disregarding internal differences, to combine privately in a powerful organization for the cultural, material and religious advancement of its own culture, to the exclusion of all others.

The American Jewish Committee came into being in 1906. There had been a government investigation into the "White Slave Traffic," the result of which was a direct set of public opinion into channels uncomplimentary to the Jews, and a defensive movement was begun. The Kehillah organized protests against the statement by General Bingham, then police commissioner of the City of New York, that 50 per cent of the crime in the metropolis was committed by Jews. Very soon afterward, General Bingham disappeared from public life, and a national magazine of power and influence which had embarked on a series of articles setting forth the government's finding in the White Slave investigation was forced to discontinue after printing the first article.

The Kehillah has mapped out New York just as the American Jewish Committee has mapped the United States, and

practically every Jew belongs to one or more lodges, secret societies, unions, orders, committees and federations. The list is a prodigious one. The purposes interlace and the methods dovetail in such a manner as to bring every phase of American life not only under the watchful eye, but under the swift and powerful action of experienced compulsion upon public affairs.

At the meeting which organized the Kehillah a number of sentiments were expressed which are worthy of consideration today, Judah L. Magnes, then rabbi of Temple Emanu-el, chairman of the meeting, set forth the plan:

"A central organization like that of the Jewish community of New York City is necessary to create a Jewish public opinion," he said.

Rabbi Asher was loudly applauded when he said:

"American interests are one, Jewish interests are another thing."

The delegates at the first open meeting in 1906 represented 222 Jewish societies - religious, political, industrial and communal. Just over a year later the number of Jewish organizations under the jurisdiction of the Kehillah aggregated 688, and in 1921 well over 1,000. When the aggressive program of the Kehillah to make New York a

Jewish city, and through New York to make the United States a Jewish country, was announced some of the more conservative Jews of New York were timorous. They did not expect that the American people would stand for it. They thought the American people would immediately understand what was afoot and oppose it. There were others who doubted whether the same Kehillah authority could here be wielded over the Jews as was wielded in the old country ghettos. An official of the Kehillah wrote:

"There were those who doubted the ultimate success of this new venture in Jewish organization. They based their lack of belief on the fact that no governmental authority could possibly be secured; in other words, that the Kehillah of New York could not hope to wield the same power, based on governmental coercion, as the Kehillahs of the Old World."

There is much in this paragraph to indicate the status of the Kehillah in Jewish life. Add to this fact that all the Jews who entered America lived under the Kehillahs of the old world, whose power was based on coercion, and the situation is simple. Regimentation, the destruction of individual liberty which has risen to curse the world, is the basic principle of Jewish government of the Jews, by the Jews (also referred to as socialistic dictatorships or communism. This is their satanic baby that is right out of their Pharisaic Talmud. M.B.)

What else can happen when world government of the Gentiles by the Jews for the bankers becomes established?

However, the misgivings of some Jews were not justified. The Americans made no protest. The Kehillah went ahead with its campaign and America submitted. New York became Jewish. American life, American thought, and American politics, became Jewish-dominated in the decades that followed. But with it all, the Jews exhibit a sense of the insecurity of this usurpation of power. It does not belong to those who have seized it; it does not belong either by right of numbers, or by right of superior ability, or yet by right of a better use made of that power. They have taken power in America by audacity; they have taken it in such a way as to make resentment of it seem like an anti-racial movement - and that is why they have held it as long as they have. That is the only way to explain the meekness of the Americans in this matter, and it also accounts for the sense of insecurity which even the Jews feel in the position they hold. The American is the slowest person in the world to act on any line that savors of racial or religious prejudice. This makes for a seeming aloofness from matters like the Jewish Question. This also leads uninformed public men to sign protests against "anti-Semitism" which are really designed to be protests against the publication of Jewish facts. The foundation, organization and rapid success of the Kehillah in New York is an object

lesson set in the sight of the world, as to what the Jew can do and will do when he exalts himself to the seat of rule.

As to the Kehillah being officially representative, it may be added that the Kehillah has in it representatives of the Central Conference of American Rabbis, Eastern Council of Reform Rabbis, Independent Order of B'nai B'rith, Independent Order of B'rith Shalom, Independent Order of Free Sons of Israel, Independent Order of B'rith Abraham, Federation of American Zionists - orthodox Jews, reform Jews, "apostate Jews," rich Jews, poor Jews, law-abiding Jews and red revolutionary Jews. At the 1918 Convention there were present: Jacob H. Schiff, banker; Louis Marshall, lawyer, president of the American Jewish Committee; Adolf S. Ochs, proprietor of the "New York Times"; Otto A. Rosalsky, judge of the General Sessions Court; Otto H. Kahn, of the banking house of Kuhn, Loeb and Company - AND -- Benjamin Schlesinger, who had lately returned from Moscow where he had a conference with Lenin; Joseph Schlossberg, general secretary of the Amalgamated Clothing Workers of America; Marc Pine, also a recent consultant with the Bolshevik rulers of Russia; David Pinski; Joseph Barondess, labor leader. The high and the low were there; the First World War was closing, the Russian revolution had been won. Judge Mack, who headed the War Risk Insurance Bureau of the United States Government, and the little leader of the reddest group in the

East End - they all met in the Kehillah, as Jews. Adolph Ochs of the great "New York Times" together with the most feverish scribbler on a Yiddish weekly that calls for blood and violence, all of them of all classes, bound together in a solidarity which has been achieved by no other people so perfectly as by Judah. Banded together for the purpose of "protecting Jewish rights" while at the same time taking away the rights of others.

EDITOR'S NOTE: *The Kehillah has now expanded its work and influence internationally in the powerful organization known as the World Jewish Congress.

THE JEWISH DEMAND FOR "RIGHTS" IN AMERICA

What rights have Americans that Jews in America do not possess? Against whom are the Jews organized and against what? What basis is there for the cry of "persecution"? None whatsoever, except the Jews' own consciousness that the course they are pursuing is due for a check. The Jews always know that. They are not in the stream of the world, and every little while the world finds out what Judah always knows. The program of the Kehillah was ostensibly to "assert Jewish rights." No Jewish rights have ever been interfered with in America. The expression was a euphemism for a campaign to interfere with non-Jewish rights.

The New York Kehillah is the pattern and parent Jewish community in the United States, the visible entourage of the Jewish government, the dynamo which motivates those "protests" and "mass meetings" which are frequently heralded throughout the country, and the arsenal of that kind of dark power which the Jewish leaders know so well how to use. It is the "whispering gallery," where the famous whispering drives are originated and set in motion and made to break in lying publicity over the country. The liaison between this center of Jewish power and the affairs of the people of the United States is made by the American Jewish Committee. The Committee and the Kehillah are practically identical as far as the national Jewish program is concerned. Through their foreign associations they are also identical as far as the world program is concerned.

The United States is divided into 12 parts by the American Jewish Committee and every State belongs to a district headed by the most powerful and representative Jews. The Committee represents the focusing point of the religious, racial, financial and political will of Jewry. It is also the executive committee of the New York Kehillah. New York Jewry is the dynamo of the national Jewish machinery. Its national instrument is the American Jewish Committee. Among its direct leaders and supporters today are the owners of powerful newspapers, officials in Federal, State and City

administration, influential office holders on public boards and corporations, members of the judiciary and police departments, financiers and heads of banking houses, mercantile and manufacturing establishments, labor leaders and political party organizers of all colors.

There are certain announced purposes of these associations, and there are certain purposes which are not announced. The announced purposes may be read in printed pages; the purposes not announced may be read in the records of attempted acts and achieved results. To keep the record straight let us look first at the announced purposes of the American Jewish Committee, then of the Kehillah; next at the line which binds the two together; and then at the real purposes as they are to be construed from a long list of attempts and achievements. The American Jewish Committee, officially organized in 1906, announced itself as incorporated for the following purposes:

To prevent the infraction of the civil and religious rights of the Jews in any part of the world.

To render all lawful assistance and to take appropriate remedial action in the event of threatened or actual invasion or restriction of such rights, or of unfavorable discrimination with respect thereto.

To secure for Jews equality of economic, social and educational opportunities.

To alleviate the consequences of persecution wherever they may occur, and to afford relief from calamities affecting the Jews.

It is an exclusively Jewish program. The Charter of the Kehillah empowered it, among other things, to establish an educational bureau, to adjust differences between Jewish residents or organizations by arbitration or by means of boards of mediation or conciliation; while the Constitution announces the purpose to be:

"To further the cause of Judaism in New York City and to represent the Jews in this city with respect to all local matters of Jewish interest."

Where the American Jewish Committee and the Kehillah join forces is shown as follows:

Committee was a national organization, the Jewish Community (Kehillah), of New York City, if combined with it, would have a voice in shaping the policy of Jewry throughout the land. It is expressly understood that the American Jewish Committee shall have exclusive jurisdiction over all questions of a national or International character affecting the Jews generally."

It will be seen, therefore, that the Kehillah and the American Jewish Committee are one. The capital of the United States, in Jewish affairs, is New York. Perhaps that may throw a sidelight on the efforts which are constantly made to exalt New York as the spring and source of all the thoughts of the day. (Editor's Note: and now the seat of the United Nations system of world government)! New York, the Jewish capital of the United States, has been made the financial center, the art center, the political center of the country. But its art is oriental sensuousness, its politics those of a Judaized Tammany. It is the home of anti-American propaganda, of pro-Jewish hysteria, a mad confusion of mind that now passes all over the world as the true picture of America.

The doctrine with which so large a mass as the citizens of America have been inoculated is making havoc with the whole American program today. It is "broadening" America out of all semblance to its distinctive self and blurring out of recognition those determining ideals and ideas on which American institutions were based.

JEWISH RIGHTS" CLASH WITH AMERICAN RIGHTS

This study of the Jewish Question in the United States is not based upon religious differences. The religious element does not enter except when it is injected by the Jews themselves; they persistently inject it in three ways: First, in

their allegation that any study of the Jews is "religious persecution"; second, by their own records of what their activities in the United States consist of; third, by the impression which is very misleading if not corrected, that the Jews are the Old Testament people. The Jews are not the Old Testament people (Hebrews), they are Ashkenazi Jews, Khazar Huns and foreigners to Judea. They are a Talmudic people who have preferred the volumes of rabbinical speculation to the words of the ancient prophets (they are a cult that sits on the foundation of the occult. In which, bottom line they are Satanist. Understand the deception in this world that will bring in the destruction of this planet, as God has forewarned us, by them, because of their Luciferian cult mentality. M. Birkedahl)

In this series we have set aside every non-Jewish statement on this religious question, and have accepted only that which proceeds from recognized Jewish sources. It has been most illuminating, in studying the proceedings of the New York Kehillah and the American Jewish Committee, and their affiliated organizations, as represented by their activities throughout the country, to find how large a part of these activities have a religious bearing, as being directly and combatively anti-Christian.

That is to say, when the Jews set forth in the public charters

and constitutions of their organizations that their only purpose is to "protect Jewish rights," and when the public asks what are these "Jewish rights" which need protection in this free country, the answer can be found only in the actions which the Jews take to secure that "protection."

Thus interpreted, "Jewish rights" seem to be summed up in the "right" to banish everything from their sight and hearing that suggests Christianity or its Founder. It is just there, from the Jewish side, that religious intolerance makes its appearance.

THE CRY OF "ANTI-SEMITISM"

What people are now coming to see is that it is American rights that have been interfered with, and the interference has been made with the assistance of their own "broad-minded" tolerance. The Jews' interference with the religion of others, and the Jews' determination to wipe out of public life every sign of the predominant Christian character of the United States, is the only active form of religious intolerance in the country today. Not content with the fullest liberty to follow their own faith in peace and quietness, in a country where none dare make them afraid, the Jews declare - we read it in their activities - that every sight and sound of anything Christian is an invasion of their peace and quietness, and so they stamp it out wherever they can reach it through

political means. To what lengths this spirit may run is shown in the prophecies of the Talmud, and in the "reforms" undertaken by the Communists of Russia and Eastern Europe, which is Judaic.

That is not all; not content with their own liberty, not content with the "secularization," which means the de-Christianization of all public institutions, the third step observable in Jewish activities is the actual exaltation of Judaism as a recognized and specially privileged system. The program is the now familiar one wherever the Jewish program is found: first, establishment; second, the destruction of all that is non-Jewish or anti-Jewish; third, exaltation of Judaism in all its phases.

Put the Lord's Prayer and certain Shakespeare plays out of the public schools, but put Jewish courts in the public buildings - that is the way it works. Secularization is preparatory to Judaization. The New York Kehillah is an illustration of how it is done, and the American Jewish Committee is an illustration of the type of men who do it.

The work of the Kehillah is claimed to be "educational" by its defenders, on the few occasions when it is attacked. It is certainly that. The best educated members are those who come from the Eastern European ghettos where the Kehillah

idea was fully understood and practiced and where Jewish - community - government exercised unrestricted sway. Whatever other phase of education the Kehillah may be interested in, it certainly stresses most the education to separateness. Dr. S. Benderley, director of the Bureau of Education, gave away the objects of the Kehillah "education" thus:

"The problem before us was to form a body of young Jews who should be on the one hand true Americans, a part of this Republic, with an intense interest in building up American ideals; and yet, on the other hand, be also Jews in love with the best of their own ideals, and not anxious merely to merge with the rest and disappear among them. That problem confronts Orthodox and Reform Jews alike. It is not merely a religious but a civic problem."

That is separatism and exclusiveness as an educational program, and its result cannot help being training in ideas of racial superiority and exclusivism.

It is the Jews' unceasing consciousness of the "Goy" that constitutes the disease of Judaism, this centuries-long tradition of separateness. There is no such thing as "anti-Semitism." There is, however, much anti-Goyism.

When Aryan and Semite are kept conscious through many centuries that the Jew is another and superior race, and when

it is known that neither Aryan nor Semite are touchy on the race question, what is the answer? Only this, that the whole substance of such a situation must be supplied by the Jews.

There is no such thing as anti-Semitism. There is only a very little and a very mild anti-Jewism.

But a study of Jewish publications, books, pamphlets, declarations, constitutions and charters, as well as a study of organized Jewish action in this and other countries, indicates that there is a tremendous amount of anti-Goyism, or anti-Gentile-ism. They are military hostile to Christianity, with the Talmudic goal of its total annihilation and the Christian bible wiped off the face of the earth (after all, they are a Luciferian cult. So what do you expect from them, bottom line, they are a Satanic cult?)

Talmudic Judaism, Masonry and the New Age religions, these groups believe in the existence of “masters” who are organized in a “hierarchy,” or “inner government” of our planet, a hierarchy of spirits who will bring forth a “New Age Christ (or savior, who will be a Jew i.e. Antichrist).” The political/religious system of the Talmudic Pharisees who believe that collectively they are the Christ and God on this earth. The Bible talks about this same hierarchy of spirits, it says in Ephesians 6:12 that: “We wrestle not against flesh and blood but against principalities, against powers, and against the rulers of darkness of this world, against spiritual wickedness in high places.” These spirits of the hierarchy are worshiped by the world religions and by groups like the New Agers with names like Sanet Kumara, Pan, Venus, Shiva, Buddha and other pagan deities. For example, the name of Buddha literally means “Light bearer” - the same meaning as the name of Lucifer. In the satanic bible by Anton LaVey is a list of “infernal names” - all synonyms of Satan, for example, Lucifer, Kali, Lilith, Pan, and Shiva which are worshiped by these groups. In Freemasonry it is Jahbuhlun, a composite demonic god that consist of Jehovah, Baal and On (Un), the Egyptian sun god.

One of the leaders of Theosophy, Alice Baily, said Lucifer was the “ruler of humanity.” This is also believed by the New

Ager's inner circles as well as by many other groups (i.e. Masons and Zionist Pharisees). They reject the Christian teaching that the name Lucifer and Satan are one and the same person. Yet they will freely call Sanat Kumara (which is another name for Satan) "God." The name Sanat Kumara is also cross referenced with Venus, which is another name synonymous with Lucifer which is believed by occult adherents as someone good. There is no ifs ands or buts about it, these people are Satan worshipers, they deify demons.

So where can all this lead? It will lead to the destruction of this world and to the destruction of the souls of men. Right now, people who are involved in this occult worship are mostly doing it out of ignorance and voluntarily. In the near future this occult worship will lead to a forced worship once the one world system takes hold. You will have to make a choice, this choice will either mean physical death and spiritual life or physical life but spiritual damnation. For example, right now today, one of the leaders of the New Age Movement by the name of David Spangler says that in order to enter the New Age (the world political, religions system) we all must take a Luciferic initiation (the 666 number of our Luciferian banking system, which is even today fully in the hands and control of the "Forces of Evil." Our Luciferian 5th column of evil in our society). This will be a vast planetary initiation, a mass initiation of people. At the same time there

will be an identity mark or number, this will be a permit to do business and to purchase. This initiation is a pledge of loyalty to Lucifer or Maitreya or the World Order. There are many people who are involved in these cult groups and networking organizations today that are sincere but deluded not realizing that they are actively participating in a movement which gives Luciferic “initiations” for those wishing to enter this “New Age” - alive. Those who oppose the Planetary Initiation will be murdered. Of course they do not come right out and say this, but instead they use the deceptive dialogues that mark the cults. They say in a roundabout way that, “those who do not participate will be sent to another ‘plain of existence’ or sent to another level or sent to another world, that there will be a ‘cleansing action’ etc...” What they mean is that those who do not participate in this devil worship will be murdered. This is why God has imposed a terrible penalty towards those who take the planetary initiation which pledges loyalty to Lucifer and who receive the mark of this pledge (the 666 mark). God has declared in Revelation 14:9-11 “And the third angel followed them, saying with a loud voice, if any man worship the beast (the Luciferian political system, which will be the Talmudic and Cabala-ism of our Judaic pharisees which is their socialist communism, in which they murdered 66 million people in the Soviet Union alone. The first established government of this communist society were 85% Zionist Jews, all were Freemasons) and his image (the two imposed

trangles, the emblem of Israel which is a Rothchild symbol, also a symbol of satan and the occult, that has the 666 imposed in it) and receive his mark in his forehead, or in his hand (the 666 that the world pharisaic banking system will use; 123456-123456-123456, that will be an identification number for all on this planet) the same shall drink of the wine of the wrath of God, which is poured without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name” (KJV).

En Sof

The God of the Jewish Talmudic Pharisees

Aside from the “whited sepulchre” which constitutes the showmanship and trimmings of so-called “Judaism,” its basic doctrine is that God is the “En Sof,” a nature essence which has no attributes and can neither know nor be known. That is atheism and the basis of all pagan pantheism. Communism merely calls the same concept “dialectical materialism.” Communism is the satanic baby of the Pharisee’s Babylonian Talmudic beliefs and it is this devil’s baby that has murdered millions of families in this past century alone that greatly dwarfs the 6 million Jewish holocaust farce.

To many Christians, Judaism is a monotheistic religion, based on a belief in a one Supreme Being and adherence to the Old Testament, with the Messiah still to come. This is not so! Double-talk is the trade mark of Talmudic Judaism, called by Christ the "Synagogue of Satan." (Revelation 2:9, 3:9) Talmudists sanctimoniously declare that their devotion to "pure monotheism," or the "unity of God," precludes their belief in His Personality being Incarnate in Jesus Christ, His Son, and we Christians keep silent. The Unity of God to which they refer to is actually the oneness of the Pantheistic "en sof," a mass without a "Chief Engineer." This is the "unity of nature" in which the Pagans believed (i.e. pantheism). For

every form of spirit invocation, and for the deification of man, that is Judaistic Talmudism, a religion of polytheism, or many gods. Slyly, the polytheists say what they mean. We do not understand them. Take any of the modern heresies, the "new" religions our tired Christians like to think were just evolved; you will find them all in Talmudism and its collection of ancient Old Testament paganism. The Jewish Cabala with its non-existence of evil, its deification of man, is a source book for modern "isms," the sources of which are largely unknown in our modern times.

The Cabala and God

The Cabala is the bone and blood of Talmudic Judaism, which is itself pagan from start to finish. It uses the "whited sepulcher" of the Old Testament to cover its negation of every moral law in the Old Testament as it promotes the practice of all the occult demonistic abominations excoriated by the Old Testament. The Cabala has two aspects: *theoretical* and practical, or "theurgic" (wonder working). The "God" of the Cabala is "the En Sof," the unknowing and unknowable sea of mind or matter out of which creation emerges. "The doctrine of the En Sof," says the Jewish Encyclopedia, "is the starting point of all cabalistic speculations. God is the infinite, unlimited being, to whom one neither can nor may contribute *any attributes whatsoever*." ("Cabala," page 472, Jewish Encyclopedia)

Maimonides, pillar of Talmudism in the Middle Ages, "contributed to the cabalistic doctrine of the En Sof by his teaching that no attributes could be ascribed to God unless it be of Pythagorean origin." (Same Encyclopedia, page 465) Pythagoras was a pagan sorcerer who set up a dictatorship along Iron Curtain lines, and who attributed creative powers to letters and numbers, as does the Jewish Cabala. The "Ten Intelligences" of pagan Aristotle, that is the Sun, Moon and seven planets each ruled by a Ruling Spirit who dominates affairs of the Universe in accordance with the complicated astrological time charts, are paralleled by the "Ten Sephirot" of the theoretical Cabala. Three triads, the male and female spawners and their offspring, plus the overall or En Sof, form a design representing every condition of life, every quality, from A to Z. Sex is the glorifying King and Queen. The soul supposedly transmigrates around, and back into the unknowing and unknowable source, the En Sof, into a condition of "Nirvana" know nothingness, like in Hinduism.

"The Glorification of Man"

The same Encyclopedia notes that Jews "were attracted by its *glorification of man*, its doctrine of immortality ... the Zohar declared him to be the lord of Creation. Indeed, according to the Zohar ... man influences the ideal world of the Sephirot ... although the Sephirot expect everything from the En Sof, the En Sof itself is dependent upon man." As

noted previously, the En Sof is the mass called "God," a mindless self-percolating essence, unknowing and unknowable. The Darwinian theory of evolution, like the Spinoza theory of "immanence," pantheism, are similar Cabalistic ideas in new word form.

The Universal Jewish Encyclopedia, will tell you how when the Dutch began to call the theories of Spinoza by their right name - Atheism - his own Cabala teachers who were members of the Beth Din (Talmud law court) quickly excommunicated him to prevent more unpopularity from fastening upon the already unpopular Jewish community. But, ever since, he has borne in Judaism the title of "Blessed Spinoza." All that he did was to voice the Cabala, a foundation of the basically atheistic "Jewish" Babylonian Talmudic religion. Karl Marx, himself son of a Jewish Rabbi, called the "En Sof" by a still fancier name, "dialectical materialism," the mindless bashing of germ to fish to mammal to ape to man, with the Jewish-spawned Marxist revolution as its crown and triumph.

Tied up in the Zohar and Cabala generally, are the doctrines of metempsychosis or transmigration of souls, the worship of the seven planets, Sun, Moon, and the over-all En Sof, diagrammed as the Ten Sephirot which propel themselves out and back into the mass, the En Sof, and which also

corresponds with the pagan Aristotle's Ten Intelligences (or "Boss" Spirits of the heavenly bodies).

With that diversity of spelling characteristic of the Talmudists, God is called, in Sholem's study of the Zohar, the "en sof, the Infinite. Neither shape nor form has he and no vessel exists to contain him, nor any means to apprehend him." (Page 79) And then comes a vicious attack on Christianity so common in Talmudism. Christianity's "crime" is in ascribing Intelligence to God, in accepting Christ's words that He is the personification of the Father, a real and Loving Spirit: "He that hath seen me hath seen the Father." (John 14:9) The Judaic Pharisaic Zohar states: "Woe to the man who would make bold to identify the Lord with any single attribute ... and the less so any human form existent ... there is neither attribute, nor likeness, nor form in him." (Same book, page 78)

The Cabala and the World

The World is explained by a chart representing three copulating triads: male, female and offspring - given fantastic names. The En Sof surrounding these is the god-essence which "percolates" through the three sets back into itself. According to the pantheistic Cabala God has no intelligence. To quote: "God is the infinite, unlimited being, to whom one neither can nor may ascribe any attributes whatever; who can therefore be designated merely as En Sof 'without end.'"

(Jewish Encyclopedia, "Cabala," page 472) Describing the ten sephirot, which include the three spawning triads, the same source designates as "Yesod - 'foundation' the reproductive element, the root of all existence." (Page 475)

Under the title "Cabala" the 1943 Universal Jewish Encyclopedia emphasizes the same idea: "But the En Sof, being boundless, cannot become the direct creator, for He has neither will, intention, desire, thought, language, nor action, attributes which belong to finite beings." (Page 619)

Metatron

Metatron is the prince of this world, the "demiurge" in the Talmud and Cabala. He is the same as the Persian sun god Mithra, according to the Jewish Encyclopedia. (See "Metatron") With god a formless "lump," without any attributes, someone has to be Ruler, and Metatron (Mithra) is it (i.e. a demonic angel, Satan). The Talmud sometimes gives the En Sof an almost comic character with big feet, splashing with the big fish in the sea, and teaching dead children the Torah one-fourth of the day. But Metatron teaches them three-fourths! This last, in the Talmud Aboda Zara 3b, is cited by the Jewish Encyclopedia (under "Metatron"), and also his being "lord of all the heavenly hosts, of all treasures, of secrets. The Zohar defines his nature exactly by declaring that he is little lower than God." He is not only identified here with

"Zoroastrian Mithra," the Sun God, but in articles about "Mercabah" he is seen as inflamed with incantations, dope, "and other means," as comparable to the "demiurge." Under "Mercabah" the Jewish Encyclopedia describes the spiritualistic Mithra rites of "Metatron" whose name letters add up to those of Shaddai (God). Non-Jews are unaware that using letters for numbers ("Gematria") is as prevalent today in Pharisaic Judaism as it was in the time of Christ. (They will not admit it to you and even lie, but the cult of Judaism worships several gods and they interact with demons. Is it any wonder why they hate Christianity that only worships the Lord of Host and who have the power and authority of God to rebuke demons. Lucifer is their god and they are working hard to get him out of the pit and established in the world. That is why they promote sins, corruption, immorality and blasphemies, in order to free their demonic god who in turn will make them rulers of this world. This is also the reason why they must destroy and annihilate Christianity and its bible. It must sicken God to his very core to see Christians giving this evil satanic cult support, even to the point of worship. These Zionist Christians who also call themselves Judeo-Christians are the greatest supporters of the Synagogue of Satan. Their minds have been bewitched and in darkness by the propaganda of the Forces of Evil. Even God has warned us that this would happen to Christians, even the

elite at the End of the Age, in which the signs of the times says it is NOW. M. Birkedahl)

The "Jews" Are Not The Seed of Abraham

How the Racial Hoax of the Jews Was Finally Exposed

The newest DNA scientific studies, showing that the people known as the Jews of Israel—and, indeed Jews all over the world—are, in fact, of Khazar, *not Israelite origins, is backed by the earlier work of historians.*

These historians found that their scholarly books and reports

In his important 2007 book, *The Invention of the Jewish People*, Dr. Shlomo Sand says that the Jews are not a race and have no Israelite connection.

were immediately attacked by Zionists desperate to maintain the fiction that the Jews could trace their heritage all the way back to Abraham.

The Zionists knew the truth—that they are not a race but a composite of many races. They had to keep up the myth that they were a homogenous race kept together by religion and community interests for 5,000 years. Only in this way could the Zionist Jews claim to be the seed of Abraham. Only as “Israelites” could the Jews claim possession to land where they and their ancestors had never been.

The Zionists knew, too, that their genocide and ethnic cleansing against the Palestinians was not justified *unless they, the Jews, had claim to the land. How else could they get the millions of evangelical Christians to support their horrible behavior and genocide of other human beings?*

If they were suspected of being converts to Judaism and not actually the tribes mentioned in the Bible, it was all over for them. Their Lie would be out—they would be seen for what they are—imposters.

Pulling Off the Hoax

The Zionists Jews were able to pull off their racial hoax for decades, even though historians and anthropologists - many of them Jewish - wrote book after book. In 1899, famous British historian Houston Stewart Chamberlain published *The Foundations of the Nineteenth Century*, which held that the Jews were not a race, but instead, were “bastards.” (At the time, bastards was not a pejorative word)

Yitzhak Schipper, quoted extensively by Jacob Litman’s *The Economic Role of Jews in Medieval Poland*, affirmed that the Khazars were the “Jews.”

In 1867, the great Jewish scholar Abraham Harkavy, in *The Jews and Languages of the Slavs*, spoke of the Jewish Yiddish language coming from the Khazars.

It was, however, a prominent Jew named Arthur Koestler, himself a Zionist Jew, who in 1976 published the book which caused such a sensation. *The Thirteenth Tribe* was a literary bombshell. Koestler’s accurate work was meant to be a refutation of Hitler and the Nazis, but it had incredible unintended consequences. He wrote:

“The large majority of surviving Jews in the world is of Eastern European - thus perhaps mainly of Khazar - origin. If so, this would mean that their (the Jews) ancestors came not from Canaan but from the Caucasus, once believed to be the

cradle of the Aryan race, and that genetically they are more closely related to the Hun, Ulgur, and Magyar tribes than to the seed of Abraham, Isaac, and Jacob. The story of the Khazar Empire, as it slowly emerges from the past, begins to look like the cruelest hoax which history has ever perpetrated.”

Koestler, who thought he was doing his fellow Jews a service, was unmercifully attacked by other Zionists who felt he had let the cat out of the bag. If they come from the Khazars and are not of Israelite origin, the Jews had no ancestral claim to the land of Israel. They were not the seed of Abraham but of King Bulan and the people of Khazaria.

As Shlomo Sand, history professor at the University of Tel Aviv, explains it in his outstanding, 2011 book, *Invention of the Jewish People*, “Without the Old Testament in its hand and the exile of the Jewish people in its memory, Israel would have no justification for annexing Arab Jerusalem and establishing settlements in the West Bank, the Gaza Strip, the Golan Heights, and even the Sinai Peninsula.”

If they were Khazars, the title, the “Eternal People” did not apply to them. They would be, in fact, another usurping ethnic conglomerate, falsely claiming to be “Jews” and willing to kill to illegally possess the rightful ancestral lands of the Palestinians.

Other books followed, most notably Kevin Brooks' 1999, *The Jews of Khazaria*. But these many scholarly books never really became the consensus because of Zionist opposition. As Orwell once wrote, "Whoever controls history controls the world."

DNA Science Introduces Stark Reality

Until 1968, that is, when the two British scientists, Watson and Crick, came up with DNA science. Since 1968, DNA has become the principal science used in criminology, both to convict and to exonerate. It has become so popular that "DNA Kits" can be purchased for a couple hundred dollars so individuals can have their own blood tested to determine their heritage, down to the last percentile.

Because of DNA science, historians and anthropologists have been able to find missing links and to unravel the mysteries of race and ethnology.

In 2001, Dr. Ariella Oppenheim, of Hebrew University, a biologist, published the first extensive study of DNA and the origin of the Jews. Her research found that virtually all the Jews came from Khazar blood. Not only that but Oppenheim discovered that the Palestinians - the very people whom the Jews had been persecuting and ejecting from Israel's land since 1948 - had more Israelite blood than did the Jews. In sum, the vast majority of the Jews were *not Jews; some of the*

Palestinians were. Some of the Palestinians even had a DNA chromosome which established that they were “Cohens”—workers at the ancient Temple and synagogues of the Jews.

The Definitive DNA Study

Now comes the ultimate, definitive DNA study, by Dr. Eran Elhaik and associates at the McKusick-Nathans Institute of Genetic Medicine, Johns Hopkins University School of Medicine. Entitled, *The Missing Link of Jewish European Ancestry: Contrasting the Rhineland and the Khazarian Hypotheses*, and published by the *Oxford Journal on behalf of the Society for Molecular Biology and Evolution*, the study confirms Oppenheim’s research and the many scholarly books.

Dr. Elhaik and the prestigious Johns Hopkins University School of Medicine conclude in their report: *“The Khazarian Hypothesis suggests that Eastern European Jews descended from the Khazars, an amalgam of Turkic clans that settled the Caucasus in the early centuries CE and Converted to Judaism in the eighth century...Following the collapse of their empire, the Judeo-Khazars fled to Eastern Europe. The rise of European Jewry is therefore explained by the contribution of the Judeo-Khazars.”*

Who Can Argue With DNA Science?

So DNA science has proven that the findings of many historians and anthropologists is correct. The “Jews” of Israel are not Abraham’s descendants but, instead, come from the subjects of King Bulan of Khazaria. Now everything changes.
