## [Preface](#)

In writing this book my intention is to expose the underlying evil in this world, the Luciferian undercurrent that has over history been working to rebuild the "Tower of Babel" in order to subjugate the world to the worship of Satan.

This evil has captured the mind and souls of billions of people in this world who either are a part of this evil or supports this evil or who has been so propagandized by this evil that when exposed to the truth about this evil they will reject it and even defend it against the truth tellers, not realizing that they are defending evil and supporting the camp of the devil. In this they do not realize that they are under the

curse of God for supporting the forces who are his enemy and is also the enemy of all mankind.

The two main players who are working together to enslave the world to Satanism is Pharisaic Judaism and Freemasonry. Both are deeply imbedded into the occult and both are the children of the devil a hundred times over. Pharisaic Judaism has two sets of books that are about 65 books each that sits on the foundation of the occult and is the only religion in the world that has a vile hatred of Christianity. Its religious goals and duty is to one day destroy the Christian bible and totally genocide all Christians, wiping Christianity from the face of the earth. The two sets of books are the Talmud and the Cabala (Kabala/Kabbala or Cabbala or Kabbalah). The Freemasonry of the Gentiles have their roots going into the Cabala which is the Pharisaic occult books of the Zohar of Hermetic magic which is the promotion of witchcraft to Satanism. Both are dedicated enemies of Christianity, both have been working over the decades attacking and undermining our Christian society in America and around the world. There are Gentile Masons and Jewish Masons with the Jews (Pharisees) as the leadership. For Freemasonry is Jewish through and through. So both the Jews and Gentiles of Masonry are of the same spirit and of the same mind (they are Luciferians).

All the immorality and degradation which causes all the various crimes and social disruptions in our society can be traced right back to Pharisaic Judaism and Masonry, in which I will now title "the Forces of Evil". All the weeds of immorality and corruption that we see above ground are caused by the roots of the "Forces of Evil". Shine a bright light on the roots of this evil and the weeds above ground will start to wilt and die, society will again prosper and be blessed by God.

All the revolutions and great world wars that the world has experienced and suffered greatly from was caused and initiated and manipulated by this Force of Evil. Communism is the baby of the Talmud, so when Karl Marx was speaking about dialectical materialism he was referring to the Talmud which is the atheistic concept of nature just waiting for MAN to take his place as a god unto himself. Karl Marx is a Zionist Pharisaic Jew, his father was a rabbi. It is documented that he was also a practicing Satanist. Understand, communism IS Judaism, is Pharisaism and is Satanism. Even God pointed out that they are the Synagogue of Satan. This will be more explained in this book.

Lenin declared, "We are exterminating the bourgeoisie as a class." His partner in crime, Apfelbaum (Zinoviev) stated: "The interests of the revolution require the physical annihilation of the bourgeoisie class. "Who were these bourgeoisie? Certainly not Jews. Trotsky gave a clue to their

identity in a 1937 interview in the New York Jewish newspaper, *Daily Forward*: "The longer the rotten bourgeoisie society lives, the more and more barbaric will anti-Semitism become everywhere."

Bourgeoisie was a Bolshevik code-word for Gentile. The first law passed after the Communists seized power in Russia made anti-Semitism a crime punishable by death. (*Izvestia*, July 27, 1918). Lenin is also a Zionist Jew.

In 1917 when the Judaic communist took over Russia and Russia became the "Soviet Union"

the leadership was 85 percent Zionist Jews, ALL were Masons. They murdered 66 million people in the Soviet Union alone mostly Christians. They tore down Christian churches converted some into warehouses and others into whore houses. None of the synagogues were touched of course. This is not counting the millions more who have greatly suffered and were murdered by the Pharisaic doctrine of communism in other countries. If you want to know what the world will be like under the Anti-Christ

(who will be a Jew as revealed in the Bible) all you have to do is look at what communism has done under the Jewish/Masonic leadership. If there should be any legitimate Holocaust Museum, it should include the over 100 million the Zionist Communist murdered, including the 65 million people during the Great War in Europe who died including the millions of German citizens who were also victims of this whole Zionist/Masonic atrocity.

We are up against the most vilest evil in this world all being organized through a multitude of secret organizations supported by the super-rich and the world banking cartel. Organizations like CFR, Bilderbergs, Trilateral Commission, AIPAC, Club of Rome, ACLU, the Poverty Law Center and a dozen others, all are controlled by and have links to Zionist Pharisaic Talmudism and Freemasonry in which I would refer Freemasonry to as the Temple of Baal, as they do worship demonic gods and they even refer to themselves as Luciferians (the illuminati, a reference to Satan as the "torch bearer").

So you can either learn and understand this evil in our world whereas God has told us to be as wise as the Serpent (know what the devil is up to) but be harmless as the dove (referring to Jesus). Or you can just hide your head in the sand, but remember, your rear end will get scorched in the sun. There is just no place to hide, get involved in stopping

and undermining this evil or just let yourself and your family be slaughtered by them.

In this book I take you by the hand and guide you through the maze of information showing you the who and the what of this evil. I have put in articles of what others have written, who also have been ringing the bell of alarm against this enemy among us. This enemy which is now within our society and in our government, like a satanic 5<sup>th</sup> column. You must understand, we are at war. The enemy is at war against us, we must defend ourselves and tear down the enemy's strongholds. One of the main tactics of the enemy is to keep itself invisible to the society at large. This is why they have all those secret organizations to hide what they plan to do to you and how they will capture and enslave the world to their Luciferian world government. This war has been going on for thousands of years, for it is a war against deception and lies. One other thing to keep in mind, Jesus pointed out that they like their father (the devil) are also murderers, so they are very dangerous people, but we must stand up to them otherwise, once they have full dictatorial control of your society you and your family are toast.

## Chapter 1

### Introduction to a Force of Evil

Revelation 2:9 “And the blasphemy by those who say they are Jews (Judeans) and are not, but are the synagogue of Satan.  
See also Rev. 3:9

Welcome to book 2 on our trilogy on the Forces of Evil. The first book that I wrote in beginning this trilogy was on the evil force of Islam. I do research as a hobby and I like to zero in on deception and lies in the geopolitical and spiritual realm

of things. These books on the Trilogy of Evil express my concerns as I am also a whistle blower, exposing the evil in our society and government. As I was researching Islam I also had to do some research on the Jews and the history that would relate to the “Moslems” in order to try to understand the hatred between these two groups. The more I researched the deeper the rabbit hole went. Boy, did I step into a lot of dodo! As I researched I was amazed to find that these two groups actually had a lot of things in common (spiritually) and all the common traits that they have is right out of the pit of hell. Both these groups who are fighting and hating each other are actually the “weeds” (children of the devil) planted by the devil in order to choke off the salvation that God provided through Jesus Christ and to subjugate the whole world to his (the devils) cause.

In fact one of the things that started to stand out in this research is that these two seemly diverse groups are actually brothers (in the spiritual setting). Not only are they brothers but they are twin brothers. Now I don't have to be a prophet to know that when they read this they will be pulling out their hair and stopping their feet and spitting blood. Be patient, I am going to connect the dots for you as this subject develops. In this book I have an article that I put together that will list the items that show you that they are both twin brothers and

are actually promoting a common cause which will lead to the end of the world apocalypse.

Now I know that because I will be exposing many things that surround the “Jews”, I will have the dreaded accusation directed at me as being an anti-Semite (click: [You Can't say that!](#)). But I won't be alone. I read an article from the American Free Press which listed all those that the Jews considered anti-Semites, it was huge starting from Jesus Christ to our nation's founding fathers of America, see [article 5](#), to a great many people and organizations. When I looked at this list all I could think of is – why don't they call the whole world anti-Semite and get it over with? The purpose of this book is not to degrade anybody but to expose deception and lies. This is my moral right and is even demanded by God.

I am revealing those whom the Bible calls the “bad figs,” or the synagogue of Satan. In other words all I am doing is exposing those in whom God has condemned and the reason why. Unfortunately the people that are to be exposed are those who call themselves “Jews” also known as Zionist (who are also Talmudic Pharisees) and because of this exposure they will try to smear you as an anti-Semite. This exposure is not entirely aimed at the “Jews” only, but also at “Gentiles” who are also proven to be Zionist (or Gentile Pharisees) with roots going into the same Luciferic occult belief system

(mostly into the Jewish Pharisees satanic belief system of the Cabala).

I regard that all men are created equal under God and we all are responsible to God. The word “anti-Semite” is an oxymoron because Semitism is not a people; it is a language that many people spoke throughout the Middle East from Israel through Egypt and beyond. So how did this word ever become something to mean an “evil intent”? I will give it to you in one word – LAWYERS. Lawyers throughout the middle

ages had a nickname; they were referred to as “twisters”. The Lawyers back then (and today) could twist laws and words and the meaning of things to convict and to promote their agenda (just look at the so-called “Hate Crimes” laws that they have been promoting. These laws are not to stop evil but

in reality are made to cover-up their evil by not allowing any truth or debate that would expose their evil ways). They and others will try to explain that the word “Semitism” comes from the name of the tribe called “Shem.” The problem here is that our “Jew’s” of today have NO lineage to the tribe of Shem. In fact they have NO lineage to Moses or Abraham. They are a farce, the devil’s con job on the world. This will be explained in our lessons here backed up by documented proofs.

When America was discovered many in Europe left for America because the Lawyers (and because of the persecution by Catholicism) made Europe into a hell-hole for those who lived there. The first colonies that first formed in America outlawed lawyers and it took 50 years before the lawyers got back in. In America a law was passed to keep lawyers out of congress but unfortunately for us the White House was set on fire and the documents for this law were burnt. Right now today most of our Congress and President are all lawyers and look at what they have done to our country. Today 2020 we have these people willing to spend trillions of your money and put all this debt on your children and grandchildren on theories that they believe will bring our economy back to prosperity, while they usurp billions of these dollars for earmarks for their pet projects and to payoff special interest that helped to get them elected (your tax

dollars at work as they usurp almost a half a year of your labor, you are now the serf of the government, as now both husband and wife have to work in order to support their family. There is a word for this, it is called socialism.) These are lawyers who have never ran a business and would not even know how to even run a successful hot dog stand. But they are running our country and your life into the ground, for they will also turn this great nation of prosperity and freedom into a hell-hole (note the great many attacks on your liberties and rights, e.g. the Patriot Act etc... Authored by a Zionist Pharisee Michael Chertoff, former Homeland Security Secretary. Who is also a dual citizen of the United States and Israel. Guess where his real loyalties lie?). Except this time we have nowhere to escape to. Now don't get me wrong here, lawyers have their place and are necessary in order to uphold contracts and laws in our society, many lawyers are good and beneficial. They get into trouble and become "evil" when they go outside their profession and try to run and dictate how our country is to function instead of letting the free markets run themselves and letting debt to be washed out of the markets so that we as a country can recover in a healthy way. These lawyers do not obey the constitution and run roughshod over your rights and the rights of the republics (e.g. activist judges)

See [article 1](#), [article 2](#)

This book could be considered illegal contraband in many countries, even in some of our “free” Western countries. For example, because of some of the information that I will be giving you in this book it would be illegal in Germany and could get you fined and even imprisoned for the next five or

more years. That’s right, they are now criminalizing your thoughts and what you think and believe as socialist dictatorships and cults do. Even in Australia and Canada could get you in hot water for having or promoting this information and

the Forces of Evil are now trying to promote their anti-freedom in America through so called “hate crime” laws that basically forbids you to criticize anything Jewish or their beliefs or lies or deceptions (see [article 164](#)). Listen, the Forces of Evil hate the light, they don’t want this information out and they definitely don’t like for you to be able to think for yourself and to judge for yourself. They want to do your thinking and they want you to believe their propaganda and that is why they will try to demonize those who expose them. They use the tactic called “political correctness” which is nothing more than a communist mind game to control the thoughts and beliefs of people. Their promotion of “hate crimes” is nothing more than thought control. Thought control is used by dictatorships and cults. We are Americans with the right to have our own thoughts and the right of the

public to debate those thoughts in an open free market where a person can make his own judgment calls.

Political correctness is really cultural Marxism which came from the communist school that fled Germany when Hitler came into power and setup shop in America; the school was called the Frankford School (a Judaic - Bolshevik organization). Its goals were to infiltrate our schools, society and government with its poisonous ideology. It has succeeded beyond its own expectations as groups like the A.C.L.U (American Civil Liberties Union) which was originally formed by Jewish lawyers to defend the rights of communist in this country, promoted the agenda of political correctness. This organization is also an arm of the Zionist movement, whose purpose is to attack and destroy Christianity and enslave this nation to its ideologies which means the destruction of our Constitution and your inalienable rights put forth in the Bill of Rights. In communist dictatorships political correctness was imposed on everyone and if you did not have the “right thoughts” and did not “worship the state” you were imprisoned in some hell hole gulag or executed, in the former case you usually ended up dead anyway, just slower. Germany today as well as other countries are doing what communist dictatorships have always done, it is a slippery slope and the citizens that value freedom and openness and who like to think and judge for themselves will become the victims of

political correctness. [Political correctness is a very clever and evil system of thought control.](#)

I would be considered “politically incorrect” because of the writings of this book that exposes their evil in our society and world. But I did not write this book out of spite or any type of “hatred.” Bottom line, I wrote this book out of “love,” the love of my country, the love of people in this country and in the world in general. I see and have come to understand the evil that is enslaving mankind which is bringing this world towards the apocalypse described in the biblical book of Revelation. As an American I am doing my duty as its citizen by outing the evil that is in our government as the Constitution demands me to do as its citizen. I do it because I love my country and I love a constitutional government that obeys the rule of law (we are a “constitutional republic” not a “democracy”. You are being hoodwinked by those who are promoting this country as a democracy. Our founding fathers have pointed out that a “democracy” is an evil system of government). I, through the act of love am pointing out to you who the evil forces are and what they are doing. I am showing you their face so that you may recognize them and understand their deceptions and lies. The face of these evil people are the Zionist Talmudic Pharisees and their dupes the Freemasons who can be Jew or Gentile, but both their organizations sits on the occult belief system of the Talmud

and Cabala which makes them Luciferians in which they have a deep persuasive hatred of Christianity and have been working hard to undermine it with the ultimate goal of its total destruction. Who do you think is promoting all this immorality, like, homosexuality into our society, take a real good look at those that are promoting this filth. They are embedded into our government, our national financial system and throughout all our media including all aspects of our educational system. They have been planning through a myriad of secret political organizations with financial help from very wealthy billionaires and even by stealth public funds of citizens (who they see as only cattle) to bring their idea of a world government into a reality. Of course their “world government” would be “like them” a Luciferian system of government. In other words a government of Satanism and is the reason why the book of Revelation points out that Christians will be persecuted and murdered (millions of Christians over history have ready been murdered by them). Because we will resist this type of government and will not fit in or except their Luciferian beliefs or worship. This is why God has come out so strong in His condemnation of this system and those who receive the mark of this satanic system. It is LOVE that motivates me to warn you so that you can help to resist and tear down their evil and to understand and prepare your family to resist it. But also understand, they are ramming through governments worldwide perverse and

deceptive “hate laws” (based on lies) that are designed to persecute those who would stand up to them, who would expose them and who would stand up against their immorality in our society. You must understand that they have made a satanic pact with death (they are a death cult) so if you stand in their way of, say, abortion or declare homosexuality a sin, they have devised deceptive ways to fine and jail you for your declaring the written judgments of God and for trying to promote righteousness and holiness in society (which they are making into THEIR Luciferian society). Bottom line, you must come to the understanding that we are at war and if you do not get involved in fighting against this evil, it is going to get very bad for you and for your family. We must fight to take back our “Christian nation”. For thousands of years this war has always been against deception and lies. For the devil is a liar and a murderer from the beginning and so are his children.

When you read though this book you must keep a couple things in mind. Where I mention “Jew” I am referring to what I will now term as the K-Jew with the “K” standing for Khazar. More than 95 percent of the Jews in America are really the K-Jews. They don’t assimilate into their host society but become their own society in the host society (a state within a state) that undermines and finally kills the host. All other people who are caught up in the name Jew are really Israelites, see

[article 3](#), [article 4](#). The difference is that the K-Jew is really a race of people who originated from Turkey to the Caucasus Mountains of Russia after the time of Christ. In short, they accepted the belief system of the Babylonian Jews, the “bad figs,” also called Judaism with their source of faith being in the cult/occult Babylonian Talmud and Cabala and they hate the Torah (Old Testament) and Christianity with a passion, see [article 6](#). These K-Jews today hold onto the same satanic belief system and they have no ties to Abraham, Isaac or Moses. They are also today referred to as Zionist. On the other hand the Jews that do have their heritage to Abraham, Moses and Isaac are really Israelites (or Hebrews) and basically should not be referred to as “Jews” at all, but Israelites. I will be connecting the dots for you in this book, so stay tuned.

What we have going on here today is one of the greatest Satanic deceptions perpetrated on mankind for the sole purpose of world domination, the New World Order. In the book of Revelation 13:3 we have a beast whose head was wounded (this beast is slain) then the beast later on comes back to life. Now the beast(s) that God is referring to where nations (or political systems) that basically were caught up in the occult and perpetrated a cult belief system. In the eyes of God the nation (or political system) was a beast. This prophesy is coming about right before our eyes today and

only a handful of people can see and understand it. In Revelation it declares that all the people will follow after this Beast. In Matthew 24:24 we are warned that through false Christ's and false prophets will perform deeds and cause things to happen that will even deceive the elect (ministers, evangelist and Christian people in general, who today are supporting this Beast). I will give you a hint here – Judaism is Pharisaism is Communism is Satanism and all the secret political and Masonic organizations and New Age cultism are connected. They are working together, for they have the same interchangeable leadership and membership. A person can be a member of one or more of these cabalist (Pharisaic occult beliefs) occult organizations. These are all one and the same beast. It is a beast that was mortally wounded but today has come back to life with a vengeance. This beast was stopped from world domination earlier in our century, but this socialist, centralized “government” is being rebuilt and promoted. They are rebuilding the “Tower of Babel” which God has condemned. Nationalism is what God instituted until the day Christ returns. Keep reading for I will connect the dots for you.

What is happening here is that the devil is performing a military style diversion by having Islam in your face which is the devils way of slapping you across the face with one hand while he hides the purpose and goals of the other hand (dba

Zionism). Yet both of these identities in whom the world sees no common cause because it looks like they are trying to kill each other off, instead they actually have the same spirit, the same goals and the same belief system (only with different names or titles, but the same game) and the same mindset as their spiritual father – the devil (they are actually [twin bothers](#)). As you read the first book on the Forces of Evil and this second book on the Forces of Evil, you should start to see the deception and start to break through the diversionary tactics of the devil. This of course means that you have to have an open mind, it means that you have to be able to think for yourself, it means that you and you alone must make judgment calls and do your own research and no government bureaucrat has a right to make any laws of “political correctness” to stifle or imprison your freedom of mind and body to do so. For God made you above the beast of the field and gave you a mind to think, to judge and God demands that you do just this (God has made known his demands to do this in the Bible. In which dictatorships and cults hate.)

I had an uncle who was dying from a lung disease and I asked him: “what happened to this country, why have we morally gone downhill?” All he could come up with was because of “greed.” He didn’t have a clue! So in this “Trilogy of Evil,” series I will explain it to you, I will show you and it will be your responsibility to act against this evil, defending

yourself, your family and country against this evil. I have put a face on this evil for you to recognize. All the immorality, the perversions, the lies and deceptions and crimes that is destroying your family and our country, is revealed for you to see and know. All the bad fruit and figs, the weeds of wickedness that you see all around you in society, I will show you the roots of this evil that you at this time do not see or understand. In order to get rid of the evil weeds above ground you need to expose the roots. These roots have been uprooted out of nations 47 times over the last thousand years (some nations a couple of times). It is way past time to uproot them from our nation also. These roots cannot stand any light shown on them. The light will cause the roots to wither and die and as a result the weeds and bad fruit will start to disappear. This is their weakness, for they need the darkness in order to survive and to grow until they overrun all of society and strangle the Church to death (like they did in the Soviet Union when they got control there).

Speaking of the “Christian Church” of today, in the book on the [“Christian Zionist”](#) you will see the evil that has allowed the “Forces of Evil” to successfully castrate the Church of its power and is leading the sheep to commit high treason against the very God that they profess to worship. This blasphemy against God has robbed the “Church” of its powers to act against the “Forces of Evil” as we have ministers

who pretend to sit at the table of Christ but are really partakers of evil and eat from the table of the devil. In order to defeat the “Forces of Evil” we must take back our Church and repent of the evil that we have been committing against God, the Creator of the heavens and earth. Otherwise we with our families will be destroyed by these evil bastards. This is the reason why we are seeing all those “judgments” that seems to be happening to our country, like adverse weather, fire, with all these new diseases and pestilences and with our society adversely impacted that this country never had just a few decades ago.

This country was dedicated to God and Jesus Christ as a Christian nation, a nation for Christians to have a home for themselves and we are throwing it all away to the Luciferians who are taking over our society and transforming it into a perverse, corrupt occult society, dedicated to the devil. When are you going to wake up? When will you understand or will you understand when it is too late for you and your family? The Forces of Evil think it is already too late for you to do anything and you and your family are “toast.” This is why the Forces of Evil have been coming out of the “closet” and blatantly exposing themselves because they know that they have robbed the Church of its power to resist (because of the blasphemy they promote in our churches by Masonic ministers and priests) and they have a strong hold on our

government and society. They are on a roll with very little resistance. They intend to bring in their world Luciferian government and sooner than you think.

See [article 7](#), [article 8](#), [article 9](#), [article 10](#)

Although it is dangerous to speak out against these Forces of Evil, we must speak out and speak up. The more light we shine on them the safer our society will become and the evil will have to retreat. So if they call you an anti-Semite (or if your Jewish and you speak out against their evil your called a “self-hater”) know that they have no foundation and it’s only a silly name calling, an effort to smear you. Because they are not a race but are from many different countries, from Europe to Africa. Also most are Ashkenazi Jews (Khazars) which is an Oriental Mongolian race with no lineage to Abraham, Isaac or Moses. Anti-Semitism is really anti-Pharisaism. Within this framework I intend to be the biggest anti-Semite on the planet. But there is one man who has me beat in this goal, that man is Jesus Christ. He is the one who outed the Pharisees berating them for their evil belief system, that they are hypocrites who twisted and nullified the Word of God. He called them the children of the devil and their places of worship the synagogue of Satan. He accused them of being the enemy of Man and of God and then finally condemned them and their offspring to Hell. Since Jesus Christ is God incarnate in the flesh for the purpose of being the Lamb of

God for the sake of our redemption, I defiantly can't be more "anti-Semitic" (anti-Pharisaic) than that.

As I write this our President (Obama) is in the process of getting another Zionist Talmudic Pharisee (Elena Kagan) onto our Supreme Court. We already have one admitted Pharisee on the American Supreme Court (Ruth Ginsburg) which puts our nation and its people in serious danger and these people are there for life. It gets really bad as most if not all of the justices of the Supreme Court are Freemasons, who are hooked at the hip with our Pharisees. As you read through this book you will understand why we must get these Pharisees out of our government and society including their dupes the Freemasons whose beliefs goes mostly into the Pharisaic belief system of the Cabala whereas witchcraft to Satanism is promoted. Masonry is the system of converting gentiles to Pharisaism with the Jewish Pharisees as the leaders and authority. You must understand for the sake of our country, your family and for yourself that Judaism is Pharisaism is communism is Satanism and they intend to govern the whole world with an iron fist and to control the global banking system and they are very close to doing just this in your lifetime. God has warned us in what they intend to do and who they are. We are at war against the most vilest evil on this planet and if you do nothing, they will destroy you

and everything you love and all morality will be flushed down the sewer.

Texe Marrs

“To the future or to the past, to a time when thought is free... To a time when truth exists, and what is done cannot be undone... From the Age of Big Brother, From the Age of Doublethink—Greetings!” Winston’s journal (George Orwell, 1984).

Carl Cameron is one of Fox TV's most respected reporters. Dedicated to his job, he likes to dig deep and find precious tidbits unreported by others and disclose them to Fox's worldwide cable audience. Just days after 9/11 Cameron thought he had hit the mother lode. He discovered that 125 Israeli spies had been active in the U.S. and that many were involved in one way or another with the heinous 9/11 aircraft hijacking and mass murders.

Cameron also told of the "dancing Israelis"—the Mossad spies atop the building across the bay in New Jersey—that had filmed the whole event and knew in advance it was to occur. Cameron also reported that the FBI had raided an Israeli front company, Urban Moving Systems, that was connected with the 9/11 plot. It all promised to be the news story of the decade, and Cameron assured TV watchers he would keep them informed as his investigation of the "Israeli Connection" progressed.

However, the very next day, Carl Cameron's segments on this hot topic all vanished entirely off the Fox-TV website. They were also suddenly removed from Google and You Tube. It was as if they had never existed. Big Brother's thought crime police had struck again. Instead of an award for his groundbreaking news story, Carl Cameron got the message loud and clear: Keep your trap shut about Israel and the Jews.

Fox-TV, of course, is owned by ardent Zionist billionaire, Rupert Murdoch. News Corp, its parent corporation, has close ties with the ADL, the World Jewish Congress, and other powerful Jewish lobby groups. But then, the same is true for every U.S. media outlet—they are all Jewish owned. CBS, ABC, NBC, CNN, et al report only what is good for Israel. Otherwise, the news simply doesn't exist. It all goes down the Orwellian black hole (1984).

### Jesse Ventura is Shut Down

Jesse Ventura, the colorful, truth telling former Governor of Minnesota sure found this out a few years ago. MSNBC-TV network gave Ventura two million dollars to do a nightly TV talk show. But then the executives at MSNBC found out that Ventura opposes the Iraq war. Uh Oh. That is not O.K. The bosses told Ventura that this was something he could not discuss on his upcoming talk show, the first segment of which had not yet been aired. Old Jesse told them to take a flying leap, saying he would not be censored. The network execs abruptly pulled the show and killed it. Ventura, however, got to keep his \$2 million advance.

Now keep in mind that all the Jewish-owned networks, including NBC, the parent of cable's MSNBC, in the 1970s fiercely opposed and criticized the Vietnam War. They ran

countless clips showing the dead and wounded American troops and also covered anti-war demonstrations by the Jewish-led (Jerry Rubin, Abbie Hoffman, et al) Woodstock hippies. But today's Iraq and Afghanistan conflicts are Israeli projects. The U.S. military is Israel's proxy, its bulldog, and hardly a protest against these bloody wars will even be allowed to be whispered. So, Ventura had to be prevented from having a forum to vent his anti-war views.

### Helen Thomas Becomes a Truth teller

Helen Thomas, the famous Hearst News, Washington, D.C. and White House correspondent, found out just what can happen when you say something deemed unacceptable. In a talk she gave to a group in Dearborn, Michigan, Thomas made it plain that she had learned a lot in her years as a reporter about who really runs America and Washington, D.C., its capital:

“We are owned by the (Zionist) propagandists...There is no question about that. Congress, the White House, and Hollywood, Wall Street are owned by the Zionists. No question... We're being pushed in a wrong direction every way.”

Dear Ms. Thomas, now what you said is absolutely true, but you and I both know that, “Hey, you can’t say that!”

Within 24 hours of her speech in December 2010, Abe Foxman of the Jewish ADL hate speech brigade issued what we might call a “Thought crime Fatwa” against the hapless truth teller, Ms. Thomas. He went plumb nuts and called for every organization who had at one time given Thomas an award to rescind it.

On cue, her own alma mater, Wayne State University in Michigan, promptly did exactly that, taking back some nondescript award they had once presented Helen. Which proves, of course, that Helen Thomas was right on target when she said the Jews run America.

The seasoned Ms. Thomas, 90 years-old and still as sharp as she was decades ago when she began her stellar career as a reporter, continually needled White House Press Secretary Gibbs with questions about Israel and the Middle East conflicts. Then, when asked by someone what she would do about the Palestinian-Israeli controversy, she said, “I’d send the Zionists back to Europe where they came from.” (“Hey, you can’t say that!”)

Despite her award-winning years of service, Helen Thomas was summarily sacked by her employer, Hearst News. But to paraphrase the great General Douglas MacArthur, “Brave heroines never die, they don't even fade away.” And so, after a brief retirement hiatus, Thomas was back in form, when she also remarked:

“I can call the President of the United States anything in the book, but I can't touch Israel, which has Jewish-only roads... No American would tolerate that—White-only roads... The Zionists have to understand that it is the Palestinians' country, too. Palestinians were there long before the European Zionists.”

A Hispanic News Reporter Gets a Pink Slip  
Rick Sanchez, the token Hispanic daytime anchor at CNN, also recently suffered the wrath of the Jews. The photogenic Cuban-American newsman had the temerity to go on as a guest of a PBS radio show. On it, Sanchez admitted that he, a Hispanic, was not likely to ever be promoted to prime time stardom by CNN because, like virtually every other TV network and news organization in America, the Jews are in control. “So people like me (Hispanic) who don't look like them (Jews) don't get promoted,” he said.

Sanchez was then asked about his on-going debate with Comedy Central host Jon Stewart, and what he said about that got him into more hot water. He told the audience that Stewart's real name is actually Jon Leibowitz, and he's a Jew! A prejudiced Jew at that.

The fangs came out as the Jewish potentates mercilessly and quickly savaged Mr. Sanchez. "How dare he lie about the Jews!" they pontificated. "We do not have a stranglehold on the media." "Sanchez," they said in mirror echo format, "is a horrible anti-Semite. He must go!"

Within 24 hours, Rich Sanchez, after 12 years of service to CNN, got his walking papers. Seems that he had proven his point. The Jews do own CNN and every other major news organization in America. Sanchez' departure for the hinterlands was a done deal the moment he opened his mouth.

### Boil Them Alive!

If the Jews could, of course, they would love to do more than merely fire truth tellers like Thomas and Sanchez. They'd like to boil them in hot, fiery burning excrement! In fact, that's exactly what the satanic holy book of the Jews, the Talmud, says happened to Jesus. He's down in hell right now, boiling in hot, fiery excrement. And, adds the Talmud, Christ deserves

his punishment. He was a blasphemer, a liar, a fornicator, and an adulterer, say the Jews, and—worst of all—he spoke ill of the Jews. Now that is just plain unacceptable. It's a terrible Thought crime!

### Thought Crimes Must Be Punished

The list of individuals punished by Israel for these Thought Crimes keeps growing and growing. The United Nations Declaration of Human Rights guarantees freedom of speech. So does America's First

Amendment to the Constitution, Britain and Canada's basic laws, and the European Community's Charter. But that didn't stop today's Zionist control of Germany from imprisoning an American-based writer Ernst Zundel from being sent for seven years to prison. His crime was that he publicly doubted that as many as six million Jews perished in the fabled Nazi Holocaust. "Hey, you can't say that!"

Zundel is not the only one to suffer because he expressed his opinion about the Jews and their history. German prisons have "welcomed" scores of such people. Indeed, if Texe Marrs were to travel anywhere in Europe, I could be arrested for

what Big Brother's Jewish Thought crime Police euphemistically called "Holocaust Denial." (It's the only history you can be imprisoned on for not believing it. Are you understanding the evil? This is a major red flag exposing a cult and/or dictatorship.)

You must—you simply must—say that six million Jews were killed by the Nazis. The sum of three million, or four or five million, or 5,999,999 just won't do. The number 6,000,000, you see, has kabbalistic/occult numerological significance. Only that number is acceptable. You'll go to prison if you don't say it. Now repeat after me, Polly Parrot—"six million." Say it again: "six million." Good parrot. Here's your reward, a nice cracker.

### Yes, Israel has the Bomb! Hundreds of Them

Israeli citizen Mordechai Vanunu got a stiff prison sentence in one of those torturous prisons in Israel. His crime? He told a reporter the truth, that Israel has nuclear bombs and is manufacturing them at their Dimona nuclear plant. "Hey, you can't say that!"

The world is not supposed to know that the ruthless, saber-rattling, barbaric Israeli Defense Forces possess some 400 nuclear bombs with which they threaten to destroy every Arab in the world—and maybe a score of cities in Europe and

the U.S.A., to boot. Iran is the bad guy. Ahmadinejad's Iran is working on its first nuclear bombs (or so the Israelis—"liars, liars pants on fire"—constantly warn us.)

"Yes, Iran is building the Bomb. Oh, woe is us. Poor, poor Jews. Oh woe, woe!"

Vanunu is a Jew but he is also a Christian. And that made all the difference because Christians aren't free to lie like those Talmudic Jews do, over and over and over. The Talmud, their so called "holy book" promotes lying, dishonesty and that no contracts are binding on them, except to their in their Luciferian cult.

So, blessed Brother Vanunu simply told the truth. And the Jews made sure he paid the price for it: Prison.

The Jews' Thought crime Police seem to be quite successful. At least they have caused a whole host of cowards to keep their mouths shut. Take the 9/11 exposé corps, for example. Only a few have the courage to finger the real culprits—the Israeli Mossad and CIA (and FBI big-wigs). One 9/11 website has a huge membership of over 2,000 scholars, architects, and engineers, all of whom say the government's official account of what happened on 9/11 is a farce and a fairy tale. But as to Israel's involvement—"Hey, you can't say that!"

But, what about Fox News' investigation by Carl Cameron, Mr. Scholars, Architects and Engineers? Hey, I told you, you can't talk about that!"

Notice how Glenn Beck, Bill O'Reilly, Anderson Cooper, Rachel Madoff. (Oops, I meant Rachel Maddow), Matt Lauer and all the other TV guys also go berserk and change the subject when anyone brings up the fact that 9/11 was an inside job? They rage and almost foam at the mouth!

### Things You Can't Talk About

There is a long, long list of topics you can't speak about in the national media. They include: The crimes of the Jewish-controlled Federal Reserve; the billions in foreign aid going to Israel, the trillions (yes, trillions!) in military equipment that has gone to Israel; the murders and cruel oppression of Gaza, Palestine, and Lebanon by Israel; the fact that both Hollywood and Broadway are exclusively the preserve of the Jews; the fact that the Ivy League universities, Princeton, Harvard, Yale, etc., are now controlled by the Jews and Jewish students are overrunning their campuses; the historical fact that most African slave traders were Jews; the control of Obama's White House by the Jewish mafia; the satanic teachings of the Jewish rabbis as shown in their holy books,

the Talmud and the Kabbalah; the Jews' takeover of Wall Street; and the list goes on and on.

The German Nazis Were Evil; the Jewish Zionist Communists?—Not so Much.

There are also countless novels and nonfiction books out there—and plays, movies and TV documentaries—about the supposed horrors done to Jews in the Nazi concentration camps. We are perpetually reminded that six million Jews died. (And how many millions of Germans, Poles, and Lithuanians? Including Americans and the English who died because because of the actions of the Jews? Who cares?)

But you have never seen—nor will you ever see—a truthful movie about the Jewish-run Communist gulag concentration camps in the U.S.S.R.

According to famous Russian writer Aleksandr Solzhenitsyn, a staggering 66,000,000 (that's 66 million) died in these hell-holes in the Jewish run U.S.S.R... Most of the commandants, he says, were Jews and many were rabbis! Few Jews were sent to these camps, but plenty of Christians suffered and died in them. Oh, hold on... I can hear the shrill Jewish Thought crime Police screaming at me with all their might: "Hey, you can't say that!"

Well, I'll say that and more. Take for example the fact that Aleksandr Solzhentsyn's books, including the classic *The Gulag Archipelago*, have sold over 60 million copies. But no English-language publisher anywhere in the world dares to publish Solzhentsyn's final book, *Two Hundred Years Together*, in which he documents the monumental crimes of the Jews during the Communist era. But, once again, I feel their hot breath on my back, as they bare their fangs and screech: "Hey, you can't say that!"

Luther, George and Franklyn

Martin Luther, for example, had this to say:

"I had decided not to write any more neither of the Jews nor against the Jews. Because I learned, however, that those miserable, wicked people do not cease trying to win over to themselves us, that is the *Christians*, also I have permitted

this booklet to go forth that I might be found among those who have resisted such poisonous undertaking of the Jews, and have found the *Christians* to be on their guard against them. I would not have thought that a *Christian* would permit himself to be fooled by the Jews to share their exile and misery. But the devil is the *God* of the world, and where *God's* world is not, he has easy sailing, not only among the weak, but also among the strong. *God* help us. Amen “

And as a distinguished mark, they strengthen their faith and bitter hatred against us amongst themselves by saying:

“Keep on. See how *God* is amongst us and does not forsake his people in exile. We do not work, we enjoy good, lazy days, the cursed goyim (human cattle) must work for us, we get their money, thereby we are their masters, they, however, are our servants. Keep on, dear children of Israel. It will be better still! Our Messiah will come if we thus continue and appropriate to ourselves, usury, Hemdath (Hebrew: possessions, desire) of the heathen!

“Do not their TALMUD and their Rabbis write that it is no sin to kill if a Jew kills a heathen, but that it is a sin if he kills a brother in Israel? It is not a sin if he does not keep his oath to a heathen. Therefore, to steal and rob (as they do with their usury) from a heathen is divine service. For they hold that they cannot be too hard on us nor sin against us, because

they are the noble blood and circumcised saints; we, however, are cursed goyim. And they are the masters of the world and we are their servants, yes, and their cattle!

“Should someone think I’m saying too much – I am not saying too much, but much too little. For I see in writing how they curse us goyim and wish us evil in their schools and prayers. They rob us of our money through usury and, wherever they are able, they play us all manner of mean tricks...”

Martin Luther’s last recorded utterance on the subject of the Jews was,

“You should know that the Jews blaspheme and violate the name of Our Savior day by day. For that reason, you, Milords and ladies, should not tolerate but expel them. They are our public enemies and incessantly blaspheme our Lord *Jesus Christ*. They call... Mary a harlot and her Holy Son a bastard... If they could kill us all they would gladly do so; in fact, many of them murder *Christians*, especially those professing to be surgeons and doctors. They know how to deal with medicaments in the manner of Italians – the Borgias and Medicis – who gave people poison which brought their death in one hour or in a month.”

Should Martin Luther be condemned as being a rabid hater of Jews? Not necessarily! It is abundantly clear from a careful reading of the above statement that Luther was attacking the

basic Talmudic philosophy which motivates many Jews, like the Rothschilds for example. It will also come as a great surprise to many American readers to learn that a number of their “glorified” forefathers were much more outspoken on this issue than Adolf Hitler.

Benjamin Franklin (1706 – 1790) for example:

“We must protect this young nation from any insidious influence... that menace, gentlemen, is the Jews. In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated. They have sneered at and have tried to undermine the *Christian* religion upon which that nation is founded by objecting to its restrictions; have built up a state within a state and have, when opposed, tried to strangle that country financially...

“They are vampires, and vampires do not live on vampires. They cannot live among themselves. They must subsist on *Christians* and on other people not of their race.

“If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such numbers that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working

in the fields to furnish them substance, while they will be in the counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.”

He knew what he was talking about, because the American presidents, Franklin Delano Roosevelt, Harry Solomon Truman and James Earl Carter were crypto Jews (crypto Jews are Jews who take on a different name and sometimes another religion to cover up their Jewish origin. But they still follow their Talmudic goals, because if not, they will die a silent death through their rabbis! You don't believe this? Read: *Die Shlimmsten Feinde unserer Volker* (The Most Dangerous Enemies of our Peoples) by Jean Boyer, Edicion Actualizada, Bogota, Colombia, 1979. It will blow your mind!

And George Washington (1732 – 1799), the first U.S. president:

“The Jews work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each state long ago has not hunted them down as pests to society and the greatest enemies we have to happiness in America.

## Article 1

### Anti-Semitism

The Jews of today have used the slaughter of European Jews during WWII to their advantage. When they find something they disagree with, they pull the race card into play and scream, “anti-Semitism, you are an anti-Semite!” Being labeled as an anti-Semite can be compared to being blacklisted or receiving the kiss of death in society. Consequently, everyone is afraid to criticize the Jews for fear of being blacklisted as anti-Semitic! It is important that people know that it is not anti-Semitic to criticize Jews or the policies of the state of Israel. After all, why shouldn't Gentiles be able to converse about the Jews or any other people for that matter without being labeled as a racist? (This ploy of our Masonic Pharisees is fast wearing off and people are not buying into it anymore).

Zionists have rejected the God of Abraham, Isaac, and Jacob and are serving another god. So they are not even Semitic also these are “false Jews” for these Jews have no heritage or blood connections to Abraham, Isaac and Jacob, but the Moslems in whom they persecute, whose land they have stolen, and whom they murder can trace their lineage back to Abraham, so in reality, the Zionist of the Talmud are the real anti-Semites.

Jews have been victims in the past of racial hatred but it is important to note that they have brought this upon themselves in most cases because of the hateful Talmud and its ways of dealing with Gentiles. The Talmud is their extra biblical teaching that contains "additional inspired writings" about stories, laws, medical knowledge, debates about moral choices, etc. This book is racist, bigoted, murderous, hateful and promotes supremacy of the cult adherent and is occultic through and through. It is the very antithesis of the Word of God.

## THE CRY OF "ANTI-SEMITISM"

What people are now coming to see is that it is American rights that have been interfered with, and the interference has been made with the assistance of their own "broad-minded" tolerance. The Jews' interference with the religion of others, and the Jews' determination to wipe out of public life every sign of the predominant Christian character of the United States, is the only active form of religious intolerance in the country today. Not content with the fullest liberty to follow their own faith in peace and quietness, in a country where none dare make them afraid, the Jews declare - we read it in their activities - that every sight and sound of anything Christian is an invasion of their peace and quietness, and so they stamp it out wherever they can reach it through

political means. To what lengths this spirit may run is shown in the prophecies of the Talmud, and in the "reforms" undertaken by the Communists of Russia and Eastern Europe.

That is not all; not content with their own liberty, not content with the "secularization," which means the de-Christianisation of all public institutions, the third step observable in Jewish activities is the actual exaltation of Judaism as a recognized and specially privileged system. The program is the now familiar one wherever the Jewish program is found: first, establishment; second, the destruction of all that is non-Jewish or anti-Jewish; third, exaltation of Judaism in all its phases.

Put the Lord's Prayer and certain Shakespeare plays out of the public schools, but put Jewish courts in the public buildings - that is the way it works. Secularization is preparatory to Judaization. The New York Cabala is an illustration of how it is done, and the American Jewish Committee is an illustration of the type of men who do it.

The work of the Cabala is claimed to be "educational" by its defenders, on the few occasions when it is attacked. It is certainly that. The best educated members are those who come from the Eastern European ghettos where the Cabala idea was fully understood and practiced and where Jewish -

community - government exercised unrestricted sway. Whatever other phases of education the Cabala may be interested in, it certainly stresses most the education to separateness. Dr. S. Benderley, director of the Bureau of Education, gave away the objects of the Cabala "education" thus: "The problem before us was to form a body of young Jews who should be on the one hand true Americans, a part of this Republic, with an intense interest in building up American ideals; and yet, on the other hand, be also Jews in love with the best of their own ideals, and not anxious merely to merge with the rest and disappear among them. That problem confronts Orthodox and Reform Jews alike. It is not merely a religious but a civic problem."

That is separatism and exclusiveness as an educational program, and its result cannot help being training in ideas of racial superiority and exclusivism.

It is the Jews' unceasing consciousness of the "Goy" that constitutes the disease of Judaism, this centuries-long tradition of separateness. There is no such thing as "anti-Semitism." There is, however, much anti-Goyism. In all the countries of the world there is no anti-Arab sentiment of which anyone knows. None of the Semite people have been distinguished by the special dislike of any other people. There is no reason why anyone should dislike the Semites.

It is very strange, however, that the Semite people should be a unit in disliking the Jews. Palestine, which still only has a handful of Jews,\* is peopled by Semites who so thoroughly dislike the Jews that serious complications are threatening the Zionist advances being made there. This surely is not anti-Semitism. Semites are not against Semites. They are at odds with Jews.

EDITOR'S NOTE: \*The original was written in 1921 when the Jewish population of Palestine was still insignificant. In 1918 it was only about 4 per cent.

There is no such thing as anti-Semitism. There is only a very little and a very mild anti-Jewism.

But a study of Jewish publications, books, pamphlets, declarations, constitutions and charters, as well as a study of organized Jewish action in this and other countries, indicates that there is a tremendous amount of anti-Goyism, or anti-Gentilism.

The State of Israel officially discriminates in favor of Jews and against non-Jews in many domains of life, of which I regard three as being most important: residency rights, the right to work and the right to equality before the law. Discrimination in residency is based on the fact that about 92 per cent of Israel's land is the property of the state and is administered by the Israel Land Authority according to

regulations issued by the Jewish National Fund (JNF), and affiliate of the World Zionist Organization. In its regulations the JNF denies the right to reside, to open a business, and often to work, to anyone who is not Jewish, only because he is not Jewish. At the same time, Jews are not prohibited from taking residence or opening businesses anywhere in Israel. If applied in another state against the Jews, such discriminatory practice would instantly and justifiably be labeled anti-Semitism and would no doubt spark massive public protests. When applied by Israel as a part of its 'Jewish ideology', they are usually studiously ignored or excused when rarely mentioned.

The denial of the right to work means that non-Jews are prohibited officially from working on land administered by the Israel Land Authority according to the JNF regulations. No doubt these regulations are not always, or even often, enforced but they do exist. From time to time Israel attempts enforcement campaigns by state authorities, as, for example, when the Agriculture Ministry lets fruit orchards belonging to Jews and situated on National Land [i.e., land belonging to the State of Israel] be harvested by Arab laborers', even if the laborers in question are citizens of Israel. Israel also strictly prohibits Jews settled on 'National Lands' to sub-rent even a part of their land to Arabs, even for a short time; and those who do so are punished, usually by heavy fines. There are no

prohibitions on non-Jews renting their land to Jews. This means, in my own case, that by virtue of being a Jew I have the right to lease an orchard for harvesting its produce from another Jew, but a non-Jew, whether a citizen of Israel or a resident alien, does not have this right.

### Anti-Semitism and Anti-Zionism

*Normal human:* What's anti-Semitism?

*Zionist:* Well, since Israel is a Jewish state, any criticism of Israel is anti-Semitism.

*NH:* Israel is a Jewish state and has acted despicably toward the Palestinians. It deserves criticism!

*Zio:* Ooh! You anti-Semite! How could you say such a thing! Are you a Nazi? Oh!oh!oh! Anti-Semite!

*NH:* Actually, Israel's despicable actions have made anti-Semitism almost respectable.

*Zio:* Oooohh!! [*Faints rather than acknowledge facts evident to everyone else.*]

Zionists are experts at propaganda, disinformation, denying facts and outright lying. Any criticism of Zionism or of Israel is labeled as "anti-Semitism", where this is interpreted to mean "anti-Jewish". This is a slanderous falsehood. Criticism of Zionism is criticism of a particularly ugly political movement. It is also OK to criticize their religion and beliefs because their religion is a cult that sits on the foundation of the occult. Judaism is Talmudism which is Pharisaism which is Satanism. Their second set of "holy books" is the Cabala (or Kabala) is linked to the Zohar (a medieval manuscript) which is where the teachings of witchcraft to Satanism is promoted. The Babylonian Talmud is the most vile, bigoted, races and satanic belief system on the planet. In fact it is so vile and promotes criminality, like murder, that it cannot even legally be sent through the United States mail. But they will smear you as being anti-Semitic should you speak out and expose their evil. This is absolutely crazy! It only shows how strong of an influence over our society they have gained. In some countries they have such a strong foot hold and control that you can be fined or jailed for speaking out against them. But we must speak out because they are attacking and tearing down our Christian heritage and replacing it with their devil worship.

The Jews may have a right to believe in their Judaism but no-one, however, Jewish or non-Jewish, has a right to drive

out people from their homes on land where they and their forebears have been living for centuries, to deprive people of their human rights, to cripple their society and to damage the welfare of others by a parasitic subversion of the government of another country for base political purposes, which is what Zionists has done and continue to do.

Are you [Mary Robinson] really suggesting that the military occupation of the West Bank and Gaza Strip by Israel, its use of extra judicial executions against Palestinian gunmen, the Israeli gunning down of schoolboy stone-throwers, the wholesale theft of Arab land to build homes for Jews, is in some way wrong?

- John Kaminski: [Heads They Win, Tails We Lose](#)

As many observers have written recently, an anti-Semite used to mean someone who hated Jews because they were Jews. Now, the term anti-Semite is used by Jews to tar and feather anyone who disagrees with Jewish policies, influences, and effects. Complain about Israelis burying alive Palestinian residents of Jenin and Jews say you're an anti-Semite. Wonder about the preponderance of Jewish influence on the American government and you're an anti-Semite.

- Terrell E. Arnold: [Against The Law To Criticize Israel?](#)

[A proposed] amendment to Title VI of the Higher Education Act ... [whose purpose is] to require denial of federal funds to any university whose faculty or students, perhaps even guest lecturers, make statements that are in any way critical of Israel ... is an echo of Nazi, Communist and other totalitarian forms of censorship.

- Ken Livingstone: [This is about Israel, not Anti-semitism](#)

For years Israeli governments have attempted to portray anyone who forcefully criticizes the policies of Israel as anti-Semitic. The truth is the opposite: the same universal human values that recognize the Holocaust as the greatest racist crime of the 20th century require condemnation of the policies of successive Israeli governments — not on the absurd grounds that they are Nazi or equivalent to the Holocaust, but because ethnic cleansing, discrimination and terror are immoral.

In 2006 former U.S. President Jimmy Carter published a book, *Palestine Peace Not A partheid*, which is critical of Israel. Predictably the Zios label him as "anti-Semitic". Note; Jimmy Carter is also Jewish and there calling him anti-Semitic.

In his article Carter's Inconvenient Truths  
Paul craig Roberts writes:

The reason that Israel has been able to appropriate Palestine unto itself with American aid and support is that Israel controls the explanation of the Israeli-Palestinian conflict. At least 90% of Americans, if they know anything at all of the issue, know only the Israeli propaganda line. Israel has been able to control the explanation, because the powerful Israel Lobby brands every critic of Israeli policy as an anti-semite who favors a second holocaust of the Jews.

In *Palestine Peace Not A partheid*, Jimmy Carter takes the risk of speaking truth to propaganda. Predictably, the Israel Lobby and its shills ranging from the "conservative" National Review to "liberal" media and commentators have attempted to banish Carter by labeling him an "anti-Semite."

We must not let the Israel Lobby get away with demonizing an American president who dares to stand up to their lies. Note: Jimmy Carter is also Jewish, so how can he an anti-Semite? Of course they will call these Jews ... self-haters.

Zionists have forced Bush/Cheney to install an entirely new division in the US Dept. of State to monitor 'ANTI-SEMITISM' everywhere on the planet...

'Anti-Semitism' has been recently redefined to include \*any\* criticism of the Zionist-ruled state of Israel or its inhuman policies towards the Palestinians. Also note that the Bush family are crypto-Jews (those who hide their true identity),

hidden Zionist and are also Masons. So having the US Dept of State to monitor "Anti-Semitism" is corruption in our government at the highest levels by those who have nefarious motives.

I hope Americans can remember that all Jews do NOT support this Israeli law. And if anyone doubts the control Zionism has over Jews., we now know that; NAZIS AGREED TO GIVE ALL JEWS SAFE PASSAGE OUT OF EUROPE in 1942-43 for \$2 million dollars. However, when Rabbis went to Switzerland THE WORLD ZIONIST HEADQUARTERS REFUSED TO PAY, SAYING: 'UNLESS LARGE AMOUNTS OF JEWISH BLOOD IS SPILLED DURING THE WAR, WE WON'T BE ABLE TO SO EASILY SECURE OUR NEW HOMELAND IN PALESTINE AFTER THE WAR'...

ZIONISTS WERE ULTIMATELY RESPONSIBLE FOR THE HOLOCAUST as it was THEY who decided this catastrophe of death and suffering in the war simply had to continue, TO SERVE THEIR PURPOSES. They sacrificed us as 'burnt offerings', and THEY ARE STILL USING US and Judaism today.

America must reject the new Zionist-Israeli 'law' and the idea that American citizens -- or ANY citizen of ANY nation -- be threatened with extradition to Israel to STAND TRIAL FOR

DENYING THE HOLOCAUST [or] for even asking questions about the 'official version' of what happened to us in the war.

THIS INSANITY SEEKS TO DESTROY FREEDOM OF SPEECH AND INSTILL GLOBAL FEAR OF ZIONIST ISRAEL AND ITS MASTERS.

WAKE UP AMERICA ... MADNESS IS IN THE AIR!

P.s. Our leaders are also Masons which is a part of the “Forces of Evil” I will explain this in the chapter called “Freemasonry - the Temple of Baal.”

Anti-Semitism: Here is the definition of Anti-Semitism from the lips of a Jew: “Anti-Semitism does NOT signify opposition to Semitism. THERE IS NO SUCH THING. It is an expression we use effectively as a SMEARWORD, used to brand anyone who brings criticism against us.” Harold W. Rosenthal (Jewish), administrative assistant for then-U.S. Senator Jacob K. Javits (Jewish) of New York, in an interview with *American Christian* magazine editor, Walter White.

“A man is considered an anti-Semite if he calls a Jew a Jew.” Hillaire Belloc, quoted in *Culture Wars* (Sept 2000).

“My unpardonable crime,” said Boris Lunachev, a former leader of the Communist Youth in Russia, “was to call a Jew a Jew.”

This term, anti-Semitism, is often incorrectly used by “Jews” to smear and discredit non-Jews who are looking for truth in history.

If one tells the truth about the Jews, such as [“The Jews own Hollywood”](#) (something they admit to each other), or [“The Jews own the media”](#) (something they brag about among themselves), one is considered an “anti-Semite.”

This is a clever subterfuge to eliminate any criticism of any Jew for anything. If any Jews happen to be involved in any under-handed or even illegal activities, and someone exposes that activity, that person is branded an “anti-Semite.”

It is a convenient way for them to avoid dealing directly with the truth of the issues. So instead, they viciously attack the messenger.

The most anti-Semitic group of people on earth are the Jews, themselves. Arabs are of Semitic origin and the majority of Jews appear to hate the Arabs, at least in Israel. The Israeli government’s plan is to annihilate all Arabs in the same way they are “genociding” the Palestinians.

In addition, the BIG Jews, the leaders of International Jewry, are extremely anti-Semitic because they hate the rank and file Jews who are not in their own “club.”

Iraqi Jews who have immigrated to Israel have been the object of bigotry and prejudice by the eastern European Jews in Israel. Encouraged to relocate in Israel because of their experience as farmers, work that the eastern European Jews feel is beneath them, the Iraqi Jews are treated as second class citizens because they work with their hands.

The rank and file Jews has no idea how expendable they are considered by their own leaders. They are encouraged to live in dangerous war zones, such as Israel and the territories to “secure the land” for their masters, while their leaders live in safety, comfort and luxury in other countries. The rank and file Jews is being used by their Jewish leaders as throw-away pawns in a big-stakes game for control of the world.

Anti-Zionist” Jews? There’s NO SUCH THING! Some Jews claim to be Anti-Zionism, including a group of Orthodox Jews known as the Neturei Karta. The Neturei Karta rabbis have infiltrated non-Zionist Christian organizations and have totally deceived supposedly non-Zionist talk show hosts both on radio and on the internet into believing that they, the Neturei Karta, are, indeed, against Zionism. They also were invited to the recent Iranian Holocaust Revisionist Conference, thereby revealing that they also have deceived the President of Iran.

However, the Neturei Karta is an organization of Jewish Rabbis whose “holiest” book is the Talmud – a book that is

the absolute origin of Zionism, Communism, Anti-Christianity, Anti-Gentile hate propaganda, and the total control of the entire world! If anyone believes in the Talmud, they are, by definition, a Zionist, no matter what they pretend to be! In other words they are our modern day Pharisees in whom Jesus Christ condemned, they are our modern day Edomites in whom God hates.

Judaism is a “chameleon” culture, religion. It “becomes” whatever is necessary in order to deceive and trick non-Jews.

Ominous federal law will soon end free speech in America!

by Rev. Ted Pike

**ANTI-HATE LAWS WILL MAKE YOU A CRIMINAL.**

The Forces of Evil has been using a deceptive tactic of fraud in the use of so called “hate crimes.” They have been deceiving governments around the world to implement their idea of hate crime

laws, but what they are really doing is using the color of law to protect the evil that they are doing in society and victimizing law abiding citizens who have real concerns and want to speak out and take a stand against the evil in their society (exercising their right of freedom of speech without the Marx's political correctness that those in positions of government want to impose on them). Listen, when you know what the Talmud and what the Cabala teaches and is promoting you will realize that these people are the most bigoted, the most hate filled human beings to walk the face of this planet, who are anti-freedom and want to have total dictatorial control of everything on earth. When you look into the lives of these people you will see the blatant corruption and the most vile immorality that they are promoting in your society. No government has the moral right to persecute anyone (with a "hate crime") who will point out the corruption and the immorality of this cult/occult belief system and who would stand up against it to save and better their community against this evil. Nor has the government the moral authority or right to impose upon its citizens to service or house what the citizen believe to be evil or the promotion of evil (e.g. sodomy).

Understand, not giving someone a service or providing them your product because of the color of their skin is wrong. But it is not wrong to deny a service (being forced to provide a wedding cake or photo business or provide printed

invitations to sodomites that you believe are immoral and degenerate, being forced by the color of law to throw aside your Christian culture and beliefs for the culture and beliefs of sodomites and Satanist is in itself corrupt and evil). Or denying a room rental in your home (again, sodomites who may molest your children and be a bad influence that you do not want around your children or in YOUR home or in YOUR business). Or being forced to provide YOUR product to someone who is immoral, who is promoting immorality or anti-God that violates your conscience and sense of decency and your belief in God, is in itself evil, wrong and corrupt. We are not talking about the color of someone's skin, but we are confronted with people who demand to impose their lifestyle, their immorality, their sins and their anti-God doctrines on people against their will and demanding people of high moral and religious convictions to give them service, housing and products to them and support their corruption. In this we must say NO, and fight their doctrines of evil and corruption that they wish to force on us and our society. Let these low lives know that we WILL NOT support their corruptions, immorality, perversions, evil and sins in our lives or society. It is bad enough that millions of the most helpless children have had their right to life taken from them having been murdered by evil. The Forces of Evil will not get away with this, for in the end they will be facing a very real and very angry God of righteousness and holiness.

This cult/occult belief system is tied up and linked to all these “secret societies” like the Freemasons, the Zionist, the leadership of Israel, the Council on Foreign Relations, the Bilderbergs etc. and all the spin offs into witchcraft to

Satanism. I for one will stand up against and expose this evil as is my God given right and duty. This demand to stand up for your country is given in the Constitution to protect this nation against all enemies inside this country,

to protect its ideals, its Christian heritage, the inalienable rights of the people codified in the Bill of Rights, a limited government including the Constitutional right to mint and control our own money (something our “government servants” from the President of the United States down through Congress has miserably failed to do, because our own government has been circumvented by this system of evil and those who promote it). Now having said the above, let me make one thing very clear, violence is something I do not support or should be supported. But people should have the right of redress in our courts and the right to convince society to change the laws that would make society morally better and safer for all (without being threatened as a criminal by some perceived crime of thought or speech). See [article 133](#)

In Canada, A Christian was fined \$6,000 for printing 3 Bible verses against homosexuality. A newspaper was fined \$6,000 for accepting his ad.

A Christian printer was fined \$5,000 for refusing to print stationery for homosexual activists. He was bankrupted after spending \$171,000 contesting the charge.

A Christian was fined \$35,000 for distributing “hate literature”--tracts critical of homosexuality.

Church school administrators were forced to hire a known homosexual, under threat of prison.

A pastor was told it’s a “hate crime” to hand out gospel tracts, punishable by prison.

In 2004, eleven Christians were arrested and jailed in Philadelphia for the “hate crime” of peaceful evangelism at a gay pride parade.

For the full story, visit [www.truthtellers.org](http://www.truthtellers.org)

In Sweden, A pastor faced prison for reading from the pulpit Scriptures critical of homosexuality.

In Holland, It’s now a “hate crime” to criticize fornicators and adulterers.

In Germany, A Catholic priest faces jail for the “hate crime” of publicly criticizing abortionists.

Hate Laws End Free Speech. This is nothing more than a dictatorial communistic mind control. Truth does not need a law to protect it. Only lies, deceptions, immorality, and evil needs a law to protect it. The Forces of Evil have no qualms of getting laws passed to protect their immorality, evil and occultic goals.

In Australia, Two Christians were indicted for criticizing Islam, another for criticizing Zionism.

In Britain,

Two political activists were indicted, facing 7 years in prison, for describing Islam as a “wicked faith.” A filmmaker was threatened with arrest for using the term “homosexual” rather than “gay.”

## How to Save Free Speech

In Canada, Australia, and most of Europe, it’s now a “hate crime” to publicly criticize protected groups. Truth is not allowed as evidence in hate crimes trials because these are really not courts of law but tribunals. All that matters are the

delicate feelings of members of federally protected groups. A homosexual can claim emotional damage from hearing Scripture that describes his lifestyle as an abomination. He can press charges against the pastor or broadcaster who merely reads the Bible in public. Liberals and non-Christians are also increasingly unprotected from a Muslim who objects to their criticism of Islam. The “hater” can be fined thousands of dollars and even imprisoned!

Think this can't happen in America?

Think again. The Anti-Defamation League of B'nai B'rith (Zionist Pharisees), architect of “anti-hate” laws worldwide, has reintroduced its federal hate bill, “The Local Law Enforcement Hate Crimes Prevention Act,” H.R. 1592 and S. 1105. They claim it will end violent *physical* hate crimes. That's just what ADL told lawmakers in Canada, Britain, Sweden, etc. Soon after ADL's hate bill was passed, it broadened through legal precedents to outlaw “verbal violence” against protected groups. Laws passed to end violent hate crimes soon criminalized free speech (bottom line is government Mind Control).

The problem is hate laws' twisted definition of hate. ADL, which presently administers the US government's hate crimes enforcement program, says “hate” equals bias against federally protected groups, particularly homosexuals (or

criticism of Israel or outing the “Forces of Evil” or questioning the “official” version of the holocaust or speaking against those who perpetrate Talmudic occultic evil or exposing the satanic cult of the Pharisees and Masons and their members thereof etc. etc...).

What document is most biased against homosexuality? The Holy Bible. Bible-believing Christians thus become “haters,” potential hate criminals - the ultimate target of ADL’s distorted definitions of hate and hate crimes (also note that they are the Forces of Evil whose goal IS to destroy Christianity in America and replace it with their cult/occult Noahide ideology which is based on their occult Babylonian Talmud and the Cabala that spiels real hate, threats of death and bigotry towards people outside of their Luciferian cult).

Many homosexuals have AIDS, hepatitis or prey on boys. Yet the hate bill says anyone who verbally attempts to “intimidate” a homosexual away from enjoying full housing or occupational privileges (food services, healthcare, P.E. coaching, or as a Scout leader or clergyman) is guilty of a federal hate crime. It also says that if a pastor or broadcaster “aids, abets, or counsels” anyone to “intimidate” homosexuals, he is a hate criminal. (Title 18, U.S.C., Sec. 245, 2)

## EPIDEMIC OF HATE?

Supporters of “anti-hate” legislation claim there’s an epidemic of hate in America. Yet the FBI’s 2005 *Uniform Crime Report* shows alleged hate crimes comprise a tiny 1/15 of 1% of all crimes in America. This is hardly a crisis requiring a vast federal thought crimes bureaucracy with unlimited power to invade state law enforcement. Also, at least 95% of so-called hate crimes reported to the FBI have never been tried in court. Most are nothing but police opinions about verbal “intimidation,” name calling, and petty assault and vandalism. You must understand, the real reason behind the making of “hate laws” is to protect the “Forces of Evil’s” own agendas from coming under attack. Criticize Israel of its evils, that’s a hate crime. Point out that homosexuality is immoral, that’s a hate crime. Expose Freemasonry as anti-American and corrupt and evil, that’s a hate crime. Show that the Talmud is hateful and bigoted, that’s a hate crime. Expose that the holocaust is based on deception and lies, that’s a hate crime. A hate crime today is anything the Pharisees and Masons hate to hear. I can go on and on but you get the idea on how twisted “hate crime” laws are used to protect evil, lies, deceptions, immorality and the cult and occult forces from exposure and ridicule. To victimize and penalize those who would expose the truth or want open discussions and public debates that the Forces of Evil want to avoid is in itself evil,

immoral and outright hateful. Truth never needs a law to protect it, only lies and deceptions need laws for protection.

TALK SHOW HOSTS Interview Rev. Ted Pike!

Call 503-631-3808. With Americans behind them, Republicans in Congress repeatedly defeated the federal hate bill in the

past 8 years. Yet Democrats, who always vote for the hate bill, now control Congress. Their strong numbers mean the bill will pass... *unless* there's an upheaval of protest.

Note: When Ted Pike refers to the Democrats or Republicans, you must keep in mind that the Forces of Evil in these parties and in the White House and other government run agencies are the Zionist Pharisees and Freemasons that are connected and are the leaders and forerunners in promoting the New World Order. This New World Order will be a Luciferian system of government for it will be controlled by them. In other words, this World system will be a communist dictatorship, which is right out of the Talmud of our Pharisees of today. It will be a satanic world system that will cause the destruction of this planet, a curse and blight on all mankind. So stand up and resist and fight against the Forces of Evil, get them out of our government and even out of our country. Prosecute those by a legal trial who have been proven to have done criminal acts against us to be put in prison and their ill-gotten gains confiscated.

## NO FREEDOM of THOUGHTS ALLOWED IN CHINA

Thought crimes are now being aggressively enforced in Communist China. The Falun Gong religious group, which is primarily composed of elderly people who engage in silent meditation, has been under severe attack by the Mainland Chinese authorities. Chinese government authorities have tortured, beaten and imprisoned thousands of Falun Gong members to date, and the persecution continues.

Their crime? Thought crimes. They have been MEDITATING. They have been exploring their inner truths, their self-awareness and their God-given talents to find creative, peaceful "places" in their own mind. This is the same meditation practiced by masters of the martial arts, by Buddhist monks, by the Dalai Lama, and by religious leaders worldwide.

So why is China arresting Falun Gong members? Read this carefully: because self-awareness is incompatible with government control. The more people that practice meditation and self-awareness, they become harder to control. Thus, the Communist China government correctly perceives meditation as a threat to their power base, and they will stop at nothing — including murder — to destroy those who search for truth.

America may be next. Already, "thoughts" are being made illegal through the dangerous proliferation of hate crimes. These imaginary "crimes" are the precursor to bona-fide Thought Crimes.

## NO SUCH THING AS A HATE CRIME

What is a "hate crime"? If you murder someone while thinking racist thoughts, is it any worse than murdering someone while you're thinking non-racist thoughts? Of course not: both are murder. Both should be punished as murder. The contents of the perpetrator's thoughts are of no consequence. What matters are his actions and the consequences thereof.

Not surprisingly, we are now witnessing a global surge in thought crime legislation. Call it whatever you like — a conspiracy, a Big Brother action, a New World Order effort, or just over-zealous law enforcement. But the bottom line is that all over the globe, new efforts are being aggressively pursued to control and direct the very thoughts of Earth's citizens. In China, this government-led effort is as obvious as daylight. In the United States, it is not immediately obvious, but upon close inspection, the truth is undeniable: thoughts are being increasingly legislated against.

Gutenberg, considered by many to be the most important man of the millennium, would be appalled. The invention of

the printing press served to set mankind free. The invention of the Internet further multiplied the freedom effect, and that is perhaps why the control-mongers of the world (Big Government in particular) are taking new action to limit freedom of speech and freedom of thought over the Internet.

The Internet allows thinking people to reach other thinking people for fractions of a penny per page. It allows truth to spread at the speed of light. This attribute, by itself, has scared the socks off drug companies like Monsanto, which recently said the Internet was a "big problem" because it allowed people to distribute information questioning the safety of Nutrasweet. It has also scared Washington.

While Al Gore once heralded the construction of the Internet (and even took credit for inventing it), the White House recently started blocking all e-mail from Vote.com — a site that solicits public opinion on certain matters and forwards those opinion polling results to the appropriate House members.

Big Government now finds itself in a tight spot: it loves the economy-enhancing aspects of the Internet, but not the unleashing of free speech and free thought. To counter this, they will have to enact new legislation to outlaw certain types of speech on the Internet.

This effort has already begun. Senators Feinstein, Hatch, Biden, Helms (interesting, these are Jews and Masons) and others recently backed a bill that seeks to criminalize the "discussion of non-approved drugs" on the Internet. Their justification? "Fighting crime." But, in fact, they would be criminalizing the Internet publication of information about herbs, for example. Highly profitable drug manufacturers will likely be showing strong support for this bill because it would outlaw the health-enhancing distribution of information about alternative medicine while protecting drug-producer profits.

Israelites: A term used in the Old Testament to define those who were followers of the true God, even though some followed God very poorly. Jacob's name was changed to "Israel" when he finally realized that a life of lying (to his father) and stealing (the birthright from his brother – and animals from his father-in-law) was not the way to live. When he had confessed his wrongs to God and agreed to make amends with his brother, God changed Jacob's name to Israel

– a Spiritual name, signifying that he was now “right with God and man.”

His offspring, the physical offspring of Israel (Jacob’s Spiritual name), also became known, spiritually, as “Israelites.” It was a designation of those who worshiped the true God.

The word Israelite and the word “Jew” are not synonymous. There was no “J” in the Greek or English alphabet until around the 14<sup>th</sup> century, or later, certainly not at the time the Bible was written. In fact, as noted below, the word “Jew” does not appear in the Bible, it was been written in by the translators. The original Greek word is Iudean (later changed to “Judean”) and referred to an area in Palestine inhabited in Bible times mainly by those who worshiped the true God.

The word “Israelite” has no relationship to the word “Israeli” which describes those who presently live in the state of Israel. The majority of Israelis are pantheistic atheists, and therefore do not qualify as Israelites - worshipers of the true God.

### The Word Jew

By: Lorraine Day, M.D

The Bible translators made up the word “Jew.”

The word “Jew” is a mistranslation of the word “Iudean” or “Judean” which was a location in Palestine, and referred to the group who, at that time, worshiped the one God of heaven (they were “believers” even though they were constantly straying from God), as opposed to the “Nations” (often mistranslated “Gentiles”) who worshiped many different gods, and were the “Unbelievers.”

There is NO SUCH THING as an “ethnic” Jew! Jewishness is a Culture - - NOT an ethnicity. And the Jewish Culture is the Culture of the Talmud, the writings of the Pharisees who were taken captive from Palestine to Babylon when Jerusalem was destroyed. In 70 A.D.

Are ALL Jews alike? Not at all. There are many people who consider themselves “Jewish” who are wonderful, honest people. On the other hand, there are some “Jews” who believe they are better than other ethnic groups, just as some whites, Asians, and others may believe they are superior. This, of course, is wrong, no matter what group one belongs to.

But the ruling elite of International Jewry, the Zionist Jews, have a diabolic agenda - - total control of the whole World by force, for their own greed and desire for power.

Included in this elite group of Zionist Jews are the Rothschilds, the Warburgs, the Rockefellers, Henry Kissinger, most, if not all the royal families of Europe, the Wall Street Bankers, media baron, Rupert Murdoch, Seagram's whiskey heir, Edgar Bronfman, head of the World Jewish Congress, the Neo-cons, and many others, men who have NO allegiance to ANYONE or ANYTHING except themselves and Zionism! They constantly propagandize the rank and file Jews of the world with the lie that every non-Jew is their enemy, terrorizing them into a cohesive group.

Yet, the top-level Zionist Jews would sacrifice the rank and file "Jew" in an instant if it serves their own selfish purpose of total domination of the World!

Judaism: The religion of the Pharisees – the antithesis of Christianity: There are three main branches of Judaism; Orthodox, Conservative and Reform.

Orthodox: Traditionalists who observe most of the traditional dietary and ceremonial laws of Judaism.

Conservative: Do not hold to the importance of a Jewish state, but put more emphasis on the historic and religious

aspects of Judaism, doctrinally somewhere between Orthodox and Reform.

Reform: The liberal wing of Judaism, culture and race oriented with little concerns about doctrinal or religious beliefs.

The religious beliefs of most forms of Judaism are from the Talmud, the writings of “man” – the Pharisees, rather than the Tanach – the Old Testament of the Bible, the writings of God through His inspired writers.

It has been said that Judaism IS Talmudism! And there is much evidence to support this. In fact they will deceptively use the name “Torah” (which means Old Testament) and apply this name to their Talmudic writings. So when they say that they believe in the Torah (Old Testament), they are really referencing this to the cult/occult writings of the Talmud that is the antithesis of the Holy Bible which is at war against the World of God and Christianity.

## SATAN'S KIDS

Jack Mohr

Lt. Col. AUS Ret.

This book was originally published over ten years ago and has been out of print for some time. After many requests for this book, and because of the seriousness of this time, I have prayerfully rewritten the text to bring it up to date.

I pray that it will prove to be a blessing to you and open the eyes of some of our brainwashed brethren, in the Christian church, who are Israelites and don't know it; so they will stop subsidizing their worst enemies, and begin to sincerely, "Occupy until He comes!"

"We are not interested in the goods of others; we are solely interested in pure power." (George Orwell in his book 1984)

Today, the Free World, made up mostly of the basically White Christian Nations, sometimes called Christendom are drifting at an alarming rate into the totalitarianism of Orwells 1984.

In one country after another, opposition parties have been banned, and the press has been controlled, while the people have been deprived of their natural right of self-protection, by banning their right to "keep and bear arms."

In each of these countries religions, especially that of Christianity has been banned as offensive to the state, while an Elite Inner Party has taken over complete control. Yet every totalitarian nation, flaunts its democracy. The perfect example is in Africa, where every Black nation that was once under White Colonial control, is today infinitely worse off in every aspect under Black democratic control. These are not speculations but observable truths.

What of America? "Sweet land of Liberty?" Is it possible that "1984" might happen here? Most people, including many who go by the name Christian, will laugh at the dangers posed by Zionism and will label me as a hate monger, or even worse an anti-Semite, which is worse to many Christians than blasphemy against GOD.

The Apostle Paul warned us about this time in 2 Timothy 4:3, 4 where he says, "For the time will come when they will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto (Jewish) fables." He strengthens this statement in Titus 1:10, 11 where he says, "For there are many unruly and vain talkers and deceivers, especially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (households), teaching things which ought not for filthy lucre's (money)

sake." Then in verse 14 in the same chapter he says, "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." My, how careful the church world is to bypass these verses.

In 2 Thessalonians 2:9-12, he tells us why we should heed this warning, "...after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they might be damned (judged) who believed not the truth, but had pleasure in unrighteousness."

Today in 1999, the Christian church faces the most devastating assault which has been hurled against it in the 2000 years since the Jews first tried to stamp it out in the First Century A.D. Unless the Christian church is willing to discern the sign of the times, she could well end up being a willing agent of the enemy. Already many so called Christians are, without knowing it. She could easily find herself glibly mouthing enemy slogans in the name of our Savior, Jesus Christ.

Who are these enemies?

I have before me as I write, a letter mailed on August 8, 1966, from the Jewish Community Council of Metropolitan Houston,

addressed to MEMBERS OF THE COMMUNITY RELATIONS COMMISSION OF THE JEWISH COMMUNITY COUNCIL, and signed by their chairman Malcolm F. Sher, M.D. Here are parts of this letter applicable to the subject under discussion.

"The purpose of this meeting... at the Jewish Community Center is to note the intrusion of religion in the public schools, specific the religious pageantry at Christmas time. (Can you guess which religion they are referring to?)

"We feel the time to understand and prepare for our role concerning this Christmas celebration in our public schools, should be held now, during the summer months, so that we might be better prepared to take a course of action. Now is the time we must discuss this problem."

This is a mild example of the manner in which Satan's Kids are harassing Christians, while ultimately, according to the word of their International leaders, they are planning to "drive God from the skies, and destroy the White Christian Civilization."

One of the most amazing phenomena of the Twentieth Century, is how a group of people, numerically small in number, who hate our Lord Jesus Christ and His church, have so completely fooled the vast majority of Christendom into accepting them as God's Chosen, while lavishing on them countless billions of dollars which should have gone for God's work elsewhere.

While many Christian pastors bow down before the Talmudic idol of International Judaism, and world politicians cringe before the power of the Zionist horde, they are left free to destroy our most cherished traditions, and our country itself.

What has brought about this curious and potentially fatal situation, where God's enemies are elevated to a position of honor by the very men who have been ordained to preach Christ's Gospel and Coming Kingdom?

Why do our politicians walk in fear before this insatiable alien minority? Can the Christian civilization be delivered from this bondage before it's too late?

In this book, I will attempt to discuss this tremendous problem in terms that the average layman can understand. As a foundation for this discussion, I will use a book titled THE CONQUEST OF THE WORLD, written by Major Osman Bey in the late 1800's and translated from French into English by Dr. F.W. Mathias. Original copies of this book may be found in the London Museum. Strangely enough, for obvious reasons, it has disappeared from the major city libraries of New York, Chicago, and other large cities.

The Jewish question is one that must be faced and answered by every Christian. If the power which is now attempting to strangle the Church of Jesus Christ is to be defeated and the

Kingdom Movement on earth be set up as foretold in the Scriptures, this evil must be defeated.

I pray that God, through the leadership of His precious Holy Spirit, will use this book as a means of educating our people to truths they may not know, and to dangers they face. May it stiffen our backbone for the trying days which lie ahead, and keep us Occupying until He comes!

INTERNATIONAL JEWRY ALWAYS FOLLOW THE FOLLOWING FOUR PRONGED STRATEGY:

1. - Manipulate members of the host nation into helping the Jewish people, no matter how dangerous it may be to the welfare of the nation.
2. - If an individual refuses to cooperate, by-pass him and take care of him during mop up operations. This is an unbreakable rule of warfare.
3. - If the enemy actively resists, mark him for destruction and then destroy him through defamation brought about through control of the media, or by using the nation's due process of law through Jewish controlled courts and lawyers.

Listen to this idea espoused in their handbook on PSYCHO-POLITICS, Page 52: "Recruit every agency of the nation

marked for slaughter into a foaming hatred of religion . . . You must suborn district attorneys and judges into an intense belief . . . that Christian practice . . . is vicious, bad, insanity causing, publicly hated, and intolerable. Just as in Russia we had to destroy, after many years of arduous work, the Church, so we must destroy ALL FAITHS in nations marked for slaughter. "This is the Jewish TALMUDIC plan for America.

4. - Never let any individual or organization in the host nation, use the media or the courts to counter-attack us, or for their own defense. Any close look at recent court decisions will show this bias against Christians, since a majority of the Judges and attorneys are Jews.

This theory has been eminently successful in America, to the point that when a Jew attacks Christ or Christians it is considered acceptable as freedom of speech, but if the Christian is unwise, or brave enough to retaliate and expose the Jew's nefarious purpose, it is automatically classified as anti-Semitism, or a hate crime. Often Christians are ostracized by their own people, who are willing to believe the enemy, rather than their own. I experienced this when I left the Fundamental Baptist Church, in 1981, for the Truth of Israel Identity and the Kingdom Movement. I was immediately labeled an apostate by my own pastor, and in the intervening 18 years, not one Baptist pastor, has attempted to show me

where I was wrong from the Word. They avoid me as though I had the plague.

If I as an Anglo-Saxon author, were to charge that my writings were not accepted in Fundamental churches, not because they were unscriptural, but because they would not pass Jewish censorship, there would be a great hue and cry coming from the Fundamentalist camp, and I would immediately be labeled an apostate. Not because I had departed from the "fundamentals of the faith," but because I no longer accept the anti-Christ of Judaism, as God's Chosen.

Is the most powerful nation in the world, when measured by tangible armaments, totally unable to defend itself against treason from within, and an ideological war, waged by a handful of aliens against our very foundations?

Certainly America is unprepared for this war, when we have traitors against the cause of Christ, who stand behind the pulpits of this land, extolling the merits of the enemy. We have been infiltrated and the church has become the main source of our problem. We are told in Jeremiah 23:22 - "But if they (the pastors of Israel) had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil ways, and from the evil of their doings." This wasn't happening in America, and it shows by the fact that with 50-million born again Christians in the

country, we are headed for hell faster now than at any time in our history.

Most Christians, including their pastors know very little about the Jewish religion, other than what they read in their Sunday school literature, which may very well have been written by an unsaved Jew. The same is true of graduates from Seminaries and Bible schools, which have been heavily infiltrated by Jews.

Most Christians believe that Jews follow the teachings of Moses, although their Bible clearly shows them that Jesus told the Jewish authorities, "For had you believed Moses, you would have believed Me: for he wrote of Me. But if you believe not his writings, how shall you believe my Words?" (John 5:46, 47)

There are very few Jews of Abrahamic blood and these are to be found among the group called Sephardim, Mediterranean Jews. The much larger group, possibly 90%, are of Oriental, Turco-Mongolian blood and their fore fathers never set foot in Palestine. These are the ones who have accepted the heathen teachings of the TALMUD, and are ruled in their religious life, by its filthy, anti-God teachings.

Most of their ancestors came from a heathen group known as Khazars, from Southeastern Russia, who were converted to

Judaism in the 8th Century A.D. May I suggest that you read the Jew Arthur Koestler's book "THE THIRTEENTH TRIBE."

The vast majority of Judaism are atheists and agnostics. They believe the coming Messiah is the Jewish nation, as it rises to prominence and takes over control of the world, and this is what they live for. They look forward to the day promised in their TALMUD, when "every Jew will have 2,000 goyim slaves."

It is interesting to note that wealthy Jews in the fields of arts and culture refer to promising young talents as stables. Could this have something to do with the Talmudic teaching that "Only Jews are men and that all others, especially Christians are goyim "soulless animals"? (TALMUD, Volume KERITHUTH (6b, page 78), or ORACH CHAIM (225, 10), where Christians and animals are grouped together for comparison.

Like all conspiracies, the Jews have one glaring weakness. Their work must be done in secret to be successful. This is why they raise such a stink, when anyone exposes their nefarious purposes.

Their victims must not know what is taking place. They must be lied to, or be made so confused that they refuse to accept the obvious truth when JUDAISM is EXPOSED. If the Christian world ever accepts the truth about Judaism, they will be

defeated! Jesus said, "You shall know the truth, and the truth make you free." (John 8:32) Truer words were never spoken!

This is why any honest attempt to expose Jewry is met with howls of anguish, from both Jewish leaders, and their Christian stooges. They immediately react by pinning the labels of kook, dangerous-racist, anti-Semite, or Right wing extremist on the exposé. The fact that he is telling the truth, only adds fire to their accusations.

Referring again to Harold Rosenthal, he stated, "Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is an expression we Jews use effectively as a smear word - used to brand a bigot - anyone who dares to criticize a Jew. We use it effectively against hate-mongers." It is a term that has only recently been created, and has little real meaning, since the majority of the people we know as Jews are not Semites. The Jews use this tool to control and silence opposition to their repugnant ways.

When Jesus spoke to the Jewish leaders of his day, they openly revealed that they were not Israelites. Read it for yourself, John 8:33 - "They answered him, We be Abraham's seed, and were never in bondage to any man:" Which could have meant only one thing. That they traced their ancestry to Abraham through Esau, which meant they were Edomites. We know from historical records that King Herod, who killed the

Hebrew babies, and the Chief Priests of the Jews were Edomites. Don't let your pastor spiritualize this passage away, for it is essential in knowing the truth.

Because the truth will make Christians FREE, we see two Jewish programs at work in the world. The one is intended for goyim consumption, while the other is exclusively for Jews. No matter what a Jew may say to his non-Jewish counterpart, he will always be seeking a kingdom to come, on this earth, over which he will be the Supreme Ruler. This desire for a Jewish nation, according to their own writers, will be fulfilled, when the wealth of the world is in their hands and all mankind bows at Jewish feet. This could account for Jewish statements, such as that made by a Rabbi Reichorn, in 1856, at Prague, when at the funeral of another Rabbi he said, "Wars are the Jews harvests. With them we gather up the gold of the goyim while destroying them. We have already killed 100-million of them, and the end is not yet!" You will always find the desire for Jewish power and wealth, accompanied by oceans of blood. Note: As the 20th century comes to a close, almost half a billion people have lost their lives because of Jewish dictators or bankers financing oppressive regimes. Every nation on Earth, all races, religions and peoples, have paid blood sacrifice, so Jews can get what they want.

There is little doubt that Henry Ford, Sr. the American Christian Industrialist was right, when he wrote in his book "THE INTERNATIONAL JEW," "If the Jew were fully understood by the Gentiles, if Christian Churches for example, were freed from the delusion that Jews are Old Testament people, and if the churches really knew what the Talmudic religion is, this misrepresentation would be impossible. This policy of misrepresentation succeeds, because there is a feeling, strongly entrenched in Gentiles, that somehow the Jews are Chosen People, and that it is dangerous to oppose them in anything; whoever opposes the Jews is damned. The 'fear of the Jews', is a very real element in their life. It is just as real among Jews, as it is among non-Jews, since the Jew himself is bound by fear of his own people and exercises in fear of the curse through the sphere of religion.

"If the Jews were really Old Testament people, if they were really conscious of a mission to be a blessing to all mankind, the very things in which they offend would automatically disappear. If the Jews are being attacked, it is not because he is a Jew, but because he is a source and life of certain tendencies and influences which, if they are not checked, mean the destruction of a moral society" (note their promotion of sodomy with all its immoral variants today).

How true this far seeing man was. After spending years in research and over 8-million dollars studying the Jewish

problem, he came to these conclusions and as usual, International Jewry attempted to destroy him for speaking the truth. Note: They tried to murder him.

Another great American, who lived many years before the time of Henry Ford, saw this same problem and came to the same conclusion. This is taken verbatim from the "CHRISTIAN LAW JOURNAL," No. 32, 1982, the official publication of the GOSPEL OF CHRIST'S KINGDOM CHURCH:

"As the American colonies rose in revolt against political oppression occasioned by the attempt of Jewish banking houses in Europe to consolidate their economic foothold in the New World, no man among the founding Fathers was more alert to the designs of International Jewry, than that shrewd elder statesman of the American Revolution, Benjamin Franklin. Writing to John Adams from Passy, France, on November 26, 1781, Franklin declared: ' I think that keeping us out of possession of fifty thousand pounds sterling worth of goods for securing of a demand for damages, is not only dishonorable treatment but a monstrous injustice. It seems to me that it is principally with John Neufville of Amsterdam, Holland, we have to do; and although I believe him to be as much a Jew as any in Jerusalem, I did not expect that, with so many and such constant professions of friendship for the United States with which he heads his letters, he would attempt to enforce his demands by a

proceeding so abominable. His proposition of terms on which he would borrow money for us stamped his character on my mind with an impression so deep that it is not effaced." From Albert Smythe's "WRITINGS OF BENJAMIN FRANKLIN", New York, 1905.

De Neufville, was a Dutch Jewish International banking house that wanted to make a loan to Congress on the modest security of the entire Thirteen Colonies and with the stipulation that all American trade and exchange pay a commission on them. In another letter to Adams on December 14, 1791, Franklin remarked that such blood-sucking traits dated back a long way.

In another instance, Franklin revealed his loathing for Jewry in a poem on Benedict Arnold. It was replete with references to Arnold's association with the Jews. The inevitable Jew in the Arnold treason case, was a David Franks. It seems that Franks and the British General Sir Henry Clinton, were involved in illicit trading activities long before Arnold betrayed the American Army into British hands.

Franklin's most damning indictment of Jewry was contained in his famous prophecy at the Constitutional Convention of 1787 in Philadelphia. In one of the most anti-Jewish utterances of all times he declared: "I fully agree with General George

Washington, that we must protect this young nation from the assiduous infiltration. That menace, gentlemen, is the Jews.

"In whatever country in which they have settled in any great number, they have lowered its moral tone; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion, on which this great nation is founded, by objecting to its restrictions; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as is the case in Spain and Portugal.

"For over 1700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live among themselves. They must subsist off Christians and other people not of their race.

"If we do not exclude them from these United States in this Constitution, in less than 200 years, they will have swarmed here in such numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, and given our lives, our substance and jeopardized our liberty."

"If we do not exclude them, in less than 200 years our descendants will be working in the fields (while they will be in the counting houses, rubbing their hands). I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves."

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they have been away from Asia, they will never be otherwise. Their ideas do not conform to those of an American, and will not, even though they live among us for ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country, if permitted entrance, and should be excluded by this Constitutional Convention."

We are now learning the truth of this statement, which was written over 200 years ago. These remarks were recorded in "CHIT CHAT AROUND THE TABLE DURING INTERMISSIONS", a section of the diary of Charles Cotesworth Pinkney, of South Carolina (1746-1825), who attended this convention as a delegate, and took down excerpts of some of the outstanding addresses and discourses which he later published in his diary.

Unfortunately all copies of the Pinkney Report have mysteriously disappeared from libraries during the 1930's and the only known copy was in the Franklin Museum in

Philadelphia. I'll leave it up to you to decide why these remarks were removed from American consumption.

If Franklin were alive today, I'm sure he would be in the forefront of a new American Revolution, this one to free our beloved country from the poisonous influences and domination, he warned about over 210 years ago. It might be well for you to know that there are several affidavits from well-known and respected citizen's testifying to the authenticity of Franklin's statements in the Pinkney Journal.

As Franklin predicted, Americans now work five months out of the year, to pay off the Jewish money changers who hang around our necks like a smelly dead albatross, and where generations to come, will be saddled by a grievous financial burden we have run up by catering to these vampires. It can only grow worse, until Americans are willing to "take the bull by the horns", and do something to stop it. This must begin with the curtailment of Jewish influence in our government and church. (They are the Luciferian 5<sup>th</sup> column in our government and society. M. Birkedahl)

It is a gross understatement to say that International Jewry has trampled underfoot the rights of all Americans, especially those of Christians whom they hate. In their relentless conquest for world dominion, they have brainwashed us into the deadly habit of issuing bonds, not only by the nation, but

by municipalities, school boards, and churches. By doing so, they have seduced us into mortgaging away our national wealth for subversive purposes which are destroying us.

I spoke at a large Mid-west Fundamentalist church, whose pastor was prominent in the ranks of the Moral Majority. This was during the first days when the Holy Spirit was opening my eyes to the danger from Judaism. I spoke to him about what I had learned regarding the Jews, and received a favorable response as he said, "Yes, what you say about them is true, and I have known for some time that they could not be God's Chosen." Being his close friend, I asked, "If you knew this, why haven't you told your people?" With a rather crestfallen look on his face he replied, "I can't! You see, Jewish bankers in this city hold 1.7 million dollars' worth of bonds on my church, and if I said anything bad about them, they would foreclose and force me to shut the doors." A perfect example of "For fear of the Jews", found throughout the Bible. (See Esther 8:17; John 7:13; 9:22; 12:42; 19:38.) Now the I.R.S. has stepped in with my pastor friend, and is attempting to complete the nefarious task the Jewish bankers began.

The interest on these Jewish held bonds goes on continually, day and night, without interruption. Its course sweeps like a tornado over the fair fields, destroying everything in its path, bringing death and destruction to everything it touches. It is the seat of World power that of accumulating interest, and

has become the most effective weapon in the world as the Jews use it for their control of mankind. Our Congress, led by a traitor in the White House, sold us out to the International Jewish Bankers, in 1913, when they passed the Federal Reserve Act, taking the power to coin and control our money, and gave it into the unscrupulous hands of the Jewish bankers of Europe. There were only two dissenting votes against it, by the only two Senators who bothered to read the Bill and see what it contained.

These facts are constantly staring us in the face, and cry out for decent people's recognition. Our only answer to the money problem is to keep out of debt, and many of you who read these words will understand how extremely difficult this is during these days. The financial welfare of individuals, as well as nations demands this! The power of the usurer will be broken, when our debts are liquidated on a just and equitable basis. Congress could do it with one Bill, just as they created this monster in 1913, if they had the courage to stand by their oath of office and oppose the International gangsters. Here again we see the Fear of the Jewish Syndrome at work.

During the Dark Ages, men raised a great outcry against the priest craft of the Roman Catholic Church which was strangling old Europe. These were the dark old days, when it was against the law for a Christian to read a Bible, if one were available. The power of the priests was small, when compared

to that of the Jewish money changers. Concealed behind their office desks and bank counters, these heathen parasites gnawed into Christian wealth, and destroyed the vitals of mankind through their imposed Amorality. They followed an unwritten TALMUDIC law, which says, "There is no law which applies to me". I am a Jew, and I am above the law. Therefore the end justifies the means, as long as I get what I want!" This is the basic law of world Jewry and Communism, which comes from the same satanic source.

While Christians may expel apostates from the church, the Jews expel their opponents from the Stock Exchanges, from social connections, and finally condemn them to starve, with no roof over their heads. If we are to ever restore the social balance of America, we as Christians must take hold of this obnoxious Jewish weed, and tear it out by its roots. We must direct out attacks and exposures against the enemies of Christ and His church, no matter how loudly their friends in the Judeo-Christian world may scream. This evil, which has brought the world to the verge of destruction must be exposed and rooted out, if Christianity and freedom are to remain in America.

There seems to be an unwritten law among mankind, which causes them to impose their own conditions, even at the expenses of others. This has been the basis of personal wars which have plagued mankind since the beginning of written

history. We find the reason for this in the New Testament, where the Apostle James tells us in James 4:1-3 - "From whence come wars and fighting's among you? Come they not hence, even of your lusts (an intense craving for material things) that war in your members? You lust, and have not: you kill, and desire to have, and cannot obtain: you fight and war, yet you have not, because you ask not. You ask, and receive not, because you ask amiss, (wrongly) that you may consume it upon your lusts."

Looking back over 6,000 years of written history, we can see the truth of this statement. There seems to be three major principles for war:

1. - The PRINCIPLE OF PHYSICAL FORCE: The Communist Textbook on PSYCHO-POLITICS puts it this way, on page 30 - "If you would have obedience you must have no compromise with humanity. If you have obedience you must make it clearly understood that you will have no mercy. Man is an animal and he understands in the final analysis, only those things which a brute understands." This is why we have the theory of Evolution taught in Humanist schools. If you can convince young people that they are nothing but graduate animals, not worth very much in earth's scheme of things, then you can mold them to your pattern, and they will commit horrible crimes on the Slave Master's orders.

2. - The THEOCRATIC PRINCIPLE: in which the masses of a country are forced to accept a religion, foreign to them. This example can be seen in many Moslem countries which were forced by the power of the sword, to accept Islam. It can also be seen in many of the conquests of the Roman Catholic Church during the Dark Ages, when they forced most of Europe to accept Catholicism or be killed. They then carried it over to the New World among the Indian Tribes of Mexico and Peru.

3. - The PRINCIPLE OF MATERIAL INTERESTS: This is where people are enslaved, not so much by war, as by economic oppression and brainwashing. The enemies are past masters at mind control, for they have been practicing it for millenniums. This is why an influential Jew like Harold Rosenthal could say, "Most Jews throughout the world - I'd say more than 90%, know what is happening among our people. (This sort of explodes the Judeo-Christian theory, that most Jews are innocent of what their leaders in Zionism are attempting to do, and why you seldom hear a Jew complain about the actions of his leaders.) We have communications unequaled anywhere. It is only jerks, the ignorant and misinformed degenerates who can find peace in your society - you bastards hide your sins by donning sheep's clothing. You are hypocrites - not Jews, as you write about! In Russia there are two distinct governments - one visible and the other

invisible. The visible is made up of different nationalities, where as the invisible one is composed of all Jews. The powerful Secret Police takes orders from the invisible Jewish government. There are about seven million communists in Soviet Russia, (this was in 1975). 50% are Jews and about 50% Gentiles - but the Gentiles are not trusted. About once every five years the secret Jewish Board calls for the purge of Party members, and the Gentiles are eliminated!"

When asked, "Why!" he said, "When they begin to understand too much about the secret Jewish government and how it controls Russia, they are eliminated." He went on to say, "There will be a forced class warfare here in the United States, and many of you will be liquidated. The Jews will not be harmed! I'm not boasting, I'm just giving you the facts.

"It's too late for you Christians to put up a defense, for that time has passed long ago. Long ago we Jews became the aggressors and that is undoubtedly one of our MAJOR purposes in life." Many Jewish leaders will, and have collaborated the words of this boasting Jew.

The first two principles are well known and appeared early on the stage of history. They can be seen in the actions of Egypt, Assyria, Babylonia, Persia, Greece, Rome, and in modern times in the Papacy, and in Russia, China, and Germany.

The conquests of the "PRINCIPLE OF MATERIAL INTERESTS", while much more destructive than the other two, has operated behind a smoke screen so that few have understood it.

The MATERIAL INTERESTS of mankind are the focal point towards which all other desires point. So to control material interests means total control of mankind.

A conquest founded on this principle is not a victory of armed strength over weakness, or a victory of knowledge over ignorance. It becomes a victory of cunning and intrigue, over confidence and carelessness. This is why a very wise Founding Father once said, "Eternal vigilance is the price we must pay for Freedom!"

How many times when discussing the problems of Communist control, have you heard Americans, especially Christians say, "It will never happen here!" Yet while they repeat this trite phrase, they are doing absolutely nothing to keep it from happening, relying on their pet phrases: "This world is not my home, I'm just passing' through!" Or "I'm saved, you know, and Jesus will come back and RAPTURE us before it gets all that bad." Or as one naive pastor said, "Why polish brass on a sinking ship?" I agreed with him, but what's wrong with the man's thinking, when he refuses to check the lifeboats to see if they are in working order? (Note: If you read the Ten Planks

of the Communist Manifesto, you will clearly see that America, as well as other Western countries, have been coming deeply socialist nations. The trade treaties, NAFTA and GATT, are trade communes, complete with Soviet, Star Chamber arbitration systems.

Socialism and democracy are the twin blades of a scissors, a trap that will cause the whole world to fall into the hands of Judaic Bolshevik communist dictatorship, the end of the age red beast system with the Antichrist in full control who will be a Jew as the Bible has already pointed out. (M. Birkedahl)

In this book I will discuss how the conquest of mankind is now nearing its completion and the part being played in it, by its principal actors, Satan's Kids, (John 8:44) sometimes referred to as International Jewry.

Many of you will be dismayed by what I say and some of you may be tempted to throw this book away before you finish reading it. I will assure you, that if you read it in an honest Christian manner, and let the Word of God be the Umpire in the case, that it will blast away the Jewish myths the Apostle Paul warned about in Titus 1:10,14. It was not written for the purpose of making money, as so many writers in the Judeo-Christian world, such as Hal Lindsey are guilty of. It was not written to lead you astray from the truth of God's Word, for that will be our foundation alone. It was not written because I hate Jews and want to harm them. It was written for the

same purpose I might have, if I was driving past your home early some morning and saw smoke and flames shooting out of one of the windows. As a decent Christian man, I would be compelled to stop and warn you. Suppose I was like many Judeo-Christian pastors, and as I hurried up the sidewalk to your front door, I noticed the time was, 2:30 a.m., and thought, "They are sure going to be upset if I wake them at this hour." So I turn away, your home burns to the ground with your family in it. I'd be as guilty of murdering them, as if I had held a gun to their heads. I know that someday I will have to stand before the King and give an account to Him. I am more interested in hearing Him say, "Well done, good and faithful servant," than I am receiving your praise now.

So I do not ask you to believe me, or even accept what I say. I do suggest, however that you be honest with yourself and read this entire book before you make up your mind. Then take the facts I have given you - place them under the most powerful magnifying glass you can find - the Word of God - and when you find I have told you the truth, then take a stand in proclaiming this truth, for only as God's people, and I'm referring to genuine Christians, standing in the gap, can this nation of ours survive.

Today, the Divine and Sacred mission of the Christian faith is in jeopardy, to a degree never before witnessed in its 2000 years of history. If the day ever arrives, when Christians can

no longer profess their Christian faith, and this is what the enemy is working for, then civilization will go back into another Dark Ages. The malignant character of the malady that is afflicting Christianity today is as progressive as a malignant cancer. It will surely prove fatal, unless we are obedient to the King, and Occupy until He comes.

While many may scoff at the idea of a great world-wide conspiracy to destroy the faith and Christian Civilization, it never the less exists. To bury our heads in the sands like the proverbial ostrich, will prove fatal. We need a spiritual Paul Revere, who will ride across this nation warning that our enemies are moving against us.

Thousands of Christians in the Judeo-Christian churches of our land are troubled by the mysterious pressure among Christian clergy that keeps them from telling the whole truth. If our people were told the truth, they would stand like the Rock of Gibraltar against the enemies of Christ and the Church. It's difficult to fight a battle, when many of your spiritual leaders are on the enemy's side.

The Jewish people, alone, of all people on the face of the earth, have discovered the secret of the principle of material interests and how it can be successfully used in their search for world power.

If you examine history closely, you will find from the earliest times of their existence, that Jews have used this weapon in their fight against the world, and Christians in particular. It was on this Principle that their entire religious, social, and political structures has been built.

At this point, we will run into our first major problem in discussing Judaism. As you study your Bible, you will never be able to understand it fully, if you use the terms Hebrews, Israel, and Jews synonymously. They are not one and the same people. The word Jew does not appear in your King James Bible until 2 Kings 16:6, 1200 years after the time of Abraham, where we find them fighting against Israel. Note: The word Jew did not appear in any Bible prior to the mid 1800's.

This first appearance came about 1,000 years after the time of Jacob/Israel, and 750 years after the time of Moses, so to call these men Jews, is a grave error. Yet it is common practice in the Judeo-Christian church to refer to the patriarchs as Jews. This is intellectual dishonesty of the worst type. Jews do not appear on the historical scene until after the Kingdom of Israel was divided about 975 B.C., and they were known as IOUDEANS, which simply means an inhabitant of Judea. There was no religious significance to their name. It was not until the tribes of Judah and Benjamin (a small percentage of

them) returned from Babylonian captivity, that they became known as Jews.

The Northern Ten Tribes which were taken into captivity in Assyria about 750 B.C. disappeared from the Biblical scene, and appeared later in secular history, as they made their way north and west to the Appointed Place of 2 Samuel 7:10. They became known as Scythians, Gauls, and Sacea, from which comes the word Saxon and literally means. Isaac's sons. They were the forefathers of European Christendom, and are the only people in the world who fulfill the more than 200 Scriptural fingerprints which will identify true Israel, in the closing out days of this Age. The people we know as Jews do not fit a single one.

With a little effort on your part, you can become acquainted with the spirit and character of the Jewish people and properly evaluate their present purpose on the International scene. It is unfortunate, that in following this trail, we have only Jewish commentaries to go by. If the Philistines, or Babylonians had left reports of these people, it is quite possible that history would give us a different view point than we have today.

We are not sure from Bible sources, why Abram left Ur of the Chaldees, other than that in Genesis 12:1, God told him to leave, and he obeyed. In the great Faith Chapter of the New

Testament, Hebrews 11, we are told in verses 8-10 - "By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which hath foundations, whose builder and maker is God." None of these men mentioned were Jews.

If you look at a map of the Ancient world, you will find that Ur is located on the eastern boundary of Arabia, southwest of Babylon. In all probability Abram was an Arab. There are many similarities between Arabs and true Jews. There are also striking differences.

There are some Bible scholars who believe the true Jew is a direct descendant of the murderer Cain, and that therefore they are a mongrel race, since he was the first Adamite to inter-marry with other than Adamic people. Obviously from the scriptural account, Cain could not have married into Adam's family. (Genesis 4:16-18)

There is some scriptural basis for this, and it has resulted in what is known as the TWO SEED LINE Doctrine, which states that Cain was the result of a sexual union between Eve and Satan, and that this was the original sin. I cannot accept this

on the basis of Genesis 4:1, which clearly states that Adam has sexual relations with his wife, she got pregnant as a result and gave birth to a son they named Cain. There is absolutely no scriptural hint of any third party involvement here and I cannot accept this fable, straight from the Jewish Talmud. I do not have time to discuss this issue here, which has caused a division in Identity, but have a pamphlet available from SCRIPTURES FOR AMERICA titled "SEED OF SATAN - LITERAL OR FIGURATIVE?"

When John the Baptist, spoke to the religious leaders of the Jews, he was very harsh with them and called them a "generation of vipers (poisonous snakes)" in Matthew 3:7. When Jesus spoke to them in John 8:44 he accused them of "being of your father the devil", and in Matthew 23:15, He told the Pharisees that they went over sea and land to make converts, only to "turn them into two-fold more children of hell than yourself." Hardly a Chosen People status. You milk toast Christians who don't like to face up to the true facts about Jews, please remember that these harsh designations are not mine, but came from the lips of our Lord Himself. Who are you going to believe? Your pastor who says they are God's Chosen, or your Savior who said, "But you (Jews) believe Me not, because ye are not of my sheep". (Emphasis added are mine)

In Matthew 21:43, Jesus told the Jewish leaders that the Kingdom of God was being taken from them, and given to a nation (not church) that would "bring forth the fruits thereof." Could He have had been referring to the present day White Nations of Christendom who bear all the fingerprints, of true Israel? These are the only people who have spread His Gospel; they are only ones who distribute His Word to all the world; they are the only ones who have "set the captives free," and they have become a Great Nation, and a Company of Nations, in the British Commonwealth, all begun "for the glory of God, and furtherance of the Christian faith." No other people, anywhere, including the Jews, have fulfilled these fingerprints.

Finally, in 1 John 3:11,12, the Apostle John admonishes Christians to "...love one another. Not as Cain, who was of that wicked one, and slew his brother." Compare with John 8:44.

The Arab experience a beautiful, almost spiritual reverence for anything that is beautiful. While the Jew, on the other hand, when stopping to admire a flower, will at the same time be asking himself: "How much can I make out of selling it?"

Excessive covet-ness which the Apostle Paul calls idolatry Colossians 3:5 is an inordinate (unreasonable) desire for the possessions of others and this is the Jewish second nature.

The lust for material gain is so deeply ingrained in his organism that it extinguishes every other passion. Jews know no self-pride and if you sneer at him for any reason, he will very probably "laugh in your face." If you attempt to praise him, he will make you look like a fool. If you venture to keep him from getting what he wants, he will turn into a tiger who will fight you to his last breath. His major aim in life is gain and anything which does not have this objective in view, is worthless to him.

A story will suffice to explain this. Two men lay dying on their death beds. One is a Jew, and the other is a Christian. The Christian is disturbed because he may have cheated his fellowman and wants to make it right before he meets his Maker. The Jew on the other hand, gloats over his ill-gotten gains, and looks on them as God's blessing, because he is a Jew, and therefore God's Chosen.

This overriding passion for material things, places the Jews in a position of everlasting antagonism with the rest of mankind, or as the Apostle Paul said in 1 Thessalonians 2:15, "...they please not God, and are contrary to all men." For this reason he wages war with all those who do not belong to his clan and subscribe to his philosophy.

In their religious book, the "BABYLONIAN TALMUD", which Jewish authorities say is the heart blood of modern Judaism,

in the Volume "ABHODAH ZORAH" (26b) we read, "Even the best of the goyim (non-Jewish cattle) should be killed." In Volume "SEPHER OR ISRAEL" (117b): "If a Jew kills a Christian, he commits no sin." In Volume "ZOHAR II" (43a), we are told, "Extermination of Christians is necessary sacrifice;" while in Volume "HILKOTH AKUM I" (1) we read, "Make no agreement and show no mercy to Christians. Either turn them away from their idols, or kill them."

These are but a few of the hundreds of Talmudic passages which deal with Jewish treatment of Christians.

The Jew is taught that he was created to cheat and take advantage of all other people. Again going to the TALMUD for reference, Volume "ZOHAR I" (160a): "Jews must always try and deceive Christians. Volume "IORE DEA" (159, 1): "Usury is permitted for any reason when dealing with Christians." Volume "BABA KAMA" (113b): "the name of G-d is not profaned when a Jew lies to a Christian." These teachings are hammered into the heads of Jewish boys and girls at a very early age, until the Jew comes to believe, that the more cunning and greedy you are, the more you will receive the approval of God. This is of course is diametrically opposed to what Moses taught. The Jew recognizes no armistice in his unrelenting war with all other people. We in the Christian world have been led to believe that the Jew follows the teachings of Moses. Note: Non-Jews should always use the

Talmud in court cases against Jews. It goes to motive, and would totally shock a jury!

Very early in their history, world Jewry adopted a plan. This was to seize the gold and valuables of every country they invaded, but to allow the inhabitants to live and retain possessions of immovable property. Their argument being, "If we take their gold and the fruits of their labor, we may safely leave them in their fields and vineyards. If we succeed in making their riches our own, we will be the masters, and they will be the slaves."

In adopting their plan for world-wide conquest, they have become most remarkably successful, usually with the help of the people they are trying to destroy.

Let us see how they have applied their principle of MATERIAL INTERESTS in the Twentieth Century. They have not only plundered the world, following their age old plan of conquest, but have convinced many of its people that they are morally right. Here is where the falsehood of their Chosen People status carefully exploited among the Gentiles, especially Christians, has been most successful. They have not only sold the world the idea of their superior status, but have won a moral victory by the ability to throw the blame for all their problems and persecution on the shoulders of their enemies. They have sold this idea to most of the Christian world. Listen

to these words from a well-known Baptist evangelist, Jack Van Impe, who has become a vocal apologist for the very people who are trying to destroy everything he says he believes in. In his book "ISRAEL'S FINAL HOLOCAUST", on page 52, he says, "Jews accusers today are simply following the lead of anti-Semites before them. (It's interesting at this stage, to point out once again, that the vast majority of the people we know as Jews, are not Semites at all, but are ASHKENAZI JEWS, of Turco-Mongolian blood.) People do not want to accept responsibility for the wrongs of society, so they must have a scapegoat, and the Jews have been a universal scapegoat. They take the blame of ignorant people for problems ranging from plagues to politics." On page 55, he states, "The magnitude of Jewish suffering is difficult to take in completely. One may read of sanctions, slaughters, persecutions, and prejudices, but these are likely to simply move through the mind as historical facts without telling the whole story. The real account of the miseries of the Jews is one of feelings, frustrations, and fears. That is the human side of the story." He goes on to enumerate the woes of the Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their

attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are God's Chosen and Satan hates them, when the truth is found in the Apostle Paul's statement in 1 Thessalonians 2:15 "...they please not God, and are contrary to all men;" They were kicked out of every country in Europe, at one time or another because of their immorality and crooked business dealings (including verified accounts of [human sacrifices](#), the victims mostly being Christian children).

Dr. Oscar Levy, a notable Jewish author states, "We Jews have erred ... we have most grievously erred. And if there was any truth in our error 3,000 years ago, nay 100 years ago, there is now nothing but falseness and madness which will produce an even greater misery and an even wider anarchy. I confess to you openly and sincerely... We, who promised to lead the world into heaven, have succeeded in leading you into a new hell. There has been no progress, least of all moral progress and it is our Jewish morality which stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world and shudder at its ghastliness; I shudder all the more because I know the spiritual authors of this ghastliness."

Very few Jews have the courage to admit this, just as many Christians will refuse to accept it.

You may have known some nice Jews. I have known some too. The Problem is that the most enlightened Jews cannot entirely divest himself from considering the Gentile world from a Jewish perspective. This is true even of the Jew who converts to Christianity, yet still boasts of his Jewishness. This is the legacy of 2500 years of teaching and thinking. I have known converted Jews who still consider themselves as Jews, although Jesus said, " You cannot serve two masters," and Judaism and Christianity are headed in different directions and are hostile toward each other. I suspect that many so called convert Jews, when the chips are down, will prove to be loyal to Judaism. It has been so proven over and over again.

Van Impe barely touches on Christian massacres by Jews on page 50 of his book, where he says, "During the period between the resurrection of Christ and the destruction of Jerusalem in 70 A.D., the Jews imprisoned and executed many Christians." He says nothing of the millions who were killed by Jewish persecutions under Jewish run Communism. He is deliberately using an old propaganda trick of taking your mind off truth, by leading it down the path he chooses. In spite of his intellectual genius, and his knowledge of the Bible, he makes many intellectually dishonest statements, such as on page 56 where he says, " Abraham, the father of the Jewish race, was given an unusual promise by His Lord. The

guarantee of blessings, providing judgment upon all who bring evil on his descendants." First let me point out, there is no such thing as a Jewish race, any more than there is a Christian race. These are religions! It is also obvious to any honest Bible student that Abraham was not a Jew. Since these people did not show up on the historical scene until 1200 years after Abraham's time. Read the curse in Genesis 12:3 against those who curse Abraham. It says nothing about this being carried over to his descendants. If you can find anything in Genesis 12:3 that deals with today's Jews, then I have lost my understanding of the English language.

The policy of blaming others, for woes caused by their own actions is a Machiavellian principle. (Machiavelli was an Italian nobleman, noted for his cunning in politics. Like the Jews, he would stop at nothing to further his own aims.)

The Jews excel in this double cross and in our day it is the very soul of International Judaism and its illegitimate child, International Zionism, epitomized by the bastard state of the Israeli in Palestine.

One of the reasons the Jew has been so successful in their double cross, is the incredible naiveté of the Christian world and it's leaders, who insist that those who are trying to destroy them, are God's Chosen, who must be treated with utmost respect and never, never crossed. Their success has

also come from being able to convince most of the Christian world that Christianity is an offspring of Judaism, although how any intelligent person can equate the teachings of the Pharisees, then and now, with Christian teachings, is beyond my understanding.

The Christians have been led to believe that Jews have been scattered over the world because of their stubbornness in failing to recognize the Divine mission of Jesus Christ, when history and the Word of God itself, proves without a shadow of a doubt that the dispersion of the Jews, for the most part has been voluntary and for a predetermined purpose.

Referring again to the Rosenthal Report, he says, " We (Jews) are amazed by Christian stupidity in receiving our teachings and propagating them as their own," or as Henry Ford, Sr., so aptly put it, "The Christian cannot read his Bible except through Jewish spectacles and therefore often reads it wrong," (from "The International Jew," Volume IV, page 238). As a matter of fact, many Christians do not live by God's Word, but by what Jews have taught their pastors in their seminaries.

Rosenthal continues, "Through our propaganda, the church has become our most avid supporter. This has given us a special place in your society, since you accept us as God's Chosen People.

"These deluded children of the Church defend us to the point of destroying their own culture. This truth should be evident even to the dullards when one views history and sees that all wars have been whites fighting whites in order that we maintain control. Anytime truth comes forth, we rally our forces made up of ignorant Christians and attack the crusaders."

Four hundred years before the Roman conquest of Jerusalem in 70 A.D. during the time of the Macabees, the Jews were already scattering to the ends of the earth. It was an aggressive movement, with the final conquest of the world in mind.

As Roman rule began to weaken, the invasions of Northern barbarians, many of whom were from the Israel tribes who had escaped from Assyrian captivity, and had become "God's battle axe, and weapons of war," (Jeremiah 51:50), brought a period of transition which was vastly favorable to the Jewish element. While they were often opposed and even bitterly persecuted by the Roman Catholic Church during the Middle Ages, they were not held back by these obstacles, and often held high positions in the Catholic Church, such as Cardinals, with several Jewish Popes. The chief Prosecutor during the Spanish Inquisition was a Jew named TORQUEMADA.

The Jewish fears only one hostility and that is competition which attacks them on their own playing field, in the PRINCIPLE OF MATERIAL INTERESTS. As long as you allow Jews to quietly acquire control of the national wealth and accumulate money, they care for little else, knowing that with money control always goes people control.

During the middle Ages, as Europe was being separated into many nations and empires, the Jews scattered throughout the trading places and made their homes there in order to carry out their trade and usury.

It is true, that their riches, which had often been gathered by unscrupulous means, were often confiscated in persecutions brought about by their averse and immorality. This violence never stemmed the rising tide of Jewish money power.

As a result, Jewish establishments penetrated the chief commercial centers of Europe. One large body of Jews settled in Venice, Italy; another in Genoa, while at the same time Jewish colonies rose in all the chief cities of Spain, the Netherlands, Germany, and Poland. Although these were scattered, they had an amazing method of communication which formed a homogeneous union. Operating under a single impulse of "power through the control of material interest", they swept over Europe, until today, most of that Continent is under almost complete Jewish control, and

Gentile governments are afraid to interfere in Jewish interests. Possibly the prime example is Jewish control in Britain.

Although scattered world-wide, Jews are united through religious and historical traditions, from the civilized capitols to the outposts of Siberia and Tibet. They are united in one faith. Not that of Moses and Abraham, but in their universal belief that they are especially Chosen by God to rule the world and have the treasures of the world at their command. In fact they do not worship the same God, as the Christian world, although they have taught us that "Christianity is the child of Judaism." They worship Lucifer, much as do the Freemasons, who also come from a Jewish source.

Jewish solidarity is so great, that although they often fight bitterly with other factions in Judaism, if they are opposed for any reason, Jews on five continents will rise up in their defense, no matter whether they are right or wrong.

This is a lesson the Christian world has never learned.

During the War Between the States, sometimes called the Civil War, General Grant was facing a Confederate force in Tennessee. He became annoyed at the large number of Jews who were following his army like scavenger crows and issued an order requiring all Jews to leave the army lines.

Immediately a hue and cry was raised by Jews in the North

and Jewish protest committees began to descend on Washington to confront President Lincoln. The President listened to them and told the General to modify his orders. Grant reluctantly complied, but added, "The Jews in my opinion have not changed for the better since the day they crucified Jesus Christ."

In the middle of the 18th Century, Jews infiltrated and controlled Free Masonry, with their terrible order of the Illuminati, presided over by the Jew Adam Weishaupt. It was just another step on the road to one world control and they used the Freemasons, much as they do the Christian church. There are letters available in the National Archives, that George Washington, who was a Freemason, warned his Masonic brethren about the inroads of a satanic organization which was attempting to control both Christianity and Masonry.

Few people who know Jews intimately, will believe you if you state that Jews are a virtuous people. This seems to be a paradox for a people who are so immersed in sex and many regard Jews as the most evil of men. Jews are both virtuous and immoral. On one hand they may show their morality, while in secret they are viciously wicked. If the PRINCIPLE OF MATERIAL INTERESTS causes the Jew to run a prostitution ring, an abortion clinic, or a filthy show on National TV, making money must take precedence over what is right or

wrong. When this happens, the virtuous Jew becomes a vicious individual who will trample on anyone who gets in his way for any reason. Note: To make matters worse, the notorious organized crime group, known as the Mafia, is now under the control of a Jew. John Gotti Jr's mother is a Russian Jew, under Jewish law, that makes him Jewish.

The Jew is practically moral, when it is in his best interests, because it can become a powerful offensive or defensive weapon. With virtue they will be brave and face losses and misfortune, but if anyone stands in their way of making money, they will use any evil means of destroying them. A good example of this comes to us from the 19th Century, when Hamid Pascha, son of the Viceroy of Egypt, inherited a vast fortune from his father. He entrusted it to a Jew named Oppenheimer, who became his banker and administered his business affairs. So brilliantly did this Jew follow his trade, that within three years, the young Egyptian went into bankruptcy. This example has many modern day counterparts. When this happens, the virtuous man becomes the vicious one.

## The Jewish Holy War Against Goyim!

By Lt. Col. Gordon "Jack" Mohr, A.U.S. Ret.

During the middle Ages, commerce was the great battlefield of Europe. On the one side were the native born,

and on the other the Jewish invaders. When the smoke of battle cleared, the Jews were victorious. They had acquired control of the entire commercial world. They looked on this as being a mark of God's approval of their way of doing business. Yet a careful check of history, shows that Jewish methods of doing business, have never enriched a nation, or a people, or been a mark of God's approval on evil, but put enormous amounts into the coffers of a few.

As is well known, Jews seldom engage in agriculture, mining, production of raw materials, or even in the manufacture of things from raw materials. He is mostly interested in the circulation of values, exchanging worthless articles for good money.

In a great majority of cases, Jews are parasites. They recognize this. In his book "JEWS MUST LIVE," published in 1934, by the Golden Hind Press in New York City, Samuel Roth (Jew) said, "Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world.

"It is my belief, that nothing the Jew does in America is essential to it's welfare. On the contrary, a great deal of what the American Jew does is in subversion to America's best interests." (UNQ)

They appropriate what other people make with the sweat of their brow. This is why they have a tendency to keep aloof from agriculture. They want nothing that will tie them down to a particular area. They must be free to move at a moment's notice, heading for where the business action is. This means that Jews always seek out areas where the most plunder is available, and is one of the major reasons they have become as prominent as leaders of vice.

During the time when the Italian Republics flourished, Venice, Genoa, and Florence, were over-run by Jews. When these Republics fell, the Jews packed up their treasures and migrated northward to settle in Germany, Poland, and the Netherlands, where commerce and industry was on the increase.

They were the least successful in Spain, mainly because the Spanish royalty forced them to leave, when they realized that they were opening the gates of Spanish cities to the Moorish (Islamic) invasion from North Africa.

Jews are the same today as they were 2,000 years ago when our Lord called them Satan's kids, (see John 8:44). They have the same characteristics now as they had then, and even their religion has not changed, moving down through the years from the Jewish priesthood, to ancient rabbinism, then to modern rabbinism. As one eminent Jewish authority said,

"Down through the centuries, the spirit of the ancient Pharisees has remained intact." Neither time, nor habit, nor intercourse with foreign elements have changed them. They are the same blood sucking parasites who Jesus Christ called poisonous snakes, (see Matthew 12:34; 23:33). Remember, please that these are not my accusations, but those of your Savior. No wonder they are pressuring Christian authorities to revise the New Testament and remove these remarks. To a thinking man or woman, these remarks by our Savior "shoot holes in the Jews Chosen People Myth." For more information on this subject, may I suggest my pamphlet "EXPLODING THE CHOSEN PEOPLE MYTH", available from Destiny Publishers, P.O. Box 177, Merrimac, MA 01860. They are 50 cents each or 35 cents in lots of 25 or more.

Quoting from this pamphlet, I make reference to a statement made by Dr. Benjamin Freedman in his book "FACTS ARE FACTS". He says, "The utterance by the Christian clergy, which confuses Christians most, is the constantly repeated utterance that 'Jesus was a Jew!' This appears to be their theme. It is a misrepresentation and distortion of an incontestable historic fact... informed, intelligent Christians, cannot reconcile this unwarranted misrepresentation and distortion of the facts."

Most honest Bible historians will admit that at no time in the New Testament was Jesus ever called a Jew, although He is called this by others, (see Matthew 2:2; 27:11; Luke 23:3). The great Jewish historian Josephus called Him a Judean, never once did he call him a Jew. The very inscription over His cross,

in Latin said, "Iesus Nazarenus Rex Iudorum", and any of you who understand Latin, knows this says, "Jesus the Nazerene, ruler of the Judeans." By no stretch of the imagination can you get this to say "King of the Jews." It was translated in the original 1611 King James Version of the Bible. It is sloppy scholarship such as this that often confuses our people and leads them to believe, those who are their worst enemies, Dr. Freedman said that converted Jews had proven themselves too often to be spies of Judaism, placed in the Christian church to cause trouble from within. Jesus implied this is John 12:40, when quoting from Isaiah 6:9,10, He said, "He (God) hath blinded their eyes, and hardened their heart; that they should not see with their eyes, nor understand with their heart, and be converted, and I should heal them." There are many who believe, with some Scriptural support, that a fake Jew (Revelations 2:9; 3:9), those called Jews today cannot be saved.

Because of Jewish ties with religion, tradition, and hatred of all non-Jews, they will never change (Malachi 1:4). You might as well expect a leopard to change his spots, as for a Jew to change his grasping nature. A Jew can be born in, or emigrate to any nation and become a Frenchman, an Englishman, a German, or an American, but if you ask him what he is, he will invariably say, "I am a Jew!" His alliance is to the Jewish people, not to God, or any nation, not even the country

where he was born. Jews claim they can combine both qualities and be good dual citizens, but it is impossible, and Jesus Himself said, "A man cannot serve two masters:" (Matthew 6:24)

I have heard Jews boast, "We are Jews to our fingertips," and since there is little beyond the fingertips, this leaves no room for patriotism of any kind, only a blind loyalty for Judaism.

This trend towards treason can be seen in Jewish officials who have taken the Kol Nidre Oath on the Day of Atonement. (It is my understanding that even secular Jews take this oath.) In their TALMUD, this is referred to as the "Law of Revocation in Advance." The recital of this prayer, called the all vows prayer, releases a Jew from any obligations under oaths, vows, or pledges entered into during the following year. This means that his oath of office, to support and defend the United States against all enemies, both foreign and domestic, is meaningless, unless he chooses to follow it. Apparently President Clinton never took this into consideration when he appointed more than forty Jews to high government positions such as Secretary of State, Secretary of Defense, and Secretary of the Treasury. Or maybe he did! Is it any wonder our country is in dire trouble? (Mr. Clinton is a crypto-Jew and a Mason. A crypto-Jew is a person who hides his Jewish lineage. His wife Hillary is not Jewish although she had a step grandfather who was Jewish. M. Birkedahl)

In 1844, a group of German Rabbis, realizing the effect that knowledge concerning the Kol Nidre Oath was having on the German people, tried at the International Conference of Rabbis in Brunswick, Germany, to have it changed. The preponderance of Yiddish speaking Rabbis, who were Russian Khazars (meaning they had no Abrahamic blood in their veins), voted it down, and this oath remains an integral part of Jewish worship until this day.

Does this mean that a Jewish Judge is not to be trusted if he has taken the Kol Nidre Oath? How about a Jewish Congressman, or lawyer? Think about this!

The Jews in America are the only ethnic group who are allowed dual citizenship. This means they can be citizens of the Jewish State in Palestine, and at the same time have the full benefits of American citizenship. It has been proven, over and over again, that when the chips are down, they will almost invariably show their loyalties to the Israeli State. This action can be seen in the many pro-Zionist, anti-American actions of Jewish members of Congress.

Throughout the Middle Ages, the Jews laid their foundations for future power. They cleverly arranged, through their usury system, to pile up treasures in every country in which they settled, patiently waiting for the day when they could emerge

from the darkness and climb to the top of the economic power heap. They have reached that apex now!

On a spring day in the late 1800's, the old edifice of feudalism broke down with a crash heard round the world, a political and ecclesiastical institutions have never fully recovered from the effects of the French Revolution.

This was a Jewish revolution, so acknowledged by their leaders and was the same way they brought forth in Russia in 1918. The pathway for Jewish conquest of the world now lay open before them. Undermined by the doctrines of Voltaire and conquered by the power of Jewish liberalism, the national and religious limitations of the Middle Ages crumbled into dust and the past was given over to Jewish reconstruction of the present and future. Not for the benefit of mankind, but for the edification, and glorification of the Jewish people.

Just as they did later in the Century, and at the end of the American Civil War, so now, the Jews led in the cry, "Long live tolerance! Long live Fraternity! Down with rank! Away with individual rights!" While the South was saved by the patriotic efforts of Americans who refused to buckle under to the Jewish power in Washington.

With their ranks closed, Jews now opened attacks on their enemies everywhere and as they overcame them one by one,

they erected their own standard, the six pointed Star of David, which was never used by David. Since that date in the 1800's, the standard of Judaism has been unfurled from the watchtowers of Christendom in Europe and a few and far between have been the statesmen who had the moral courage to stand up to their corruption. With the exception of a few years in the 1900's when the German people under Adolf Hitler made a bid for national freedom and struggled to free Germany from Jewish oppression, only to be whipped down by their own Anglo-Saxon people, who once again listened to the siren call of world Judaism, over common sense and scriptural truth.

Today, Hitler is hated by the Jews, not because he tried to annihilate them, as this has never been proven, but because he tried to break their grip on Christian Germany.

By stirring up revolutions and then lending their support, Jews assisted on one hand with the distribution of State over throwing Utopias, while on the other, they furthered their quest for world power.

Jewish writers such as Marcus Eli Ravage, and others have admitted that Jews have been at the bottom of nearly all the revolutions which have taken place in the Nineteenth and Twentieth Centuries.

Another Jewish writer, Oscar Levy, in the preface to his book "THE SIGNIFICANCE OF THE RUSSIAN REVOLUTION." said, "There is scarcely an event in modern Europe which cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners", and they glory in bragging about it!

We know that all governments require money to operate and that the men who lend are Jews - thus they gain both in cash and it's corresponding power and privileges.

During the American Revolution, both sides were financed by the Jews, as was the Russian Revolution, the War Between the States, and World Wars I and II. The Jewish bankers became fabulously wealthy off the gains they had made on the suffering of mostly White Christian nations, while they killed off the cream of manhood and fattened us for future conquest. In the last 150 years, the world has been drenched in mostly Christian blood, as White nations have fought White nations, in Jew instigated wars, and the Jews sat back and gleefully rubbed their hands at the destruction of their enemies.

As atoms are drawn towards larger masses under the law of gravity, so nations drift towards the riches of the Jews. Under the same law, the motion of attracted bodies, becomes more

and more accelerated and thus Jewish money power grows daily.

It is simple fact, which cannot be disputed, that at the present, not one single financial operation of any size can be carried out, without having some Jew being involved and profiting from it.

In this manner, Jews have grown from a despised people, the carpetbaggers, and hated usurers of history, to become the wealthiest, most influential citizens, often with front seats in our most prestigious churches, and often with full support for their still nefarious enterprises coming from the Christian world. Abortion clinics; prostitution; drug traffic; music, etc. After all, they are God's Chosen, you know!

From the height of this economic pinnacle, they command the entire Babylonian Money System of finance and industry. There is not a man or woman among us, no matter how anti-Jewish we may be, who does not in some way pay tribute to Jewish money power. Even in the everyday necessities of life we purchase at the local grocery store, we aid them. You can count on your fingers the number of politicians, preachers, and educators, who are not debtors to the Jews, and therefore under their power. Note: Many non-Jews are not aware of the great Kosher labeling scheme. Large food produces are force to place a K or a U on their products,

indicating they are blessed by a Rabbi. If a corporation does not do this, they are labeled anti-Semites, and the full weight of world Jewish organizations, Masonic orders, and useful idiots Judeo-Christian groups, come down on them. There is even a brand of generic motor oil and toilet bowl cleaners, with the kosher labels. In Canada, the Canadian Jewish Congress gets kick-backs this way. Symbols differ from country to country; even in Islamic nations, where this is going on.

Jewish financial power resembles an imp which cannot be seen, who has his hand in every pocket. He is especially experienced in the art of seduction, having been trained directly by the master seducer of all times, John 8:44. He speaks to the Christian world today, saying essence, what he said to Jesus during His period of temptation, (Matthew 4:8,9) when he showed Him all the kingdoms of the world and said, "All these things (worldly kingdoms) I will give thee, if thou wilt fall down and Worship me." Very few so-called Christians have the courage to answer him as the Master did when He said, "...for it is written, 'Thou shalt worship the Lord thy God, and Him only shalt thy serve.'" So instead of happiness this imp leads us into hell, and a world slavery too horrible to contemplate.

Hand in hand with his phenomenal rise to power, has been the rise of individual members of his clan. Those wandering Jews who used to be the crafty, hated speculators, old clothes

salesmen, and peddlers, have now opened elegant offices in the world's most prestigious buildings.

At the close of the Napoleonic Wars, in Frankfort, Germany, a Jew named Rothschild, rose to power as the visible head of world Jewry. All other Jews bowed to his power. As king of world finance he commanded the rallying masses of Jewish capital as surely as Hitler later controlled Germany, and his subjects were countless millions who labored daily to support his splendor.

It is impossible to calculate the powers of this family, which was greater than that of any crowned head that ruled in Europe. Presidents and Kings cringed before that power and bowed to their wishes.

In the Twentieth Century, this European Jewish family has been challenged by an American Jewish family named the Rockefellers. These people have successfully hidden their Jewishness behind a facade of Protestantism, as they engaged in gaming the Christian society with their European counterparts. Although the Rockefellers were competing against the Rothschilds, if the Rothschilds so wished they could crush the Rockefellers. But both work hand in hand when it comes to moving the whole world into their socialist red trap, the red beast system God has warned us about (see

what they have done under their scarlet communist dictatorship that became the Soviet Union).

The profits accrued by the International Jewish Bankers, were used to improve their social standing, and we see them today, as they mingle with, and inter-marry with the aristocracy of Europe and America, thus furthering their control.

They have longed for a monopoly of the Liberal Arts and Sciences, which at one time were open only to the higher ranks of society. Knowing they could acquire these honors only by means of engaging in literature, medicine, and public education, they set out to monopolize these professions, until today they are almost completely in control. The Christian world sat complacently by, or cooperated while their enemies took control.

Today, Jewish journalists in every state, form a closely knit combine, composed of some of the cleverest minds in America, who are dedicated to the furtherance of International Zionism, by all means fair or foul. They are men like Peter Jennings, Dan Rathers, and Sam Donaldson all on National TV, who control the thinking of large numbers of Americans, who get their only news from TV, or the daily newspaper. They have appropriated the rights of intervention in foreign affairs, to the point where the Anti-Defamation League, of the Jewish B'Nai B'Rigth (An unregistered agent of

the Israeli, operating illegally on American soil without a license) to all intents and purposes controls our Congress. Powerful politicians like former Arkansas Senator J. William Fulbright have tried to buck them, only to be shot down in flames. Today, for a politician to criticize Jewish interests is political suicide.

As the Jews attained social status, they began a determined effort to infiltrate the Christian social world, brainwashing Christians of every hue with the false theology, that those who hated and murdered our Savior, were indeed God's Chosen People, and as such can do no wrong. They did this most cleverly by infiltrating Christian seminaries, until today, very few seminaries or Bible schools exist that do not have Jewish professors, many of them who do not bother to say they are saved.

Blinded by Jewish cries of the Fatherhood of God, and the brotherhood of all men, coming from a variety of organizations designed to confuse Christian thinking, and from apostate sources, under Jewish control, such as the National Council of churches; befuddled by the humane appeal of Jewish theories, our churchmen for the most part seemed incapable of perceiving the danger which threatened the Christian world from Jewish sources, even though the Jews openly stated what they intended to, "Drive God from the skies, and destroy Christian civilization."

One look at the world of diplomacy, will show that it has been over-run by Jews. In England, Disraeli, took over as Prime Minister during the reign of Queen Victoria, and Lord Beaconsfield, later became Prime Minister. The "WESTMINISTER REVIEW" at that time quoted Daniel O'Connor as saying, "If Disraeli's genealogy would be traced, he would no doubt be found to be a true heir of the impenitent thief on the cross." (Luke 23:39)

There were others in England, Sir Nathaniel De Rothschild Bart; Josiah Wedgwood during World War I; Theodore Herzl, the father of modern Zionism, who was a power in British politics at the time.

Samuel Untermyer, who arranged for the "International Boycott Conference" in Amsterdam, Holland in July 1933, stated, "...this holy war ... in which we (Jews) are embarked is a war that must be waged unremittingly, the Jews are the aristocrats of the world ....this boycott must be against all German goods, shipping, and services... we will drive the last nail in the German coffin." This was before Hitler began any move to rid the country of these parasites.

At this time, Germany was deep in a terrible depression, which had been brought about by Jewish manipulation of the money market. In 1940, the eminent Rabbi Maurice Perlman, head of the British Section of the World Jewish Congress, told

a cheering Canadian audience, as reported by the Toronto Evening News Telegram, February 26, 1940, "The World Jewish Congress has been at war with Germany for seven years." This means they set out to destroy Germany at least two years before Hitler came into power, and used him only as an excuse for continuing the war which cost many Gentiles lives. Very few Jews died in comparison, during World War II.

I can remember many occasions when Jewish boys headed for front line combat duty, were rescued by Jewish Doctors who falsified physical reports, so they ended up usually in the Quartermaster Corps, where they were the heart of the Black Market during the war.

Dr. Donald C. Blaisdeil, professor of Government at the College of the City of New York, published an important document entitled "AMERICAN POLICY FOR THE NEAR EAST." in the Jewish publication "ISSUES", the official organ for the American Council for Judaism, in the fall of 1959, in which he stated, "No minority of Irish, of German, of Polish, Italian, or Greek extraction has been able to manipulate policy to its advantage as have the Zionist leaders of the American Jews."

During World War II, the Administration of (Jewish) President Franklin Delano Roosevelt was literally over run with Zionist Jews and more and more evidence has surfaced through the intervening years, to show that President Roosevelt

deliberately lead America into that war against the wishes of the majority of its people, and did it at the behest of Zionism.

The Hon. Henry L. Stinson, Secretary of Defense during World War II, wrote in his daily diary for November 21, 1941, two weeks before the Japanese attack on Pearl Harbor, that the President had told his Cabinet that morning in a White House meeting, that he wanted us at war with Japan, but that he did not want it to appear that the United States had fired the first shots. This was during the period of his fireside chats, in which he told American fathers and mothers, "I hate war, and will never send American boys to fight on foreign soil, never! never! never!" As he spoke these words, he was planning to get us involved under heavy Jewish pressure. What better word for these actions than TREASON!

After World War II, (Jewish) President Harry Truman carried on in Roosevelt's footsteps and used the power and prestige of American government, to recognize an armed uprising of 800,000 armed Jewish alien terrorists, who had been transplanted as part of the Zionist plan. On May 15, 1948, Truman gave official recognition to the "bandit state of the Israeli", which has been a "thorn in our side ever since", and cost us billions in national wealth, and possibly a Third World War in the near future. Today the Israeli's are carrying out a war of systematic genocide against the Arab people. While President Clinton took us into an undeclared war in Bosnia,

against genocide of Moslem Albanians, he seems to care little for what the Israeli's are doing to the lawful owners of the Palestinian land they have misappropriated, and the Christian world has given them it's blessing based on God's promise made to Abraham, who as we know was not a Jew, Genesis 12:3 (this verse was terribly twisted and bastardized by them to con the Christians). How awfully stupid can Christians become, when they allow themselves to be seduced by Christ's enemy.

When Eisenhower, "the terrible Swedish Jew", became President, he was also faithful to the Jews who helped put him into office. In 1956, he sent 14,000 American troops into Lebanon and stationed the Sixth Fleet in the Mediterranean, to protect the Israeli's. Since then, they have "stabbed us in the back" many times, by selling our military secrets to our enemies, and even attacked one of our unarmed naval ships in the Mediterranean with the loss of many American lives. Note: In Lebanon, Israel knew about the plan to the bombing of the Marines barracks that killed hundreds of Marines an hour before it happened. But it was not in their interest or goals to warn America of this. To save American lives.

The pathway of political lies to the American people, continued under John F. Kennedy, always under the guidance of Jews who were a power in Washington. These were more interested in the welfare and safety of the illegal Israeli State

in Palestine, than in the safety of the United States. At the same time while helping the Israeli's to increase in military power, Administration after Administration, under Jewish pressure have weakened our Armed Forces, until today we could not defend ourselves against a major attack. Much of this weakening process took place when the KGB "double agent", (homosexual) Henry Kissinger was in Washington as Secretary of State. He's still a power in the nation's Capital.

They were more interested in the welfare of the Jewish State in Palestine, then that of the nation they had sworn to defend, and while we armed the Jewish State with our most sophisticated weapons; already the process of destroying our own military was under way and has continued until today we cannot be classified as a first rate nation as far as national defense is concerned.

In 1938, the senior Kennedy, Joseph, was America's Ambassador to England. He reported to Washington that Neville Chamberlain, then British Prime Minister, had told him that it was the Jews in America, who forced Britain into the Second World War, and were attempting to do the same thing with the United States. Since this information had to be suppressed at all costs, F.D.R. recalled Senator Joseph Kennedy to silence him and this was the beginning of his liquidation as a viable politician.

The story of Jewish control continued through the Nixon, Carter, and Reagan Administrations. From the Administration of F.D.R. which included 52 Jews in high government positions, out of a total of 72 advisors - and many of these were foreign born Jews like Henry Kissinger - we went on to see the most conservative President in this Century, leaning on Jews and Zionist stooges, for his top level information.

There is much documented information which confirms these allegations and proves that the ideals of Roosevelt's New Deal, were written by Jews. Not to mention a vast amount of similar legislation put out by the U.S. State Department, which at this time was riddled with Communist Jews. When F.D.R. was warned about this, he turned furiously on the Senator reporting to him, shouting, "There's nothing wrong with Communist Jews, many of them are my friends."

As early as 1936, the Jewish newspaper DER TAG, wrote on April 9, 1936, "The Jews of America, because of their numbers, interest, and ability, constitute a great political force. They have not usurped this power; it belongs to them as a right! They are going to exercise it as they see fit. What are you goyim going to do about it?"

This is typical Jewish chutzpah. Rather than endure the smears that would come their way through the Jewish controlled media and the Zionist lobbyists, many members of

Congress have been willing to sell future generations of Americans into virtual slavery under the proposed One World Government of Zionism. Spineless creatures, engrossed with the egotism of the importance of their positions and believing they are the all wise mentors of the nation, they have become guilty of the grossest of hypocrisy, as they have often deliberately evaded the one and most important foundation of most of our problems. As a result of failing to strike at the root of the problem, they are today presiding over the destruction of their own White Race, with few qualms of conscience. Today they are bringing in hordes of foreigners into Europe, America, Canada and other prominent white Christian countries in order to brown the population. Plus these people are occultic and worship other gods so this undermines the Christian culture as they demand that we respect the culture of Satanism.

Many members of Congress, show by their actions, that they desire this life of hypocrisy and leave this major issue to others. Thus our internal enemy has had an open field in which he is moving rapidly towards his goal of One World control.

Communism - the major tentacle of the Zionist plan for world conquest, was set up by Jews in 1917. In other places in this book, I have shown how they brag openly about their part in

this conspiracy. From the beginning, it has been a Jewish plot to enslave "non-Jew goyim" (cattle) and rule over them.

They will scream to high heaven that this accusation is untrue, but the plan is there, it can be seen and understood if a concerned person will take the time and effort to look for it. This plan is clearly laid out in their holy book, the TALMUD and in numerous Jewish writings. These prove that Jews, as a whole consider themselves to be a superior people who are destined to rule the world, or as their TALMUD says, "When our Messiah comes, every Jew will have 2,800 goyim slaves." That's you brother and sister, they are talking about. A careful study of the Scriptures will prove their guilt, no matter how strong your pastor may proclaim them to be God's Anointed!

It would be well for me at this point to explain the meaning of several words I have already used numerous times. The BABYLONIAN TALMUD, which Jewish leaders say is the "Heart blood of modern Judaism", is a collection of Jewish civil and canonical (religious) laws. It was begun during the Babylonian captivity, when the tribes of Judah and Benjamin were taken captive for seventy years. A new sect rose among the Hebrew worshipers, which became known as the Pharisees and which rapidly rose to become the major power of Judaism. They began a gigantic work which became known as the TALMUD that was not completed until some 500 years after the time of Christ. It was what He fought against during His life on earth

calling it the "tradition of men that nullifies God's Word."  
(Matthew 15:3, 6, 9; Isaiah 29:13; Titus 1:10,14)

This gigantic work of 63 large volumes, fills a twelve foot bookshelf, and is the final authority of Judaism, superseding the Laws of Moses, in any matter dealing with the conduct of Jews worldwide.

Following are a few of these Talmudic teachings. I will give you the volume, and page where they can be found.

First let me tell you what some of the most eminent Jewish Rabbis' have said about the TALMUD. Rabbi Ismael said, "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses."

Rabbi Menachem, commenting on the Fifth Book said, "The decisions of the Talmud are words of the Living G-d, Jehovah Himself, as He asks the opinion of earthly Rabbis when there are difficulties in heaven." (If this isn't the height of egotism, what is?) Note: They refuse to spell the word God with an o. They also write xmass, instead of Christmas. This is one way a Talmudic Jew gives themselves away.

Tract Mechilla says, "Jehovah Himself studies the Talmud standing, as He has much respect for this book."

KEKUT CHADASZ (171, 3) - "It is forbidden to disclose the secrets of the law. He who would do it is guilty as though they would destroy the whole world."

SANHEDRIN (59a) - "Every goy who studies the Talmud and every Jew who helps him in it, ought to die."

LIBBRE DAVID (37) - "To communicate anything to a goy about our religious relations would be equal to killing all the Jews, for if the goyim knew what we teach about them, they would kill us openly."

SHALLOTH-UTSZABOT (17) - "A Jew should and must make a false oath when the goyim asks if our books contain anything against him."

BABA MECIA (114, 6) - "The Jews are human beings, but the nations of the world are not human beings, but beasts."

SIMEON HADDARSEN (56, D) - "When the Messiah comes every Jew will have 2,000 goyim slaves."

MIDRASCH TALPIOTH (p 225, L) - "Jehovah created the non-Jew in human form so that the Jew would not be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew, day and night."

NADARINE (20, B) - "A Jew may do to a non-Jewess what he can do. He may treat her as a piece of raw meat."

MAMONIDES, JAK CHASAKA (2, 2) - "A Jew may misuse a non-Jewess in her state of unbelief." (In other words, rape of a Gentile woman is approved for Jewish men.)

TOSEFA, ABODAH ZARA (8, 5) - "If a goy kills a goy or a Jew he is responsible But if a Jew kills a goy he is not responsible."

MISHNA SANHEDRYN (57) - "Thou shalt not do injury to thy neighbor, but it is not said, 'Thou shalt not injure a goy'". This is a good example of what the Lord meant when He told the Pharisees that they made the Word of God of non-effect by their traditions. (Matthew 15:9)

SCHULCHAN ARUCH - "A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may suffer."

SCHULCHAN ARUCH - "Those who do not confess the Torah (law) and the prophets (religious law), must be killed."

SCHULCHAN ARUCH (348) - "All property of other nations belongs to the Jewish people, who consequently are entitled to seize it up without scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if it is profitable to him or to Jews in general." You wonder why the Jews treat Arabs with contempt? They are taught that Arabs are mental sewage in their synagogues.

The TORAH is Jewish tradition and instructions or decisions, given to the Pharisee priests, now called Rabbis, as Divine revelation. It was to this group our Lord said, "In vain do they worship Me (God) teaching for doctrine the commandments of men." The TORAH contains the first five books of the Christian Old Testament, known as the Pentateuch. (Also note that the Pharisees of today will deceptively use the name "Torah" to mean their Talmud, so don't be deceived by these "twisters")

I must move on from this area of our studies, there are 63 large volumes of this filth and the work is so pornographic in nature and it promotes the murder of others outside of their cult that it cannot legally be sent through the U.S. mail.

How can a Jew take an oath of loyalty to America, when he is allowed by his religion to lie and disregard this oath if it benefits him or his people?

How can a Jew be expected to act worthy of his calling as an editor, news correspondent, a judge, a lawyer, a banker, an educator, or a politician, if he follows this immoral and corrupt religious belief? How can a Christian minister be trusted, who backs them in any way?

Why is it that the Jew, who is an oriental (Khazar Huns), is given more rights than the Japanese, Chinese, or Koreans among us? Sounds to me like rank discrimination. Yet the Jew

is supposed to be the defender of Civil rights! What a hypocrisy!

The Jewish founder of modern Communism, Karl Mordecai Marx, said of his people: "In vain do we look for the key to the labyrinth of the Jewish soul in his religion. On the contrary, we must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? It is a practical passion and greed for profit! To what can we reduce its religious worship? To extortion! Who is their real G-d? Cash!"

So to accomplish their plan for world takeover, Jews create wars, revolutions, and depressions as a means of seizing power during the time of chaos. In the Communist textbook "PSYCHO-POLITICS", which I have mentioned before, the plan for the takeover of the United States was laid down in 1934. They said, "Our chief goals are effectively carried forward, which is to proceed with a maximum chaos in the culture of our enemy. This is our first and most effective step. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil."

For hundreds of years now, this has been the Jewish plan for World conquest. On instructions laid down by their Grand Sanhedrin in Constantinople from their VENGEANCE PROTOCOL in 1286, they have infiltrated every profession in America. To do this, they have cornered the world supply of

gold and have sold the non-Jewish world the fiction that gold is wealth, rather than land and commodities. Today, the entire world bows to the Jewish idol of gold, as much as the Babylonians worshiped Nebuchadnezzar's image of gold in Daniel 3.

By their control of gold, they smear those who refuse to knuckle under to their desires, and shut off the truth concerning news that our people need to know. Note: To illustrate the power Jews have in controlling money, take a look on the back of an American one dollar bill. The 13 stars form a larger Jewish star (the so called star of David. But is really a hexagram and symbol of the House of Rothschild). The number 13 represents the 13 family Jewish cartels that has captured the worlds banking system. M. Birkedahl

The International Jewish Council which met in Basil, Switzerland in 1879, drew up a far reaching plan entitled "[THE PROTOCOLS OF THE LEARNED ELDERS OF ZION](#)." This was a formula on which they would launch their world offensive. While Jewry and their Christian stooges proclaim this document to be a forgery, they seem to forget that in order to have a forgery, one must first have an original. The forger makes his work as close to the original as possible to fool people. The Jews have never questioned the original PROTOCOL which was written in Hebrew, only the English translation by the Englishman Victor E. Marsden. He was an

English journalist who had lived in Russia for many years and was married to a Russian woman. He was a correspondent for the "LONDON MORNING POST", a position he held during the Bolshevik Revolution. He was harassed by the Communists and thrown into the Peter Paul prison. He escaped and eventually was allowed to return to England. His mastery of Russian and Hebrew, made him eminently qualified to translate the PROTOCOLS.

I am inclined to agree with Henry Ford, Sr., when he said, "The only statement I care to make about the PROTOCOLS is that they fit what is going on." International Zionism has followed them like a blueprint for a hundred years, so they could hardly be bogus.

The ELDERS OF ZION have never been revealed, but are sometimes referred to as the Hidden Hand of Judaism. They are not the Board of Deputies of the Jewish Parliament, or the Universal Israelite Alliance of France, or the American Jewish Congress. The late Walter Rathenau said of them, "Three hundred men, each of whom is known to all others, govern the fate of the world, and they elect their successors from their entourage." As far back as 1844, the Jewish Prime Minister of Britain, under Queen Victoria, the Jew Benjamin Disraeli, whose real name was Israel, wrote, "The world is governed by very different personages from what is imagined

by those who are not behind the scenes." Then he went on to show that all these personages were Jews.

There are documents available from Jewish sources, such as the Universal Jewish Encyclopedia, Volume 2, 1948 edition, page 102, which show this document and admit to it's Jewishness.

There is much documentary proof that the Russian Revolution was planned, financed, and led by International Jewry. Jacob Schiff, Otto Kahn, and Paul Warburg, all members of the New York firm of Kuhn, Loeb, and Company, advanced nearly \$48-million and trained 276 Jewish revolutionaries from New York City's Lower East Side and sent them to Russia to lead the revolution. They passed through Germany, although we were at war with Germany at that time and received permission to do so from Paul Warburg's brother who was Kaiser Wilhelms Chief of Espionage, and the German Chancellor Van Bethman-Hallwig, who was also a Jew.

President Woodrow Wilson (Democrat), was put into office on the basis of Jewish support and \$50,000 was put into his campaign fund by the Jew Bernard Baruch. This was in payment for Wilson having signed the Federal Reserve Act of 1913, which placed International Jewish banks in charge of the economics of America, and which was the fore runner of our present economic system which is still Jewish controlled.

Rockefeller, Rothschild, Kuhn, Loeb, and Lehman are just a few of the names which were involved, with the Rockefeller clan, masquerading as Protestant Christian Gentiles, leading the way.

While most Americans believe the Federal Reserve is part of our government, all of the major banks are Jewish owned, and their geographical dispersion serves as window dressing. All are independent of Federal control and are dependent for international control as the International Jewish bankers.

These banks collect dividends which results in interest payments of the United States government on its bonds sold to Federal Reserve Banks and finances of course, by commercial banks throughout the country, using our money. They have usurped the Constitutional right of Congress to coin and print our money.

Today the United States government pays interest on its credit and the International Jewish bankers collect it and grow rich off the sweat and toil of the American taxpayer. In 1915 our National debt was about \$303 million; by 1982, it passed the one trillion dollar mark (today in 2014 it is 16 Trillion). Add to this a state debt at this time of some \$120 billion, plus God alone knows how much is owed in personal debts, and one can begin to scratch the surface of the robbery that has been carried on under the banner of Judaism. These taxes are

collected by the Internal Revenue Service, which is the bully boy tax police of the Federal Reserve, and enforces their tax laws. From a total of \$103,651,585 collected in 1970, this has grown to \$745,313,276 in 1996. Unfortunately, the I.R.S. is often used by the government and special interests to punish those who do not walk the Jewish line.

A good example is my own case. From 1965, when I retired, to 1981, I was a severe vocal and written critic of the Federal Government's bankrupt Foreign and Economic policies, and was an embarrassment to the United States State Department on several occasions. This never drew any unbearable penalties, but when I began to speak publicly on the Jewish perils to our government and the Christian church in 1986, within six months I had my first audit, and there have been seven of these in fifteen years, costing this Christian work over \$108,000. Many of you know that in 1998, the I.R.S. placed a levy on my Military Retirement pay, and stole over \$24,000 that year, over the protests of several U.S. Senators. These men were falsely told that there was no religious prejudice involved, although facts proved otherwise. This Christian work was kept afloat, only by Christian brethren, who would not let it go down the drain. Some of you who read this book were in this group, and I will never be able to thank you properly. God knows what the future will bring!

Today in the face of almost unheard of economic woes, which persist in spite of what appears to be a booming economy, we see the strange sight of our government borrowing money from the Internationalists at high interest rates, so that we can give it away in Foreign Aid, often to countries who hate us and are our potential enemies, while our President spends untold billions of dollars of national wealth on brush fire wars in which we have no national interest. All these, Bosnia included, are for the benefit of the Internationalists and is fattening their purses, while bringing us closer to their New World Order, scheduled for completion sometime in the 2000 plus range.

It should be obvious to any intelligent person, where the money power lies. It most certainly is not in the hands of Congress where it belongs, and was meant to be. By their control of gold, the International Jewish bankers have become richer in one hour, as Christians in particular sink deeper into the toils of their Slave State. Today, Christian America is bowing our backs in virtual economic slavery to world Judaism and they glory in it. Americans are today paying a higher percentage of their earnings into taxes, than was paid by the medieval serfs. This was the ultimate plan of PROTOCOLS, "Drain the entire product of materials and labor off the land and into our coffers." How long will we be willing to live on our knees, when God meant us to be FREE! You may

be one of those Christians who reasons, "If He meant us to be free, why has He allowed our enemy to take control." Read the 28th Chapter of Deuteronomy and see for yourself. It all boils down to this TRUTH: "Obedience to God, and the discipline it brings, must come before we can have victory!" Until we learn the lesson of obedience, we should not expect to have God's help, no matter how hard we pray! I have Christians tell me, "If we could just get all the Christians in America to pray together, God would hear and answer our prayers and save us!" For this prayer to work you must mix prayer with obedience in what God tells us to do. In Isaiah 59:1 we are told that God has not lost His power to act, nor has He lost His sense of hearing the prayers of His people. Verse 2 of this same Chapter gives us the answer, "But your iniquities have separated between you and your God, and your sins have hid his face from you that He will not hear." Before we can expect God to hear and answer our pleas for deliverance, we must first return to Him in obedience. While many so called Christian people recognize this fact, it soon becomes evident that most of them, including their pastors, are only giving God, lip service, and want to continue doing their own thing!

The only way we can be free from the Jewish plague, is by removing it, and this will be impossible until we first learn obedience.

We know God will be with us if we diligently and honestly seek His face, 2 Chronicles 7:14. He has always been on the side of righteousness, when it is exercised in the context of obedience to His will. Never, during the trials of our ancient forefathers, did He respond to their call for help, until they came to Him in repentance and humility, and unfortunately I have seen very little of this in the so called Christian world of 1999. One of our biggest problems in the Christian world, is that we have grown too big for our britches! God may have to bring us down a notch or two, before He can work His way with us. He has done it before with His people, and if He never changes, as we have been taught, it is very possible He will do it again. I have stopped praying, "God, save us, instead I pray, 'Not my will, but Thine be done.'"

We must not be led astray by our hatred for the Jewish people, although we may have good reason for it. Our battle must be against the forces of the anti-Christ, which their leaders advocate.

Sometimes it seems that there are no solutions to our problems. The problems are there, and the milder solutions can only come as the Jewish leaders are willing to lift the cloud of censorship they have placed on the Christian world and then back their words with good intentions.

As long as Jews insist on being a Jewish entity, instead of being individuals, they will ultimately force Christians, as a means of self-defense, into viewing them as a foreign element hostile to Christian people and Christian values. If America allows a dual citizenship to stand in the way of loyalty to America alone, then Jews will continue not only to be a thorn in our flesh, but an ever increasing danger to our American way of life.

Our freedom was won at too great a price, to allow it to be usurped by aliens in our midst, who have taken advantage of our hospitality. This goes for other groups too (like the Muslims).

The Constitution guarantees freedom of speech and press, to American citizens. It does not allow an alien minority to take this away by imposing their censorship. If we allow this to happen, and its well along the way towards completion, then we deserve everything we get.

Today, as the greatest drama of the Ages begins to unfold before us, there are two paths we can choose. The one is lined with the trinkets and glamor of Jewry, that big brother will take care of you, philosophy which always leads to slavery. Those who seek only personal pleasure and comforts, those fools who believe, "You only go around once in life, so live with gusto, for tomorrow you may die." These will find

only slavery and death at the end of their road. It is only the pathway of sacrifice and obedience to God that comes from loyalty, courage, honor, and a sense of duty that leads to a more abundant life.

We are offered two options, either serve God with gladness, knowing His word is true, or follow a path which will only serve the oppressors of our people.

Today in America, we are faced with an oppressive, anti-Christ government. Will we serve it? Our forefathers refused to do so! In the Declaration of Independence, Thomas Jefferson said that, "We are endowed by our Creator with certain unalienable (may not be tampered with by government for any reason) rights. That among these are life, liberty, and the pursuit of happiness. That to secure these rights governments are instituted among men deriving their just powers from the consent of the governed, that whenever government becomes destructive to these ends it becomes the right of the people to alter and abolish it and institute a new government."

The fact that we are free today, gives us the right to establish and maintain a government which will enable us to enjoy these rights, so aptly expressed by the political philosopher, John Locke. Not only is it our right, but it is our duty. Jefferson said, "When a long train of abuses, pursuing invariably the

same object, evinces a design to reduce them under absolute despotism, it is their right, nay it is their duty, to throw off such a government and provide new safeguards for their future security."

Today, under the despotism of William Jefferson (Jewish) Clinton, we are living under such a government. Our first allegiance must be to God. It is His law and the unalienable rights under that Law, which make us a free people. We cannot afford for our allegiance now, or at any time in the future, to come under bondage to an alien philosophy that seeks to enslave and destroy us. (Today as of 2016 his very immoral and corrupt wife is running for president, may God help us).

In 1 Kings 18:21, the prophet Elijah asked our forefathers, "How long will you hesitate between two opinions? If the Lord be God follow Him: but if Baal, then follow him." Five hundred years before Elijah's time, Joshua told the people of Israel, "If it seem evil unto you to serve the Lord, choose you this day whom you will serve; but as for me and my house, we will serve the Lord." (Joshua 24:15)

This is the decision White Christians in particular must make today, if we are to survive. Will we serve Jehovah, the God of our forefathers, and His Son the Lord Jesus Christ and remain free? Or will we bow the knee to the false god of the Talmudic

Jews and become slaves? Our whole future, and that of our race, depends on how we answer this question.

For far too long, we have been under the spell of the Baal system of Babylonian usury, It is in the process now of deliberately producing a "race-less, soulless humanity," that can be controlled by the elite in the New World Order of Judaism. This will mean control over income, our children, our entertainment, our sex life, our education, our body, our politics, and our religion. Already the New World Elite have openly stated that there will be no place for Christians in their New World.

I say the time has come when we must stop it. It will only happen when Christian men and women know the truth, recognize it as truth, and operate on this basis. It cannot happen, as long as most of the church world is under bondage, and control of Judaism, as it is today!

The time is late, the situation seems hopeless at times, but so was the situation in 1775 when Patrick Henry, speaking before the Virginia Convention, in an attempt to rally his people to the cause of freedom, declared for all the world to hear, "They tell us sirs, that we are weak, unable to cope with some formidable adversary. But when shall we be stronger? Will it be next year? Will it be when we have been totally disarmed, and a British guard is stationed in every house?" This is what

the Jews seek in America today. They are in the forefront of every effort towards gun control and total disarmament. Christian America: "How long will you halt between two opinions?" Will you finally believe when you see enemy hordes marching through our streets, raping our women and destroying our homes and churches?

Today, our Christian people are asleep. They are in a dream world, where they imagine that bad things will not happen to them. They see devastating earthquakes in Turkey and Greece, and say, "It will not happen to us!" They see mass murders by governments in Southeast Asia and Africa, and say, "That will not happen here! We are born again, you know, and Jesus will come back and RAPTURE us away before it gets all that bad!" Talk about being wrapped up in a sheet of self-righteousness, those Christians are enclosed in a shroud and don't know it. Like the folks in Isaiah 28 their church leaders have "made a covenant with death, and with hell are in agreement; when the overflowing scourge (disaster) shall pass through, (they say), it shall not come nigh us: for we have made lies our refuge, and under falsehood have we hid ourselves." What does God have to say about this complacent attitude? The answer is in verses 17 and 18 "Judgment also will I (God) lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant

with death shall be disannulled, (canceled) and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it." Still so-called born again Christians who say they believe God's Word, will tell you with a straight face, "It will not happen to America, because we have too many born again Christians here!" How dangerously complacent can we get?

While our preachers indicate that they don't know who the Jews are, and erroneously call them God's Chosen, our risen Savior said of them in Revelations 2:9 - "...I know the blasphemy of those who say they are Jews, and are not, but are of the synagogue (meeting place) of Satan." He will take care of them in His own good time as indicated in Luke 19:27, and in His Parable of the Sower in Matthew 13:30. He indicated here that if we attempt to uproot them before their time, it will harm the wheat.

Will it take God's destruction of His enemies, to wake up our Christians, or will it take disaster to befall them?

Are you willing to have your family live under the ruler-ship of International Jewry, now that you know the truth about them? In the face of slavery and very possibly death. **WHAT WILL YOUR ANSWER BE?**

The day of decision is fast approaching, when Satan's Kids, will make an all-out effort to control the Christian world. Their

time schedule calls for it to happen sometime in the 2000's. It may be necessary for us to take stern measures in order to stop this anti-Christ scourge. For whether you want to admit it or not, we are in extreme danger as a free people. Soon this war will end. With promises like Romans 8:28; 2 Timothy 1:7; and Luke 21:28, we have nothing to fear.. For no matter how heavy the odds against us may be we will be VICTORIOUS, when we learn to be obedient! Are you going to be on the winning side? Or will you be one of the church rebels who refuses to believe God's Word, and will not make it into His kingdom, no matter how solid your church membership may be? Please never say you weren't warned!

Choose you this day whom you will serve!!!

### The Satanic Khazars Deception

Jews are actually not even the modern descendants of the Israel of the Biblical Old Testament:

According to both the early-20th-century popular historian H. G. Wells and the Hungarian-Jewish intellectual and author

Arthur Koestler (a Jew), amongst numerous others, the people known today as Jews are primarily the descendants of a Turkish tribe known as the Khazars. The Khazars have no historical connection to Palestine. They converted to Judaism between 620 and 740 AD, and have no genetic connection to biblical Israel, and hence to the narratives of the Bible and the "Holy Land". Koestler actually devoted an entire book called *The Thirteenth Tribe* (1976) to the fact that the Jews of eastern European origin, who are known as the Ashkenazi Jews and who make up about 95% of the Jewish population of today, are of Khazar origin. In other words — virtually all of the Jews of the modern world have no Hebrew ancestry, and no ancient connection with Palestine.

Does it matter? Does world peace matter? Do the human rights of a violently oppressed people matter? Does anything but sport and television sitcoms matter?

Arthur Koestler was by no means the first to draw attention to this particular issue. He quotes from 20th-century works on the subject by, amongst others, Professors A. N. Poliakov of Tel Aviv University, D.M. Dunlop of Columbia University in New York, and J. B. Bury of Cambridge University. The courageous Jewish anti-Zionist commentator Dr Alfred Lilienthal raised the issue 50 years ago and has continued to do so for decades. In fact, the famous H.G.Wells in the early 1920s in his popular *Outline of History* described the Jews as "a Turkish

people" and stated that "[to the] Jewish Khazars ... are to be ascribed the great settlements of Jews in Poland and Russia" (Chap. XXXII:8) and "The main part of Jewry never was in Judea, and never came out of Judea" (XXIX:1). (Also note that our Benjamin Franklyn also declared these Jews as Asiatic and dangerous to our nation).

Lord Moyne, the British secretary of state in Cairo, declared on June 9, 1942, in the House of Lords that the Jews were not the descendants of the ancient Hebrews and that they had no "legitimate claim" on the Holy Land. A proponent of curtailing immigration into Palestine, he was accused of being "an implacable enemy of Hebrew independence." (Isaac Zaar, *Rescue and Liberation: America's Part in the Birth of Israel*, New York: Bloch, 1954, p. 115).

On November 6, 1944, Lord Moyne was assassinated in Cairo by two members of the Stern Gang led by Yitzhak Shamir, latter to become premier of Israel. (This assassination was not unique in the history of Zionism. In September 1948 Count Folke Bernadotte, appointed by the UN as mediator between the Zionist settlers in Palestine and the native Palestinians, [was murdered on orders from the same Yitzhak Shamir.](#) Count Bernadotte was the head of the Swedish Red Cross and had risked his life to save thousands of Jews from German concentration camps. This set a precedent and encouragement for the Zionist use of assassination as a

convenient political instrument, which the US and European governments have in effect condoned since then.)

Much old documentary evidence exists on the subject of the Khazars dating from the ninth and tenth centuries and earlier — from Arab, Byzantine, Hebrew, Russian and other sources. The conversion of the Khazars to Judaism is described in the so-called 'Khazar Correspondence' dating from the tenth century between Hasdai Ibn Shaprut, the Jewish chief minister of the Caliph of Cordoba in Spain, and Joseph, the king of the Khazars. In this the king traces the ancestry of his people not to Shem, father of the Semites, but to Japheth, Noah's third son. The Book of Genesis (10:2, 3) itself also describes Ashkenazi as a descendent of Japheth, rather than Shem. In other words, the Jews are not a Semitic people, but their contempt for the Arab world and their bitter and violent war of dispossession against the Palestinian Arabs would be termed anti-Semitic.

The Khazars were formerly well known as a powerful people who, at their peak, 'controlled or exacted tribute from some 30 different nations and tribes' (Koestler), and were the supreme masters of the southern half of eastern Europe for more than a century. The Caspian Sea is still known today in Arabic as Bahr-ul-Khazar, 'the Khazar Sea'. These people controlled trade on the Dnieper, the Don and Volga Rivers between the Swedish Vikings, known as the Rus (the founders

of Russia) in the north, and Byzantium-Constantinople (capital of the Eastern Roman Empire), Persia and Arabia in the south. The extent of trade along these rivers is indicated by the very large number of Arab coins, approximately 50,000 found, strangely enough, in Sweden and dating from Viking times.

After their conversion to 'Judaism', a religion based primarily on the teachings of the Pharisees and the Talmud, the Khazars adopted circumcision and became known as the 'Jewish Khazars' and then later simply as 'Jews'. Before the conversion, the 'Jewish' population of the entire region was sparse; afterwards, understandably, it suddenly became large. Writing in the 10th century, the Muslim chronicler Muqaddasi says 'In Khazaria, sheep, honey and Jews exist in large quantities' (Koestler p. 43).

After being defeated by the Russ around 965 AD, the power of the Khazars waned, and a gradual migration commenced westwards and northwest into Eastern Europe — the Ukraine, Hungary, Poland and Lithuania. Koestler shows that Yiddish (the former Jewish lingua franca of eastern Europe which is classed as a German dialect) developed not in Germany but in Poland as an amalgam of German, Hebrew and Slavonic (Russian and Polish) — the strong German basis of the language being the result of the German social and cultural prominence in the main cities of Poland in medieval times (Koestler Chapt. VII: 3). Hebrew itself was only used for

liturgical and rabbinic-scholastic purposes, not for everyday communication. No archaeological or other evidence exists of the use in biblical times of the six-pointed 'star of David', the emblem of the Ashkenazi Jews and the Israeli state, and the yarmulke, the skullcap worn by Jewish males, likewise has no biblical foundation. So neither the use of Hebrew nor the star of David nor the wearing of the yarmulke indicate any historical connection with the territory. Koestler says: "The historical evidence ... indicates that the bulk of Eastern Jewry — and hence of world Jewry — is of Khazar-Turkish, rather than Semitic, origin" (p. 175).

This of course poses various interesting questions on many issues, including that of the violent and manipulative Jewish takeover of Palestine during the last century. The reason these questions are not asked is that the story of the Khazar conversion is generally so little known. The academic, church and media establishments generally have shown no interest in correcting such an awkward and fundamental misperception, the source of so much suffering and spilt blood. They consider the issue to be unimportant or potentially dangerous in spite of the shocking human-rights outrages that the mainly Khazar-descended 'Israelis' and their Khazar-descended international Zionist supporters have perpetrated against the native people in Palestine over the last century. That's not counting over hundred million

murdered by them in their very kosher communist societies just in this past century, most being Christians.

Is there any doubt about the issue?

The British journalist Douglas Reed, former chief Central European correspondent of the Times, in 1950 wrote "The Eastern European Zionists are not Semites (though the Arabs are), have no Semitic blood, and their remote forefathers never trod Palestinian earth."

Mr. Benjamin Freedman, a Jewish industrialist born in New York, wrote in the Economic Council Letter published there of October 15 1947: "These Eastern European Jews have neither a racial nor a historic connection with Palestine. Their ancestors were not inhabitants of the Promised Land. They are the direct descendants of the people of the Khazar Kingdom. The Khazars were a non-Semitic, Turko-Mongolian tribe." (I.e. Huns).

Mr. Freedman was challenged, unwisely, by a Zionist objector. He invited his challenger to go with him to the Jewish Room of the New York Public Library. There they could together examine the Jewish Encyclopedia volume I pp. 1-12, and the published works of Graetz, Dubnow, Friedlander, Raisin and many other noted Jewish historians, which, as well as other non-Jewish authorities, "establish the fact beyond all possible doubt." (*Somewhere South of Suez*, 1950, pp. 349-350.)

If the Khazar account is untrue, we can be sure that a swift and comprehensive rebuttal would have followed Koestler's book and Lilienthal's long-standing allegations, let alone those of H. G. Wells. Can anyone name the book or books in which such a rebuttal appeared?

To confuse the Jews of today with the Hebrews of the Bible is like believing that the Cherokee 'Indians' not only follow the Hindu religion but will eventually return in triumph to the valley of the sacred Ganges.

### 9/11... The Truth is Anti-Semitic...

Les Visible

*Smoking Mirrors*

When you dissect the real events and official statistics of World War 2 and, of course, World War 1, you find that what you've been told is not what was... not at all. You can take what you find and consider it. You can turn it around and look at it from all sides. You can hold it up to the light to see where the light passes through and where the shadows are formed.

The more you look, the more you study, the more a particular influence presents itself.

Every now and then as time approaches for a new entry here... every now and then I just don't know what to say. So I sit here and I think about it and it isn't very long before my thoughts return, as they always do, to 9/11 and the prima facie evidence of both Zionist involvement in the act and the cover-up in the aftermath.

The Terror State of Israel has had its hand in so many things; told so many lies, caused so many deaths that it has taken on a surreal appearance in my mind. Hardly does a day go by when I don't learn of some new horror that they brought forth upon the planet. Hardly a day goes by when another new lie, or chorus of lies, does not whip across the landscape like rabid bats; routinely and persistently infecting the population with mind parasites of disinformation. We find out that [it was Israel that shoehorned Idi Amin into power](#). We have found that the Entebbe Hollywood rescue was staged. We learned that it was Israel that bombed the U.S.S. Liberty and now we find that it was a mistake, despite the fact that the ship was clearly marked and flying a large U.S. flag, in broad daylight.

We're told that it was Arabs that instigated the Six Day War and Yom Kippur conflict and then we find that the facts tell a

different story altogether. We are told that Hamas and Hezbollah are terrorist organizations. The facts tell a different story. The deeper you look the more the story changes. It turns out that [Hamas was originally an Israeli creation](#). I guess that one got away from them. When we look for Al Qaeda cells; a hard job because there is no Al Qaeda, we find that the only one that ever got exposed was a Mossad operation.

Grab an act of genocide in the last century and see who you find at the heart of the matter. How about the Ukraine? How about the Armenian Genocide? You don't have to look far [when it comes to Darfur and Sierra Leone either](#).

The thing is, if you go looking for the truth and sifting the evidence it becomes glaringly apparent soon enough that Zionism and its proponents represent a cynical and viral threat to everything that isn't them.

If you look into Biblical associations and anthropological studies, as well as what remains of the history of earlier times you come to find that the original Israelis, remaining today are, in fact, more likely to be The Palestinians. Perhaps there is an argument for various peoples being original. There is an argument for anything. When you leave the truth out of the equation all that you have is argument without the possibility of resolution which is... exactly the way some people want it.

Maybe you come across this Ashke-Nazi thing and the Khazar origins and you find that there's this DNA conflict about what Semitic is and what it isn't. The Palestinians are Semitic and the Khazar Ashkenazis are not. The Sephardic Jews certainly are. In 1960 there were 500,000 Sephardic Jews and 12,000,000 million Ashkenazim. Do the math. Apply your brain and the tool of reason.

Enter 9/11 and the question... to whose benefit does this event incline? Why were there five dancing Israelis? Why was the security of all 9/11 airports in the hands of ICTS? Why were they in charge of the London Tube and The Madrid Train Station? I don't have space here- not nearly enough space... to list the damning connections between Israeli intelligence; security firms, dual national neo-cons and sundry.

The argument for Zionist Israeli involvement in 9/11 is so apparent and prevalent that the conclusion is inescapable and without any competing, rational or fact based argument for anyone else, anywhere, anyhow. We could insert Sherlock's famous quote about the improbable here. We could insert the rules for scientific inquiry here. We could insert all sorts of helpful things but we don't need to. It's that obvious. It is where the truth leads us and that is why the truth is anti-Semitic.

This is why there was no real inquiry into 9/11. This is why Bush and Co. opposed any inquiry for so long and then turned over the keys of a sham investigation to someone like Philip Zelikow. They first tried to give it to that paragon of murder, Henry Kissinger; David Rockefeller's man on the scene. That was too outrageous even for the Nimrods among us.

Why would the president of the United States be so adamantly opposed to an inquiry? This is damning enough. We hardly need to look further. On down the road so many things came out. The BBC shot itself in the foot with its WTC7, Madame Cleo commentary about the building falling before the building fell. Now the plague of accusing letters pouring in to Michael Rudin's email box requires another mad effort at obfuscation.

Nearly everyone now knows that 9/11 was an 'in house' Zionist neo-con hit job. But you can't go there because 'the truth is anti-Semitic'.

Where is the plane wreckage from the Pentagon attack?  
Where is the camera footage from every event everywhere?  
Where is all the missing evidence that would be all the administration needed to prove what happened, if it happened the way they said it did? That they choose not to use the compelling evidence, that they have destroyed

evidence, is also proof that the evidence says other than what they say it does.

I've called for a general sit down strike against the vampire machine. I think we need to use a few other tools as well. Someone reading this article has the ability to do something useful. Someone... make an icon, a logo that says "9/11 was an Inside Job". Make it smart and sexy and effective and let us put it up in a prominent place on our blogs. You can see me wearing the t-shirt that I designed right here on this blog. We need to print stickers and stick them up everywhere we go; at bus stops and on buildings... everywhere. We need to take a page from the "V for Vendetta" playbook and become a revolutionary force for truth by plastering the world with guerilla art that screams in Technicolor to every passerby. We need an advertising campaign no less slick than Coca-Cola. We need to make noise and be subversive and use all the humor and irony that can be mined. It needs to appear on The Hollywood Sign. It needs to show up on every park bench and on staked signs in the middle of national parks. It needs to appear along the Colorado River in The Grand Canyon. It needs to be a routine skywriting event. (Just passing along the information that this book gives will undermine the Forces of Evil. M. Birkedahl)

We must go where the truth leads us and have no fear about offending those who are telling the lies. We need to shame

and expose and ridicule the merchants of fear and disinformation. We need to take it to them. We need to push for critical mass. You wonder what you can do? You wonder what any one individual can do? This is what you can do. You can become “V for Vendetta” in your daily life. Get a little bag and fill it with stickers and put them up everywhere. Be creative. Leave messages everywhere. Stick them up in the office bathrooms. Put it on bulletin boards. Buy a small box ad in the newspaper and think... think about all the possibilities that have not been mentioned here.

This is a war we can win. This is a war we are winning, just as the overlords are losing their wars abroad. Put some adventure into your life and remember... the truth is anti-Semitic. This is the only time as long as you have breath to glorify God with light and truth.

### NOTES & QUOTES

Notwithstanding the many different players, a casual observer cannot ignore the critical role Pharisee Jews have in the New World Order.

For example, Pharisee bankers financed both *The New York Times* (Jacob Schiff) and *The Washington Post* (Eugene Meyer), and use them to manipulate the public. They control the major TV networks, movie studios and book publishers as well. They have a stranglehold on Americans' perception of reality.

---

For many Jews, Israel and the Holocaust have become a substitute for religion. The reason is that Judaism is flawed.

---

Judaism has been hijacked. Judaism was originally based on Moses' vision of God as a *universal moral force*. The Sadducees upheld this view but the Pharisees overthrew them in a civil war in 79 BC. The remnants of the Sadducees, "Torah Jews" still cling to Moses and the Old Testament but they are a minority.

Pharisaism is based on the Talmud, which consists of the interpretations of "sages" during the Babylonian exile 586 BC to 1040 AD. Generally speaking, the Talmudists contradict the spirit of Moses and take precedence over the Torah (Old Testament).

The Universal Jewish Encyclopedia (1943) declares that Judaism is synonymous with Pharisaism: "The Jewish religion as it is today traces its descent, without a break, from the Pharisees.... the study of the Talmud is essential for any real understanding of Pharisaism." (p.474)

---

Jesus reviled the Pharisees as "hypocrites" and a "generation of vipers." He said they nullified God's Commandments "teaching for doctrines the commandments of men." (Mark 7:6-8)

He accused them of worshiping the devil: "Ye are of your father the devil, and the lusts of your father ye will do." (John 8:44)

In the February issue of [Culture Wars](#), a bold and brilliant Catholic thinker E. Michael Jones states that the real followers of Moses are the people who accept Christ.

Who then are the people who claim to be the Jews? Jones answers:

"Revelations 3:9 answers the question by [saying] those 'who call themselves Jews but are liars' [are] the 'synagogue of Satan.' In other words, the group that was called by God to prepare the way for the Messiah rejected the Messiah and in doing that, became over the course of the ensuing centuries a group that defined itself as anti-Christian.... "

Jones concludes: "The Jews who reject Christ now prepare the way for the coming of the anti-Christ.... what comes of this group is the opposite of salvation, namely the work of Satan..."

Isaiah's prophecy seems to confirm Jones' conclusion: "Thou shall be called by a new name, which the mouth of the Lord shall name...and you shall leave your name for a curse unto my chosen, for the lord God shall...call his servants by another name" i.e. Christian. (62:2; 65:15)

In 1891, Cecil Rhodes started a secret society called the "Round Table" dedicated to world hegemony for the shareholders of the Bank of England and their allies. These priggish aristocrats, including the Rothschilds, realized they must control the world to safeguard their [monopoly on money creation](#) (get pdf book [HERE](#)) as well as global resources. These same devils own and control the U.S. Federal Reserve and other major central banks.

They were united also by a commitment to Freemasonry, which at the top, is dedicated to the destruction of Christianity, the worship of Lucifer, and the rebuilding of a pagan temple in Jerusalem. They see most of humanity as "useless eaters" and pioneered eugenics to decrease population and weed out inferior specimens. The eventual annihilation of non-Zionist Jews was rooted in this English movement.

---

Modern Judaism, according to Jewish sources, is modern Pharisaism. Rabbi Louis Finkestein, head of the Jewish Theological Seminary of America, in the foreword to his first edition of *THE PHARISEES, THE SOCIOLOGICAL BACKGROUND OF THEIR FAITH*, says on p.21:

"... Judaism ... Pharisaism ... Talmudism became Medieval Rabbinism; Medieval Rabbinism became Modern Rabbinism. But throughout all the changes in name; the spirit of the ancient Pharisees survives unaltered."

---

Document which printed in 1889, by James de Rothschild and was a copy of a document which was sent out to European Jews in 1289, by Rabbi Chemor, head Rabbi of France.

Chemor wrote to the Grand Sanhedrin of France: "The advice of the Grand Satraps (world governors of the Jews) and Rabbis is as follows:

- 1.- Make your sons merchants, that little by little they may despoil Christians of their possessions.
- 2.- Make of your sons doctors and apothecaries, that they may take away Christian lives.
- 3.- Make of your sons, canons and clerics (clergies), that they may destroy Christianity from within. (There is hardly a Christian Seminary in America, which is not infiltrated by Jewish professors or Mason on their faculty).
- 4.- Arrange for your sons to become advocates and lawyers, and see that they mix themselves up with the affairs of the State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them (think ACLU in America).

It might be of interest to note that at this time, International Judaism was preparing the takeover of the world by the destruction of two great Christian nations in Europe. They knew that both Russia and Germany stood in their path of world aggression, so as early as 1900, the Jewish Cabal had a war chest of some \$2-billion, laid aside specifically for the

destruction of Christian Germany. This was long before a little Austrian "paperhanger" by the name of Adolf Hitler came on the scene.

The International Jewish Cabal, planned in its long range scheme of things, the ultimate destruction of Canada and the United States, in order to control the Western Hemisphere. Those of us, who have been a student of the Jewish question, have seen this assault in operation in this country for over seventy years.

By 1789, the French State had completely ostracized Christianity, while admitting Jews to full membership. This accounted for the domination of state after state in Europe by the Jews.

In North America - Canada and the United States - Masonry and Zionism worked hand in hand, as they invited these two Christian nations to give up their sovereignty and enter a world Federation which would be controlled by Masonic Jews. But we had enough patriotic Congressmen in Washington at that time, in which their dream was disrupted and our entrance into the League of Nations was voted down.

Reason for the Persecution of the Jews

The Talmudic-Cabalistic mind for centuries previous to the Reformation had formed secret societies for their own protection and for the destruction of Christianity.

As early as 1290, Edward I of England had banished the Jews, not because of their religion itself, but because of the grave offenses on the part of the Jews, which endangered his realm. These acts were enacted against the Jews by His Parliament in 1290, with the House of Commons playing a prominent role.

In 1255, about 40 years after the Magna Charta was signed, Henry III ordered a trial in the murder of St. Hugh of Lincoln, who had been killed by "Jewish ritualistic murder." Eighteen Jews were executed by the crown, after being proven guilty of this heinous crime.

In 1275, Parliament passed the "Statute of Jewry," which confined the Jews to certain areas of the country, forbid them from practicing usury, or to own land, and required, them to wear yellow identification badges.

In 1290, Edward I, banished all Jews from England. The Baptist evangelist and author Hal Lindsay says this was done because the Jews "were God's Chosen people and Satan hated them." This seems to contradict the words of Jesus Himself, when He said to their leaders in John 8:44

"Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him."

Then in John 10:26, He told these same leaders: "*Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP..*"

(Emphasis mine). This statement seems mighty clear to me! Even "brainwashed" Judeo-Christians should be able to understand the significance of these words.

Without the Jewish conspiracy gnawing at their vitals, England prospered for a time. Then in 1657, Oliver Cromwell, financed by the Jew Moses Caraja, came into power and the Jewish parasites were allowed to return. It has been "downhill" for England ever since.

---

In 1694, the Bank of England was set up under International Jewish control and the National Debt was instituted, securing for Jewish money lenders a first chance on the taxes of the English people, who paid for the interest on their loans. Sometimes this interest reached the exorbitant rate of 250%. The right of the Crown to print money was transferred to the Bank of England, in much the same manner that this right was taken away from the American Congress and given to the Jewish owned Federal Reserve System in 1913 (a Jewish

owned corporation that you as an American cannot have no stock in. Only Talmudic Pharisaic Jews, e.g. Rothschilds) “We are paying foreigners billions of dollars to barrow our own money. Now why would those we send to Washington D.C. to represent the American interest, do this to us”? Why are our representatives even allowing this? It just shows you the control and hold of an occultic foreign clique has on America which is based on a false farce called Judaism (Rev. 2:9 & 3:9).

---

In Luke 8:17 we read: "For nothing is secret, that shall not be made manifest (rendered apparent or made known); neither anything hid, that shall not be known and come abroad."

In Ecclesiastes 12:1, we read: "For God shall bring every work into judgment, with EVERY SECRET THING, whether it be good or evil."

A great American educator of an earlier day once said: "It must be a bad issue which cannot bear discussion. Truth always seeks the light."

Jesus said in John 3:19 - "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, BECAUSE THEIR DEEDS ARE EVIL."

---

It is important for us to understand that in the view of the majority of preachers who teach that "the Jews are ALL of Israel," they refer to the modern JEW as of JUDAH. We also should remember that for 3400 years of history which are recorded in the Bible, there were no people called JEWS anywhere in the world and that today's JEWS are not JUDAHITES. They are Khazar Huns or Ashkenazi Jews. They are Magog from the land of Gog in whom God has condemned and wars against.

---

I found this quote to be interesting since most Christians are waiting (hoping) to avoid the great tribulation that will be caused by the anti-Christ red beast system in which Revelation speaks so much about.

“WE BELIEVE IN THE RESURRECTION of the dead and the translation of living Christians from a corruptible to an incorruptible body to take place at Christ's return”. This will not be a Rapture, where the saints are removed from this earth during the Great Tribulation, since Scripture teaches that it is the wicked who will be removed (see Matthew 24:37-39). Compare this with the Parable of the Wheat and Tares in Matthew 13:30-41 and the Parable of the Good and Bad Fish in Matthew 13:49. There is no indication ANYWHERE in Scripture that the righteous will be removed from this

earth. This devious belief only came into existence in the last century (by a rouge minister named Darby and then amplified by another rouge minister name Scofield). Nobody in the church taught this over the last two thousand years.

-----

WE BELIEVE THAT THE UNITED STATES AND CANADA are the lands which were promised to King David in 2 Samuel 7:10 and that North America is the only place on earth which bears the identifying marks of this NEW JER USA LEM!

-----

BECAUSE THEY FEAR TRUTH...

THE ZIONIST MOVEMENT SO DEEPLY INVOLVED IN THE RUSSIAN REVOLUTION, WORLD WARS I AND II, 9/11, AFGHANISTAN, AND IRAQ, NOW WANTS CONGRESS, BUSH, AND THE UN TO DECLARE CRITICISM OF JEWISH ACTS A CRIME EVERYWHERE ON EARTH. Note that the Bush family are Crypto Jews (they hide their Jewish lineage), both President Bush are also Masons. They are only protecting their cult against exposure by making criminals out of those who tell the truth. Remember, Talmudic Judaism and Freemasonry are mortal enemies of Christianity.

-----

The term “Judeo-Christian”, often heard in Christian conversation, is an oxymoron. Judaism, the religion lived and

taught by the Pharisees, is the ANTITHESIS of Christianity. Jesus vehemently denounced the teachings of the Pharisees, as well as the Pharisees themselves, and took His followers OUT OF the synagogues, the Organized Church of that day.

---

Most hyphenated Judeo-Christians believe that the God of Judaism is the same monotheistic God of Christianity and the Old Testament. Double-talk is the part and parcel of Talmudic Judaism, which Christ called the "Synagogue of Satan". Jews condescendingly declare their devotion to "pure monotheism", which they call the "Unity of God". However, this precludes their belief in His deity being incarnate in Jesus Christ. The cryptic Talmudic translation of the "Unity of God" is in Jewish reality, the oneness of the pantheistic "en sof"; the unknowing, unknowable, self-perking mass; each phase run by individual 'gods' or spirits, like Metatron (sun god); identical with pantheistic paganism (Satanism). To the Jew, the en sof is the "infinite all that stands beyond God". Judaism, as compared to "whited sepulchers" constitutes the showmanship of placing God in a shell game for the outside world in which 'now you see 'em, now you don't'. Their inside doctrine of the en sof is a nature essence, which has no attributes and can neither know nor be known. This is your basic run of the mill atheism and foundation for all pagan

pantheisms. It's also called 'dialectical materialism', and 'secular humanism'.

Most Christians do not understand any of this religious gobbledygook that the Jews put forth. To the dumbed down non-Jews, they are told that the Jewish religion simply believes in the Old Testament (which is not true), and that they are still awaiting their promised Messiah (because they murdered Jesus Christ in their unbelief of who He was). However, in Judaism the dirty little secret is that the Messiah is already here and it's the Jewish people themselves. "The Messiah [is] without metaphor the Jewish people" Kethuboth 111a.

### The Jews and the Prophets

“Even a casual reading of the Old and New Testaments will show that the Jews are a disobedient and rebellious people. Nowhere in Scripture are Christians required to excuse and condone their evil deed simply because of their culture or perceived “nationality.”

“Jesus knew better than anyone else the unspeakable crimes of which these people were and are capable. It was to them that He addressed the following powerful polemic:

‘Woe unto you, scribes and Pharisees, hypocrites! ... And say, if we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore you are witnesses unto yourselves, that you are the children of them that killed the prophets. Fill up then the measure of your fathers. You serpents, you vipers, how can you escape the damnation of hell?’

“In this indictment Jesus lays the charge of persecuting and killing the prophets at the door of the Jewish people. It is by far the most severe, renunciation and withering blast of language that fell from His lips during the entire thirty-three years that He was in the flesh.” *The Jewish Assault on Christianity*, Gerald Winrod, p 9.

This is one major reason that Jews are taught to hate Jesus. He exposed their evil, hateful, culture, their evil, hateful, deeds, and their evil, hateful, religion.

“The Jesus of this, the twenty-third chapter of Matthew, is not the quiet, reticent Jesus of modern literature and the fashionable pulpit. The Jesus, whose righteous indignation is here asserted, is a man of words and action, a man in the act of pronouncing eight woes upon the Jewish leaders and finally condemning them to the damnation of hell.

Jesus then predicts that they will treat His coming servants exactly like their fathers treated the prophets.

“Behold I send unto you prophets, and wise men, and scribes: and some of them you will kill and crucify; and some of them shall you scourge in your synagogues, and persecute them from city to city; That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias, son of Barachias, whom you slew between the temple and the altar.” Matthew 23:35

“True to the Lord’s promise, after His departure He sent the first group of messengers forth on the day of Pentecost. Others followed later. The book of *Acts* records the persecutions and deaths they suffered at the hands of the very Jews who declared they would not have been guilty of the similar conduct of their fathers.

“It is particularly significant to notice that Jesus blamed the Jews for the murder of Abel. But how could this have been in view of the fact that Abel was a son of Adam and Eve, whereas the Jews claim their origin from Abraham, about nineteen hundred years before the birth of Christ?

“When Jesus accused them of killing Abel, He was seeing beyond their particular nationality. He was seeing beyond the garb of flesh that they were wearing. He was looking deep into their souls. He was seeing the demonic poison that was stored up in their life stream. He knew that the same satanic hatred for the program of God that took the life of Abel was

to reach its climax in the murder of the Messiah and His apostles.

“In the twenty-third chapter of Matthew, we find Christ charging the Jews with the same sin that was laid against Cain – namely, that they had become the instruments of Satan for the destruction of the plan of human redemption. The poison of the serpent had been handed down until that hour; it was flowing in their vein; the blood of the righteous Abel was upon them; they were cooperating with Satan; they had permitted themselves to become a party to the same crime of which Cain was guilty: they were trying to destroy the Savior of the world even as Cain tried to destroy the line (through Abel) from which the Redeemer was to be born.”

---

The Evangelical churches lead the way in this false theology, promoting Israel and the Jews at every turn, even to the denial of Jesus Christ. But the fact is, it is impossible to be a true Christian while supporting the murderous acts of Israel and the Jewish leaders. Those who claim to be “Christian” while supporting Israeli and Jewish Anti-Christ policies have naively given their allegiance to Satan.

“There are two governments in the United States today. One is visible. The other is invisible. The first is the government that citizens read about in their newspapers and children study about in their civics books. The second is the interlocking, hidden machinery. . . The Invisible Government is not a formal body. It is a loose, amorphous grouping of individuals and agencies. . .” *The Invisible Government* by D. Wise and T. Ross, (New York: Random House, 1964). The leadership is overwhelming Zionist Pharisees with Freemasons and New Ageism that is connected to this Luciferian cult of Judaism. M. Birkedahl)

Most Americans, and particularly Christian Americans, do not believe, and do not want to believe, that there is an Invisible Government. In fact, the Invisible Government depends on this desire by the population not to believe, in order to deceive them.

In spite of all the propaganda to the contrary over the past 50 years, there was never any intention on Hitler’s part to attack and occupy the United States or make us a part of his Third Reich. Hitler did not want war with the United States and our country was under no threat, militarily or economically, from even a Nazi conquered Europe.

The word *Holocaust* is not a German word at all, *it is Zionist-Yiddish* and in Yiddish it means “a burnt sacrifice to a god.”

It is puzzling as to why what happened to the Jews in Hitler's Germany should be called a burned sacrifice to a *God*, knowing that there was no such intent on the part of Hitler to sacrifice these Jewish people to *Almighty God*.

The European poor and uneducated Hebrew Jews were betrayed into *Hitler's Concentration Camps* by these Zionist-Khazars (that call themselves Jews but are not). These Zionist-Khazars, are now going back to Palestine after 2,000 years which are actually the ones who engineered the Jewish fable of what has become to be known as The Holocaust? It was the Zionist K-Jew that engineered the death of several hundred thousand Jews during WW2. It was also the Zionist K-Jew after WW2 engineered the farce and lie of the Nazi holocaust and the 6 million number, which they have used before in history ([several times](#)) in order to promote their satanic agendas by portraying themselves as the victims, so as to deflect criticism away from their evil cult beliefs and criminal actions down through history.

The current high ranking Israeli Official, Rudolf Kastner, as being a collaborator with the Nazis and says that Zionist Khazars were directly responsible for the slaughter of one million Hungarian Orthodox Jews. The Khazar Jews are trying to destroy any real Hebrew children that would have a real lineage to Moses and then blame it on to someone else. This is known as a false flag operation that this evil tribe is so good

at. Hitler's great Holocaust, to the extent that Jews were tortured, starved and murdered, was actually the elimination of the Hebrew Jews by the Zionist-Khazars (who are not Judeans, but are Mongolian Gentile Pharisees) Jews. Hitler was their patsy to falsely blame for their murders, to cover up their crime of murder.

The Holocaust was just another Zionist operation, another false flag among many.

America's involvement in World War II had little to do with any threat against America, or any ego trip by Hitler and his National Socialists who needed to expand their agricultural land and economic base in order to sustain their failing socialist system. It had to do with providing the Zionists with land in Palestine for which the eventual *New World Order* would be directed.

The Zionists needed a "holocaust" in order to finally get the world to justify giving them a national identity in Palestine from which to bring about their program of the New World Order.

The majority of the Jews who died in Hitler's camps did so after being betrayed by the Zionist-Khazar Jews which are not hereditary Jews, many occupied the United States Department of State. The Jews in the detention camps died from typhus by the thousands at the end of the war (including

German citizens), not in the millions and definitely not being burnt in fiery ovens.

Roosevelt and Churchill knew what was going on. The next thing on the Zionist world agenda was the establishment of the United Nations which would then, as its first Official Act declare that Palestine would belong to the Zionist Jews who wanted to migrate there. The Zionist did not care if it cost the lives of hundreds of thousands of Jews to bring it about?

These are the Zionists who operate over 100 Political Action Committees, and ultimately elect almost every U. S. Senator and a majority of the Congress. These are the Zionists who convince our President and your Congress that the safety and security of Israel is their foremost objective. To that end, they either borrow or tax Christian America to the tune of 4 billion per year just for Israeli foreign aid (all the while America is in debt in the Trillions owing a large chunk of this to the Jewish bankers, who keep us in debt through their usury). That is not even counting the billions in military hardware and support. This money is badly needed in America for Americans, just who are our Senators, Representative and our President working for? Foreigners or Americans? All this while they tax us Americans up to a half year of our wages so that we can support the government and citizens of Israel, not America or Americans. Take a close look at the people in our government

who are doing this to us. You will find them to be Judaic Pharisees and Masons.

How is the Zionist goal of the Judaization of the world being brought about?

Quite simply, it is being done by Christian ministers, from the most well-known TV evangelists down to the preacher in your home town who is a covert Zionist or Masons or who, through deliberate abysmal ignorance still thinks that the anti-Christ Zionist are *God's Chosen People*. They are really the active instigators for the Lucifer Rebellion against Jehovah.

Are you beginning to see why it is vital for you to understand the various genealogies of the peoples of the earth in respect to what the Bible has to say about them? How are you going to understand the game if you cannot even identify The Players?

If you do not understand what little that is out lined in this book, how are you going to stand against sophisticated Zionist ministers who point you to glaringly obvious anti-Christ peoples and insist that they have a legal, historical, or theological right to the land of Palestine that they stole by force, and whose Ashkenazi (Khazar) forefather never owned in the first place?

We have been taught lies. Reality is not at all what we perceive it to be. We cannot survive any longer by hanging onto the falsehoods of the past. Reality must be discerned at all costs if we are to be a part of the future. Truth must prevail in all instances, no matter who it hurts or helps, if we are to continue to live upon this earth. At this point, what we want may no longer matter. It is what we must do to ensure our survival that counts. The old way is in the certain process of destruction and a New World Order is beating down the door...

I fear for the little ones, the innocents, who are already paying for our mistakes. There exists a great army of occupationally orphaned children. They are attending government-controlled day-care centers. And latch-key kids are running wild in the streets. And the lop-sided, emotionally wounded children of single welfare mothers, born only for the sake of more money on the monthly check. Open your eyes and look at them, for they are the future. In them I see the sure and certain destruction of this once-proud nation. In their vacant eyes I see the death of Freedom. They carry with them a great emptiness--and someone will surely pay a great price for their suffering.

If we do not act in concert with each other and ensure that the future becomes what we need it to be, then we will surely deserve whatever fate awaits us.

### [My Answer to the Zionist Anti-Semitic Lie](http://sos-at.blogspot.com/2007/07/my-answer-to-zionist-anti-semitic-lie_2245.html)

I am a journalist whose areas of specialization are Israel, AIPAC, ADL, JWC, and other subversive Zionist/Jewish organizations and their subversive movements worldwide that have compromised the peace and security of the planet. On occasion I have been called an anti-Semite because I cover Zionist news. How come sports casters aren't called anti-Sportsters for covering sports? See, I don't get it. Oh, yes. And Zionists aren't even related to Semites. They descended from the Mongols who invaded Russia and converted in 740 AD to Judaism. So, how can they call themselves Semites or "sons of Shem" when they don't even have his blood line? Arabs on the other hand are the real Semites in direct line to Shem (of "shemitic" or "semitic" lines).

"Our race is the Master Race. We are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves.

Congressman Ron Paul said:

"The mass media that is controlled by the Council on Foreign Relations, Skull & Bones, and high freemasonry of the 33rd degree level want you to believe that anyone who says there is a conspiracy for world government and therefore destroy the Constitution is a quack. They use such phrases as: oh, another conspiracy theorists; right wing nuts, etc. The key is: DISCREDIT ANYONE OF ANY CONSEQUENCE WHO COMES AGAINST THE CONSPIRACY.

There is no shortage of examples where the Israeli-Zionist lobby succeeds in imposing on the U.S. an attitude which is unfavorable to American interests but useful for Israeli policy.

Here are some examples:

The president of the Senate Foreign Affairs Commission, Senator Fullbright, decided to summon the main Zionist leaders before a committee which threw some light on their underground activities. He summed up the results of his enquiry in a "Face the Nation" interview on C.B.S., 7 October 1973: *"The Israelis control policy in Congress and in the Senate"*. He added: *"Our colleagues in the Senate, about 70% of them, make up their minds more under the pressure of a lobby than from their own vision of what they consider to be the principles of liberty and justice."*

In the next elections Fullbright lost his seat as senator.

Since Senator Fullbright's enquiry, the Zionist "lobby" has continued to strengthen its grip on American policy. In his book, "They Dare to Speak Out", (published in 1985 by Lawrence Hill and Co.) Paul Findley, who had a seat in the U.S. Congress for 22 years, described the current working and power of the Zionist "lobby". This veritable "branch of the Israeli government" controls Congress and Senate, the Presidency of the Republic, the State Department and the

Pentagon as well as the media and it exercises its influence in the universities as well as in the churches.

There is no shortage of examples showing how the Israelis' demands take priority over the interests of the U.S.: On 3 October 1984 the House of Representatives repealed, by a majority of 98%, all limitations to exchanges between Israel and the U.S. in spite of the unfavorable report of the Ministry of Commerce and the opposition of all the unions (p. 31). Every year, whatever the restrictions on other areas of the budget, credit for Israel is increased. The degree of espionage is such that the most secret dossiers fall into the hands of the Israeli government. Adlai Stevenson (former presidential candidate in the U.S.) wrote in the winter '75 - '76 issue of "Foreign Affairs": "*Practically no decision concerning Israel can be taken, or even discussed, at executive level, without being immediately known about by the Israeli government.*" (p. 126) In spite of the refusal of the Secretary of State for Defense, founded on American law, to deliver to Israel, during its offensive in Lebanon, fragmentation bombs (a weapon used against civilians), the Israelis get them from Reagan and used them on two occasions in Beirut to massacre the population. (p. 143)

In 1973 the American admiral Thomas Moorer (head of combined military H.Q.) testifies: The Israeli military attaché

in Washington, Mordecai Gur (future commander-in-chief of the Israeli forces), asks for planes armed with a very sophisticated missile (called "Maverick") from the U.S.. Admiral Moorer remembers that he said to Gur: "*I cannot deliver these planes to you. We only have one squadron. And we swore to congress that we needed them.*" Gur said to me, "*Give us the planes. As for Congress, I'll take care of it.*" *That's how*", the Admiral adds, "*The only squadron equipped with Mavericks went to Israel.*" (p. 161)

On 8 June 1967 the Israeli air force and navy bombard the American ship "Liberty" (equipped with very sophisticated detectors) to prevent it from detecting their invasion plans for the Golan. 34 sailors are killed and 171 wounded. The ship is overflown for 6 hours and bombarded for 70 minutes. The Israeli government excuses itself for this "error" and the matter is closed. It is only in 1980 that one of the eyewitnesses, Ennes, an officer on the bridge of the Liberty, can establish the truth, destroying the "official" version of the "error", ratified by the "commission of enquiry" at the time, chaired by Admiral Isaac Kid. Ennes proves that the attack was deliberate and that it was a question of murder. Admiral Thomas Moorer, while Ennes' book was smothered by the Zionist "lobby", explains why this crime was kept quiet: "*President Johnson feared the reaction of the Jewish electorate...*" . The Admiral adds: "*The American people would go crazy if they knew what had happened.*" (p. 179)

In 1980 Adlai Stevenson, having sponsored an amendment demanding a reduction of 10% in military aid to Israel in order to force them to stop setting up colonies in the occupied territories, reminded us that 43% of American aid went to Israel (3 million inhabitants) for its arms, to the detriment of 3 billion people starving in the world.

Adlai Stevenson concluded, "*The Prime Minister of Israel has a lot more influence over U.S. foreign policy in the Middle East than he has in his own country.*" (p. 92)

Anything goes for the Zionist lobby: from financial pressure to blackmail, from boycotting the media and publishers to death threats.

Paul Findley concludes: "*Whoever criticizes Israeli policy can expect painful and incessant reprisals and even the loss of his means of existence by the pressure of the Israeli "lobby". The President is afraid of it. Congress gives in to all its demands. The most prestigious universities see to it that in their programs there is nothing which opposes it. The media giants and the military chiefs give in to its pressure.*" (p. 315)

## The Question

Cowardice asks the question - is it safe? Expediency asks the question - is it politic? Vanity asks the question - is it popular? But conscience asks the question - is it right?

And there comes a time when one must take a position that is neither safe, nor politic nor popular; but one must take it because it is right. Dr Martin Luther King, Jr

The term "Judeo-Christian", an oxymoron that literally describes a Christian who has been deceived by a vengeful Esau into worshiping Lucifer. Good morning, Mr. Hagee.

To call yourself a "Judeo-Christian" is tantamount to referring to yourself as a "Satanic-Christian". It doesn't quite fit, does it? Ask Harold Rosenthal as to whom the Jews really worship, and then decide for yourself if this is the guy you wish to

buddy with for all eternity.

The Religion of the OT is Christ

Is Judaism the Religion of the Old Testament?

No! Judaism is NOT the religion of the Old Testament. The religion of the Israelites in the Old Testament was/is Christianity! Jesus, Himself, said so.

“You search the Scriptures; for in them you think you have eternal (eonian) life; but they are they which testify of Me. John 5:39

The only Scriptures that were available when Jesus was on earth were the Old Testament Scriptures, which is what Jesus was clearly referring to. Jesus was stating that the Old Testament Scriptures were about Christ – NOT about Israel.

There are literally dozens of prophecies in the Old Testament pointing towards the coming of the Messiah, Jesus Christ. These prophecies were given to the Israelites by God so the Israelites would recognize Jesus when He came to earth. But the perversion, degeneracy and arrogance of the Pharisees and Sadducees – the leaders of the Organized Church of the day - had so corrupted the truth of the Christianity of the Israelites, that when Jesus appeared they not only rejected Him as the Messiah but they accused Him of “having a devil”

(John 8:48) and murdered Him, after they viciously tortured him.

The Old Testament is about Christ – NOT about Israel!  
Therefore, the religion of the Old Testament is/was - - -  
Christianity!

The rejection of truth by the leaders of the Israelites had thrown them into such profound darkness that they could no longer even discern truth. Instead, they rejected truth and “believed a lie” and murdered God/Jesus Christ.

Here is what they (K-Jews) believe is what Gods commands are for his Chosen People:

"Non-Jews are Satanic creatures from birth (making all Gentile babies 'little demons'), no better than worms." (Chabad-Lubavitch called "Likute Amarim" or "Tanya." It is one of the primary texts used in their indoctrination or "outreach" programs, published by their "Kehot Publication Society" New York --London, 1973).

The famous *Hatanya* fundamental book of the Habbad movement, one of the most important branches of Hassidim [states]: "All non-Jews are totally satanic creatures in whom there is absolutely nothing good. Even a non-Jewish embryo is qualitatively different from a Jewish one. The very existence of a non-Jew is 'inessential', whereas all of creation was

created solely for the sake of Jews". (Israel Shahak, *Jewish History, Jewish Religion*, Pluto Press, London 1994, page 27 (ISBN 0 7453 0818 X)).

"Thus an Orthodox Jew learns from his earliest youth, as part of his sacred studies, that Gentiles are compared to dogs."

(Quelle: Israel Shahak, *Jewish History, Jewish Religion*, Pluto Press, London 1994, Seite 94 (ISBN 0 7453 0818 X))

Sharon Kalimi, a Hasidim Jew: "Arabs are beasts, not human beings. Their flesh is flesh from mules and therefore they should be treated as such." (Süddeutsche Zeitung (Munich), April 3, 1999 (SZ On Easter) page III)

"All Jews are good by nature, all non-Jews are evil by nature. The Jews are creation's crowning glory, the non-Jews are the scum of the earth." (Rabbi Shneur Zalman, of Liadi, founder of the Lubavitch movement and author of the Tanya, quoted in *Frankfurter Allgemeine Zeitung*, 11.3.1994, page 14)

In 1962, a part of the Maimonidean Code referred to above, the so-called Book of Knowledge, which contains the most basic rules of Jewish faith and practice ... Maimonides ... was also a philosopher and his Guide to the Perplexed is justly considered to be the greatest work of Jewish religious philosophy and is widely read and used even today. Unfortunately, in addition to his attitude towards non-Jews generally and Christians in particular, Maimonides was also an anti-Black racist. Towards the end of the Guide, in a crucial

chapter (book III, chapter 51) he discusses how various sections of humanity can attain the supreme religious value, the true worship of God. Among those who are incapable of even approaching this are:

"Some of the Turks [i.e., the Mongol race] and the nomads in the North, and the Blacks and the nomads in the South, and those who resemble them in our climates. And their nature is like the nature of mute animals, and according to my opinion they are not on the level of human beings, and their level among existing things is below that of a man and above that of a monkey, because they have the image and the resemblance of a man more than a monkey does."

The name "Jew" and "Gentile"

The word "Jew."

The word "Judean" in the Bible (later incorrectly shortened to "Jew") originally meant - those who had knowledge of the God of heaven – the Believers. The study of the Scriptures, particularly the Old Testament, makes it clear that the designation "Judean" or *Ioudas* refers to those who had a knowledge of the God of heaven – those who were Believers

in God, as opposed to those who had NO knowledge of the God of heaven or those who worshiped pagan gods, referred to as the "Nations" – the Unbelievers.

The word "Gentiles."

In Strong's Concordance, the word "Nations" in the Greek #1484 and in the Hebrew, #1471. Now look up the word "Gentiles." You will see that the number is identical to the word "Nations" both in the Greek (#1484) and in the Hebrew (#1471). The word "heathen" has the same numbers. This shows that the Bible translators used the word "Gentiles" at their own arbitrary discretion, when it would have a theological or sociological impact they desired, rather than using the word "Nations" in every instance, as unbiased translation would dictate.

There is NO instance in the Bible, where the word "Gentiles" is appropriate. The word should ALWAYS be *Nations* or *heathen* – referring to Unbelievers.

These words "Jew" and "Gentile" are both mistranslations and have nothing to do with ethnicity. They only have to do with the spiritual beliefs of the two groups. Either they worshiped the God of heaven (Believers) OR they worshiped many pagan gods (Unbelievers).

### Two Mistranslated Bible Texts Causing Confusion

By Lorraine Day, M.D

There are two main Bible texts, one of which is badly mistranslated and the other severely misinterpreted, that have led to this false doctrine of Dispensationalism.

The first text:

Jesus said to the woman at the well, “You do not know what you worship: we know what we worship: for salvation is of the Jews.” John 4:22

This is the inaccurate translation of the King James Version and most other Bible translations, as well.

Here is the question: Is salvation through Jesus Christ, or is salvation “of the Jews”?

The second text:

And the Lord said to Abram . . . “I will make of thee a great nation . . . and I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.” Genesis 12:2,3

The question in this instance is: According to the Word of God, the God who made this promise, who are the offspring of Abram (Abraham)?

We will discuss John 4:22 first.

Is Salvation of the Jews?

Is "Salvation of the Jews" as the King James Bible translates John 4:22? The prepositions in the Greek are far more specific. The Greek word used here is "Ek" (#1537) which means "origin." The correct translation of this word is "OUT OF" not "of."

Look at the following texts. Every other place the word "Ek" is used, it is always translated "OUT OF" not "of."

"And thus Bethlehem, in the land of Judah, art not the least among the princes of Judah; for OUT OF ("Ek" #1537) thee shall come a Governor, that shall rule my people Israel."  
Matthew 2:6

"And thou, Bethlehem, house of Ephratha, art few in number to be reckoned among the thousands of Judah; yet OUT OF ("Ek" #1537) thee shall One come forth to me, to be a ruler of Israel; and His goings forth were from the beginning, even from eternity." (From the Greek O.T.) Micah 5:2

"For it is manifest that OUT OF ("Ek" #1537) Judah has sprung our Lord..." Hebrews 7:14

It is clear that the word "Ek" in the Greek should be translated as "OUT OF."

Now let's look at the last word of the text – the word "Jews."

The word "JEW" NEVER appears in the Original Scriptures

The word "Jew."

Look in a Concordance, Strong's Concordance is a popular, commonly used one. The word "Jew" (#2453 in the Greek) is actually short for the word Judean, or more accurately loudas, pronounced ee-oo-dah-yos. The letter "J" is not present in the New Testament Greek alphabet. The English alphabet had no "J" prior to the 14th century, and it wasn't predominantly used until the 17th century.

Since the word "Jew" is an English concoction that did not exist at the time of the writing of the New Testament, we know that it actually is the word "Judean" or "Judahite." The King James Bible in 1611, for example, used the word Iudea, not our present "Judea", and it was pronounced you-dee-a. So the word "Jew" is short for the word "Judean" or "Judahite," meaning either a resident of a particular area - Judea, the southern part of Canaan, later known as Palestine or a worshiper of the God whose presence was in the temple

in Jerusalem in Judea. The word "Jew" or more properly "Judean" had nothing to do with ethnicity.

The English word Jew evolved phonetically from the prefix 'Iou, from the Greek word 'Ioudas which means Judean. Judea is the same as Judah, and Judah was the tribe of Israel that inhabited that geographical area when the twelve tribes conquered the inhabitants of Canaan about 1400 B.C. The Tribe of Judah was the largest of the twelve and the most influential. God said that the Messiah would come through that Tribe.

The CORRECT Translation of John 4:22:

Because Jesus was born in Judea and because He identifies Himself as the "Saviour of ALL mankind" (1 Tim 4:10), the phrase should be translated, "Salvation is OUT OF Judea." (John 4:22) Salvation is found ONLY in Jesus, Who was born (came OUT OF) Judea!

Salvation is ALL ABOUT JESUS - NOT about Israel or the "Jews!"

Who are the "seed" and heirs of Abraham?

Galatians, Chapter 3, tells us clearly that the "seed (offspring) of Abraham" is Christ - and also HIS followers.

6 Even as Abraham believed (had faith in) God, and it was accounted to him for righteousness

7 Know ye therefore that they that are of faith, the same are the children of Abraham.

8 And the Scripture, foreseeing that God would justify the heathen (nations) through faith, preached before the gospel unto Abraham, saying In thee shall all nations be blessed

9 So then they which be of faith are blessed with faithful Abraham

10 For as many as are of the works of the law are under the curse: for it is written, Cursed is everyone that continues not in all things that are written in the book of the law to do them.

11 But that no man is justified by the law in the sight of God, it is evident: for, “The just shall live by faith” (by believing that God WILL do ALL He has promised to do).

12 And the law is not of faith: but, the man that doeth them shall live in them.

13 Christ has redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is everyone that hangs on a tree.

14 That the blessing of Abraham might come on the "Gentiles" (heathen – nations - Unbelievers) through Jesus Christ that we might receive the promise of the Spirit through faith (belief).

15 Brethren, I speak after the manner of men; Though it be but a man's testament (covenant), yet if it be confirmed, no man disannulleth, or addeth thereto.

16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ.

17 And this I say, that the covenant, that was confirmed before of God in Christ, the law that was four hundred and thirty years after, cannot disannul, that it should make the promise of none effect.

18 For if the inheritance be of the law, it is no more of promise: but God gave it to Abraham by promise.

19 What therefore is the purpose of the law? It was ADDED because of transgressions, till the seed (Jesus Christ) should come to whom the promise was made; and it was ordained by angels in the hand of a mediator.

20 Now a mediator is not a mediator of one, but God is one.

21 Is the law then against the promises of God? God forbid: for if there had been a law given that could have given life, verily righteousness should have been by the law.

22 But the scripture has concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe.

23 But before faith came, we were kept under the law, shut up unto the faith which should afterwards be revealed.

24 Wherefore the law was our schoolmaster to bring us unto Christ, that we might be justified by faith.

25 But after that faith is come, we are no longer under a schoolmaster.

26 For ye are all children of God by faith in Christ Jesus.

27 For as many of you as have been baptized into Christ have put on Christ. (This is eonian life!)

28 There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus.

29 And if ye be Christ's then are ye Abraham's seed, and heirs according to the promise.

The “seed” of Abraham is CHRIST and His followers – the true Christians – the true “Israel” – NOT the Jews!

Present-day “Jews” – IF they accept Jesus Christ as their personal Savior and quit hanging on to the false idea that the “Jews” are God’s “Chosen People” can also become the “seed” of Abraham.

God will bless those who bless the followers of Christ (the true Christians), and curse those who curse the followers of Christ!

Statement by Professor Israel Shahak  
On the Jewish hatred towards Christianity

Dishonoring Christian religious symbols is an old religious duty in Judaism. Spitting on the cross, especially on the Crucifix, and spitting when a Jew passes a church, have been obligatory from around AD 200 for pious Jews. In the past, when the danger of anti-Semitic hostility was a real one, the pious Jews were commanded by their rabbis either to spit so

that the reason for doing so would be unknown, or to spit onto their chests, not actually on the cross or openly before the church. The increasing strength of the Jewish state has caused these customs to become more open again but there should be no mistake: The spitting on the cross for converts from Christianity to Judaism, organized in Kibbutz Sa'ad and financed by the Israeli government is a an act of traditional Jewish piety. It does not seem to be barbaric, horrifying and wicked because of this! On the contrary, it is worse because it is so traditional, and much more dangerous as well, just as the renewed anti-Semitism of the Nazis was dangerous, because in part, it played on the traditional anti-Semitic past.

This barbarous attitude of contempt and hate for Christian religious symbols has grown in Israel. In the 1950s Israel issued a series of stamps representing pictures of Israeli cities. In the picture of Nazareth, there was a church and on its top a cross - almost invisible, perhaps the size of a millimeter. Nevertheless, the religious parties, supported by many on the Zionist "left" made a scandal and the stamps were quickly withdrawn and replaced by an almost identical series from which the microscopic cross was withdrawn.

Then there was the long-drawn-out battle about Christian influence in elementary arithmetic. Pious Jews object to the international plus sign for it is a cross, and it may in their opinion, influence little children to convert to Christianity.

Another "explanation" holds; it would then be difficult to "educate" them to spit on the cross, if they become used to it in their arithmetic exercises. Until the early 1970s two different sets of arithmetic books were used in Israel. One for the secular schools, employing an inverted "T" sign. In the early '70's the religious fanatics "converted" the Labor Party to the great danger of the cross in arithmetic, and from that time, in all Hebrew elementary schools (and now many high schools as well) the international plus sign has been forbidden.

Similar development is visible in other areas of education. Teaching the New Testament was always forbidden, but in the old time conscientious teachers of history used to circumvent the prohibition, by organizing seminars or sending the students to libraries (not the school libraries, of course). About 10 years ago there was a wave of denouncing such teachers. One in Jerusalem was almost sacked, for advising her history pupils, who were studying the history of Jews in Palestine around 30-40 AD, that it would be a good thing if they would read a few chapters of the New Testament as a historical aid. She retained her post only after humbly promising not to do this again.

However in recent years, anti-Christian feelings are literally exploding in Israel (and among Israel-worshiping Jews in

Diaspora too) together with the increase of the Jewish fanaticism in all other areas too.

Can you imagine the reaction of the US Liberals, and of such papers as The Nation and New York Review of Books, not to speak of the New York Times if in any state whatsoever, the government financed spitting on a Star of David? But when here in Israel, the government finances the spitting on a cross, they are and will continue to be, quite silent. More than this, they help to finance it. United States taxpayers, who are of course mostly Christians, are financing at least half the Israeli budget, one way or another, and therefore spitting on the cross too.

Professor Israel Shahak is an Israeli citizen, former concentration camp inmate during WW II, and the founder of Israel's Human Rights League. His new book "Jewish History, Jewish Religion" about Jewish hatred and contempt toward Gentiles, is highly recommended.

## TWINS OF EVIL

In the introduction I stated that the Moslems and the Zionist K-Jews are the same in mind and spirit. Here I will make those points that will show you that they are spiritually brothers, even twin brothers of evil. Also read our book "[The Great Satan](#)" - why I have a problem with Islam.

1. In the book of Revelation, prophecy tells us of the mortal persecution of Christians (by beheading) who won't take the satanic initiation and receive the mark of the beast. The method of execution favored by both the Zionist Pharisees and the Islamic Moslems is the beheading of their victim. So you have a choice, having your head chopped off by the K-Jew/Pharisee in which they may be more efficient at by using a guillotine or by a Moslem with a rusty dull machete.
2. Both the Zionist Pharisees and the Islamic Moslems worship a demon god. By looking into the belief system of both will lead you to Baal, Moloch and other demonic deities.
3. The Zionist and Moslems have as their goal – world domination. Both insist that their belief system should be the only belief system and that they are far superior to any other human beings on this planet, that ALL will serve them as their slaves. Such beliefs only makes them subhuman.

4. Murder and Hate. They both call for the death of those who don't accept or are not a part of their religious belief. They will murder those who don't agree with them, especially those who expose their evils. Jesus plainly states in St. John 16:2-3 "They will put you out of the synagogue; in fact, a time is coming when anyone who kills you will think he is offering a service to God. They will do such things because they have not known the Father or me." Both these death cults believe that all Christians should be killed. This is satanic hate!

5. No forgiveness but vengeful and vindictive. There is no grace or forgiveness in these two cult societies. Their salvation is based on works, deeds and appeasement of a vengeful deity. Violate their edicts and you can find yourself fined, jailed, mutilated or executed. This is easily seen in Islam. Hidden in Judaism, but has been demonstrated through their Judaic, Zionist Bolshevik communism as seen in their takeover of Russia and named it "The Soviet Union". Their power is hate!

6. Manmade religion and "holy books." The Zionist Pharisees "holy book" is the Talmud and the Cabala (they have two series of books). The Islamic Moslems "holy book" is the Koran. Both books are manmade not God made. There are no prophecies, like the hundreds that the Bible has and which has come about. There is no history of events like the incredible historical memory of the Bible. There is no

documentation showing that these are divine in their makeup, like the Bible has. Their “holy books” are full of blatant errors and confusion abounds and are full of contradiction, unlike the Christian Bible that has a viable theme and message that has not contradicted itself over thousands of years. Their “holy books” are full of evil deeds, messages and proclamations including satanic worship and beliefs. The Christian Bible proclaims righteousness, holiness, grace, freedom and forgiveness that will enhance a person’s life instead of demeaning it and putting it into bondage like the Zionist/Islamic belief system does.

7. The sharia law of the Moslems and Noahide law of the Zionist is to rule all mankind, disobeying these “laws” and beheading will be the punishment. Christianity is outlawed by both.

8. No grace. Living by law and self-righteousness to gain heaven or belonging to their cult/occult society.

9. They do not assimilate. Zionism and Islam will not become a part of the society they are living in or owe any allegiance to the country that they are living in or honor any oath to that country or its government. Zionism and Islam are parasites and pariahs, they will live off a society and take advantage of its citizens and its government and its freedoms and inalienable rights while they try to change that society into

their belief system and would finally turn that society/country into a communist/fascist dictatorship then they will destroy and kill the vary people who have helped them early on if they do not accept or conform to their dictates. They are vampires, they don't feed off themselves but off the body of the society they are living in until it dies, then they transform that society into the same evil creature that they are.

10. Zionism and Islam have their own "secret" religious books and codes. These books are only for the most dedicated dupes of their belief system. But they do have a very watered down and deceptive versions of their "holy books" for the consumption of those outside of their "religious philosophy". The watered down versions are to pacify and to deceptively keep people who are on the "outside" from knowing what they really believe and intend to do.

11. Killing, stealing, enslaving and deceiving is o.k. to do to those who are not a part of the Moslems Islamic or Jewish Talmudic cult religion.

12. Mosques and Temples are used as centers of propaganda and planning centers for the overthrow or subjugation of the nation that gives them a home.

13. Both have the same mentality and spirit as Nazism. Both societies are socialist communist dictatorships. They are a

apartheid societies, bigoted and races. Their belief system is a political dictatorship in the name of a demonic god.

14. Both are totally intolerant towards anybody exposing their immorality, short comings or plans for domination of countries or world domination.

15. They both are masters at deception, although the Zionist seem able to lie and deceive down to an art form. The belief system of the Moslems and Zionist allows them to lie and deceive those outside of their cult religion.

16. By their belief system, their actions and history and by their own writings or “holy books” (which promotes immorality, murder, lies and deception) they are condemned and accused of being nothing less then – Satan worshipers.

17. Both groups strive to have only their kind of worship and deny the worship of any other. They have no tolerance for any other religion (i.e. Christian) but only their own religion and it is to be the only religion on this planet. If they were in the position to force their beliefs on all the world population they would do it, but they are working hard to achieve that goal as it is a part of their belief system. Unlike Christianity where you are invited to be a Christian based on facts, but never forced, the decision is yours to make.

18. When the K-Jew and the Moslem find themselves in a society where the “spotlight” is shining bright on their evil and they feel society is against them because of their evil, they will pretend to believe another faith (note all the “crypto-Jews” and Masons that influence our government like Hilary Clinton or John Kerry and the Bushes etc.), while they secretly retain their “secret beliefs” and practice it under the cover of darkness. This is in stark contrast to the millions of Christian martyrs who refused to renounce their faith, and died for their faith in Jesus as the Son and Lamb of God and our savior.

19. If you believe in Jesus Christ as your savior, under Islam you will be charged for blasphemy by their sharia law and under Zionism you will also be charged with blasphemy under their Noahide law number 2, and the penalty is death by beheading. Understand, this Force of Evil has already put this illegal and unconstitutional law in our legal system with the help of Mason (and crypto-Jew) President Bush Sr. back in 1991. The Forces of Evil are building the trap to enslave and murder you as they pass illegal laws to allow a President total dictatorship by just declaring a national emergency. All they need is a force willing to shoot you Mr. and Mrs. America if you resist. In 2013 Homeland Security has purchased several hundred million rounds of ammo. This is no ordinary ammo for use in target practice, this ammo is hollow point bullets

which are designed to expand on impact causing it to become razor sharp shrapnel slicing up your internal organs and slicing through vital blood vanes. In other words these bullets are designed for one purpose only - to kill. These bullets are internationally illegal to be used on a battle field, but our Homeland Security has them to be used on YOU. The question is WHY? Note: Homeland Security is controlled by Judaic Pharisees.

20. Both are twin brothers, they are the two faces of the same coin and the coin belongs to the devil. All the traits and ideology that the devil has is imbedded in the Zionist Pharisee and the Islamic Moslem.

21. To the Moslem (as well as the Jew) they believe man's nature is inherently good. As a result, no need of an atonement given by God. Although they believe that their "deity" needs constant appeasement in order to be "saved." To them "sin" is not inherited and it is ok to sin against those outside their cult society. Sin is not recognized as sin to them, for they believe that they are not sinners. They are damned!

22. One of the tactics that both Zionism and Islam are doing is to use the laws of the host country against it and against its indigenous population. For Example, the American Civil Liberties Union (ACLU) is an arm of Zionism and it has used our courts to undermine our rights and freedoms and our

Christian heritage, the Moslems are trying to do the same thing through their organization called - CARE.

23. In order to stop people from exposing their evil, both Zionism and Islam use intimidation and death threats to keep those who oppose them quiet. It is documented that Moslems have killed and also the K-Jew Mossad (Israelite spy agents working in hand with the JDL) have also killed citizens in the United States. And who knows how many people had one of those "Mossad suicides" that we just don't know about.

24. Any oath of office is totally meaningless to Zionism/Islam. Their oaths are to their cult society and religion which they believe overrides any other oaths they have to take to get into a government office of authority (this includes all of Freemasonry which has roots going deeply into both of these cults of death). So their oath to uphold the Constitution and to defend America is meaningless to them, any such oath is null and void, but they will take the oath anyways because to them it is OK to lie to those outside of their cult societies. Very holy of them! They should be forever barred from any public office because of this very immoral belief that it is ok to lie and deceive those outside of their cult.

25. In their religious book, the "BABYLONIAN TALMUD", which Jewish authorities say is the heart blood of modern Judaism,

in Volume "ABHODAH ZORAH" (26b) we read, "Even the best of the goyim (non-Jewish cattle) should be killed." In Volume "SEPHER OR ISRAEL" (117b): "If a Jew kills a Christian, he commits no sin." In Volume "ZOHAR II" (43a), we are told, "Extermination of Christians is a necessary sacrifice;" while in Volume "HILKOTH AKUM I" (1) we read, "Make no agreement and show no mercy to Christians. Either turn them away from their idols, or kill them." The Islamic Moslems have similar writings and teachings that regards all unbelievers (Kaffirs, Kuffar, Kufirs, Kafirs) as ritually unclean sub humans to be killed, subjugated, enslaved, exploited, or parasitised. Kafirs are described by the Arabic word 'najis' - literally 'filth'. That's why Muslim hatred of Kafirs is intrinsic to their 'religion'. A Kafir doesn't need to DO anything to offend a Muslim; his very existence is enough of an affront.

26. First let me tell you what some of the most eminent Jewish Rabbis' have said about the TALMUD. Rabbi Ismael said, "The teachings of the Talmud stand above all other laws (their Noahide law). They are more important than the laws of Moses." Also note the Moslems make the same claim for their Islamic laws under Sharia.

27. Both of their "holy books" demand that they take over the world for their god and to be the masters of the world forcing all to accept their god or be killed (mostly by beheading,

although crucifixions, starvation and other methods will also be used).

28. All unbelievers are animals, dogs and only insects which is taught to their children by the Islamic and Zionist Pharisees. When you hear either of these two death cults telling you that they do not attack or kill the innocent, you have to cut through their deception and understand that only those in their cults are innocent all others are not innocents so can be killed or genocided.

29. The Pharisaic Jews in Christ's time were deeply racist, convinced of their intrinsic superiority to the Gentile "dogs." The good Jew did not even talk to a Samaritan. If a Gentile were beaten, robbed and thrown into a ditch, a "godly Jew", fearful of becoming "unclean," passed by on the other side of the road. The Moslems are the same, cut from the same cloth. If you are not a Moslem or Pharisee, they will leave you there to die. A good Christian would help the poor fellow, it would not matter if he be a Jew or Moslem, and the Christian would help him because it would be the right thing and human thing to do.

30. The belief system of the Zionist/K-Jews based on the Talmud (original writings) and the Cabala is the most racist, bigoted, dehumanizing, hate filled death cult to ever exist on this planet. OOPS, maybe I'm jumping the gun here, Islam

holds to the same belief system, just different titles and a different twist on the same ideology but both are from the same satanic source. In essence through their belief system, it makes them both sub-humans, not superior beings.

31. Under the Talmud's counterfeit Noahide Laws (a counterfeit of the Ten Commandments), the worship of Jesus is forbidden under penalty of death, since such worship of Christ is condemned by Judaism as idolatry. President Bush Sr. put this law into our record of laws which when enforced in the future would become the law of this country, undermining the Ten Commandments and our Constitution and Bill of Rights and our right to worship Jesus as God incarnate. The worship of Jesus Christ is forbidden in most all Moslem countries and many Christians have been murdered by them because of the worship of Jesus Christ.

32. Both Judaism (Pharisaism) and Islam believe and demand the death of all non-believers of their "religion."

33. Jews are taught from childhood, the fundamental justifications for the taking of innocent life. Moslem are also desensitized to the suffering of others for the purpose of taking the life of non-believers. Syrian-born Muslim cleric Omar Bakri Mohammed: "We don't make a distinction between civilians and non-civilians, innocents and non-

innocents. Only between Muslims and unbelievers. Judaism has the same beliefs.

34. These twin brothers in spirit are also fascist (Nazi's and communist dictators). The Zionist were in league with Nazi Germany and with Germany's help they started to establish the future Israel. Their members at that time in Palestine wore the brown shirts and functioned in the same Nazi format (they changed sides with America when Germany started to lose the war). The Moslems also were in league with the Nazi's during WW2 and today promote all the Nazi and communist traits in their society (their favorite book is Hitler's Mein Kampf) the K-Jews have similar writings which is the same belief system of the Nazi's. Fact is, the Jews and Moslems through history were allies against the Christians and it has been only in recent history that these two groups had a falling out and became enemies. But this will change in the future and again they will become allies against Christians and both of them use beheading as a form of execution. So your choice if you don't take their "Luciferic initiation" of the anti-Christ (the number invisibly tattooed on the back of your hand or on the forehead) when they take over the world with their "one world government" then you will be beheaded by the Forces of Evil. Or murdered in some fashion, genocided.

35. The belief system of both the Talmudic Jews and Islam is a cult system where they are both propagandized into since

childhood where they cannot question it or make their own judgments. Their religious leaders will do their thinking for them and demand absolute obedience. Unlike Christians in which the Bible demands that you think for yourself and make your own judgment (decisions) and it declares that the Scriptures are of no private interpretation. In other words God gave you a mind to think and He expects you to use it and judge all things. The other thing you must keep in mind is that the Talmudic Jews and Islam's belief system sits on the foundation of the occult where spiritualism and Satanism abounds.

36. Both of today's Talmudic Pharisees and Islam denigrate women. The Jewish Pharisee prays to god that he is glad that god did not make him a woman; the Moslems have the same prayer. It is also interesting to note the number of Jewish women who are in the forefront of the Women's Liberation Movement, the Lesbian Movement, N.O.W., and Pro-Abortion. Yet the Talmudic religion is definitely "anti-woman". Women are seen and treated as possessions or worse nothing more than cattle, to be used and abused. In Christianity, women are seen as equals but with their own God given responsibilities and functions and men are responsible for their roles before God and towards their wife, God does not favor one over the other for God gave both certain

responsibilities in the family unit. There is no marriage in heaven, all are treated equal there.

37. Both of these “Forces of Evil” cannot stand and will not have a Constitutional Republic and there is no such thing as inalienable God given rights. They will overrule all laws and you will have no rights, just government privileges that can be taken away at any time. There will be no recognizing any god given rights, for they will overrule God himself for they both believe that they are collectively God. The dirty little secret of Judaism is that the Christ, the savior of mankind, is already here, it is collectively the Jews.

38. Both are death cults.

39. If the Zionist/Pharisees and the Moslem Islamics did not exit, this world would be at peace and prospering, worldwide even the third world countries would be far better off.

40. Both declare a monotheistic god (which is a lie, doing a background research on their god reveals several demonic gods). The Talmudic Jews believe in a pantheistic god, the “en sof” an unknowing, unknowable, self-perking mass; each phase run by individual “gods” or spirits. Islam has their moon god (with related deities) and both of their “gods” can be traced right back to Baal. Yet both deny the deity and incarnation of God in Jesus Christ, the one and only true God

of the heavens and earth (backed up by evidence, not by man-made traditions).

41. Both advocate the killing of Christians. Islam reads in the Koran that non-Muslims be killed in the name of Allah are offerings to that deity, thus the murder is a pious act. Non-Muslims are not human beings in the same sense as Muslims, and can and should be slaughtered with impunity. Talmudic Judaism also promotes the same twisted doctrine. Where do you think such beliefs come from? How about from Satan himself, for he is a liar and murderer from the beginning and so are his children.

42. You will not ever hear a Jew or Moslem criticize the actions of their “spiritual/political” leaders. It is Christians that the Bible demands that they think and judge for themselves and remove rouge leaders of the faith.

43. Both the Zionist/Pharisees and the Islamic/Moslems have no loyalty to the country that they live in. Their loyalty is to the state that they have set up as a pure Jewish/pharisaic homeland or a Moslem/Islamic homeland. So in America as well in other countries if the choice was the total destruction of Israel for example or the choice of the total destruction of America, they will always choose Israel to survive over the country that they live in – America. Their beliefs allow them to lie and their oaths are meaningless to them except to their

cult system. These people should not be allowed to hold any office, not even as a dog catcher because their cult beliefs nullify the oath of that office and their loyalty is to their cult. This also makes them a high security risk as they will have a dual loyalty, for their ultimate choice would be to support the country that is subjugated to their cult beliefs. Masons also are a high security risk because of their dual loyalty and their oaths to their cult also nullifies their oath of office, so they also cannot be trusted as far as you can spit. Besides they also are connected to the Forces of Evil as an instigator, supporter and enforcer (dupes) for the New World Government and as a result the subjugation of all mankind on this planet. The end result being the ruler Christians call the Antichrist and the death of hundreds of millions and the total destruction of this earth. So hope that God sends Jesus Christ back to claim this world, for if not, no life will survive. This is where these cults who have made a covenant with death will lead us all. All good men and women must stand up and put a stop to them and their plans, if you want your children to survive and have a good, productive and happy life and to restore your country to its moral Christian foundation based on a righteous God that is love and hope.

44. It is beyond reason the vicious hate that the Moslems have against Jesus Christ (and by extension all Christians). In fact they even put on the “Dome of the Rock” (Moslem holy

shrine in Jerusalem) the words “The God who has no son.” The K-Jew/Pharisees have this same vicious hatred as it is written in their Talmud that Jesus is in hell boiling in hot excrement and that all Christians are to be killed, and a whole lot more bigotry and vile hatred. Yet, Muslims and Jews often tend to regard themselves as victims of some group of Gentiles/Kaffirs so they can harbor grudges against them and against people in general. This is why the Jews have been promoting the demise of 6 million Jews long before Hitler came on the scene. They finally were able to promote their 6 million farce and make it stick during the time of Hitler. Their Talmudic beliefs promote them as victims it is their doctrine of victimology, yet it is they who are the world’s foremost persecutors and mass murderers. This is why they have been busy trying (and spending millions of dollars) to erase the history about themselves. Since Mohammad, It is estimated that 270 million have been murdered by Islam and how many more lives have been destroyed by them. 140 million lives were murdered by Judaic communism in this century alone (in Bolshevik Russia 85% of the original leadership where Judaic Pharisees, ALL were Masons). If Talmudic Judaism and Moslems are the representatives of their god, then I do not want anything to do with their god, for he is a beast, as they are beasts, for their god is the devil, who is a beast.

45. When either one of these death cults is asked questions or given facts on the evil that they promote, they will accuse that person of “advocating genocide” or another “holocaust” or is anti-Semite or a hater of Moslems etc... They have no real defense so they must ridicule, call names and “demonize” that person. But the real danger here is that they will try to destroy or even murder that person if given the opportunity (this is well documented, ever hear of one of those “Mossad suicides”?). I do not hate “Jews” or “Moslems,” I am just pointing out that their cult beliefs are evil and their roots go deeply into the occult (i.e. Satanism) it is their responsibility to refine their beliefs into something just and good that can be respected by all mankind even so we may not accept their religion into our personal lives. At least then we won't have to abhor and be afraid of the harm their beliefs would do to us “outsiders” and our families.

46. Both want “tribunals” as their judgments would be based on their cult/occult oriented laws. No Constitution or Bill of Rights or Habeas Corpus here. Remember, in a tribunal you are guilty until you can prove yourself innocent and truth is of no defense. That is why the Nuremberg trials that were governed by Zionist Jews in U.S. uniforms and that bothered the Zionist Bolsheviks of the Soviet Union was such a sham and miscarriage of justice. They used this tribunal to conjure up the fiction of the holocaust that can be proven false and a

sham and which is instrumental in shaking down countries for hundreds of billions of dollars and the excuse to steal the Palestinian's land and then they started genociding the Palestinian people which still continues on today. The real terrorist were the Zionist Jews who stole the Palestinians land, as these people lived there for almost two thousand years (God does not sanction stealing and murder, read the Ten Commandments). Then they were driven out of their country, murdered, their land destroyed or stolen, and you wonder why some of them are fighting back any way they can, even as human bombs (although murdering innocent civilians is also evil).

47. The K-Jew Pharisees with their Noahide Laws see Christians as blasphemers for worshiping Jesus Christ and the penalty is death. The Moslems Koran under 295(c) of the penal code which mandates death or life imprisonment for anyone who blasphemes the Prophet Mohammed (which means not recognizing Mohammad as the prophet, by worshiping Christ).

48. Freemasonry is connected spiritually in their occult ideology to the Zionist/K-Jew/Pharisees. While the Shriners (Freemasons) gives homage to Islam and celebrates the Moslem massacre of Christians at Fez in the 7th century. That is why they wear the red cap called the Fez (in which the Moslems dipped in the blood of the Christians they

murdered). Are you starting to understanding the evil in this world and who they really are? Recognize their face!

49. Both cults can pretend to believe in another faith if necessary, while secretly practicing their real belief system. Describing the Muslim concept of Taqiyya. Taqiyya, or dissimulation, is a form of deception which Muslims use to conceal the truth. This Islamic concept to deceive an enemy (i.e., non-Muslim, infidel, kafir, etc.) is not only a common practice, but is considered a virtue among Muslims. It is used by all Muslims. In the west very few people understand a very important doctrine of Islam called Taqiyya (Taqeya, Taqiya). Until we understand this in the west, we will never be able to deal with the Muslim world properly. Judaism has exactly the same doctrines in their Talmud (called the “Kol Nadre”).

50. Satan is using both of these cults, occults to enslave the world. You must come to the understanding that Satan is not a mythical creature, but is a real person in the spiritual world who uses humans to affect us in the physical realm. He hates us humans because we were created in the image of God and as Christians we have authority over him, which just drives him mad.

51. Both have methods at dehumanizing, allowing their children to have no conscious about hurting or killing others outside their cult system.

52. Both want to replace our Constitution - the Islam's with their Sharia law and the Pharisees with their Noahide laws. Note: President Bush Sr. has snuck the Pharisees Noahide laws into the American legal system which can one day be used by a dictator in waiting, which now, today, makes it legal for our government to murder Christians. Why would he do this? Because he is a Crypto-Jew (outed by Tex Marrs), his family were never Christians as they have portrayed themselves to be. You must keep in mind; these people are Talmudic Pharisees who are masters at deception, they excel in the lie. Also both Bush Sr. and Bush Jr. are Masons (Skull and Bones) or you can say they both are worshipers of the temple of Baal, they worship a demonic god called Jahbuhlun, which is a composite of Jehovah-Ba'al-On (God of the Bible, a Hebrew idol of death and On is the Egyptian sun god, Osiris. For some reason they use Un instead of On in their demonic god's name that represents Osiris).

53. If the Zionist/Pharisaic state of Israel of today, including the death cult of the Pharisees did not exist today, the world would be a lot safer and peaceful place to live in. The same with the death cult of Islam, if it did not exist, imagine the peace on earth we would have. Pharisaic Judaism and Islam have caused virtually all the revolutions and wars on this planet. Judaism is responsible for the world wars this past century that caused the death of hundreds of millions of

people worldwide. Both these cults were created in the very pit of Hell and have been a curse on mankind from the beginning, they have the same ideology and mindset as the devil. Their fruits prove beyond any doubt that they are his children, the weeds that are strangling the life of mankind.

54. Both of them have the spiritual mind set of the Communist/Nazi ideology, which is the same spiritual mind set of the devil. And they both intend to conquer the world which means a hardcore satanic world system. Our Pharisees today already have the pieces in place for their Luciferian New World Order. The Moslems will fall in line because their belief system coincide with the Pharisees socialist dictatorship. Both will view killing Christians as a holy duty and pleasing to God (at least to their demon god), both believe in the execution by beheading. The devil is setting up his trap for the whole world and our leaders are either stupid or are in bed with the Forces of Evil. They are using the twin blades of the scissors, Democracy and Socialism to spring their internationalist trap to subjugate the world (American founding fathers pointed out that a democracy is an evil form of government, we are a Constitutional Republic). It is the Masons and our Pharisees in our government and education who have been promoting this devilish system of democracy on the whole world because a democracy and socialism will coincide at some point and the trap will then be sprung on

the world. Since all the governments of the world will be both democratic and socialist, a one world government will fall in place. This will result into the funeral wreath of all mankind (as God has pointed out through biblical prophecy. The devil is rebuilding the Tower of Babel). Note; A pure democracy always morphs into a socialist dictatorship because the masses are able to vote on the purse strings of the nation and laws that denigrate the rights of others. Just as you are seeing today as so called hate crime laws that are now making Christians into social criminals (promoted by our Zionist Pharisees). A Constitutional Republic on the other hand codifies the right of all the people, it is the two wolves and a sheep scenario voting on what to have for supper. In a Constitutional Republic the sheep has the right to be not eaten. Understand? In a pure democracy and socialism the people are manipulated through propaganda and other means to vote what the state wants, that is how communism works (the end time “red” beast system that will be overseen by the Harlot, i.e. Pharisaic Zionism. Communism is the satanic baby right out of the Judaic Pharisaic Talmud. God has revealed this to us, why don’t we listen to Him?).

55. Both religions are based on the occult and therefore are satanic (they are satanic cults, cults of death).

56. The human race outside of the Talmudic and Islamic belief system allows them to justify the slaughter of all those who

do not belong or who resist their cult/occult belief systems. For all others outside their cults are viewed as cattle, not human beings and even less than insects. Yet, it is they who by their cult/occult beliefs are deemed to be subhuman. Their beliefs makes them less than human. They can become human again by getting rid of their backward, dark superstitions and their “god complex” and join the rest of the human race. Respecting others and their property and their lives and not being a threat to humanity.

57. Masonry is Judaism through and through. Their meeting places are Temples of Baal. They will declare that once a Mason, always a Mason. When you take the Masonic oath, you can't repudiate it. The Islamic Moslems have the same demonic doctrine and mindset, that once a Moslem, always a Moslem, which can't be repudiated. Same with Pharisaic Judaism, once a Jew, forever a Pharisee. These cults are living a lie and are in bondage to the lie. God made you a free moral agent who has the right to repent and change your mind and direction in life. This is why these cults spew forth threats of life and limb because the devil knows that as long as you live, you always have the right of repentance and the acceptance of the Lamb of God, Jesus Christ, who paid the price so that you can be redeemed to God.

58. In the Koran (9:3) it is acceptable to break treaties and obligations with infidels and make war on them. Our Talmudic Pharisees of today also have the same beliefs of the Moslems.

59. According to their Surah, when under compulsion, Muslims could just pretend to believe another faith, while secretly retaining their Muslim faith. The Jews have the same chameleon traits, as they will also pretend to believe in another religion if their religion is being persecuted. Example, during the middle ages the Jews were persecuted by Catholics, so they would pretend to be Catholic by day but became Pharisees at night, while they infiltrated the church to undermine and take it over. The Catholic has long been captured by them, as most popes are Jewish and the one who really runs the Catholics is the Jesuit pope, who is also referred to as the “black pope” is always Jewish.

60. The Jewish Pharisees do have a one up over the Islamist. Jewish Pharisees over the centuries even up to today have been caught and tried in various countries for having human sacrifices. It is a major part of their Talmudic and Cabalistic beliefs that they have never repented of or even condemned. Their "holy books" still endorse and promote this barbaric, inhuman and backward practice which they will someday fully practice again when they have their worldwide communist dictatorship (in their control in communist countries they have executed people by human sacrifices. One of their

leaders has declared in communism that they can now be real Jews). For who will stop them? I am not aware of anything in Islam's beliefs or writing promoting or engaging in human sacrifices. Although having said this, the Moslems still will see you as a heretic for not accepting Islam or if you speak out against Islam or the evils that Mohammad has done or exposing their moon god Allah as a false god, they will slit your throat anyway (more likely chopping your whole head off). So I guess there's not much of a difference between the two after all, there both death cults.

61. The Moslems whenever they have taken over a Christian society have destroyed the Holy Sepulcher (even desecrated graves) and all Christian places of worship wherever they have gone. The same with the Talmudic Pharisees as they have persecuted and destroyed Christian places of worship up to our present time (e.g. the Bolshevik Soviet Union and other communist countries) wherever they can get away with it. Note what they have been doing to America's Christian heritage as they have been attacking, undermining and trying to wipe out our heritage and replace it with their Luciferian, Pharisaic cult system as they promote their immorality like sodomy that is a direct attack on Christian morals as sodomy is condemned by God. In Israel today they have been defacing Christian holy places and even started up the practice of outright spitting on Christians as they are walking down the

street. The Christian reaction would just simply say: “thank you” and avoid getting into any confrontation with these Pharisees.

62. Both of these cults specialize in deception and misdirection as they will appear to change to blend in, but in reality they are the same beasts and they will never change their spots or repent of their evil. They are today the same evil creatures and occult sub-humans since the time of their existence. History exposes that Islam has murdered over a hundred and seventy million people since Mohamed. History also exposes the Jews to be the world’s foremost mass murderers and persecutors as they have caused genocides and wars whereas hundreds of millions of people have died because of them. Bible prophecy and evidence foresees that Judaism will cause a world nuclear war which will kill Billions of people and devastate hundreds of millions of more lives which will cause a severally ruined world (in fact God declared that if he did not send Jesus back to put a stop to all of it, that ALL life would be destroyed. We would become a dead planet.) This is really a demonstration of Satan’s hatred of Mankind and warfare against God.

63. Both of these Forces of Evil are sub-human in the sense that they hate are bigoted will murder and have no tolerance for those outside of their cults. They see all others outside of their cults as only animals or nothing more than insects, but

because of their belief it is they who are less than human, are beasts, devils in human skin.

64. They both lie! They excel at lying and deception. It is an actual part of their belief system (well, after all they are cults and this is what cults do).

65. Like the Jewish Pharisaic cult of communism, Islam also holds to the same satanic doctrine of “the end justifies the means.”

66. The Koran undermines civilization, liberty and truth. Inherited in the Koran are polygamy, divorce, slavery, elevation of jihad as a sure way to heaven, hatred of non-believers and even lying if it is gainful. Our Jewish Talmudic Pharisees teach and promote the same immoral ideology.

67. It is interesting that Talmudic Judaism and Islam believe and promote the same "red" beast (Esau-Edom means "red" which signifies "red" communism and the "red" Octopus). Both have a political system that is basically a communist dictatorship. Whereas the top super wealthy and powerful controls the economics and lively hood of everybody else in the name of a god. That all must serve and worship the state and its leadership (like it is in communism, e.g. North Korea).

68. Islam encourages lying and deception of infidels (taqiyya). This may take many forms, including outright lies, feigned

moderation and condemnation of terrorist attacks on the kaffir while rejoicing the same with fellow Moslems. Our Zionist Pharisees adhere to all these traits. Also it's interesting that both Moslem and Pharisees often tend to regard themselves as victims of some group of goyim/kefirs so they can harbor grudges against them and against people outside of their cult-occult in general. (Note: During the 9/11 devastation of the twin towers several Jews “believed to be Mossad agents” were on a roof top taking pictures and rejoicing (as were many Moslems) as the World Trade Center buildings were being hit by aircraft and thousands were dying that days. They were deported back to Israel by our homeland security Jew in charge, Michael Chertoff, a Pharisee with a lineage of Talmudic Rabbis).

69. Individual Moslems and Talmudic Jews may appear law-abiding and reasonable, but they both are a part of a totalitarian movement and must be considered potential killers who are a threat to our health, wealth and wellbeing. They are a mortal danger to our way of life, our heritage, rule of law and freedoms that so many Christians have fought and died for, so that we (as their children) may have a better life. Are you going to throw all this away? Are you going to spit on your Christian heritage because you might hurt the feelings of these beasts?

70. Both Islam and Talmudic Pharisaism regard treaties and agreements with goyim/kefirs as meaningless and are made to be broken. The word of a Moslem or Zionist to a goyim/Kefir counts for nothing in the eyes of their demon god. For their god in whom they serve is the “Father of Lies”!

71. Can a religion or a cult become so powerful and so uncivilized that it can hide behind our Constitution to preach an ideology of hatred and advocate a plan to destroy our society and subvert our government? We need to consider whether a Constitution enables and protects “religions (cults)” that are being used to put our society and freedoms in jeopardy. Freedom always entails the unfortunate ability to use one’s rights to destroy the freedom of others. People can use the protections afforded them by the Constitution to inflict great harm to those who live within the law. For example, you can look at the clever arguments against the Second Amendment by those who wish to undermine our right as a citizen to “bear arms” and to disarm the American law abiding people. To bring in their totalitarian world government, they can't have an armed population. But it is the armed citizen that is the greatest homeland security that protects the rest of our freedoms. This is why you should be armed and have several thousand rounds of ammo and when the day comes that the government demands you to turn in your guns, don't, for it is an illegal order by very evil people.

Hide them! Once they go after your guns is the day you are going to need them to defend yourself and your family and the community where you live.

72. The bible says “By their fruits you will know them.” It is apparent that the Zionist/Talmudic Pharisees and the Moslem/Islamic Mohammedans are both brothers. They portray the same spiritual mindset and beliefs as the devil, only different titles and twists but still the same mindset. Not only are they brothers, but twin brothers. It would be comical if it wasn't so serious that they are killing each other on earth but will be spending all eternity living with each other in hell. What a travesty, what a cruel dark joke that the devil has played on them. They are the victims of their own lies and deceptions which will haunt them throughout eternity.

73. In Islam's verse Sarah 3:28 they are told not to take any unbelievers as friends. The Pharisee's Talmud also has the same verses. It gets worse as the adherents of these cults are instructed that they are not to help the unbeliever and to murder the unbeliever.

74. Both will try to change the laws of a host country to deceptively use “hate crimes and “thought crime” laws as propaganda to stifle free speech and to cover up the truth that exposes their evils. Yet it is they who promote hate, bigotry, racism and slavery on the citizens of whom they are

trying to subjugate, mold and change into the evil creature that they are. Look at what they are doing to America! America was founded on the Christian foundation. Our laws and morality and right and wrong is based on our Christian belief as a nation (i.e. Ten Commandments). They have attacked this foundation, tearing it down by promoting immorality and a freedom that has no bounds, which is no freedom at all (e.g. porn, perversion, corruption and many other downgradable and sinful aspects in our community that should not be constitutionally protected because the Constitution was designed to protect a moral society. People and communities should have a right to ban things like porn where they live and work, including sodomy and all its offshoots, e.g. transgenders). The attacks on the family and our society and the propagandizing of our children in a Federal educational system in which the Forces of Evil has great influence over. They believe that they can have a pure Jewish nation (or world) or a pure Islamic nation (or world) but there must not be a nation that functions by any ideals of Christianity. That Christianity to them is to be barred and torn down and not have any national home base. Both of these Forces of Evil want Christianity destroyed and its bible wiped off the face of this planet, they even say so in their “sacred books” and writings. This is what all moral people are up against, whether Christian or non-Christian. We must tear down this ferocious evil in our society, so that we can live in

peace, safety and a God given freedom, not a Luciferian socialist subjugation, falsely promoted as freedom.

75. Many nations by the clever deception of the Forces of Evil have “hate crime” laws including ours. How about recognizing that Judaism (Talmudic Pharisaism) and Islam are religions of hate. They promote murder, immorality, slavery, bigotry. They have a “god complex” that they are better than anyone else and even are to be worshiped as gods. They see others outside their cults as cattle and insects to be done with as they please. They believe that they are the only ones with human value, so murdering, stealing, lying and allowing those who need help to suffer and perish is alright to them, that it is holy and God approves of this immorality and corruption of theirs, for it is God who serves and bows to them (this is really what they believe, I can give you chapter and verse).

76. Although Islam hates Christianity (and other religions) and will not allow churches in their countries and even will jail and murder those who convert to Christianity. Talmudic Judaism's “holy books” actually promotes a virulent hatred of Jesus Christ and all Christians. Their holiest goal is to wipe Christianity off the world and they teach their children this hatred from the beginning of their lives as a sacred decree someday to be accomplished, even if it means murdering hundreds of millions of people and their families who would profess Christ worldwide. This is real demonic hate! This is a

Force of Evil that must be stopped! This evil must be exposed for the whole world to see and understand. This is what this “Trilogy of Evil” series of books are all about, exposing this evil and explaining it, so that you can defend yourself against it.

77. Both Islam and Judaism (Talmudic Pharisaism) are militant movements whose goals is to destroy ALL who stand in their way and to control everything and everyone (i.e. a dictatorship in the name of their demon god[s].)

78. There is never any hatred preached against Muslims or the Jews when Christians worship God. This is not true in Islam and Judaism, for they both teach and preach hatred against Jesus Christ and Christians and even have this hate as a part of their doctrines and belief system. Exposing their hate, bigotry and beliefs to the world is not in itself “hate” but is a means of self-defense against an evil that wishes to enslave and destroy Christianity and people in general. It is the responsibility of ALL good men to stand up against this evil and to expose it and get it out of our government and society. The Islamics (also known as the Moors) have been fought against and thrown out of the Western nations and the Judaic Pharisees have also been uprooted and thrown out of all the Western nations 47 times over the last thousand years. It is way past time to uproot and throw these Forces of Evil

out of America, Canada, Western Europe, Australia and other countries that has a Christian lineage.

79. Both deny the “Lamb of God.” The denial of Jesus Christ is the denial of God. God has proclaimed that those who deny Jesus he will deny them. For if they do not have the “Son” they will not have the “Father.” This is what God has proclaimed and this is His Judgment against evil.

80. These perverts believe in molesting children as part of their belief system. Mohammad at age fifty-six asked to marry Ayesha, daughter of his friend and first follower Abobakr. She was just a seven year old baby. Abobakr requested from Mohammad to wait till she reached the age nine before consummating their marriage. So at age fifty-Eight the great “Prophet,” raped a nine-year-old child. This is a sick act of an animal today and as it was back then also. That is the reason for marriage for girls at age nine years old (and sometimes younger in Islam). Our Jewish Talmudic Pharisees also hold to the same beliefs. In Sanhderin 55b A Jew may marry a three year old girl (specifically, three years “and a day” old). Sanhedrin 54b A Jew may have sex with a child as long as the child is less than nine years old. Kethuboth 11b “When a grown-up man has intercourse with a little girl, it is nothing”. Islam and Talmudic Judaism promote the lowest filth of all, by raping little babies. If you are a follower of Islam or Judaism, you are following a belief handed down by filthy child

molesters. Think about it! (And they dare call themselves the “chosen ones” and declare themselves superior to all others. This just proves what real lowlifes, and subhuman they really are).

So what does Christianity say? Jesus said in Matthew 18:6, and Mark 9:42, that whoever harms a child it would be better for him to have a millstone tied around his neck and to be thrown into the deepest sea. A millstone was so large that it took several men to move it. Therefore, if one was tied around the neck of somebody and they were tossed into the sea, it would be impossible for them to resurface. It could be argued here that Jesus was advocating the death penalty for child molesters.

81. When the bible says that you will know them by their fruits or declares certain people or a culture being “bad figs,” God is also linking these people back to the devil, Satan. The traits of the devil are that he wanted to be God he wanted to be worshiped and that he was special above all others. The Talmud and the Koran promote these people as gods or collectively the “Christ” the savior of humanity on earth. Like the devil, they believe that they are “special” or chosen above all others and expect to be worshiped as such by the rest of the world. Like the devil they want to be in control of everything and everyone, they are control freaks (more to the point, dictators). Satan hates all those outside his control and

if he could, he would kill or destroy those who are not a part of his “kingdom.” So it is with our Zionist Talmudic Pharisees and our Islamic Moslems, as they promote and believe that they will someday kill and destroy all those outside of their cult religion, anyone who lives will be their slaves. Like the devil, these people excel at deception and are masters of the lie, because it is a part of their cultic belief system. So you must understand, they, the Zionist Talmudic/Cabalistic Pharisees of today and the Moslems Islamic beliefs and practices are in line with the goals of the devil because they truly are the devils children. They like the devil are striving to rebuild the tower of Babel, to bring in a one world government which will be under their control, whether you like it or not. They want a worldwide domination and worldwide worship, for this is the devils goal, to have domination over the world and to be recognized as God and worshiped as such by everyone worldwide. Those who refuse to take the initiation by receiving the 666 (123456-123456-123456) mark will be arrested, imprisoned and murdered. How do I know, because the bible tells me so, also you would have to be totally stupid and blind for not understanding and seeing what is happening in our world today. Most people are just uninformed or ignorant on what is going on and who the force of evil are because they are also biblically illiterate. Also the forces do work in secret, in darkness to keep people from

knowing what's going on and who they are. Even so, something's should be obvious and apparent.

82. Islam wishes to destroy all States and Governments anywhere on the face of the earth which are opposed to the ideology and programme of Islam regardless of the country or the people which rules it. The Zionist Jews are doing this to America and Europe now for it is a communist doctrine whereas communism is the satanic baby right out of the Talmud of Judaism.

83. Moslems have a superstitious dread of images of pigs, crosses, Buddha's, Saint George (and his flag) and believe it or not - teddy bears. While Zionist Jews have a dread of the cross. In fact they had a postage stamp which you would need a magnifying glass to see a cross on a church, but they redid the stamp blotting out the cross. In Israel's schools they don't even use the standard plus sign because it looks too much like a cross, because it might convert the children to Christianity. Both these cults want to make sure that nobody in their cult will accept the salvation that the cross represents. The devil wants them ALL in hell with him.

Muslims are therefore required to destroy the symbols of 'Jahiliya' (sometimes spelled 'Jahiliyya') - non-Muslim culture. In the East this has included destruction of Hindu temples and Christian churches and replacement with mosques, and

destruction of Buddhist artwork, temples, and universities and replacement with heaps of rubble. This process of cultural replacement is being done in the West. The Jews have been attacking and destroying the Christian culture for hundreds of years. It is easy to point out their attacks and destruction of the American and Canadian Christian culture today. Europe's Christian culture has basically been destroyed as all of Europe is latterly over run by demons, attacking and denigrating anything that is Christian and of moral value.

84. We have hate crime laws, how about recognizing that we have two religions in the United States that are religions of hate? Both Judaism and Islam are religions of hate. They espouse murder, slavery, degradation against those outside their cults. They both propose by their written beliefs a genocide against all those who are not a part of their cult system, especially against Christians. As cults who promote murder, they are not a religion but a dangerous cult that should not have no protective rights under the law (as they are both, including Masonry that is connected to them, a criminal, dangerous, terrorist organizations with worldwide goals against the wishes and lives of the people on the planet). America is a Christian nation, we need to remove these cults who wish to genocide us from our shores, they have no place or right in our society. Remember, a hand full of senators voted in (after everyone else left for the holidays)

the Pharisaic **Noahide laws** with Bush Sr. (who is a crypto-Jew and Mason) signed into law which makes Christianity, TODAY, illegal with the penalty being death by beheading, now a part of American law that they are hiding for the day when they take over America by declaring martial law which they also have waiting on the legal books to be used against you, Mr. and Mrs. America. It has nothing to do with terrorism, but is a con-game that the Forces of Evil will use to enslave you and even kill you sometime in the near future. The Muslims want their Sharia laws imposed on our society. The end result is the same, death to all others (especially Christians). Demand that this UN-Constitutional law be removed from our law books (this law has never been ratified by congress, it is an executive presidential order, otherwise known as a “non-law”).

85. One of the tactics by Islamists is to use the host laws against the host countries, suing for whatever they wish - and, through intimidation including death threats to lawmakers, as well as assassinations, these characters often get what they want. This is exactly the same modus operandi of the Jews. They are using our freedoms and laws against us. Ever hear of one of those “Mossad suicides”? We should never, ever allow a death cult this right, but instead we should remove them from any and all government associations and if they do things that is detrimental to our culture and our constitutional history, they should be expelled from our

nation, or put in prison if found guilty by a jury trial before 12 law abiding citizens.

86. Both Islam and Judaism are very dangerous and evil ideologies. They are both occultic, satanic and basically cults of death.

87. Oral confession of the deity of Jesus Christ is a prerequisite to becoming a Christian (Romans 10:9-10). To a Muslim and Pharisaic Jew, this is blasphemy. To a Christian it is blasphemy to not attribute divinity to Jesus the Christ. The New Testament could not be clearer on this subject. The heart, core and soul of Christianity is allegiance to Jesus Christ as God incarnate, Lord, and Savior! Both the Old and New Testament, though prophecy testifies the coming of Jesus and his pending second coming. Both Judaism and Islam advocate the death penalty for those who worship Jesus Christ as God incarnate (by beheading which is already in American law, they are just waiting for the time that they can enforce it. How about we get active and demand its removal from our national laws, the Pharisaic, Talmudic Noahide Laws which is a satanic counterfeit of the Ten Commandments). Having the Noahide Laws as part of the American law violates the first amendment of the government establishing a national religion. It promotes murder of those who do not fit in. It is a government sanctioned mind control. The government is protecting and promoting a cult of death. It is evil and

immoral. It was snuck into our laws by a half dozen Pharisees and Masons without any debate and under the guise of celebrating the birthday of a Rabbi. They got this Antichrist law on our law books by deception and lies, in which they excel at and which is a part of their Talmudic and Masonic beliefs to lie and deceive those outside of their cult. This is a mortal danger to Americans, especially Christians. It will subjugate our nation to a Luciferian cult and the nullifying and taking away of our rights and protections.

88. Christians were told in the Bible to be on-guard and that the Antichrist will not only just be a man who appears shortly before the Lord Jesus returns, but also a movement (Judaism and Islam) which denies that Jesus of Nazareth is the Son of God.

89. The other world religions do not espouse killing off those who disagree with them unless they come under mortal attack and of course there are a few crazy radicals. (Except Talmudic Judaism, i.e. Jewish Pharisaism and Islamic Moslems who want everyone genocided or enslaved to them who are not a part of their cult).

90. The Islamics worked hand in hand with Nazism and with Hitler's fascist, socialist goals in the name of a false god (Nazism is National Socialism. Communism is international socialism). The Zionist also worked hand in hand with Hitler.

The Zionist are the only ones who had a newspaper in Nazi Germany and their flag flying beside the Nazi flag and with the help of Hitler established Israel. Because Hitler wanted to get the Jews out of Germany and Europe and the Zionist wanted to take over the land of Palestine and name it Israel and needed the Jewish population to establish this false identity of Israel. This was really the “final solution” of Hitler (don't believe the lies of the Zionist who promote that the final solution of Hitler was to genocide the Jews in fiery ovens, use some common sense). At first Hitler wanted to send the Jews to Madagascar, the large island off the tip of Africa, the Zionist Jews said no, they wanted the Jews in Palestine. There is documentation that backs this up. The so called mass genocide and the burning of millions of bodies in ovens is a Zionist propaganda lie, perpetrated well after the war for the purpose of political agendas and to shake down countries for billions of dollars for their ill-gotten new country - Israel at the expense and murder of the Palestinian people. There were no ovens in Germany that could even burn bodies on such a massive scale as noted by the allies who marched into Germany and other countries. The Zionist switched sides when the war went against Hitler. You have been lied to and deceived by these Zionist Pharisees, big time, as they have rewritten history that is false and are using the color of law to punish those who will not accept their bastardized history (five years plus in prison in Germany, today. Not what you

would call freedom of mind and body in this country). This is the only history in which you can be fined or jailed for not believing in. This just shows you on how much influence and even control that they have in the Western countries, even ours. This is a big “red flag” warning of a dictatorial cult.

91. When it comes to Judaism and Islam, this says it all! When the holy books of a religion promote and encourage hatred, death, violence, immorality and destruction of not only its adherents, but all non-believers of that particular religion, then that religion is an abomination. It is a criminal religion and should have no constitutional rights or protections as it promotes the murder of others that they have a targeted hatred for. We should never put up with death cults like Judaism and Islam. They should be removed for the good of our society. Where are the leaders who would put America and its Christian culture first against this Luciferian culture?

92. On April 13, 2006, Al Qaeda plotter Zacarias Moussaoui said in Court during his trial, that it made his day to hear accounts of Americans' suffering from the September 11, 2001, terrorist attacks. Moussaoui told jurors Islam requires Muslims to be the world's superpower. "You have to be subdued. We have to be above you." This is also what the Jewish Pharisaic Talmud teaches. They are definitely cut from the same cloth and serve the same master of Hell.

93. Muslims living in foreign, non-Islam nations believe that they owe their loyalty only to Islam and not the country they live in. These Muslims are permitted to say anything, including lies, or do anything -so long as it helps Islam. Of course we already know that the Jews believe in the same corrupt demonic ideology.

94. Another important thing to keep in mind here is that lying is actually sanctioned within the Islamic religion. As Islam spreads throughout the West, Americans need to be particularly vigilant, recognizing the fact that Muslim activists may try to deceive us into believing that they do not endorse violence, when their actions and beliefs say otherwise. A number of Muslims artfully neglect to mention the more controversial aspects of Islamic writings and teachings. In the cult of Judaism lying is promoted and its o.k. to deceive others outside their cult if it is for gain and as long as it doesn't negatively affect Israel. Any oaths taken are also null and void, only oaths taken in Judaism is valid and must be kept. Same thing with Masons. That is why no Moslem, Jew or Mason should be allowed to hold any political office or any other position that requires an oath. This is also why they can take an oath to tell the truth in court but will outright lie and deceive, you cannot trust them as far as I can spit and I can't spit.

95. Both the Koran of Islam and the Talmud of Judaism promote abominations written throughout their "holy" books and the criminal acts espoused and commanded throughout the writings in these books.

96. It is interesting to note that most Jews will change their names so that you will not know their Jewish origin (they are called crypto-Jews as they hide their Jewish roots). The Muslims who come here are also changing their name to a Western, Christian name, as they also will not reveal their Islamic roots. This deception is a holy cause for them if it advances their religion and cultic goals.

97. In Psalm 83, the descendants of Esau (Pharisees) and those of Ishmael (in whom is really a reference to our Jews but is believed by some that he represents the Moslems. Geneses 16:12) are found in alliance against the real End-Time Israel of God (spiritual Christianity who are members of the commonwealth of God, called ISRAEL).

98. You must understand that the Pharisees of Zionism and the Moslems of Islam despise and hate our Constitution and our inalienable rights encoded in our Bill of Rights and our rule of law. Because it protects you from them and declares that God is the author and root of our freedoms and rights which is based on the Christian foundation.

99. In 1917 the Zionist Pharisees and Masons took over Russia by force (they were invaders. Fact is most of the Russian Bolshevik leadership couldn't even speak or understand Russian). They murdered some 66 million people mostly Christians and destroyed the lives of millions more as they made the Russian society into a hell hole, there is no such thing as a paradise with communism, it is a deception and lie from Hell. Socialism whereas the government (translation - the super-rich billionaires) controls everything by decree is what the big super rich Jews i.e. Rothschilds want because they through their banking cartel control the governments and eliminates competition, in which means THEY control everything (communism is not the sharing of wealth, that's just boob bait to deceive people into accepting communism). In Europe the Moslems are over running the society and local communities and are now causing real trouble and upsetting the population there (this is going to cause a civil war in the European countries. If the Moslems win, it will be a Hell for the citizens. If the citizens of the country wins, it will be an awful lesson learned in blood as history repeats itself - again). It is their governmental leadership that is bringing in hordes of Moslem foreigners (like our Luciferian leaders are doing to America and Canada) which is now causing strife, crime, murders and a serious revolutionary backlash, why would they do this to their own citizens? It is because they are also connected to the Forces of Evil in which the Luciferian

leadership ordered it in order to have a pluralistic society that undermines any Christianity that still remains there. You must understand we are in a spiritual warfare that is being fought through mankind. This is why the Forces of Evil must get God out of society in order to subjugate it to their god - Satan, who is the multiple false gods i.e. idols that millions are worshiping. Some of the countries in Europe are in danger in becoming Moslem countries in as little as 20 years from now if the people there don't round them up and send them back to the Moslem hell-holes that they want to convert all of Europe into. The freedoms of Europe will vanish like melting snow and they will live miserable lives and under constant threat of Jail or death. So the people should decree for the sake of their country and children that Moslems stop being Moslem or leave the country and go live in a Moslem country. Moslem countries don't allow Christianity in their society, so why should we allow them into our society to undermine us with their devils cult. You must understand, we are at war, yes, a silent war based on deception and lies but a war we are losing and we and our families will pay a real awful price if we lose this war.

100. As you read though the points above showing you that Judaism and Islam are actually the two sides of the same coin that is owned by the devil, this should help you to understand the evil that we are up against. Although today they seem to

be fighting and killing each other and hate each other, this wasn't so throughout history.

The greatest terrorist on this planet have been the Judaic Pharisees and Islam of the Moslems. It is estimated that since the time of Mohammad 270 million lives were murdered by them and that is not counting the lives and livelihood of millions of more souls who were devastated by these bastards. Pharisaic Judaism has murdered over 140 million lives in just this past century alone in their very kosher communist takeover of countries around the world. This is not counting the millions of more lost from the revolutions and world wars that they instigated and are responsible for. How many people over the centuries have they murdered and the lives that they have destroyed? Communism is the satanic baby right out of their holiest book, the Talmud. When they captured Russia and formed the Soviet Union, 85% of that leadership were Jews, all were Masons. They murdered up to 66 million people in Russia alone and destroyed the lives of millions more and that is not counting what they did in the other communist countries. Their main target of murder and destruction were Christians and its faith. You wonder what they are going to do when the whole world falls into their trap and their New World Order dictator takes over? People are not learning from history and one reason is because the Forces of Evil have been able to hide this history and bastardize it because of their control of the media and the

very successful brain washing of those who would call themselves Judeo-Christians (same as calling yourself - satanic Christians).

In the past when the Moslems where referred to as the Moors, the Jews and the [Moors](http://en.wikipedia.org/wiki/Moors) (<http://en.wikipedia.org/wiki/Moors>) where allies against the Christian civilization in young Europe. The Jews would open the gates to Christian cities allowing the Moors (Islamist) to gain entry and slaughter the Christian habitants and to destroy the holy places of the Christians. They have been keeping this history hid just like they have hidden the Khazar nation of the Huns who converted to Judaism in which 95% of our Jews are today (also referred to as Zionist, a militant type of Judaism. Traits from their Hun forefathers). Just like they have been able to hide their genocide in Russia and hide the roots of communism, while on the other hand they invent a holocaust tale and promote it as a fact (as they posed as victims of Gentiles), in which this deception and lies can be proven to be a fake history (they are indeed a very devious and evil people). They are a Luciferian cult because their beliefs are hardcore occultic and wars against the God of the Bible. They are not superior humans that they believe they are (they believe everyone else outside their cult are soulless animals). Instead they are vicious animals, demons in human skin that even God said he will destroy these Edomites and that they will never produce no fruit, but forever be spiritually barren. Remember, Satan

also comes as an angel of light, but to deceive and to destroy, and so do his children.

The Antichrist will again bring Judaism and Islam together as allies who will persecute Christians worldwide and jail and murder anyone else that gets in their way. God has already revealed this in his Holy Bible, whereas every prophecy to date has never failed. Now that is what I call a foundation. Today, the devil is using Islam to slap you across the face while he is using his other hand to bring Judaism into the back door unnoticed by the world (after all, the devil is devious, wouldn't you agree?).

101. Resident alien status has been clearly delineated in scholarly articles in leading Jewish publications. For example, Hebrew University Professor Mordechai Nisan, basing his exposition on Maimonides, stated that a non-Jew permitted to reside in a land ruled by Jewish law "must accept paying a tax and suffering the humiliation of servitude."

If Gentiles refuse to live a life of inferiority, then this signals their rebellion and the unavoidable necessity of Jewish warfare against their very presence. [Cf. Mordechai Nisan, *Kivunim* (official publication of the World Zionist Organization), August, 1984, pp.151-156].

This is the same immoral and corrupt doctrine that is promoted in Islam.

102. According to the Talmud, “those who deny the Torah (Talmud) and the prophets of Israel, the law is that they should be killed and those who have the power of life and death should have them killed, and if this cannot be done, they should be led to their death by deceptive methods.” The Moslems have the same beliefs through Islam.

The Talmud’s homicidal hatred of Gentiles leaps from its pages. The Jewish Encyclopedia quotes one of the Talmud’s most respectable rabbis, Simeon ben-Yohai: “The best among the Gentiles deserves to be killed. The best of snakes ought to have its head crushed.” Islam has the same beliefs.

According to the Zohar, God rewards Jews for slaughtering those whom Israel regards as idolaters. “In the palaces of the fourth heaven are those who lamented over Sion and Jerusalem, and all those who destroyed idolatrous nations and those who killed off people who worshiped idols are clothed in purple garments so they may be recognized and honored.” Only by the overthrow of the Gentiles, the Zohar asserts, can Israel regain its predestined position as God’s shekinah glory on earth. Islam believe in the same sub human demonic doctrine. God has warned us through prophesy that those who would murder Christians will believe that they are doing God a service and offering a holy sacrifice. They are indeed perverse and twisted and dangerous. You need to

understand them and put a stop to them, before they have the power and authority to destroy you and your family.

You must understand that Esau, whose name was changed to Edom is the progenitor of our Pharisees today who call themselves “Jews” (Judeans, in which they are not) which is spiritually a nation at war with another spiritual nation called “Israel” which is the spiritual designation of Christendom which was brought about through the spiritual seed of Abraham, through Jesus Christ, by faith. In Psalms 83, it shows us that Edom are the Pharisees of today will be united with Ishmael’s seed (Arabs/Moslems = Islam) in the end times to unilaterally destroy Christianity, to wipe it off the face of the earth. Both of these death cults have in their “holy books” the beheading of all those who oppose them. They basically have the same beliefs, just different names and titles, but the same game as they are cut from the same cloth and worship the same devil god – Baal, i.e. Satan. History and research has documented that Pharisaic Judaism and Islam of the Moslems have a strong and direct lineage to Baal, in which the idol of this demon god also went into India to form the religions there also. Baal is the idol of a demon god in which the apostate Hebrew children sacrificed their children to. The name Baal has morphed through several names to finally become the name of Allah in Islam, their moon god, the main tribal god of Mohammad. Both are worshiping Satan.

Civilized nations put down cults, especially killing cults. Wake up, free world. Why do we have to make room in our lives and society for cults that sit on the foundation of the occult that have in their beliefs to harm, murder, lie, deceive and steal from others outside their satanic clique? They are demanding that a Christian America set aside its culture and heritage and accept and respect their culture at the destruction of our own. To this I will say: “get lost,” “get out of my life and my society,” for I will resist and fight against your corrupt and Luciferian culture. For I am a Christian and an American with the soul and spirit of this countries forefathers. I may be a sheep, but I am a sheep with teeth and I bite back and as a son and daughter of God by adoption through Jesus the Christ, I know I have the full might and power of my Father in Heaven, the Creator of the heavens and earth. I will use His authority and power to destroy your evil works here on earth. M. Birkedahl
